The milestones of this Academic Year

Bridge Course

Different levels of competence and skills are necessary to train the students in the beginning. Hence training the students for all situations has become the need of the hour. A scheduled bridge course for 10 days is conducted at the beginning of every academic to cater to the needs of the students from rural and semi- urban students. The bridge course provides a basic platform in Grammar and LSRW skills for the students. From 06.07.14 to 11.07.14 a bridge course was conducted for this academic year.
