## Dr. N.G.P. Arts and Science College Alumni Association

The Alumni Association of Dr. N.G.P Arts and Science College showcases in accomplishing with the defined objectives to provide an opportunity to the alumni to interact, grow and enjoy mutual benefits and also to be instrumental for the development of the institution. The Alumni Association of Dr. N.G.P. Arts and Science College was initiated during the academic year 2000 to 2001 and was registered under Tamil Nadu Societies Registration Act 1999, on January 5<sup>th</sup>, 2018. Execution in the professional world is driven by the soul of alumni which resonates with the ethics and attitude imparted by alma mater throughout their journey. The astonishing events and programmes were received a huge success to the student community to step forward in their academic and professional life. The institute invites its alumni for motivating and guiding students for higher studies, for guest lectures, seminars and also as judge for various events. The alumni groom the students by giving the feedback about expectation of industries from fresher. The self-employed alumni conduct workshops and value addition programs for students.

### Objectives of the Alumni Association

- To fortify the relationship among alumni from diverse disciplines of our college.
- To inculcate a peer culture among alumni to involve in various service-oriented activities
- To organize socially devoted events with future generation in mind
- To contribute through diverse enrichment programs for knowledge and professional development
- To bring out a consistent proficient alumni magazine

## CAMPUS NEWS

### ACHIEVEMENTS AND AWARDS

#### Times Business Award: Dynamic Women Leadership of the Year 2022 for Madam Secretary

For the immense dedication and service towards with remarkable milestones through her life, Dr. Thavamani D Palaniswami, Secretary, KMCRET received Times Business Award: Dynamic Women Leadership of the Year 2022.

Dr. Thavamani D Palaniswami, Joint Managing Director, KMCH, was presented the “Dynamic Woman Leader of the Year” at the Times Business Awards organized by the Times Group. R.Sakkarapani, Minister of Food and Civil Supplies of Tamil Nadu and the actor Parthiban presented the award in recognition of her inspiring leadership. Her multi-dimensional approach makes the institutions excel in curricular and co-curricular aspects year by year. She believes that good education and discipline are the two inevitable factors in the development of the students' community.

#### TOP 2 % PERCENTAGE WORLD SCIENTIST BY STANFORD UNIVERSITY, USA AND ELSEVIER BV

Prof. Dr. V Rajendran, Principal, Dr. NGP Arts and Science College has been recognized as top 2 % percentage world scientist by Stanford University, USA and Elsevier BV for four consecutive years (2019, 2020, 2021 and 2022). According to Stanford University, and Elsevier, the top 2 % of World Scientists were identified based on their research and development contributions like publications, h-index, citations, patents, and more than 44 other parameters.

#### RECOGNITION

In pursuance of this our beloved team leader Prof. Dr. V. Rajendran, Principal, Dr. N.G.P Arts and Science College has been recognized as a Fellow of International Association of Advanced Materials (FIAAM) for his valuable contributions in Nanoscience and Technology by International Association of Advanced Materials (IAAM), Sweden, an international scientific research organization. He was honored by Shri Prahalad Singh Patel, Ministry of Jal Shakti, on 12.12.2022 at the International Conclave on Materials, Energy and Climate change held at New Delhi. Further, he entitled to employ the designatory letters FIAAM for his pivotal achievement.

## International Association of Advanced Materials, Ulrika, Sweden

Prof. Dr. V. Rajendran, was recognized for his outstanding contributions on Nanoscience and Technology on 12.12.2022

Prof. Dr. V. Rajendran received the title of FIAAM (Fellow of International Association of Advanced Materials on 12.12.2022

The Associated Chambers of Commerce and Industry of India (ASSOCHAM) & GEM Green Building Certification Program (Green ASSOCHAM) Recognized as Digital Distinction: Technology Conformance to National Educational Policy. Our premiere higher education institution, Dr. N.G.P. Arts and Science College has been hailed with another milestone accomplishment in Higher Education under the leadership of Dr. Nalla G Palaniswami, Chairman and Dr. Thavamani V Palaniswami, Secretary. Our College has been recognized by ASSOCHAM education council in the EduTech100 - Digital Distinction: Technology Conformance to National Educational Policy in the Higher EduTech 100 Summit organized by ASSOCHAM National Council on Education as one among the top 100 premier institution in PAN India under the parameters of System of Record, System of Management and System of Intelligence. Prof. Dr. V. Rajendran, Principal received the felicitation at ASSOCHAM EduTech100 summit held on 14.12.2022 at New Delhi.

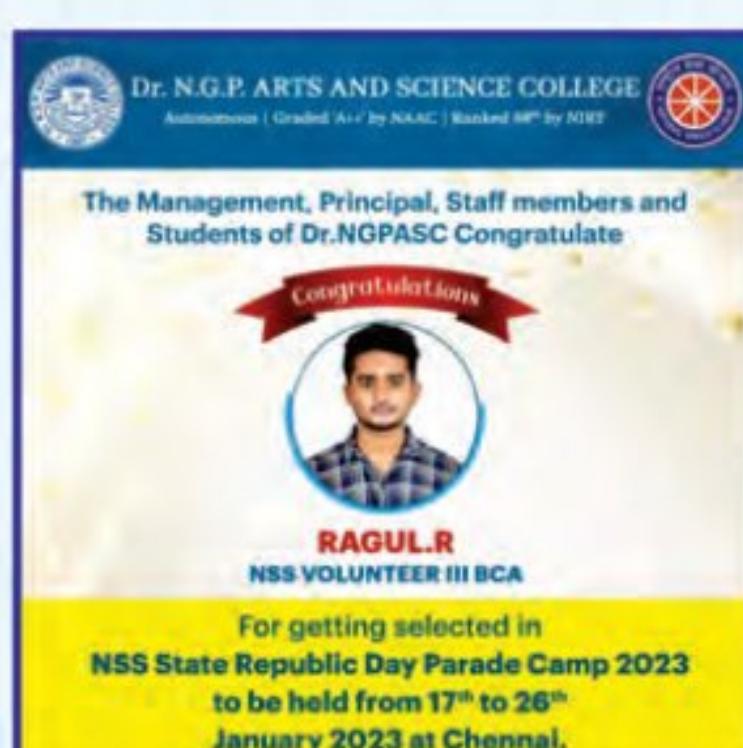

## NGPians Represented Indian U-20 Volley Ball Team at International Volleyball Championship held in Riffa, Bahrain during between 22.08.2022 and 29.08.2022

S. Bharanidharan of III B.Sc Computer Science with his persistent and sincere efforts could made all of us proud by participating in the International Volleyball Championship which was held in the city of Riffa in Bahrain during between 22.08.2022 and 29.08.2022. The 2022 Asian Men's U20 Volleyball Championship was the 21st edition, a biennial international volleyball tournament organized by the Asian Volleyball Confederation (AVC) with Bahrain Volleyball Association (BVA).

## NSS volunteers participation in State Republic day parade 2023

Two students namely Mr. Durairaj N, Dept of Biotechnology and Mr. Ragul R, Dept of Bachelor of Computer Applications from Dr. NGP Arts and Science College have been selected for participating in the State Republic Day Parade Camp 2023 at Chennai from 17.01.2023 to 26.12.2023. It is indeed a proud moment that our students got selected to be the part of 75th Indian Republic Day Parade.

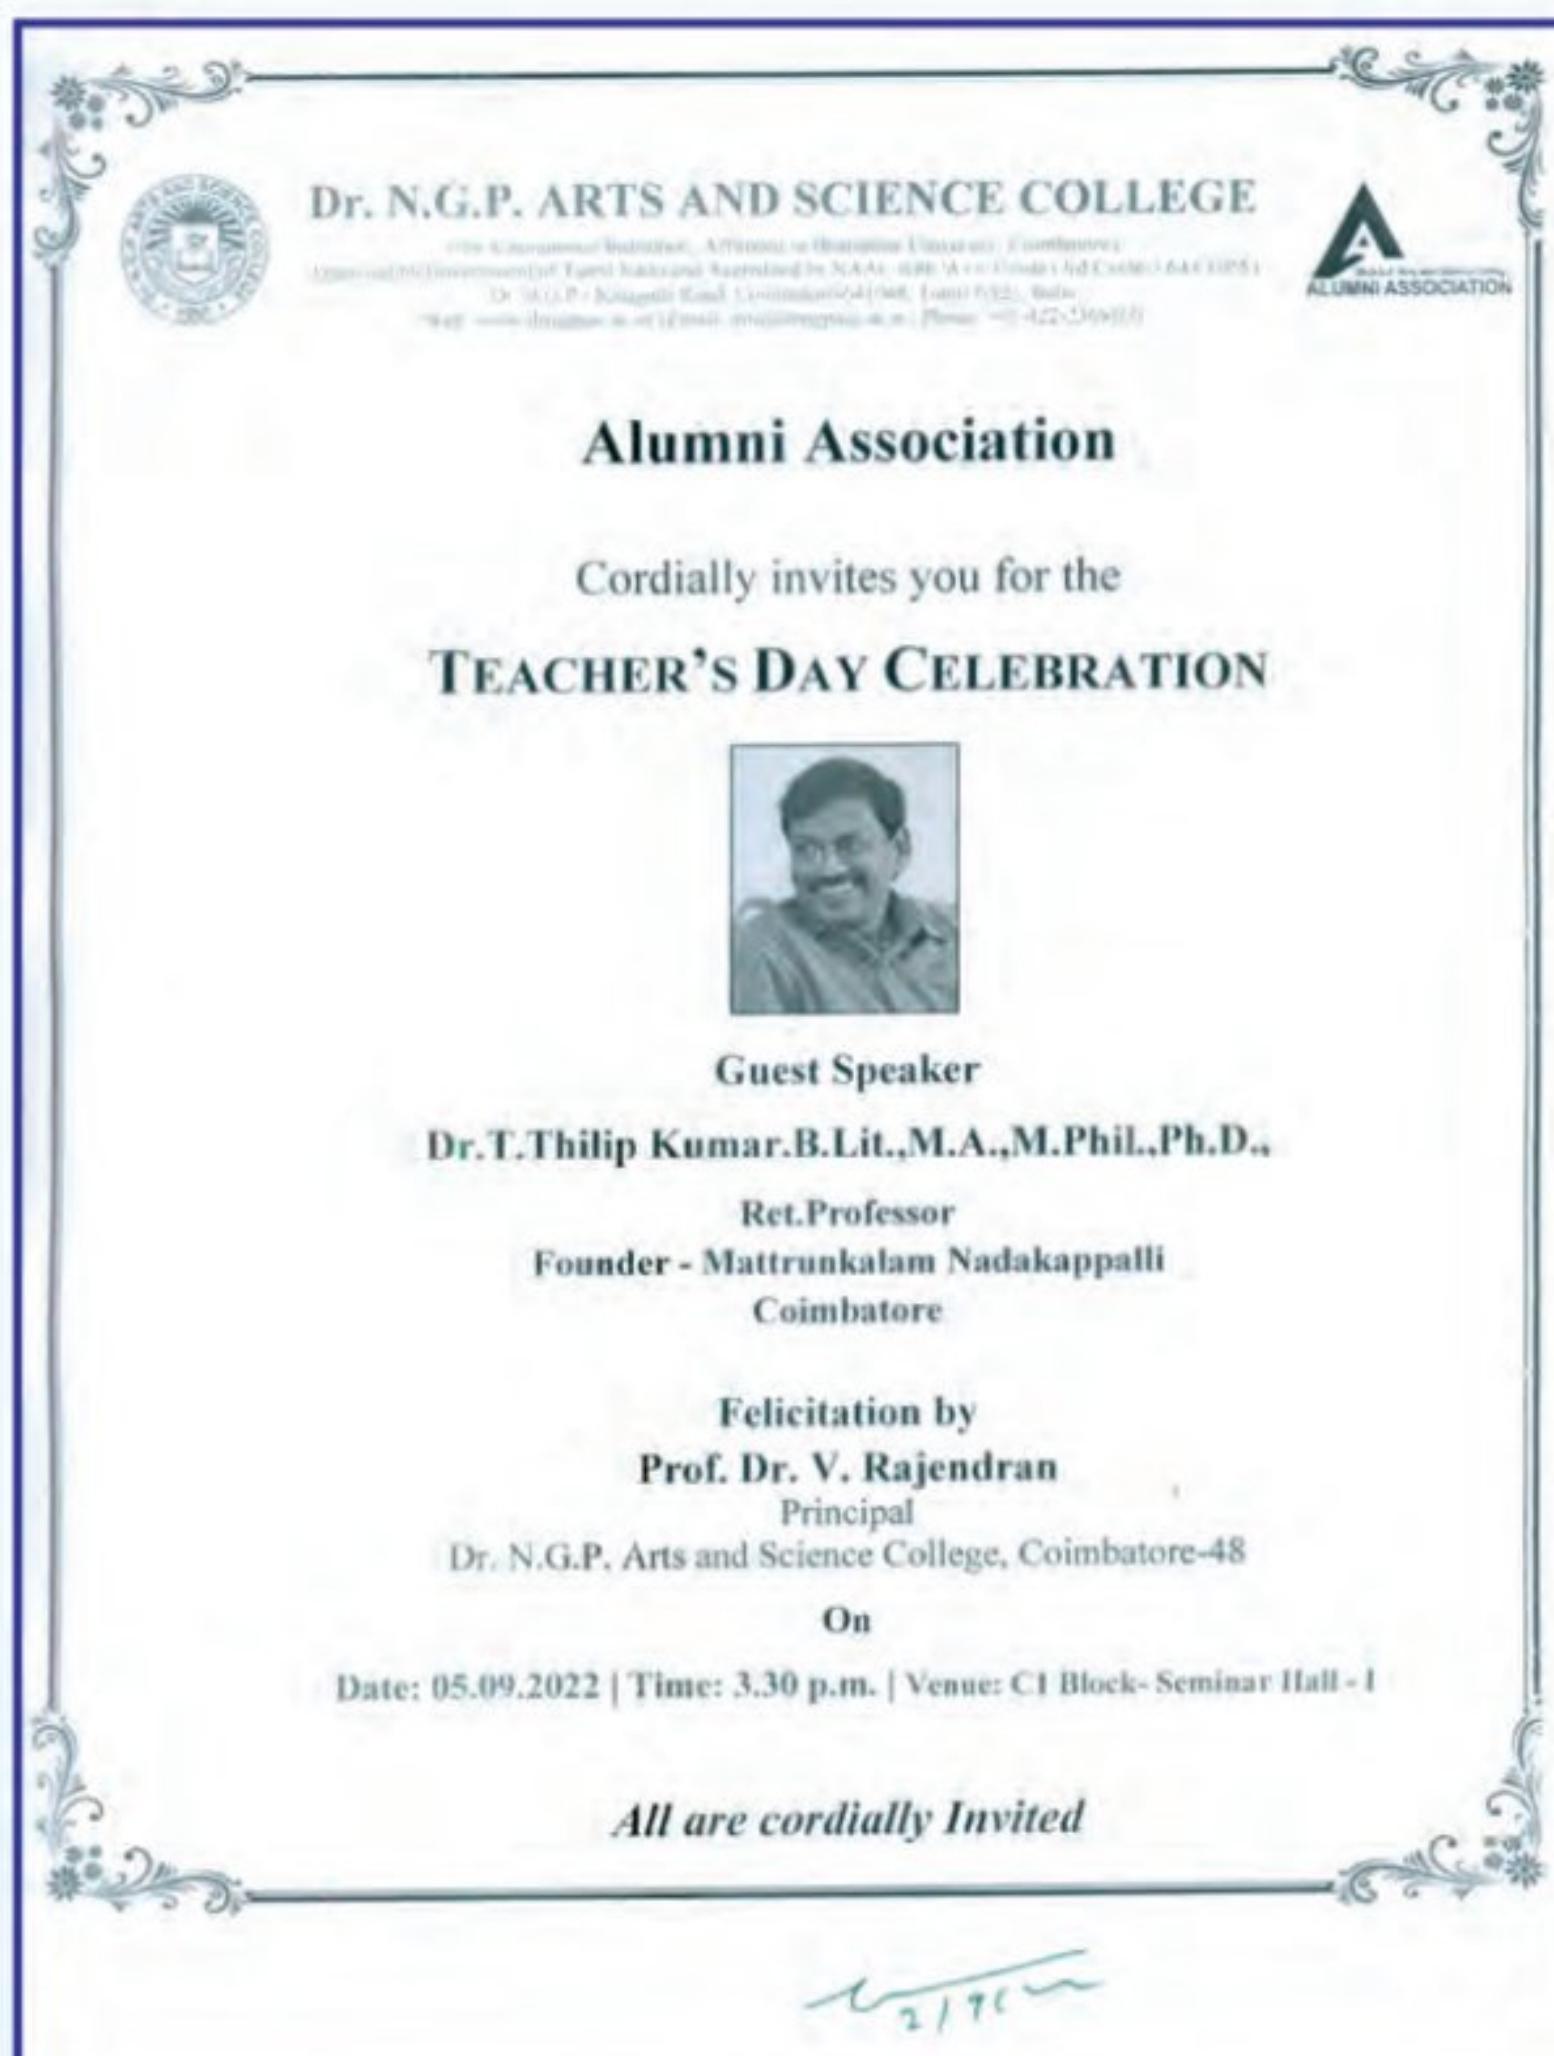

## Ranking Proposals

- ARIIA 2023 was submitted on 14.10.2022
- Times B School Ranking 2023 proposal was submitted on 12.12.2022
- NIRF registration for 2023 was made on 20.10.2023 and proposal for college ranking was submitted on 06.01.2023

## TEACHER'S DAY CELEBRATION - 2022

Teacher's Day is celebrated on September 5<sup>th</sup> as an occasion to appreciate and acknowledge the efforts and hard work of our teachers in making us sophisticated and responsible individuals. To celebrate the Teacher's Day the Alumni Association of our college organized an invited talk on **5.9.2022** by **Dr. T. Thilip Kumar B.Lit., M.A., M.Phil., Ph.D., Ret.Professor, Founder - Mattrunkalam Nadakappalli, Coimbatore.**

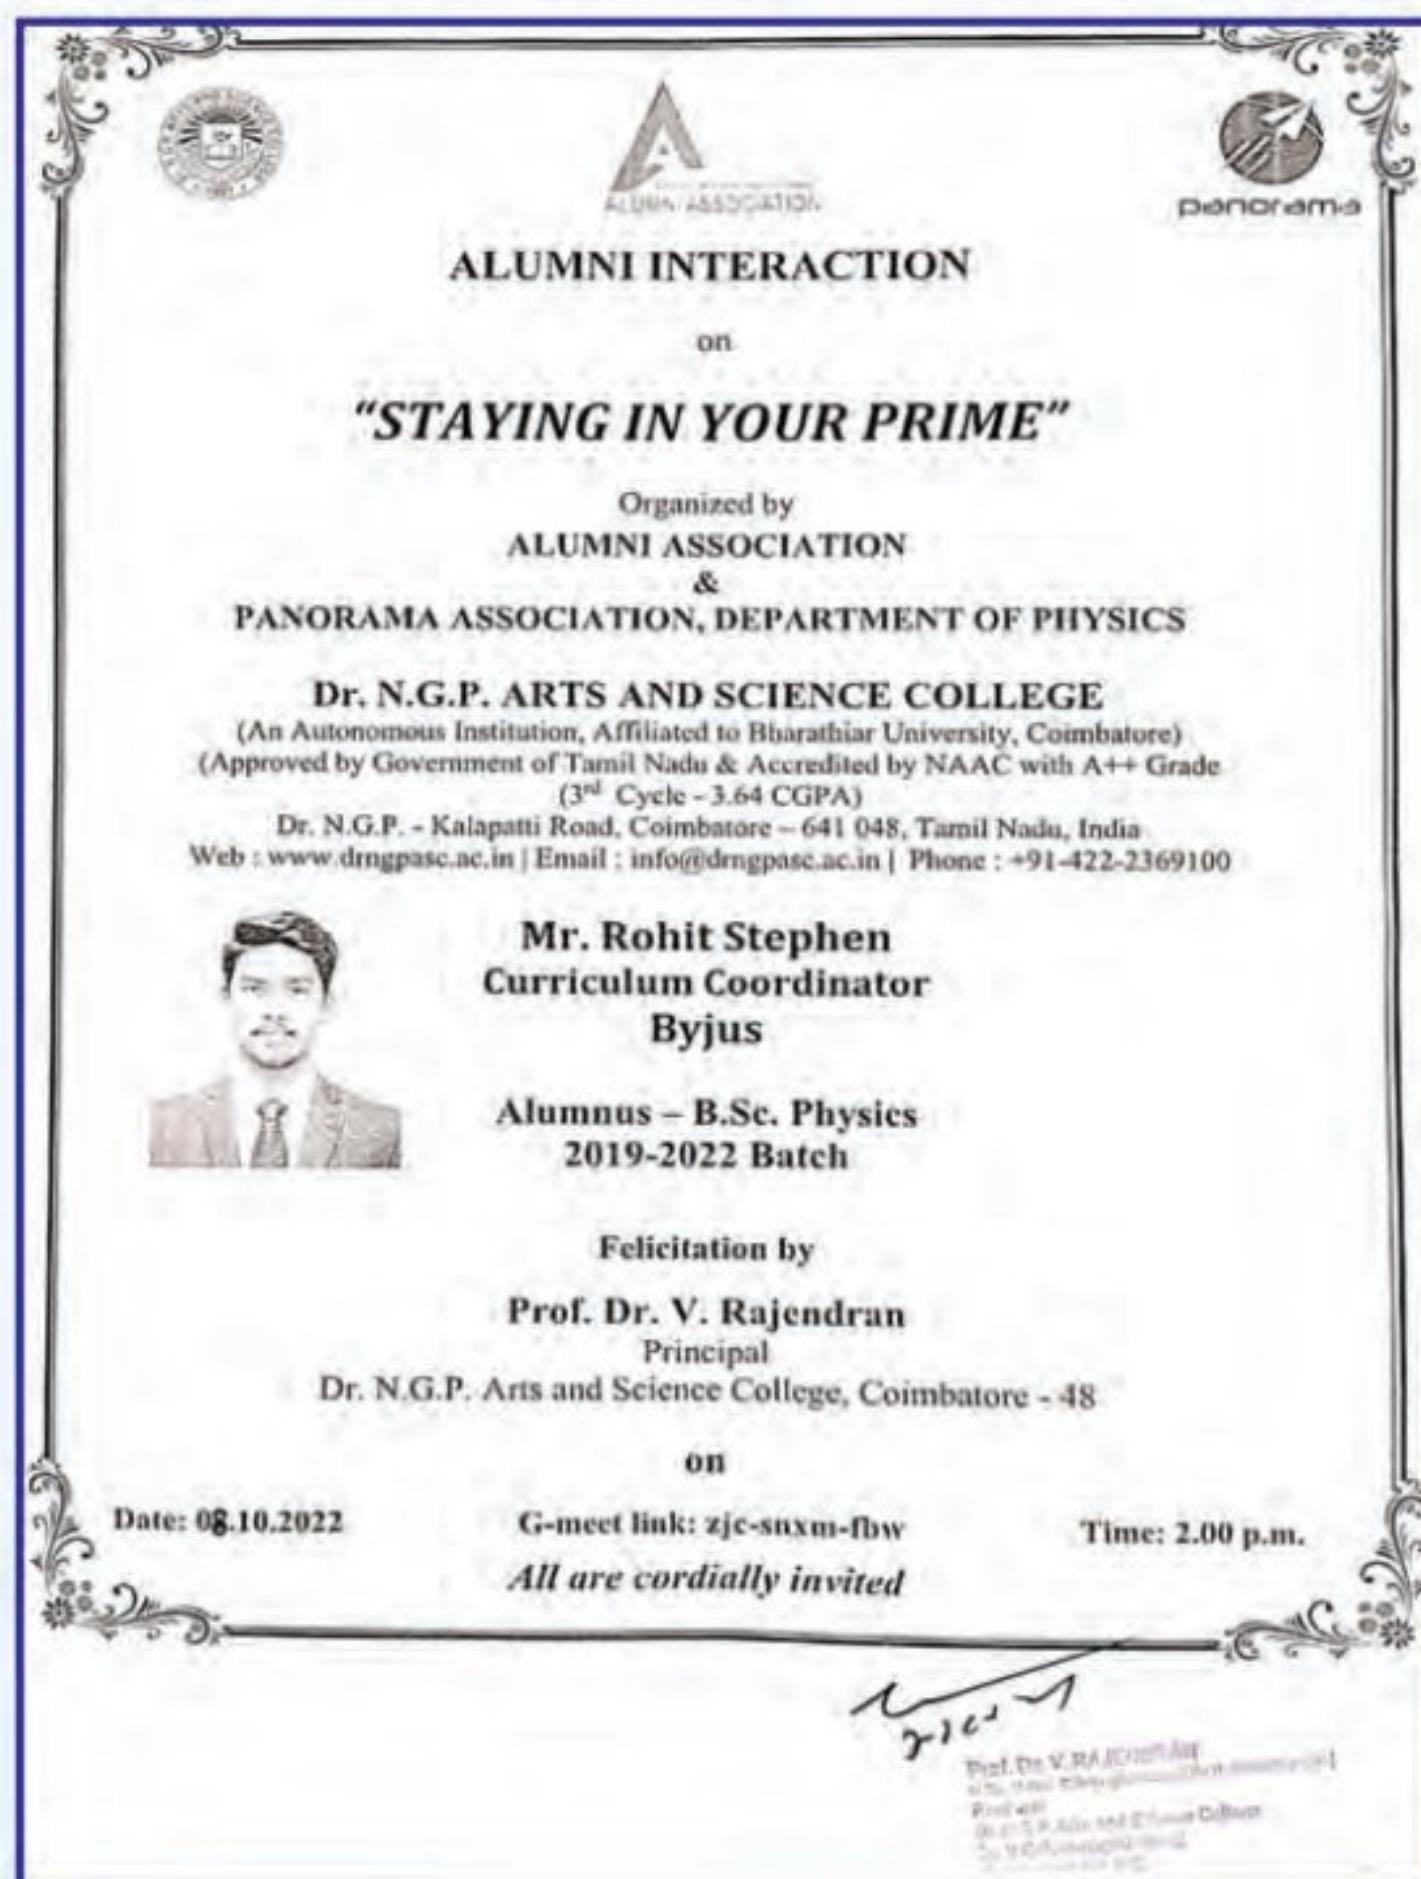

# ALUMNI INTERACTION PROGRAMME

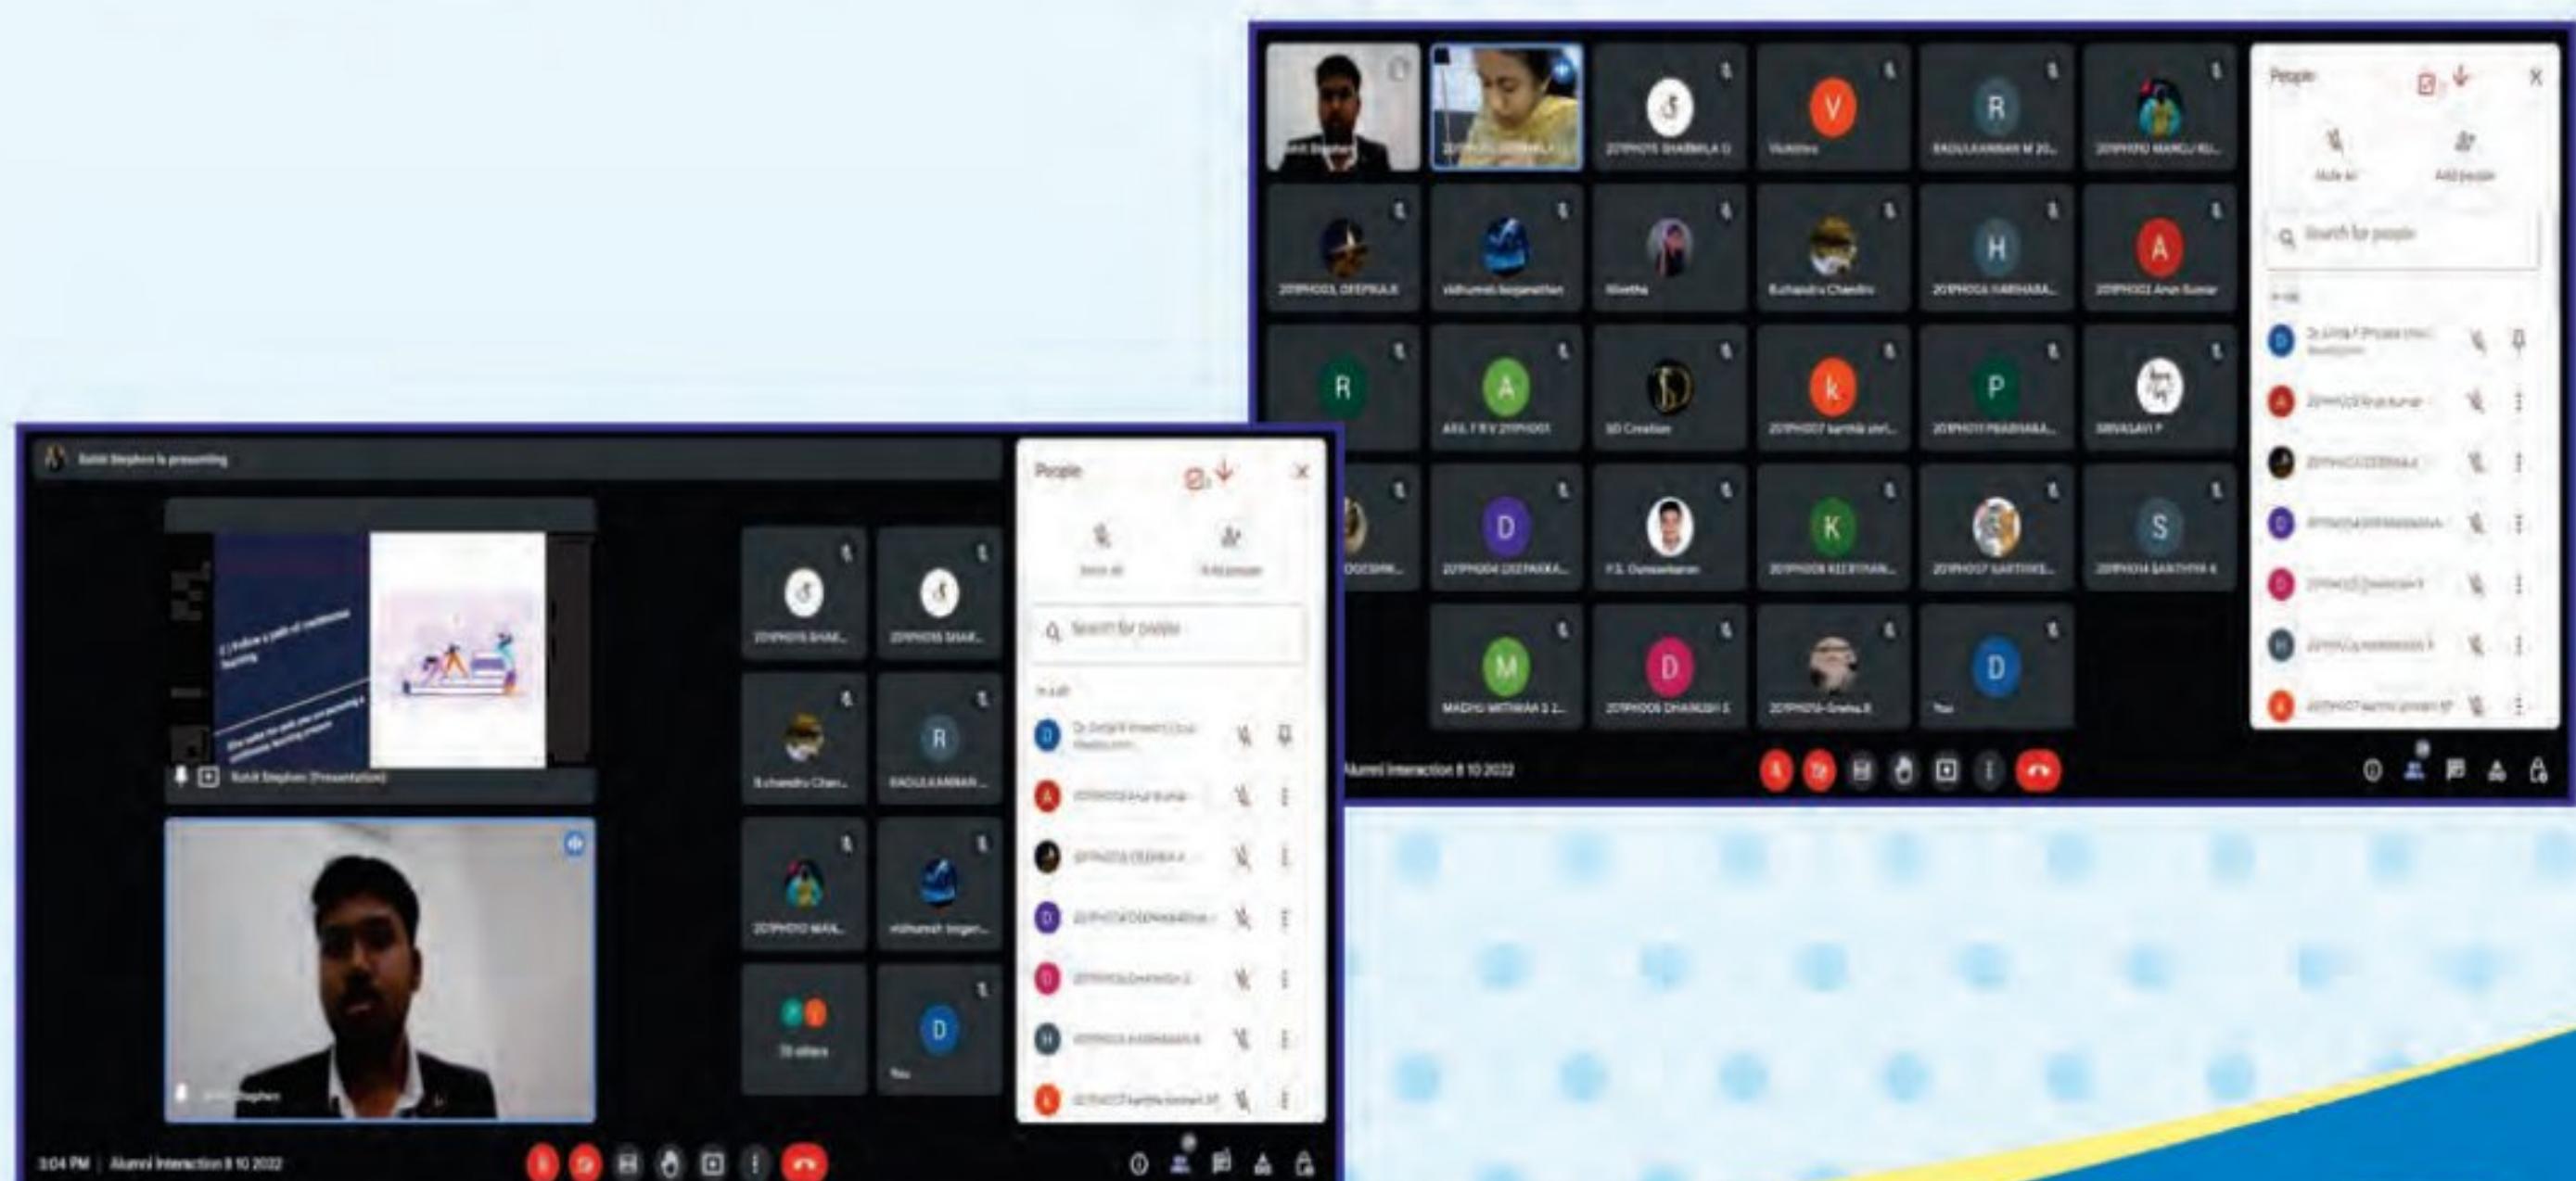

## FACULTY OF BASIC AND APPLIED SCIENCES

### DEPARTMENT OF PHYSICS

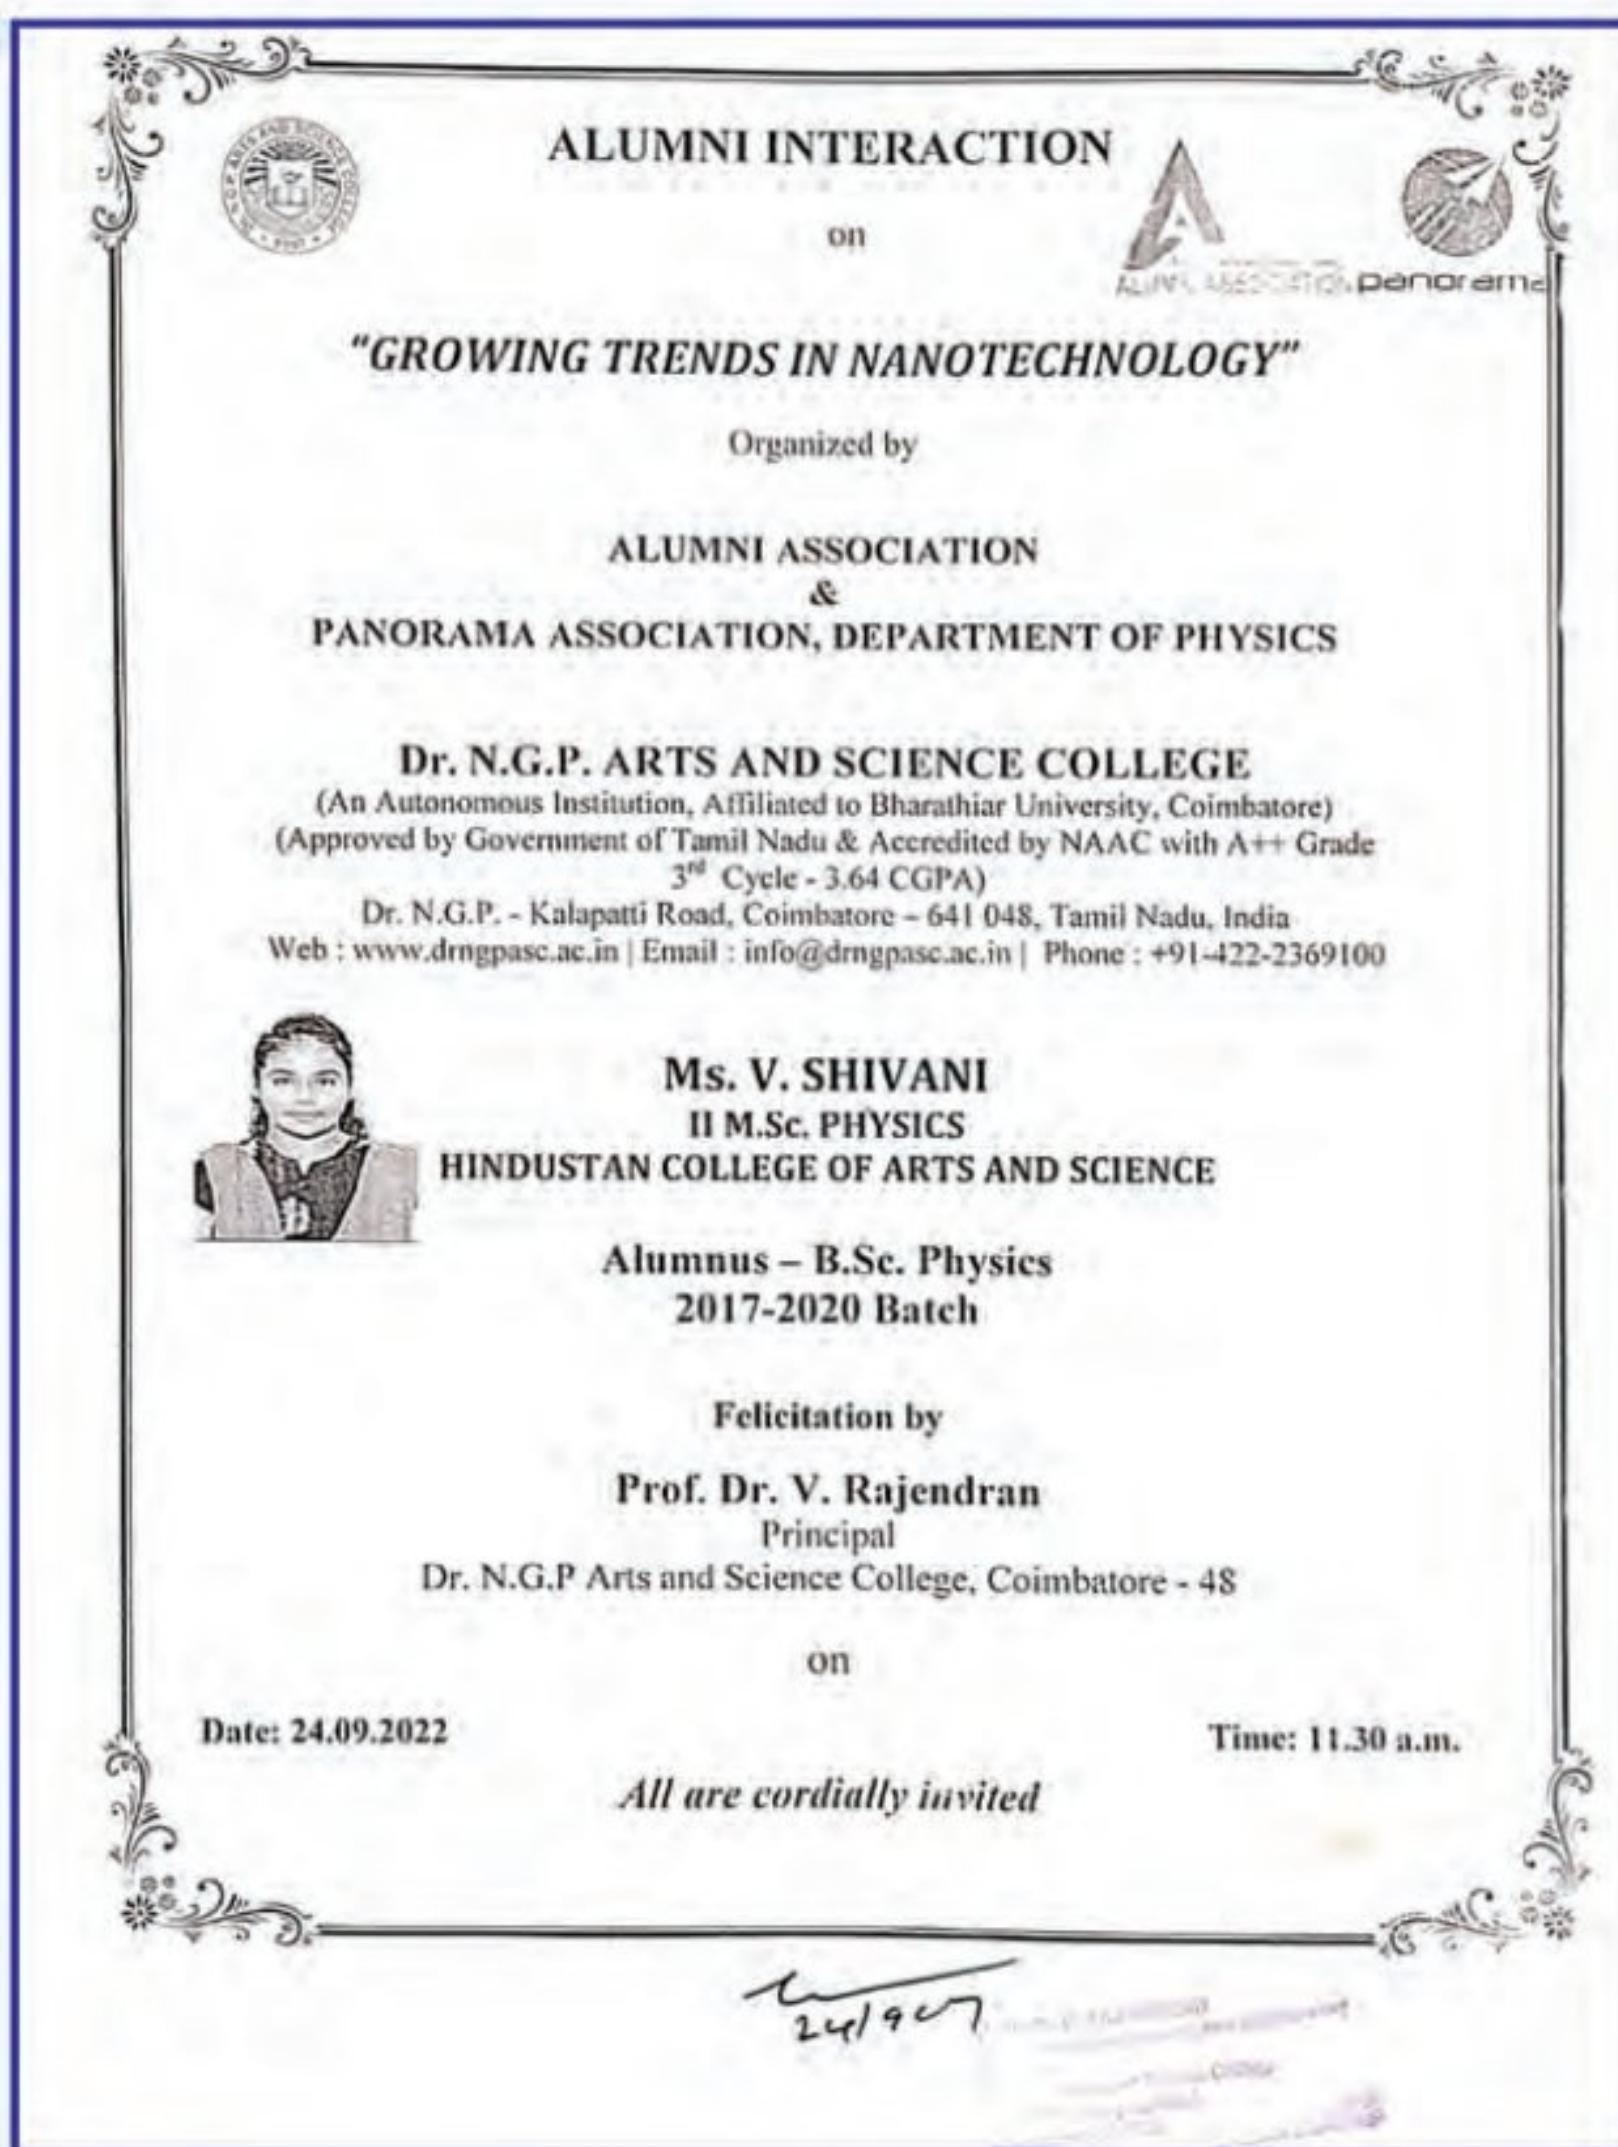

An Alumni Interaction was held on **08.10.2022** entitled “**Staying in your Prime**” through Google meet. **Mr. Rohit Stephen, Curriculum Coordinator, Byjus** acted as the

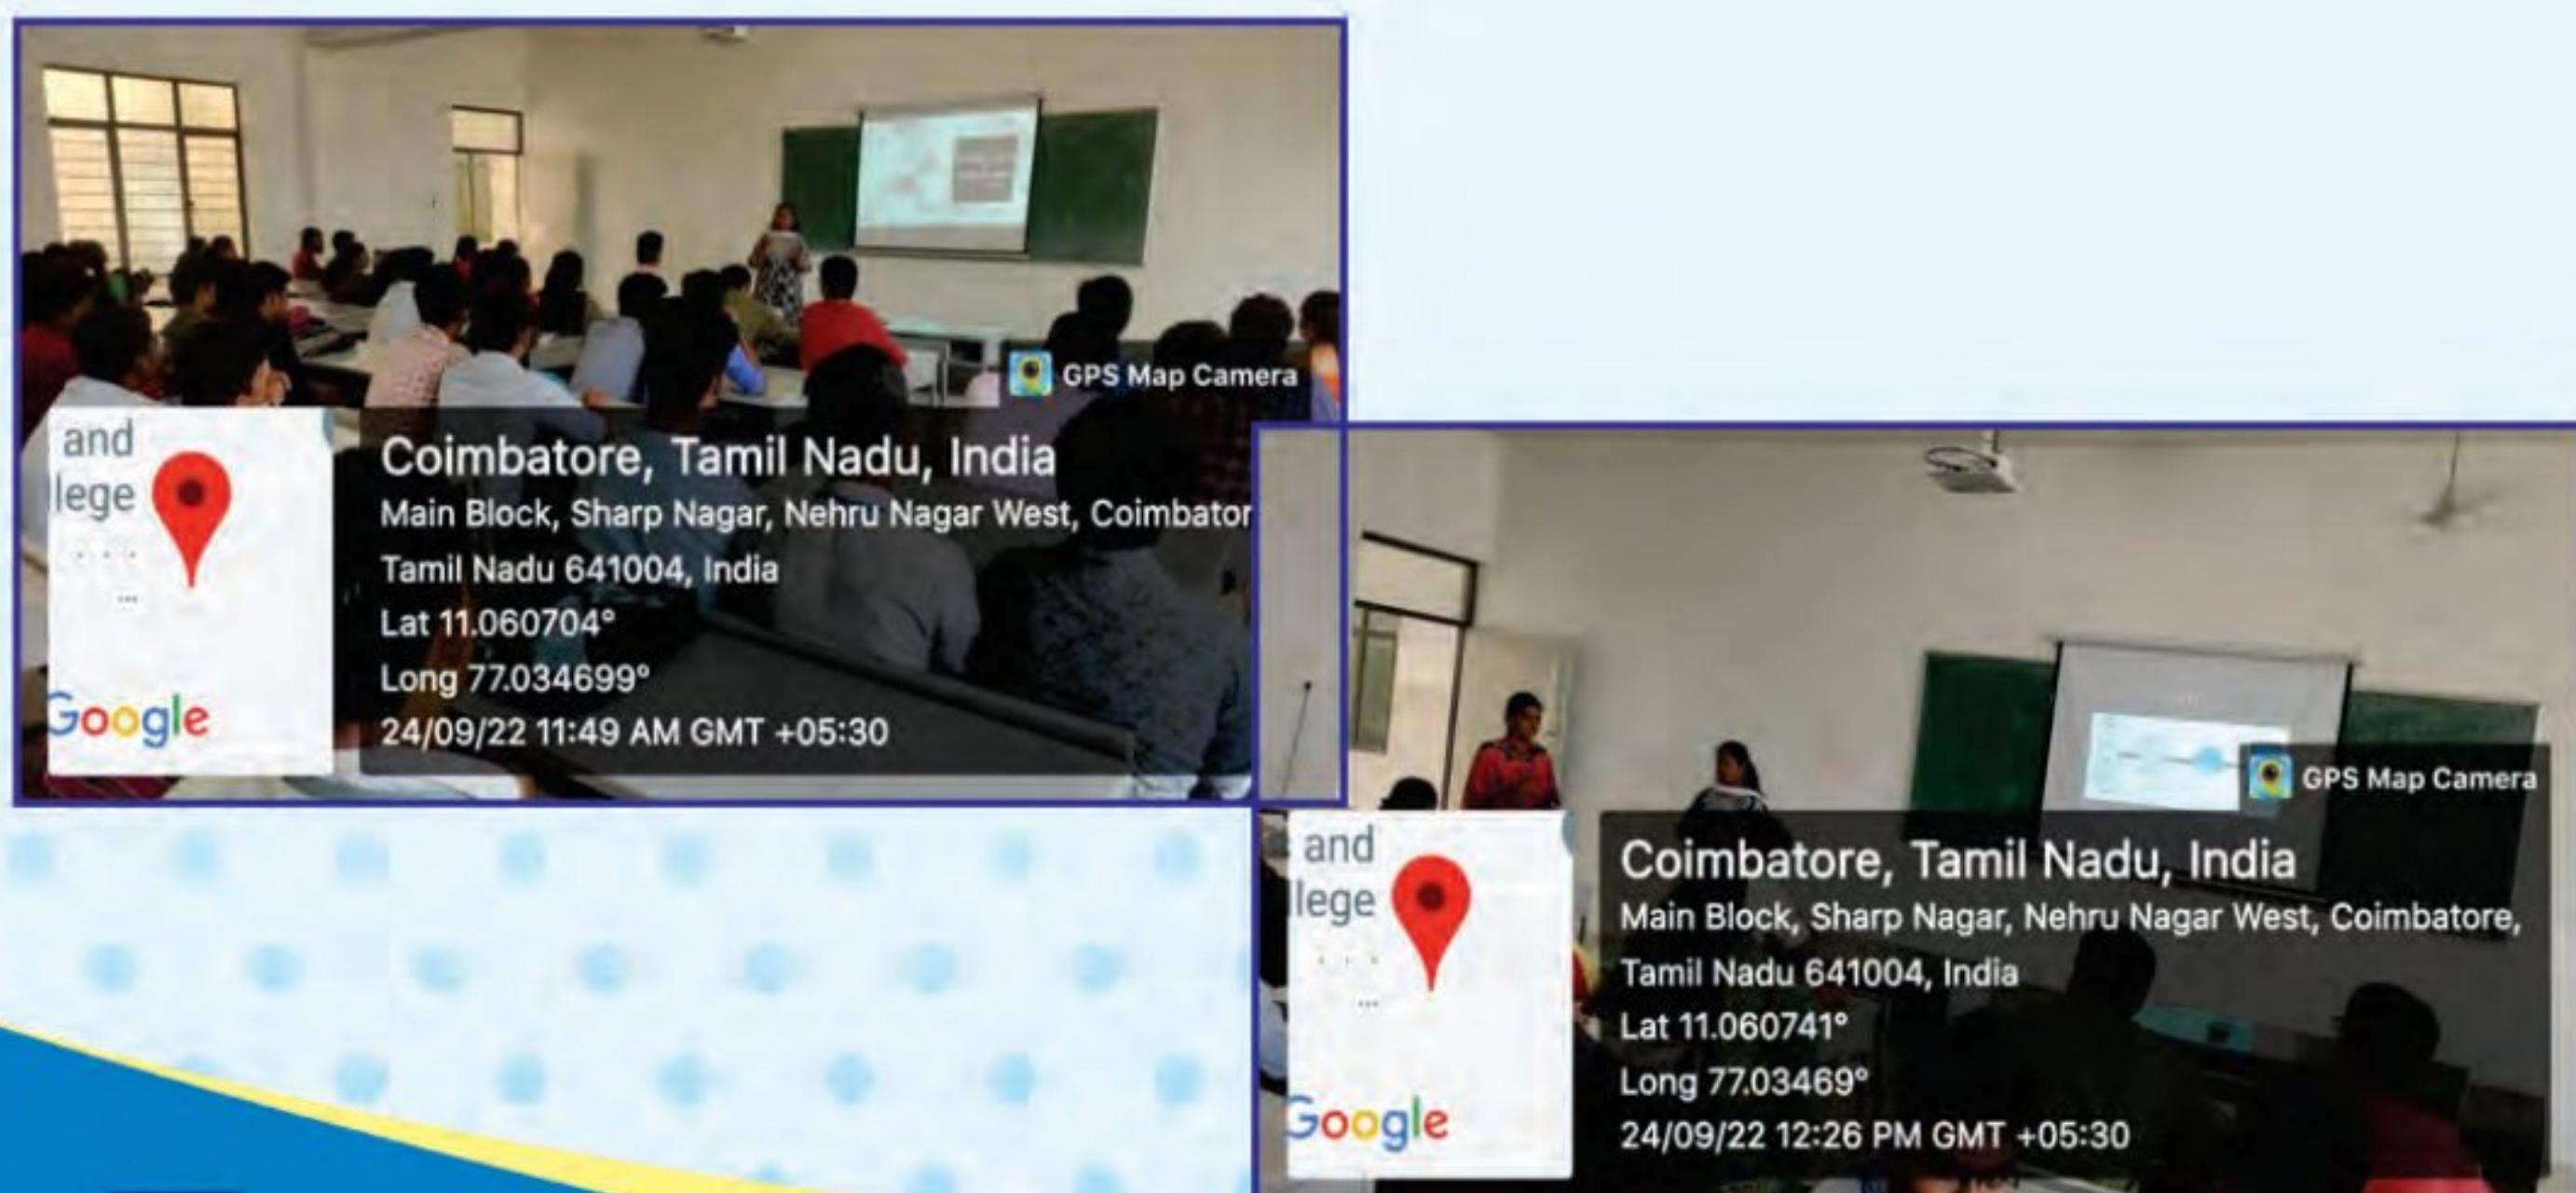

The main focus of the interaction was to make students i) following a path of continuous learning (ii) share or gain your knowledge (iii) recognition (iv) expanding network across generations (v) step out of your comfort zone

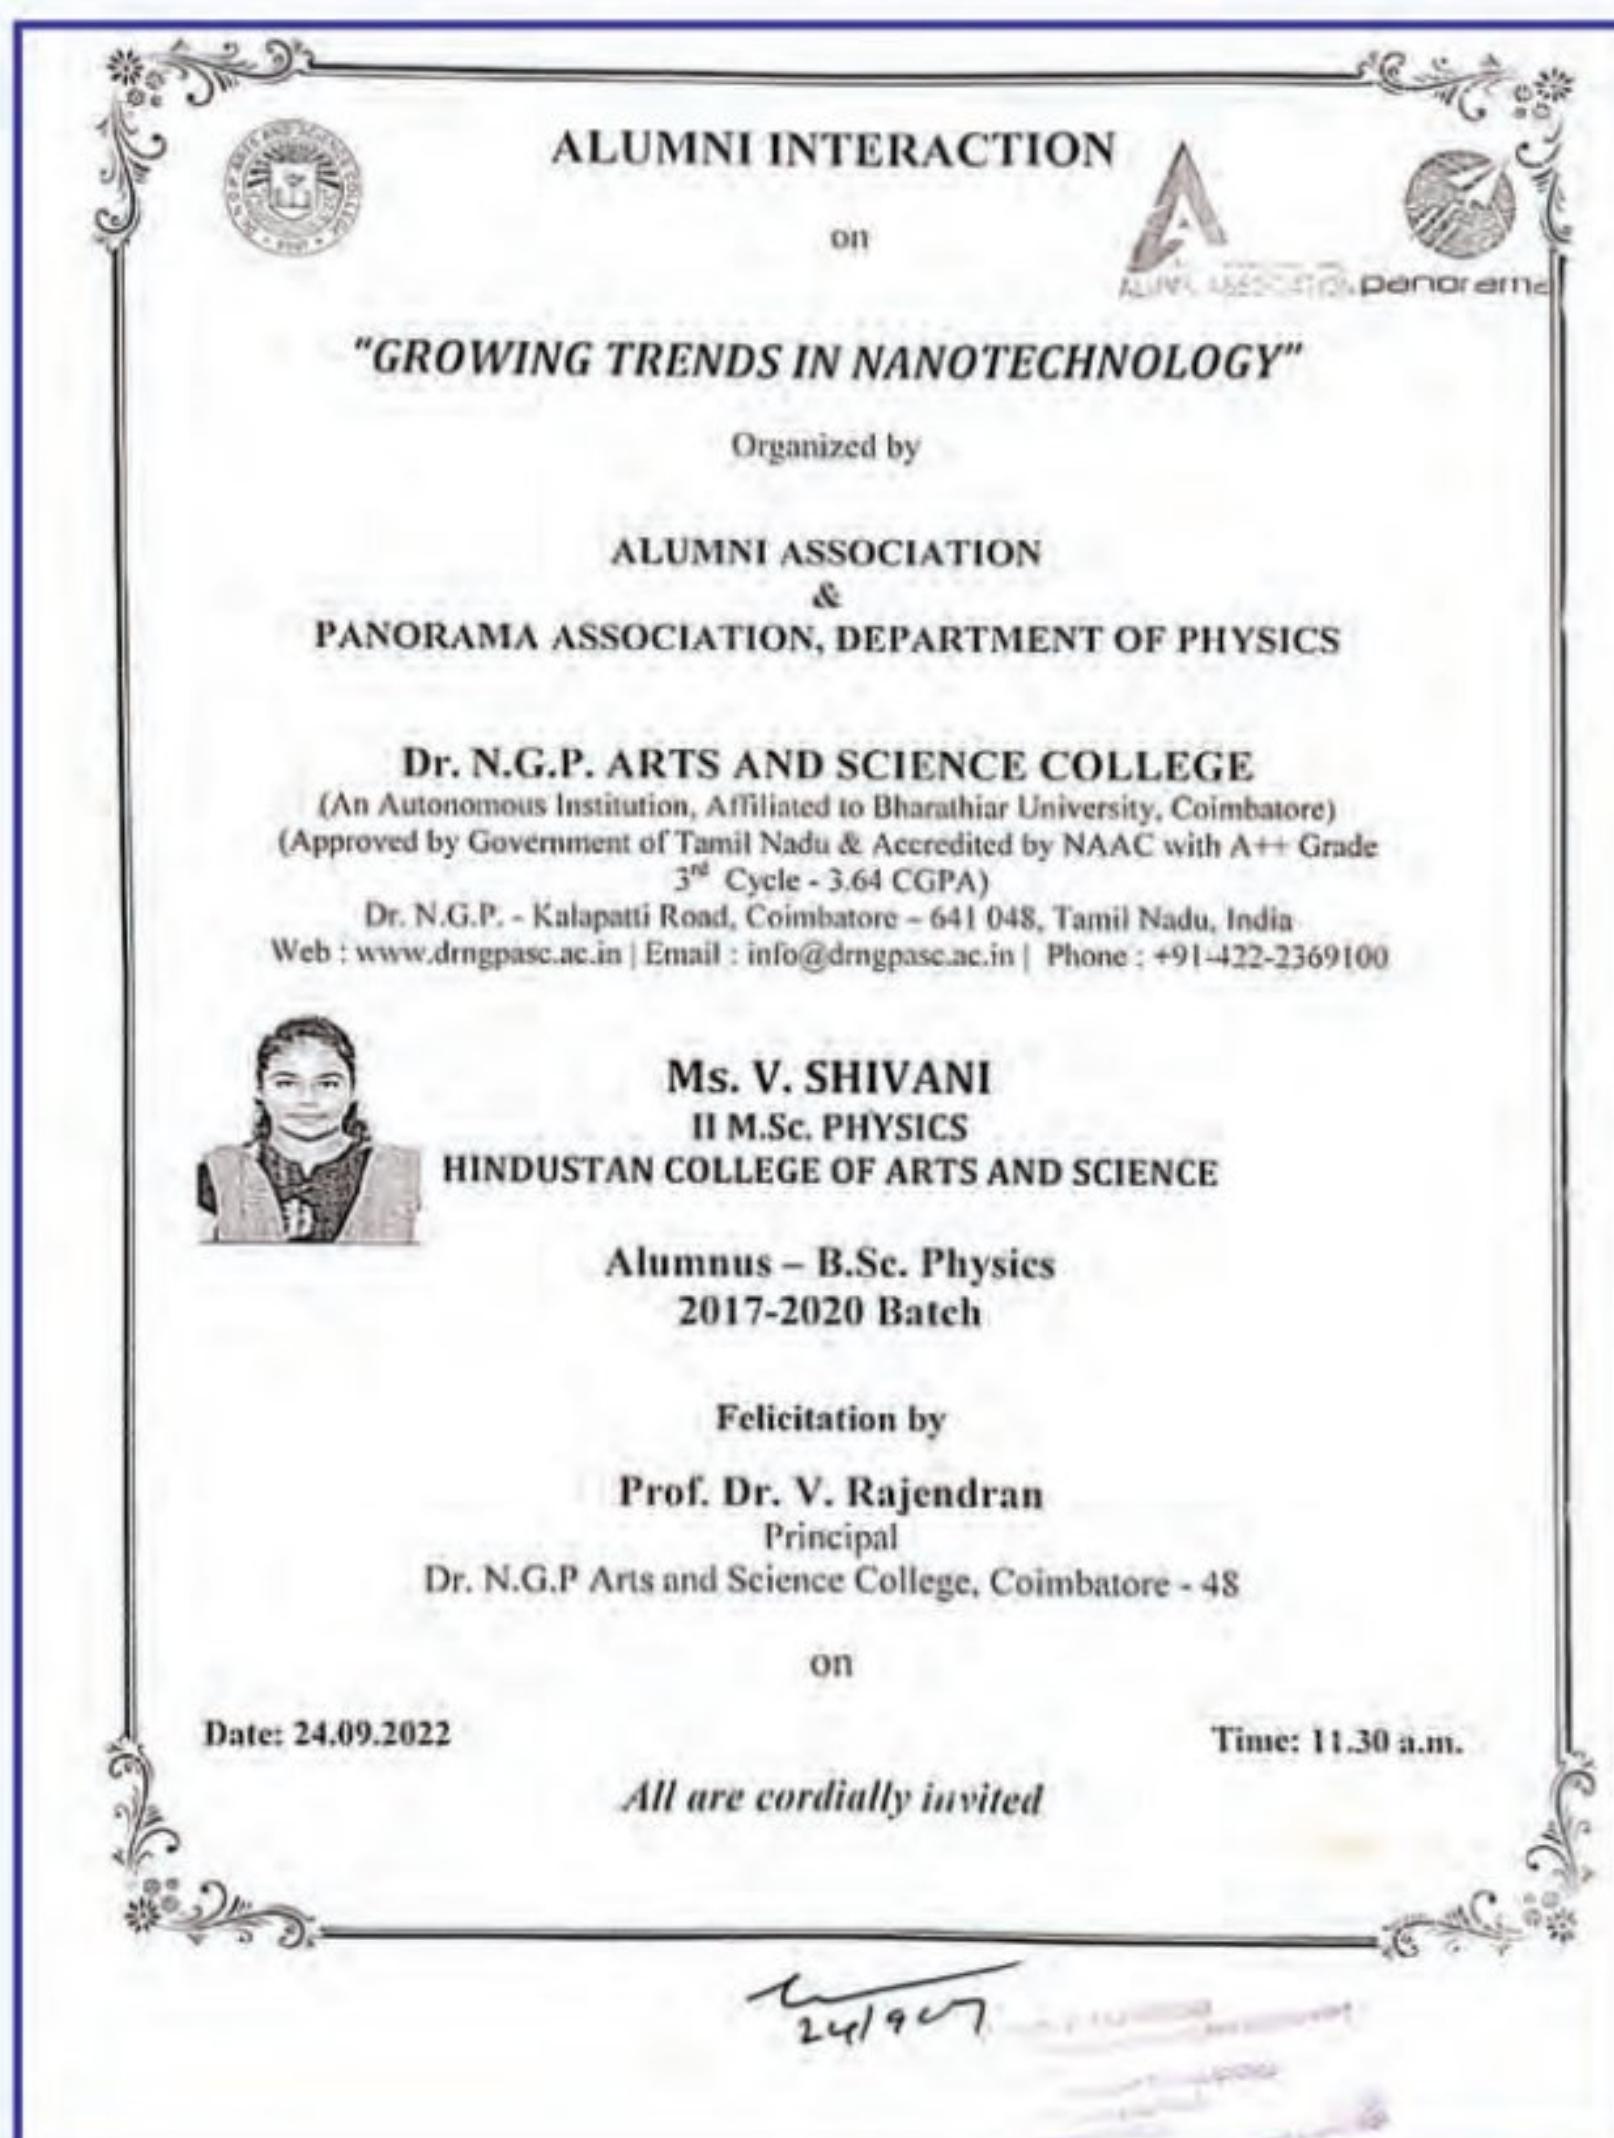

An Alumni Interaction was held on **24.09.2022** entitled “**Growing Trends in Nanotechnology**” by **Ms. V. Shivani, Hindusthan College of Arts and Science.**

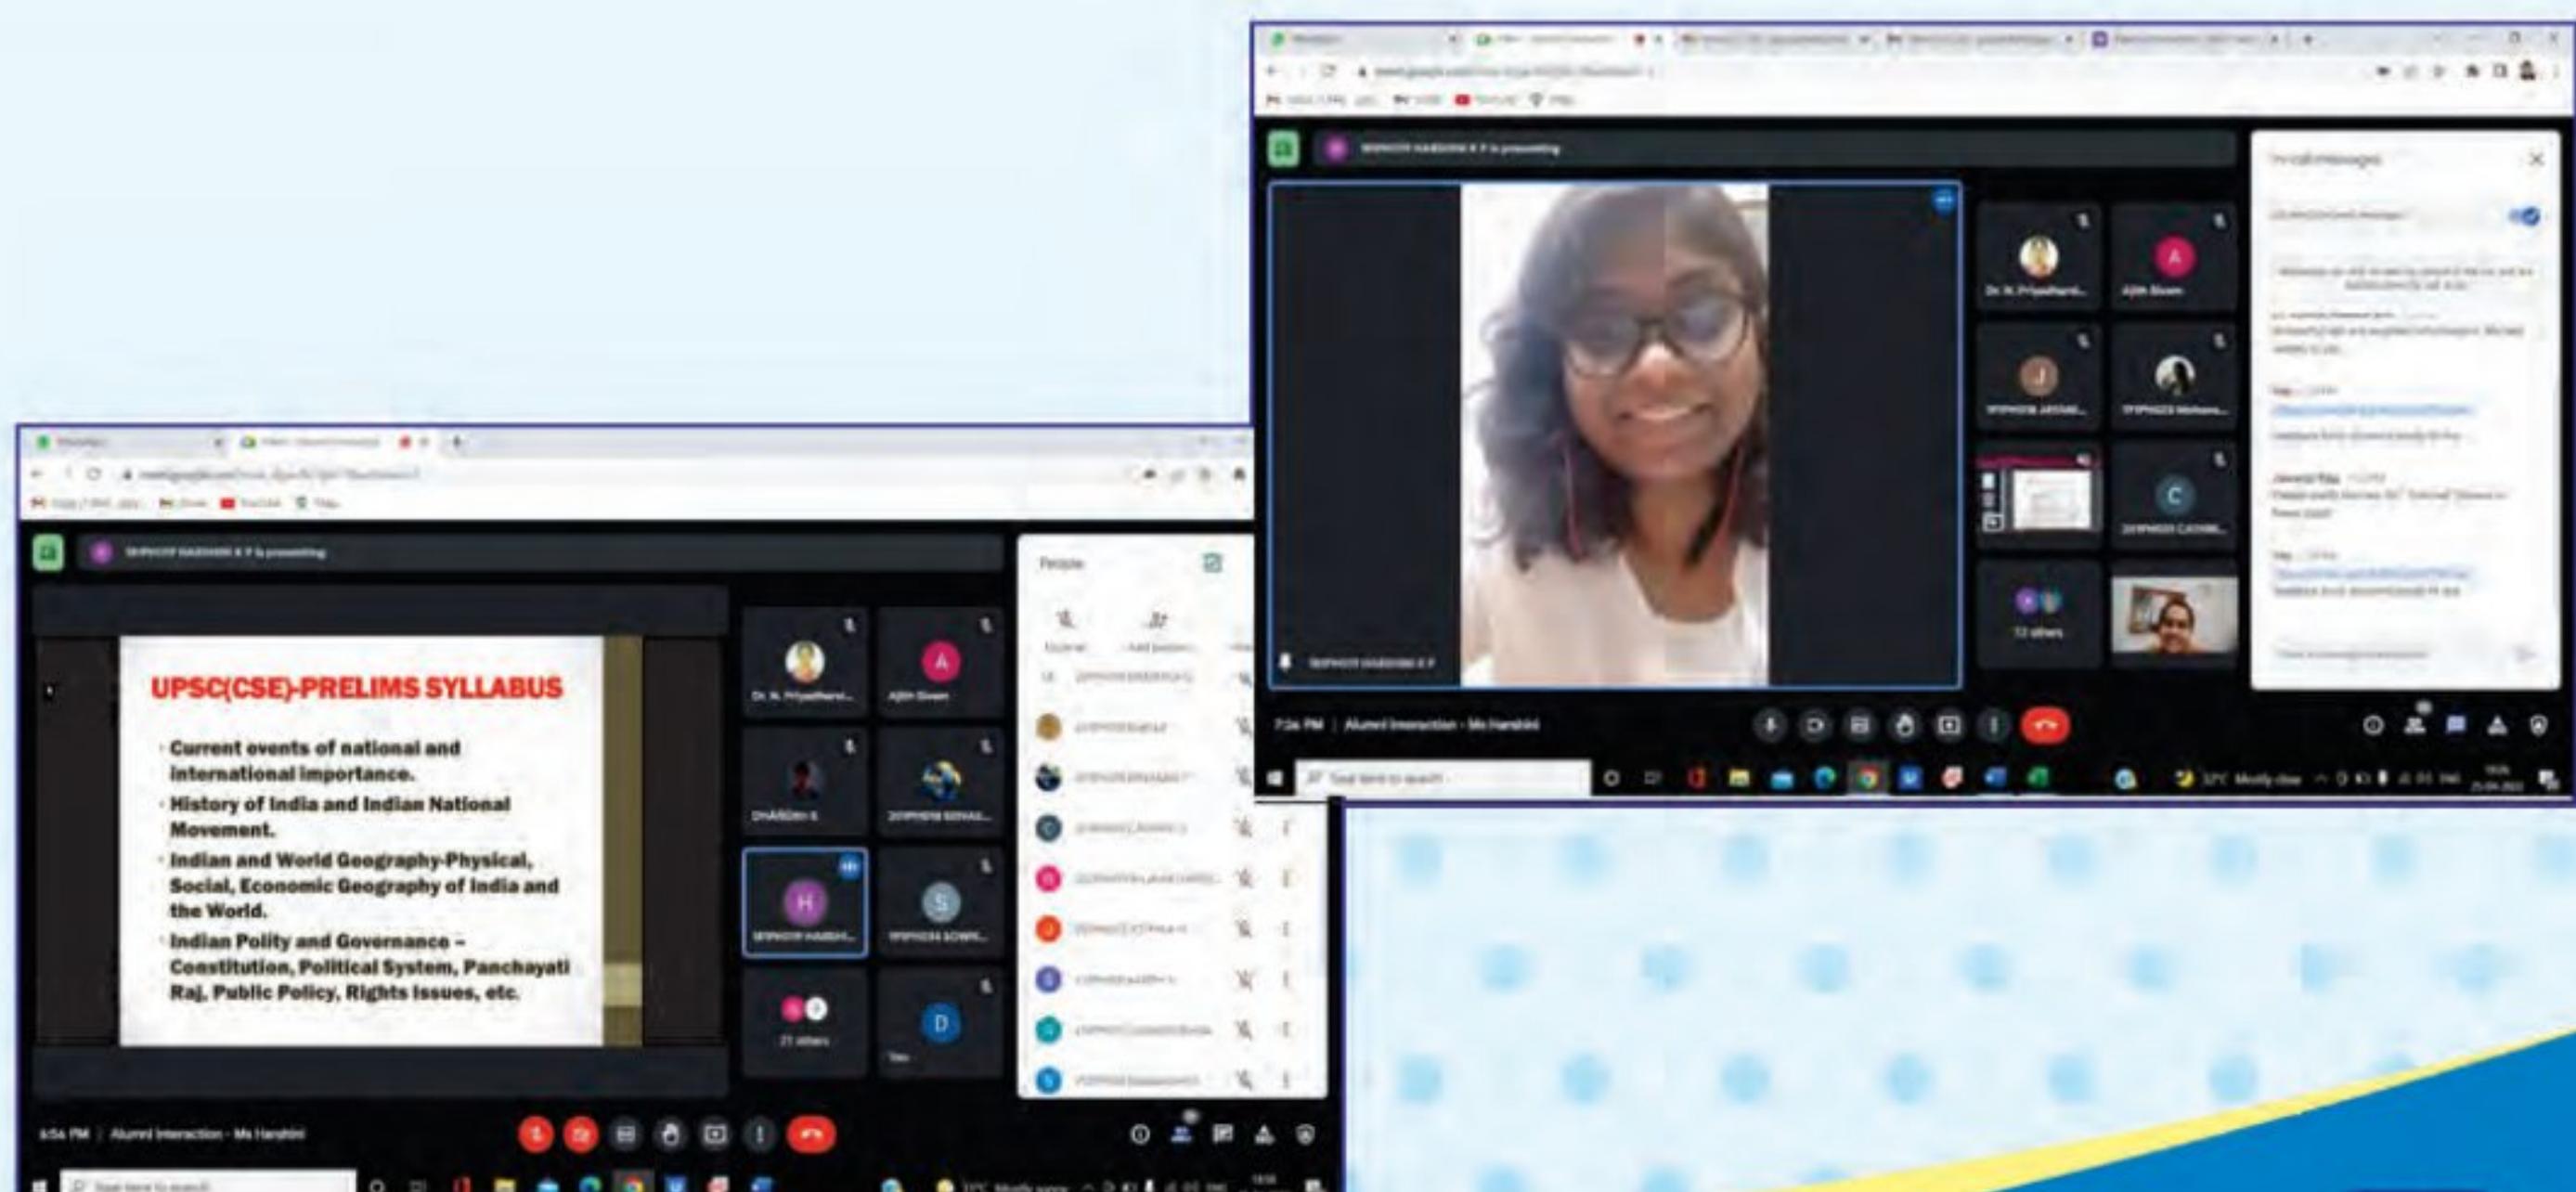

The main focus of the interaction was on recent nanotechnology application in self-cleaning, anti-fouling properties etc. Also, how nanotechnology is related with embedded systems and in IoT, which is the future technology.

An Alumni Interaction was held on **25.04.2022** entitled “**Difference between a Student and an Aspirant**” through Google meet. **Ms. P. Harshini, UPSC Aspirant – Officers IAS Academy, Chennai** acted as the resource person.

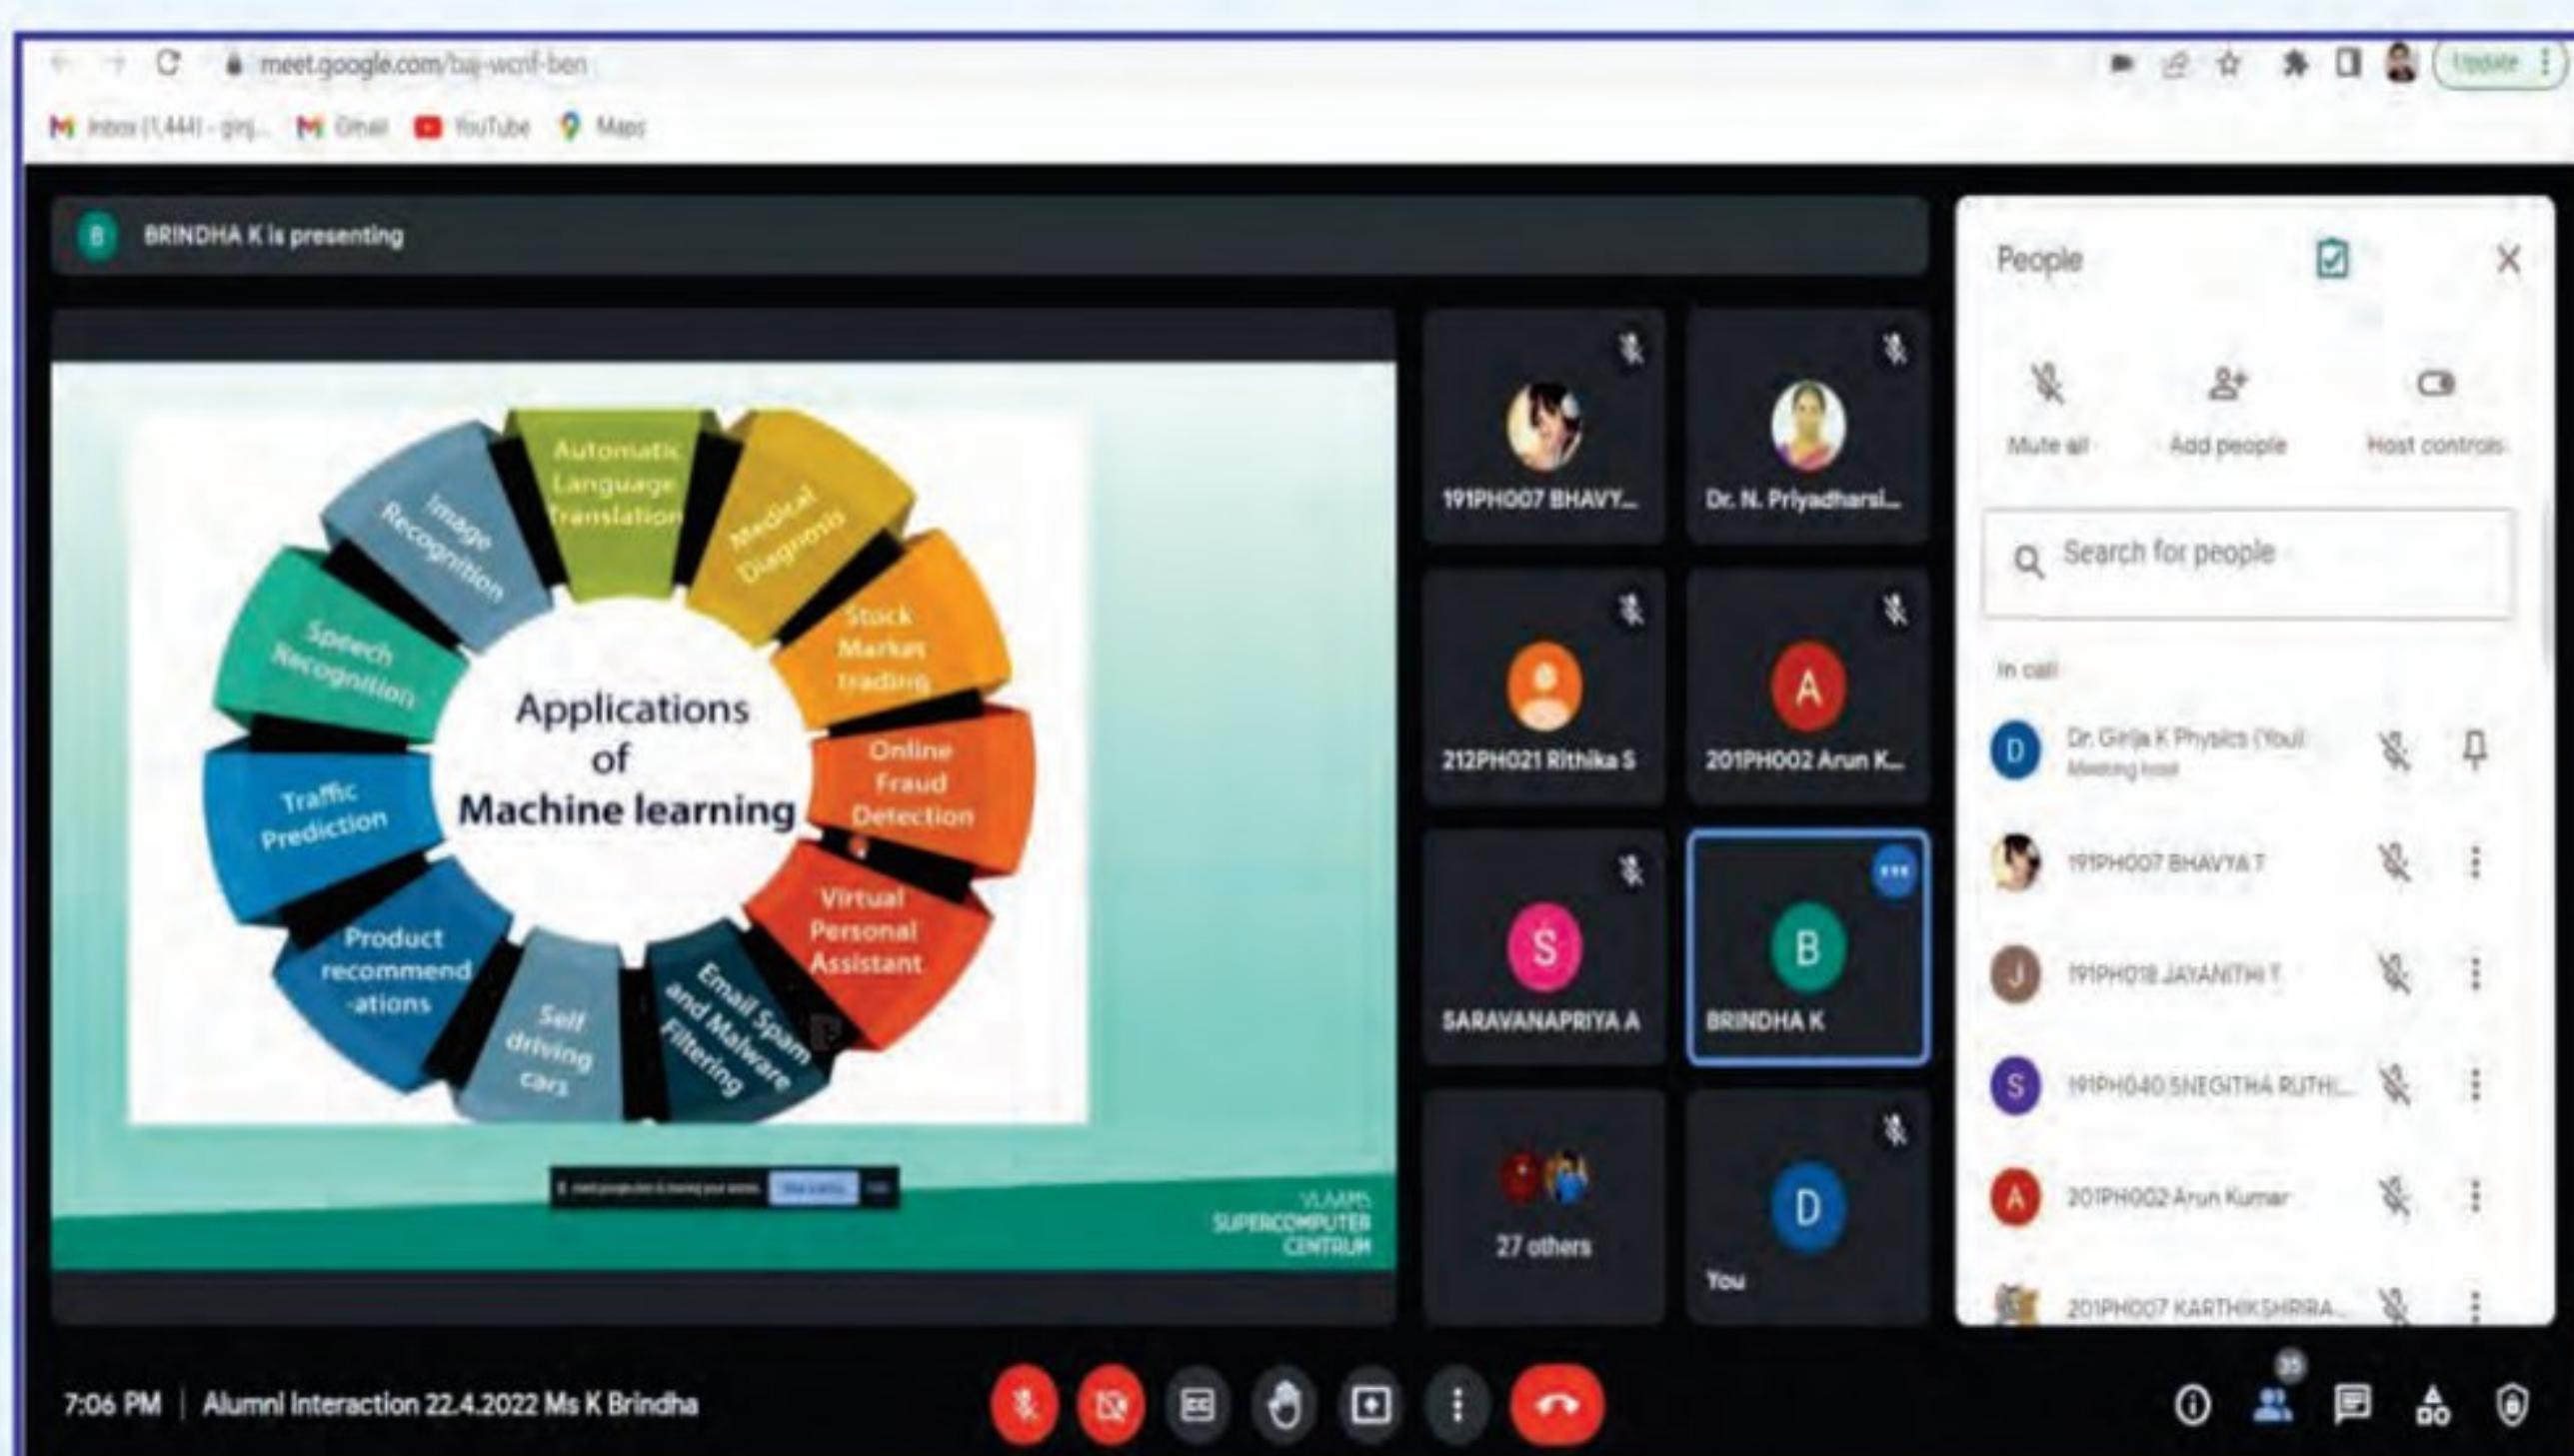

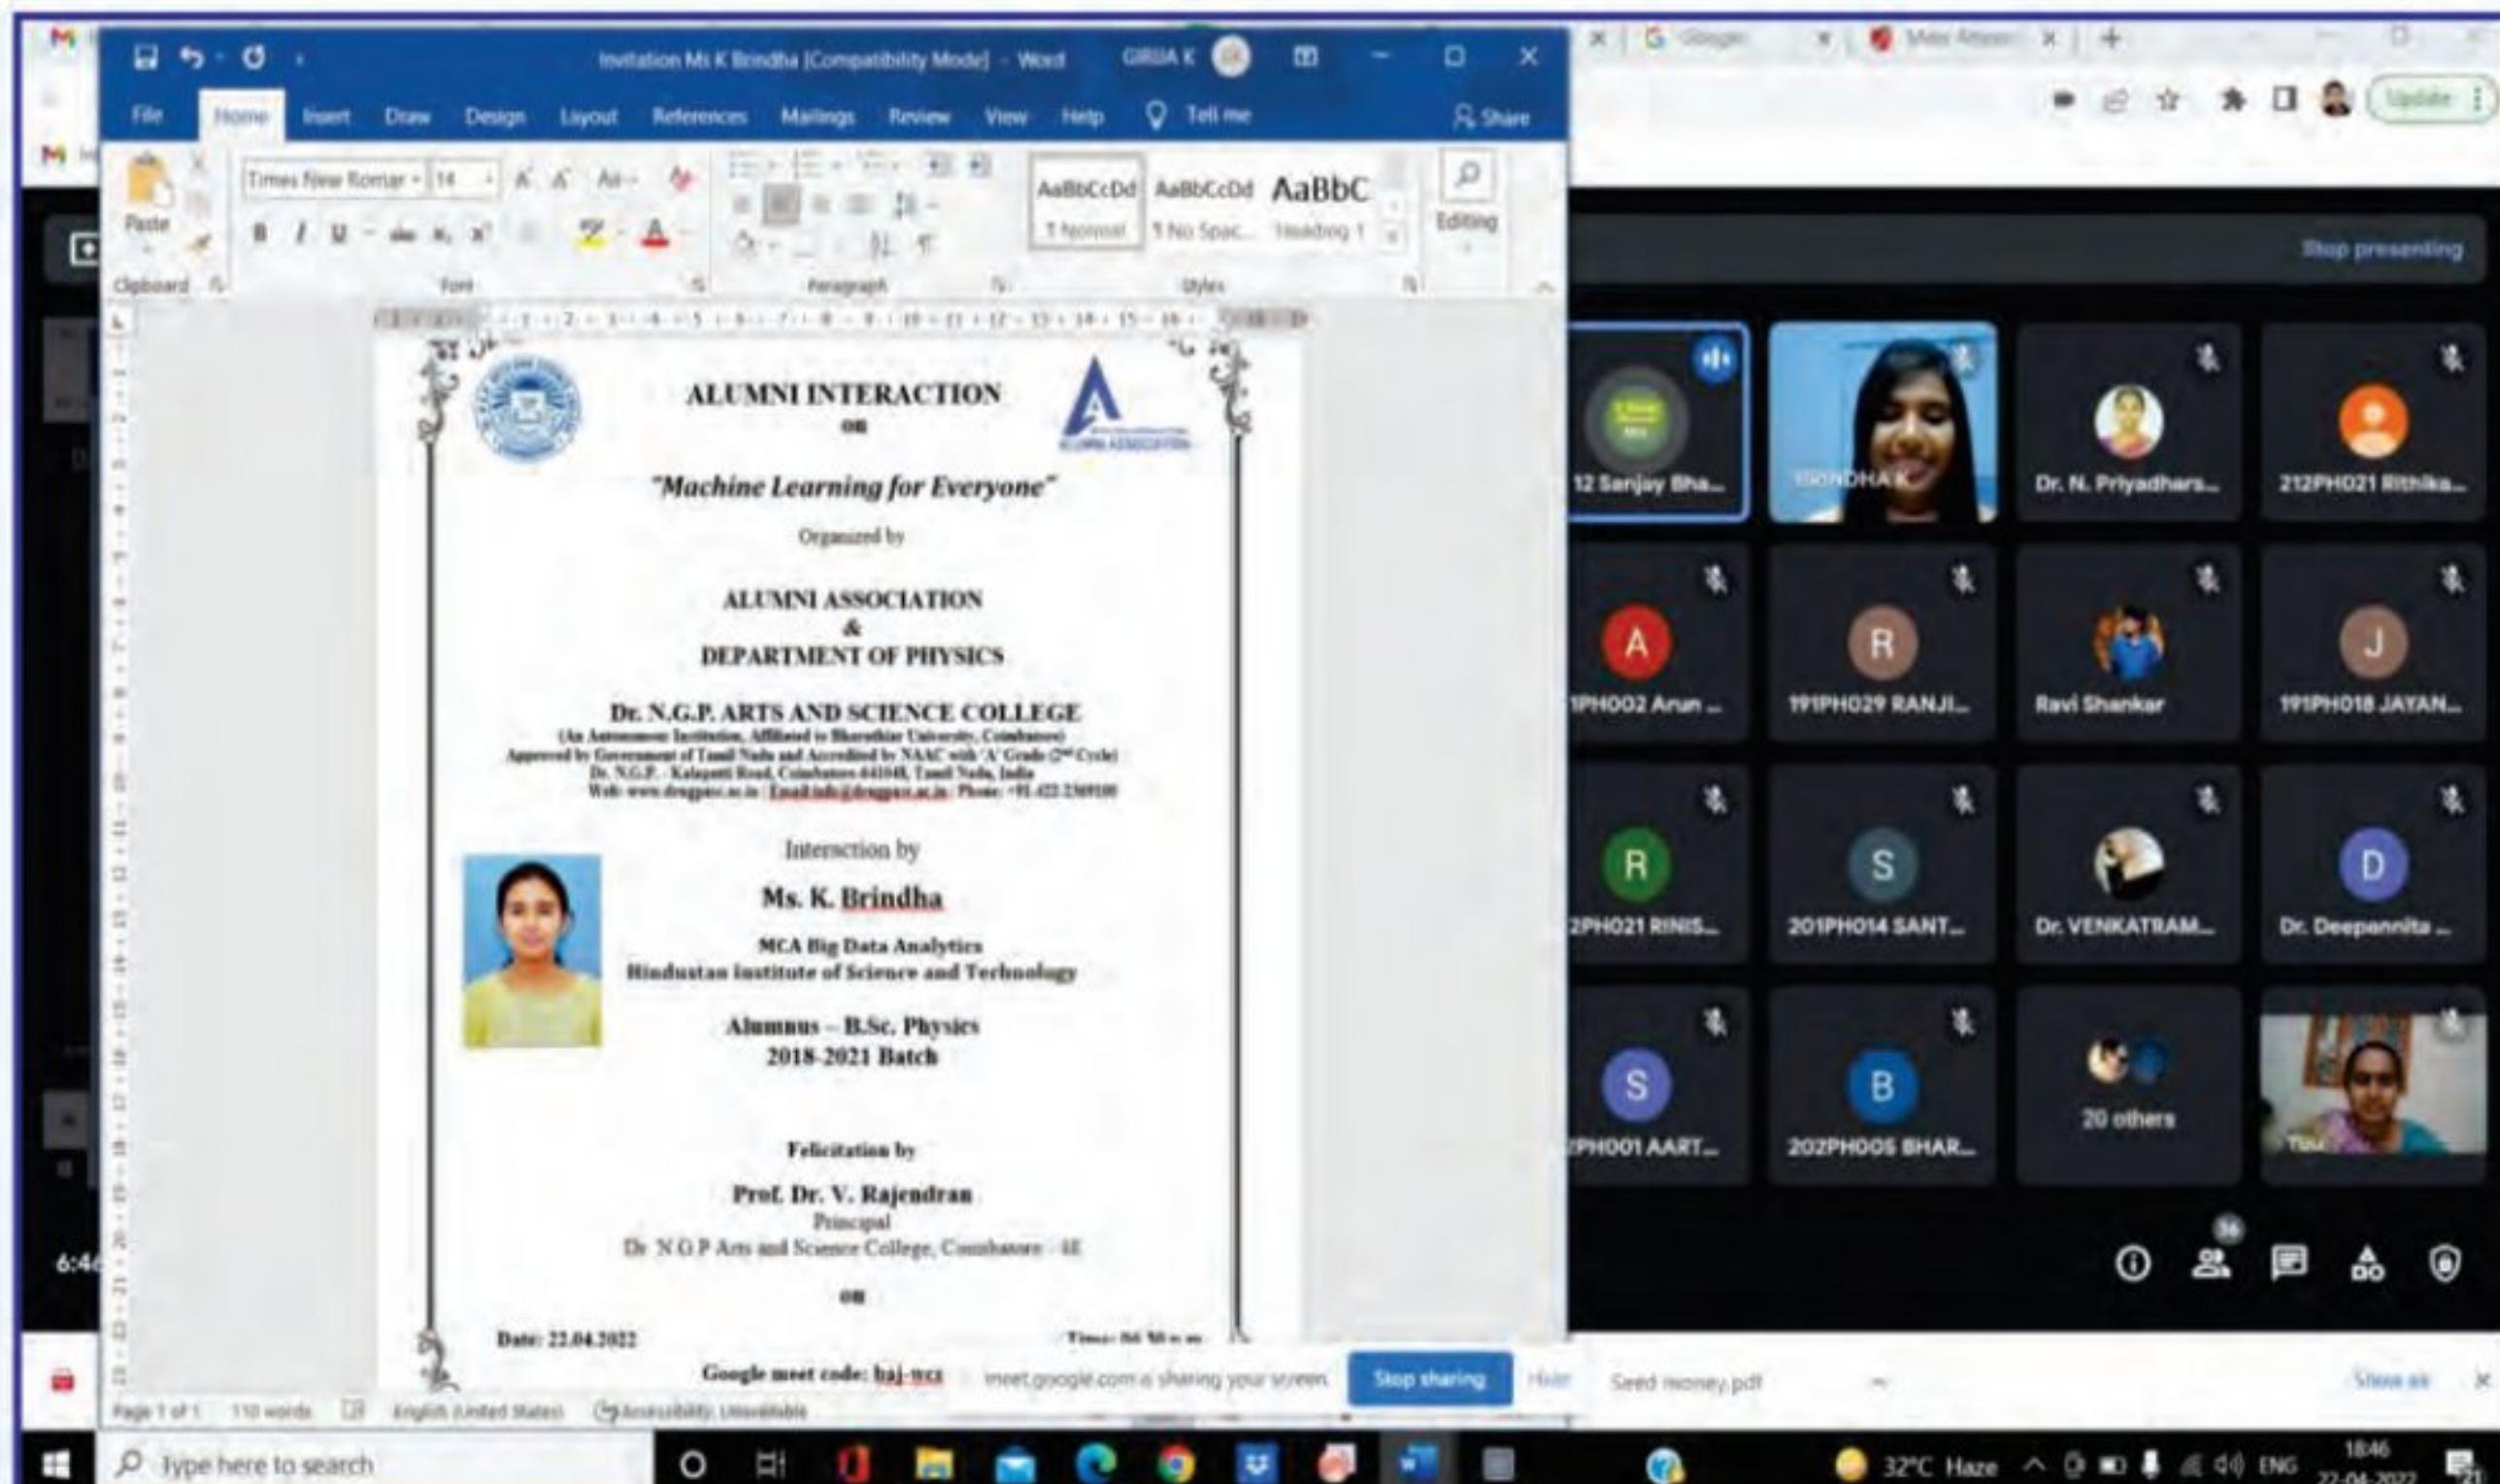

The main focus of the interaction was to make students understand the ways to prepare for group exams and the useful website, links and books for preparation.

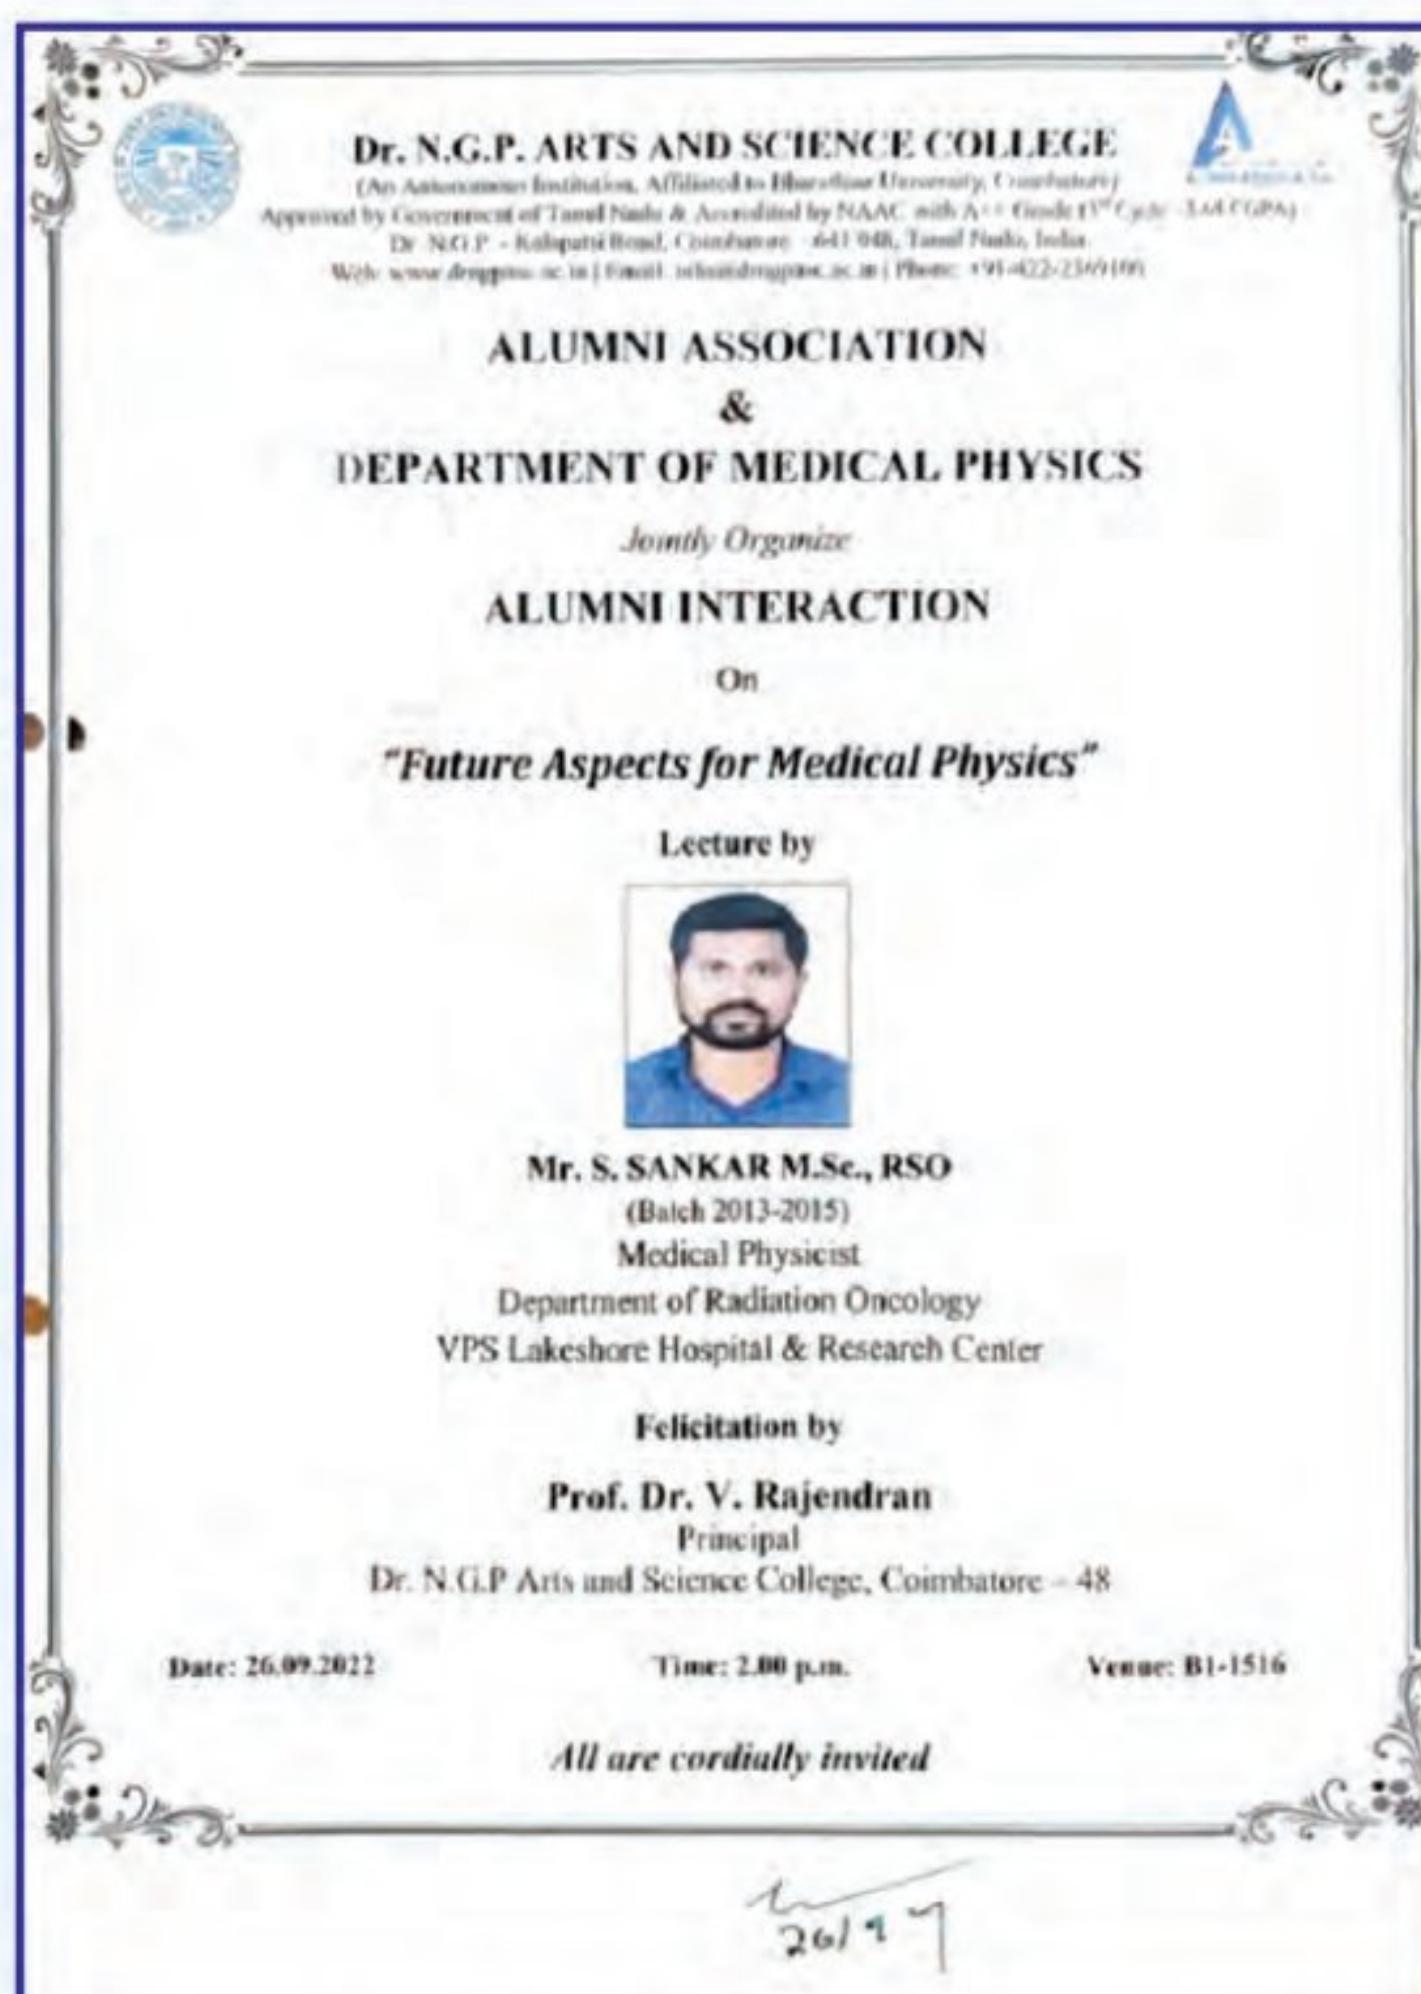

An Alumni Interaction was held on **22.04.2022** entitled "**Machine Learning for Everyone**" through Google meet. **Ms. P. Harshini, UPSC Aspirant – Officers IAS Academy, Chennai** acted as the resource person.

The main focus of the interaction was to make students understand the basics of Machine Learning and its influence in the areas such as Heliophysics, Lunar exploration, Space medicine, Climate Adaption etc.

## DEPARTMENT OF MEDICAL PHYSICS

The "Student-Alumni Interaction" program's goal was to build strong relationships and knowledge exchange between students and alumni, which helped the students advance in their careers. One of our distinguished graduates, **Mr. S. Sankar, a medical physicist at VPS Lakeshore Hospital & Research Centre** interacted with the medical physics students on **26.09.2022**.

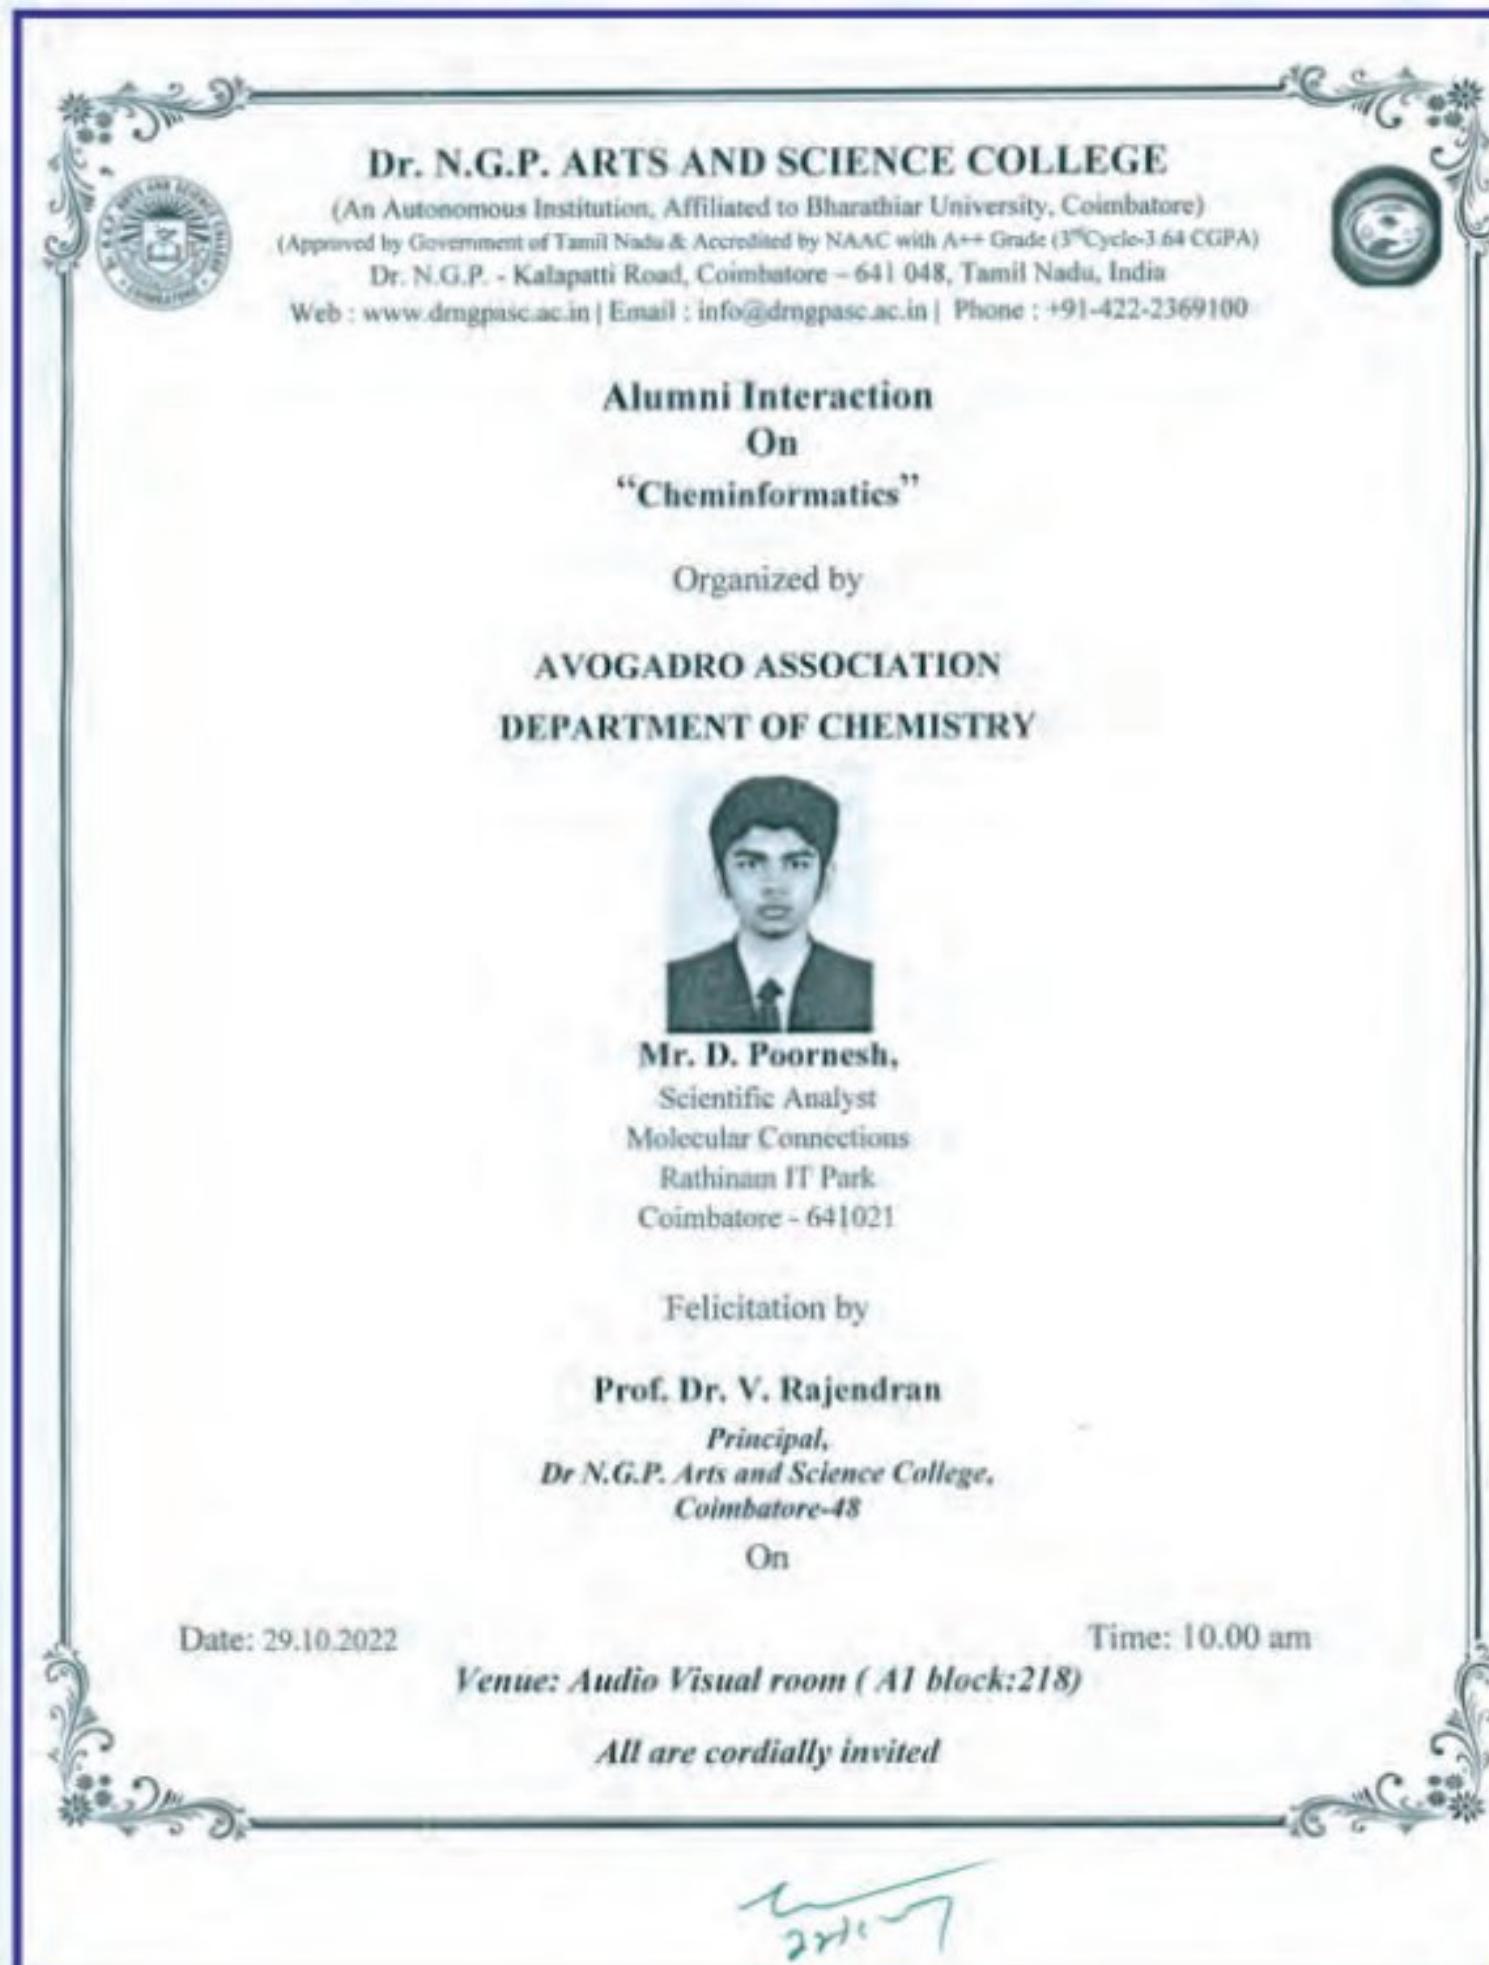

Mr. S. Sankar inspired the students by sharing his experiences and motivated the students to achieve their goals. He gave the students advice on how to become qualified graduates of Medical Physics and how to learn the most advanced radiotherapy procedures. He advised the students on possible careers in the field of medical physics.

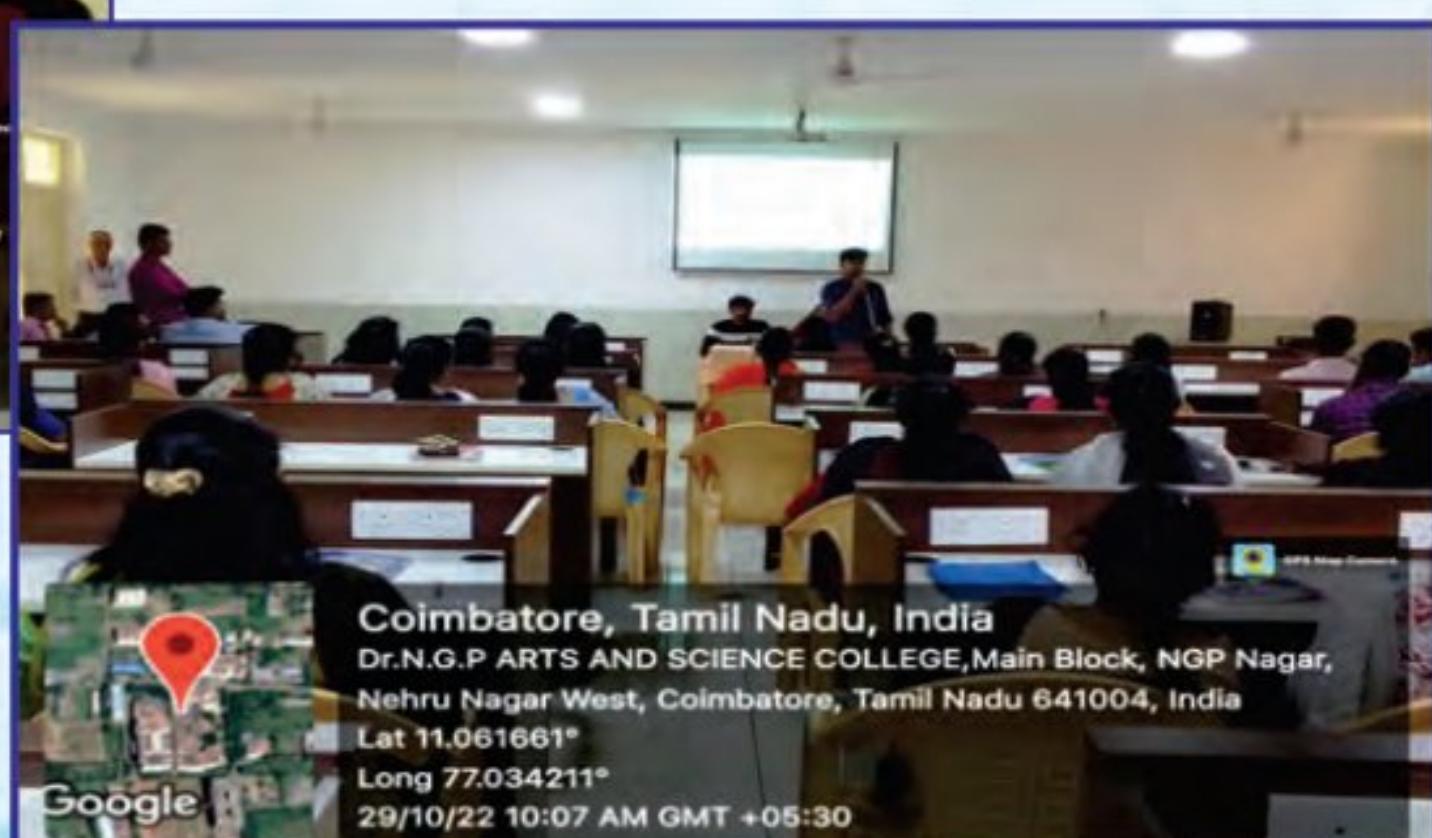

## DEPARTMENT OF CHEMISTRY

One of our distinguished graduates, **Mr. D. Poornesh, Scientific analyst, Molecular Connections, Rathinam IT Park, Coimbatore** interacted with the students of Chemistry on **29.10.2022**.

The primary focus of cheminformatics is to analyse/simulate/modelling/manipulate chemical information which can be represented either in 2D structure or in 3D structure. Industry sectors such as agrochemicals, food and pharmaceutical are distinct areas where cheminformatics plays significant role in the recent history of molecular sciences. Alumni imparted his knowledge and technical issues related to the subject.

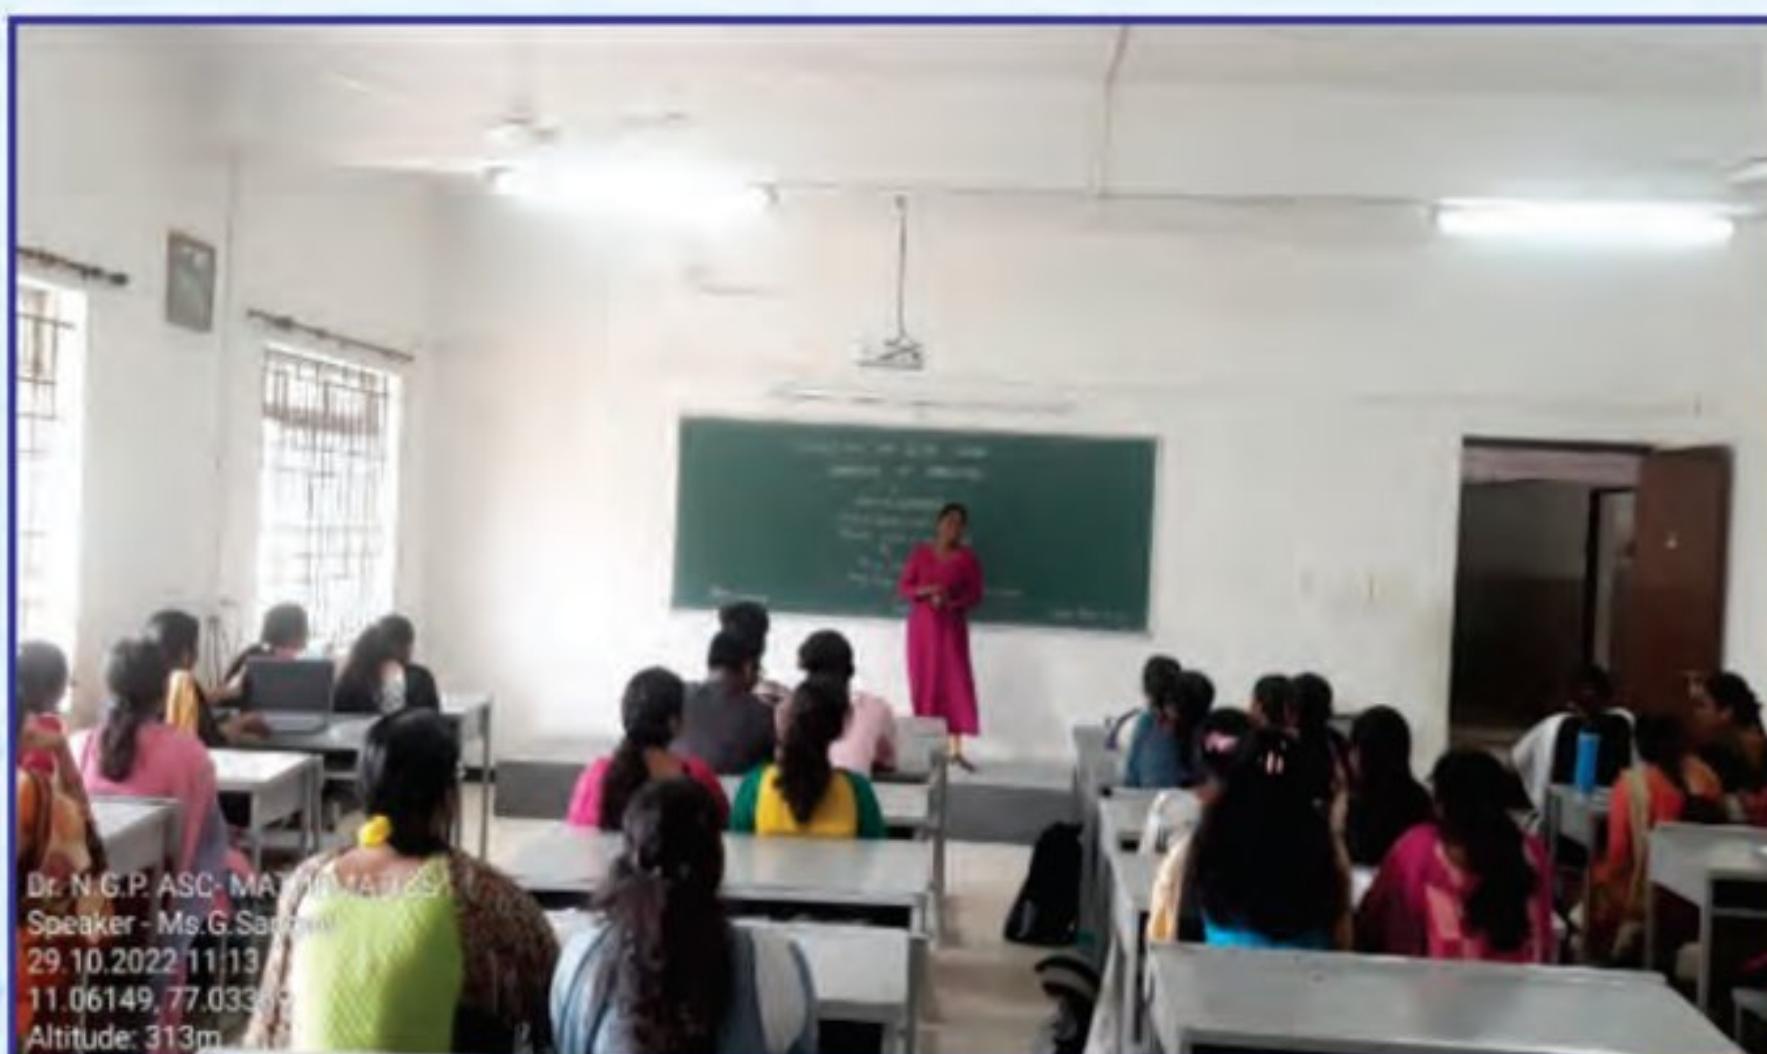

## DEPARTMENT OF MATHEMATICS

An Alumni Interaction programme was held on **11.11.2022** on the topic “**Research Development in Applied Mathematics**”. **Mr. T. Kalimuthu, Research Scholar** – Applied Mathematics, Bharathiar University, Coimbatore, acted as the resource person. He interacted with the students on various research perspectives of Applied Mathematics. The session was very interactive and the students got benefitted.

An Alumni Interaction programme was held on **29.10.2022** on the topic “**Practice makes a man perfect**” by **Ms. G. Sangavi, Online Tutoring- Focus Edumatics Pvt Limited, Coimbatore**.

An Alumni Interaction programme was held on **08.10.2022** on the topic “**Significance of Decision Making**” by **Ms.R. Anushya, HR Recruiter - KG Invicta Services Pvt. Ltd, Coimbatore**. She addressed the students regarding the importance of decision-making skills. The session was very interactive and the students got benefitted.

The Alumni Interaction 2022 began at **10:30 a.m.** on **25.04.2022**. The meeting was attended by the Undergraduate students. The topic delivered was “**Recent trends and Career Opportunities in IT sector**”. **Ms. Ramya Mariya Vincent, Programmer, Cognizant Technology Solutions, Chennai** started her lecture for the first session with an elaborate introduction about IT field, and explained about her working style in the field of computer application with special reference to programming.

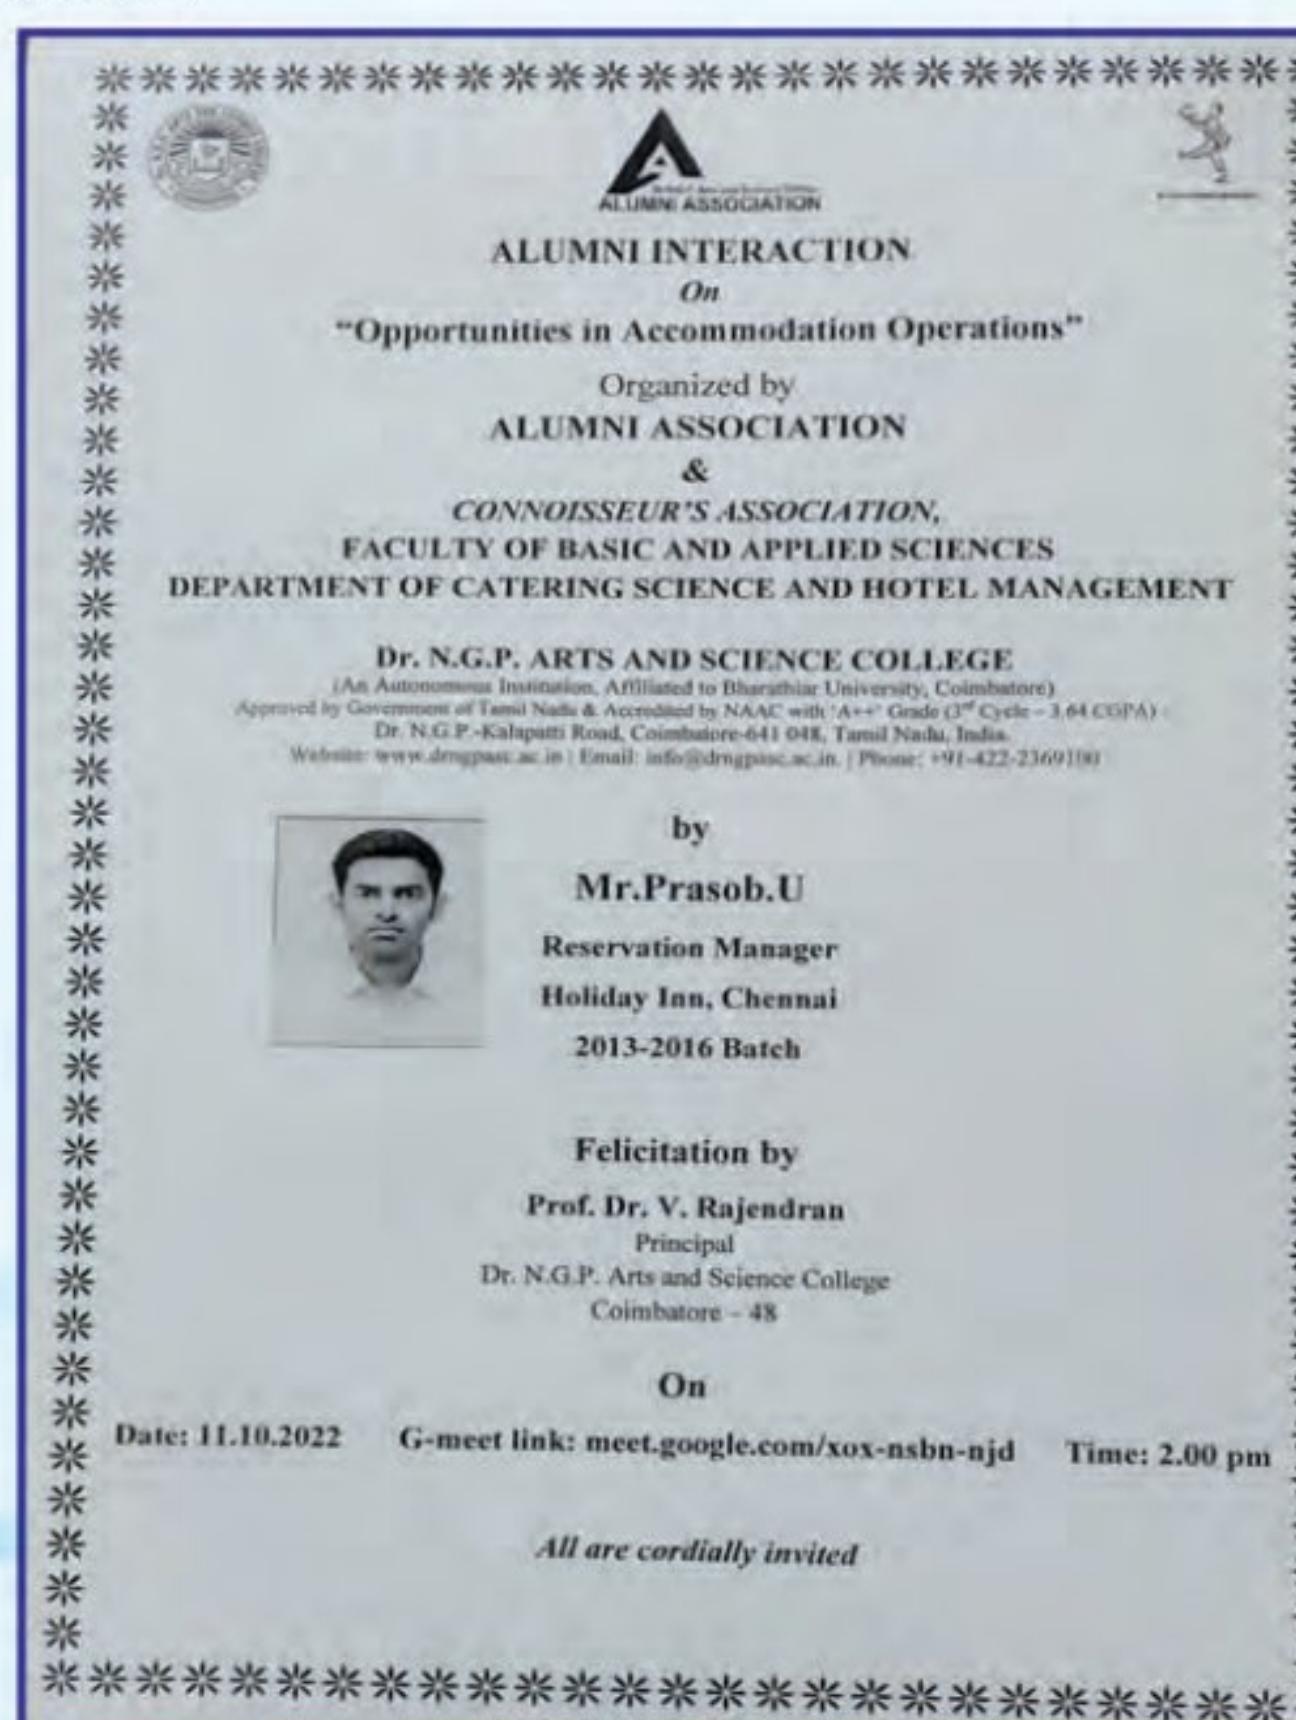

Session 2 was addressed by Ms.V.Deepika Trainee, Wipro Technologies, Bangalore. She addressed on the topic “Join as a student, leave as an IT Professional”. She explained about the work environment and the expectations of IT Companies a most the upcoming graduates.

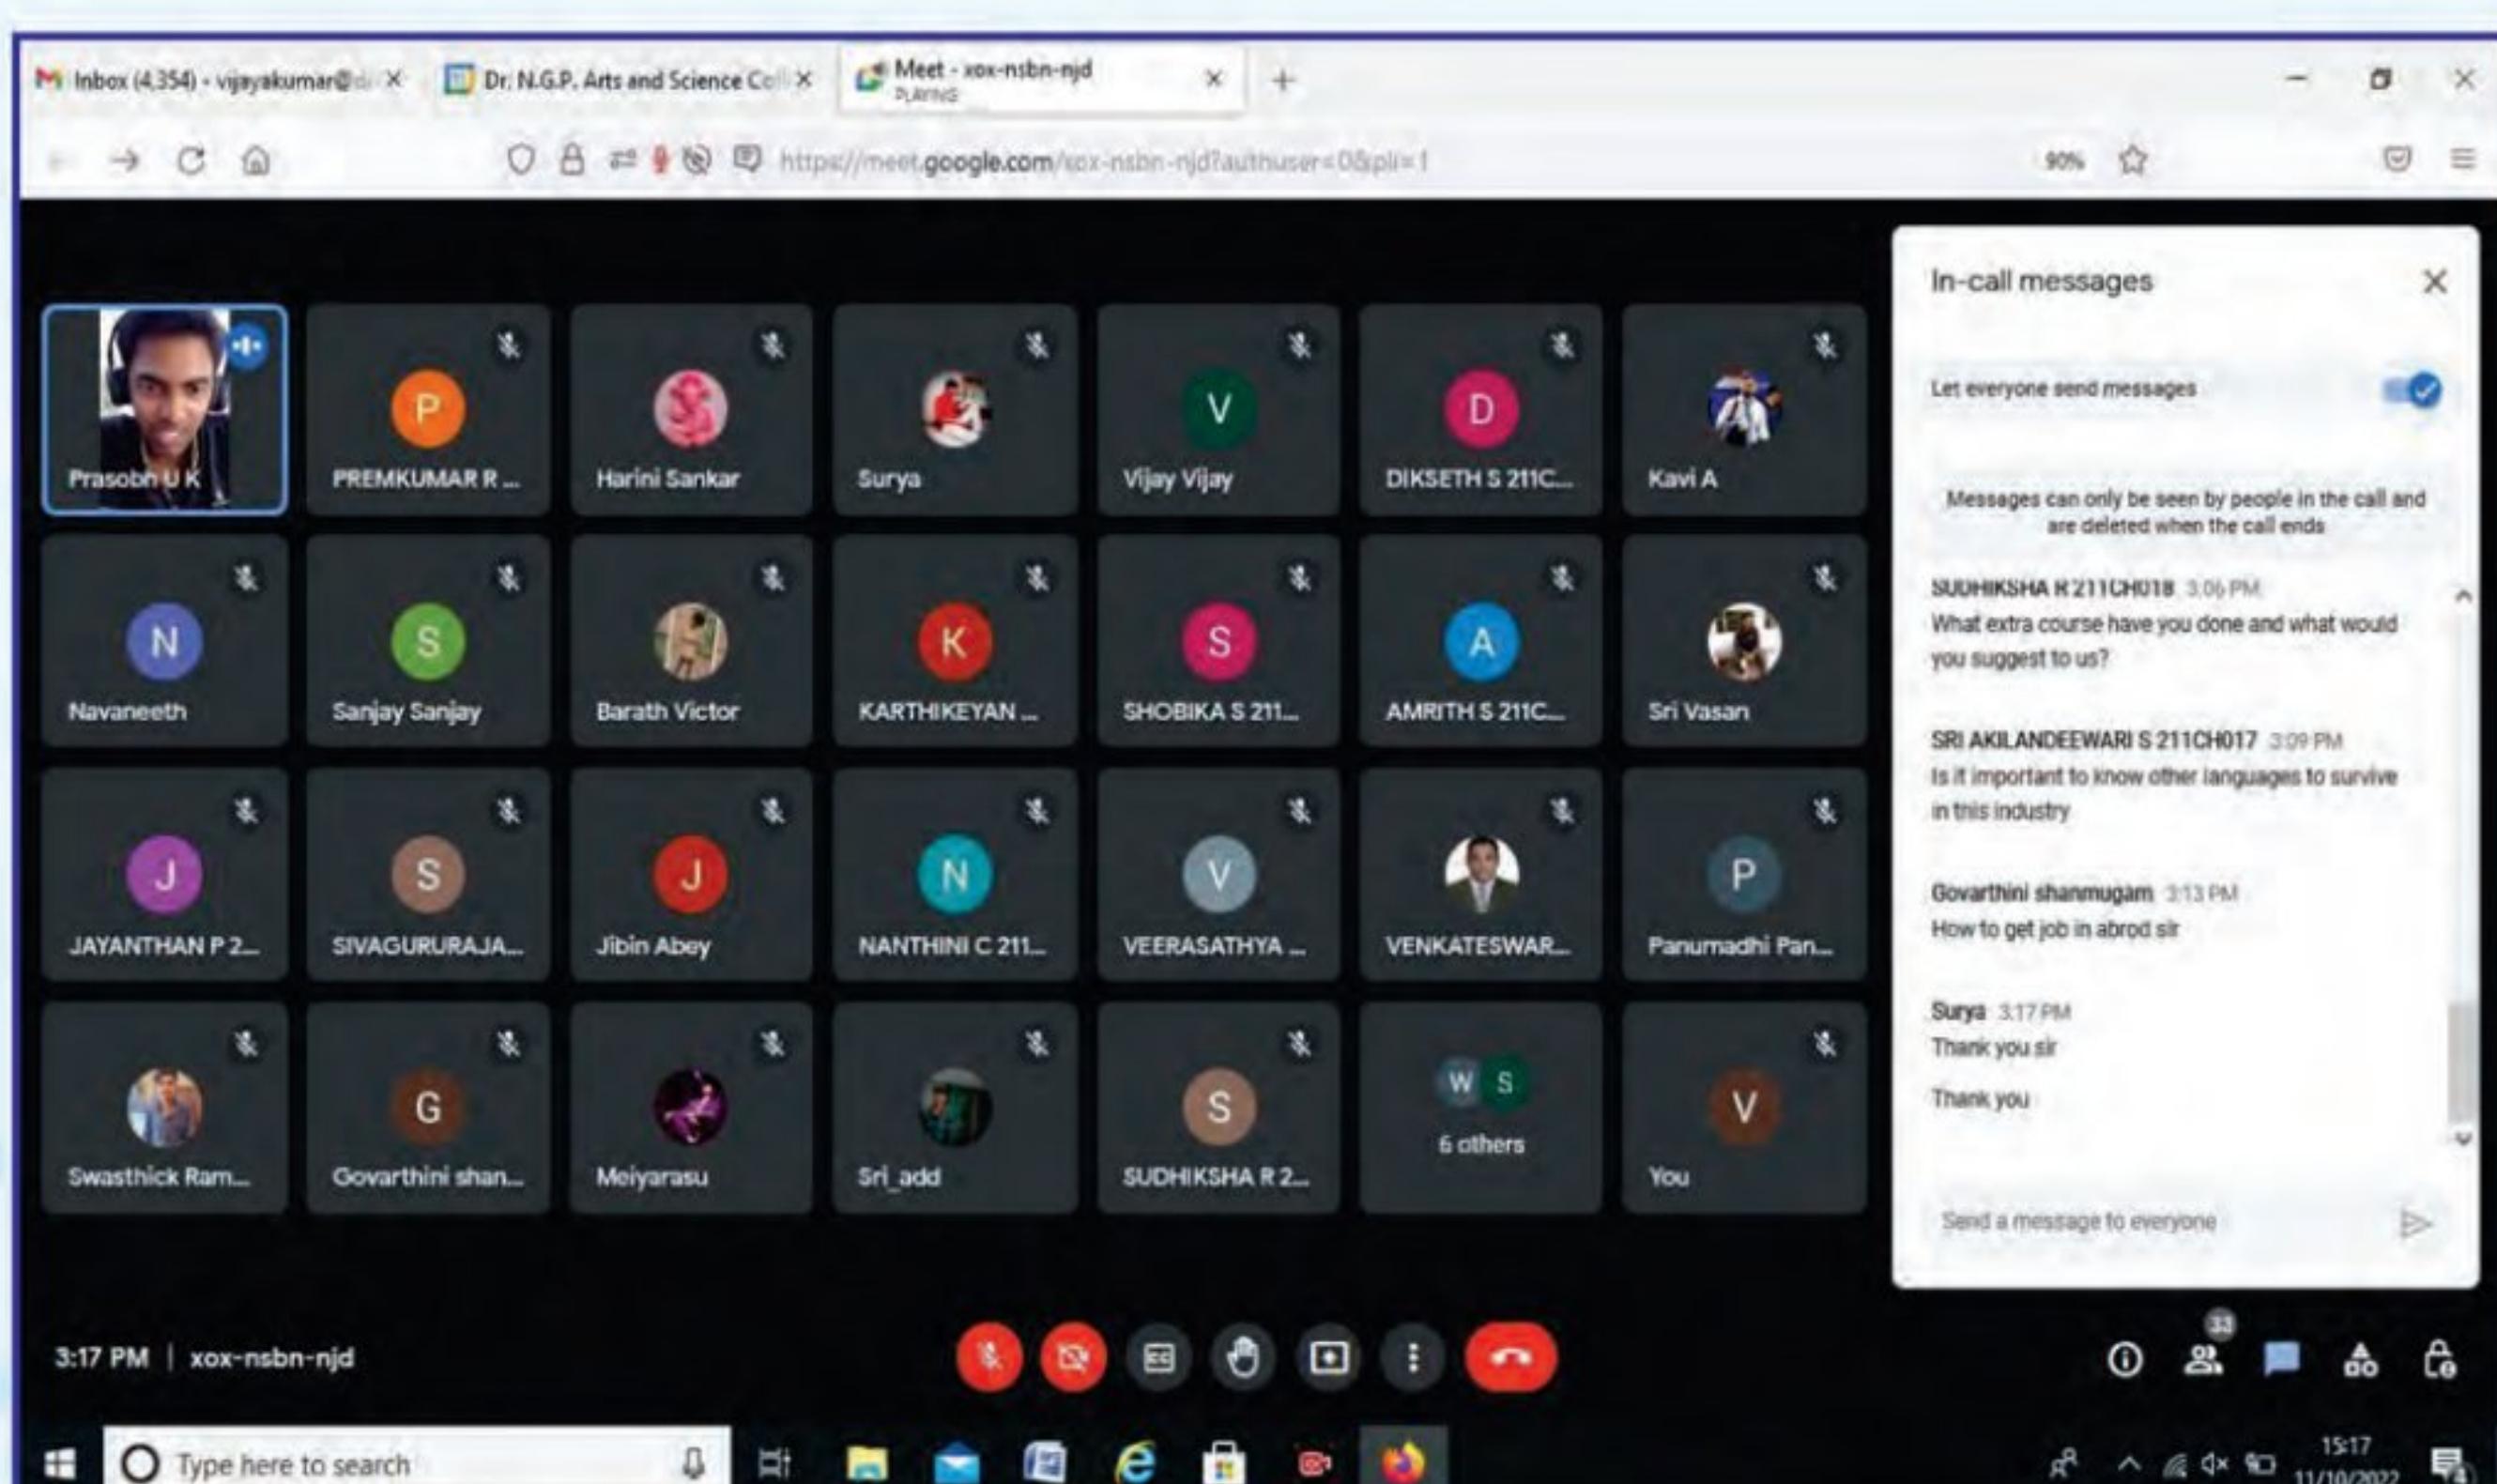

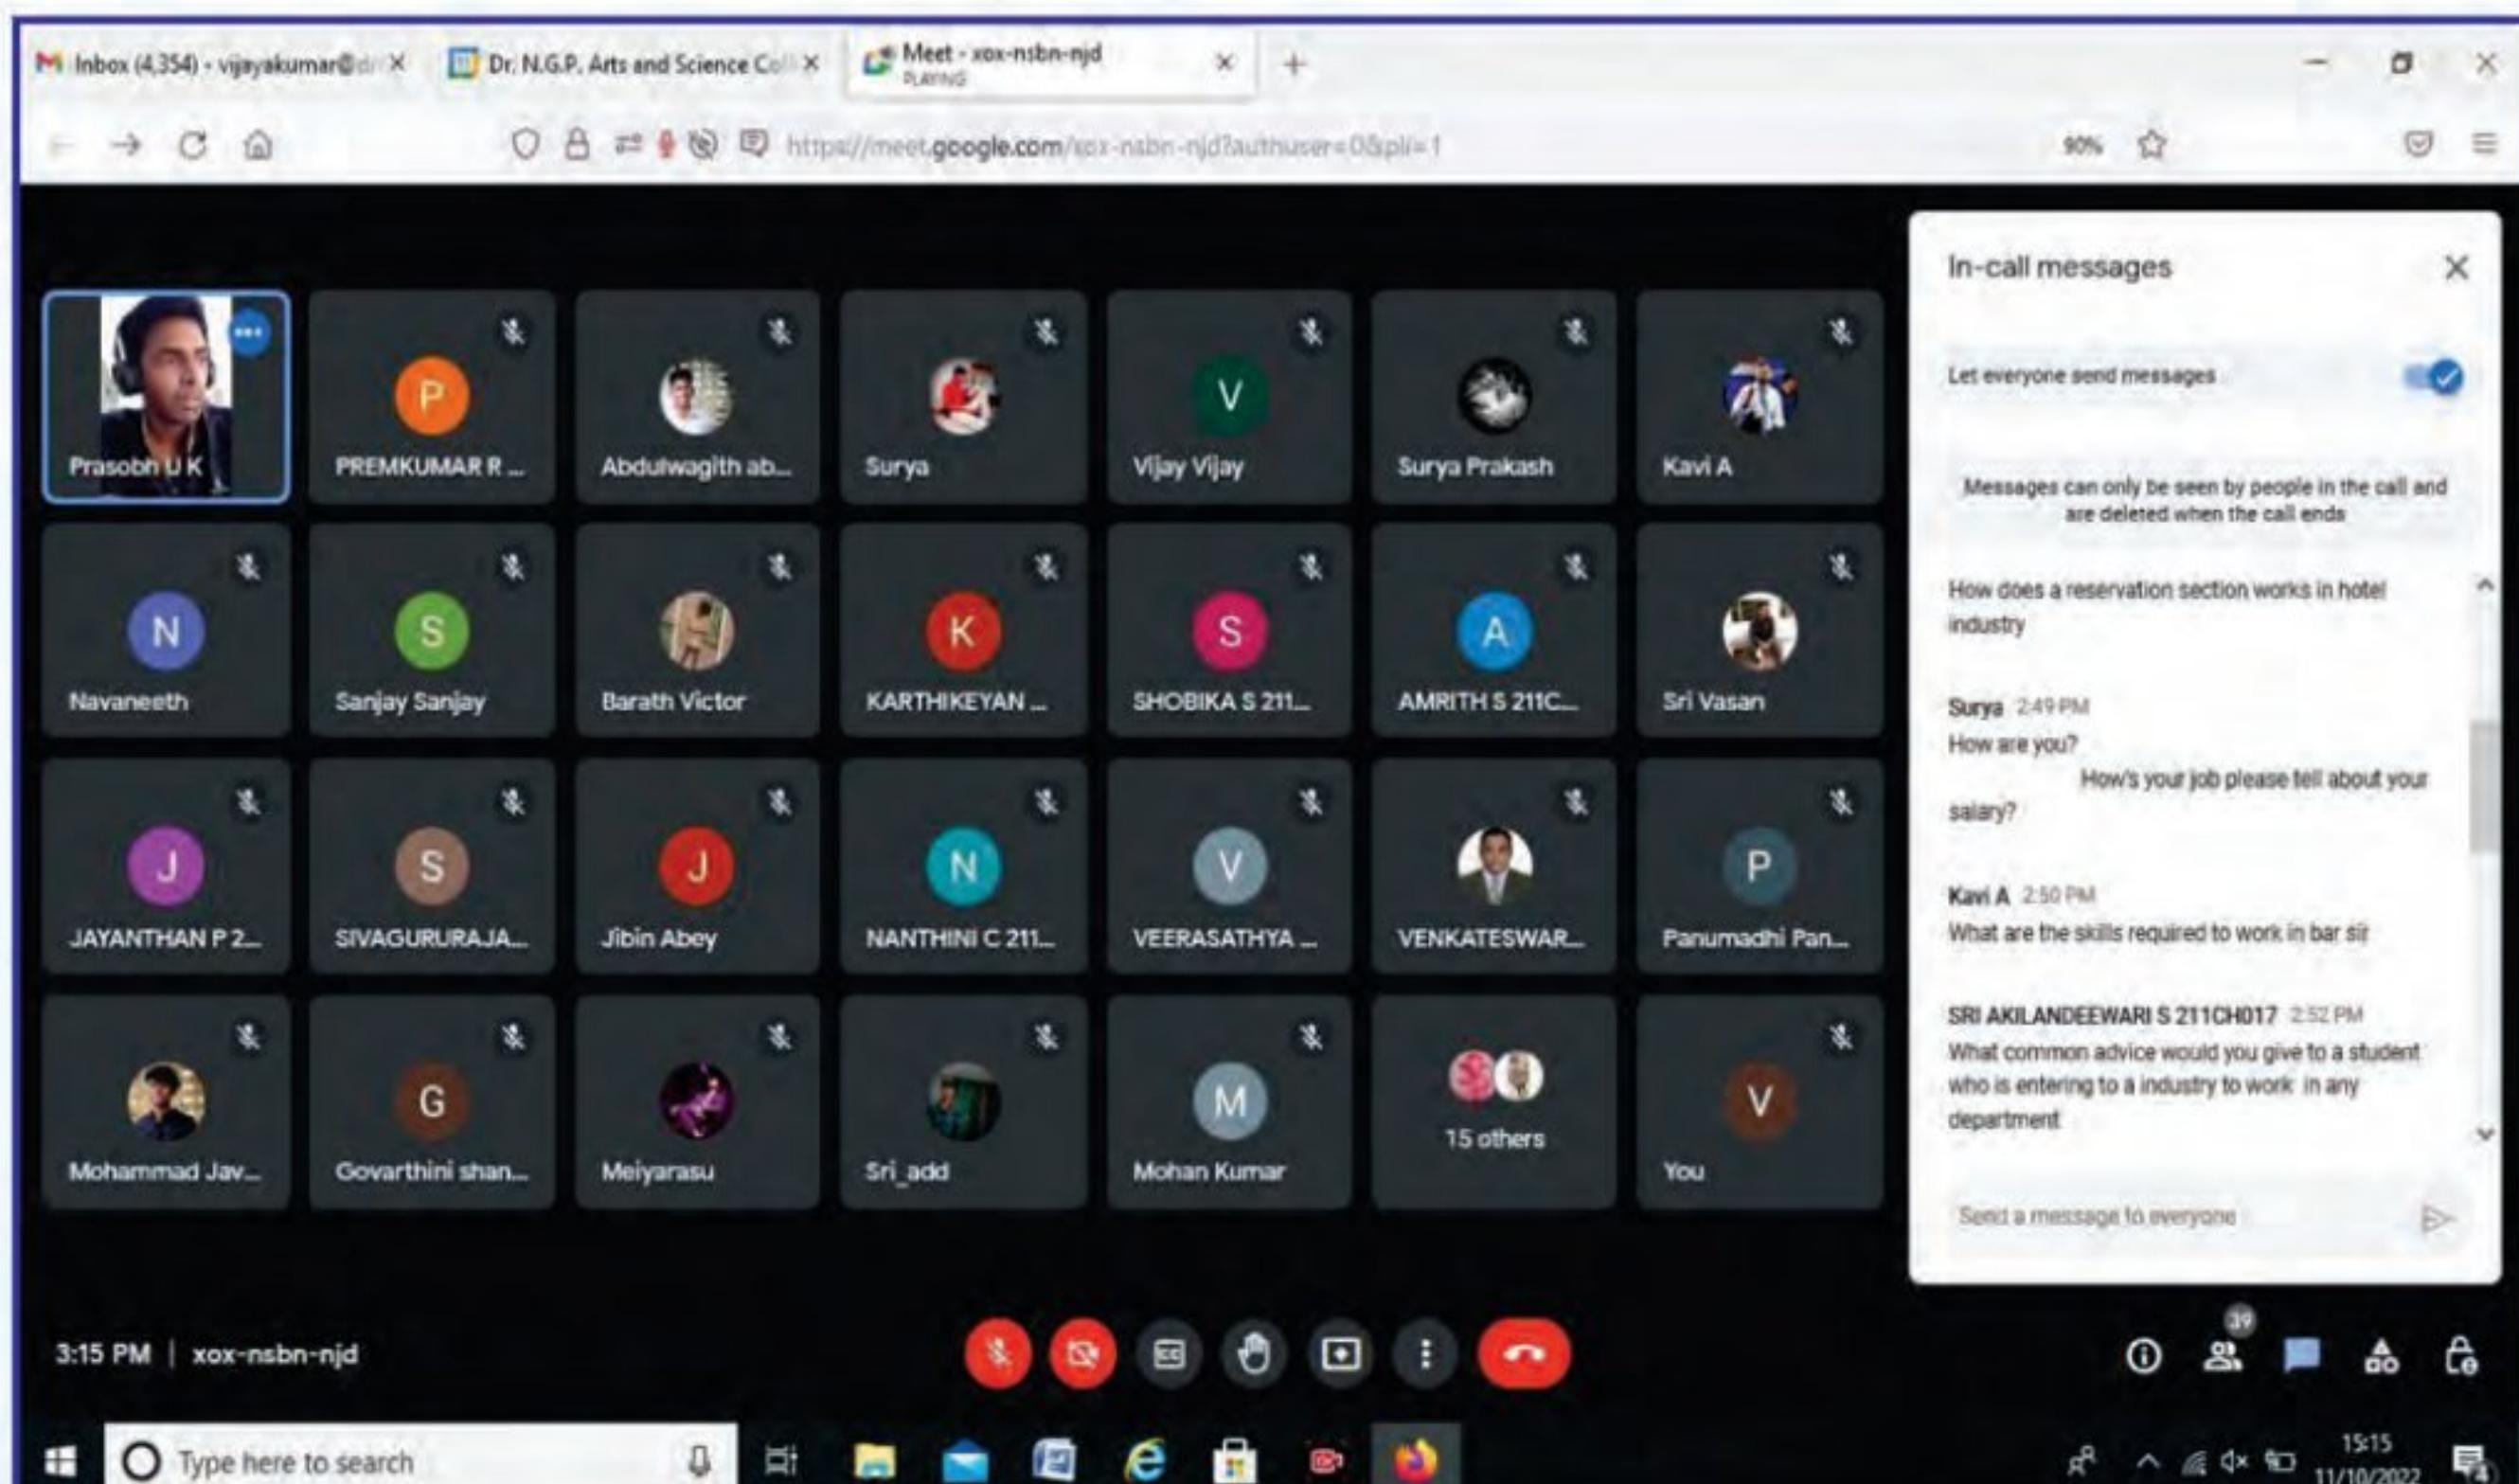

## DEPARTMENT OF CATERING SCIENCE AND HOTEL MANAGEMENT

The interactive session was organized on **11.10.2022** for the students to have a real time idea about the department and opportunities in the accommodation industry through Google Meet platform **Mr. Prashob. U, Holiday inn, Chennai addressed on the topic “Opportunity in Accommodation operations”.**

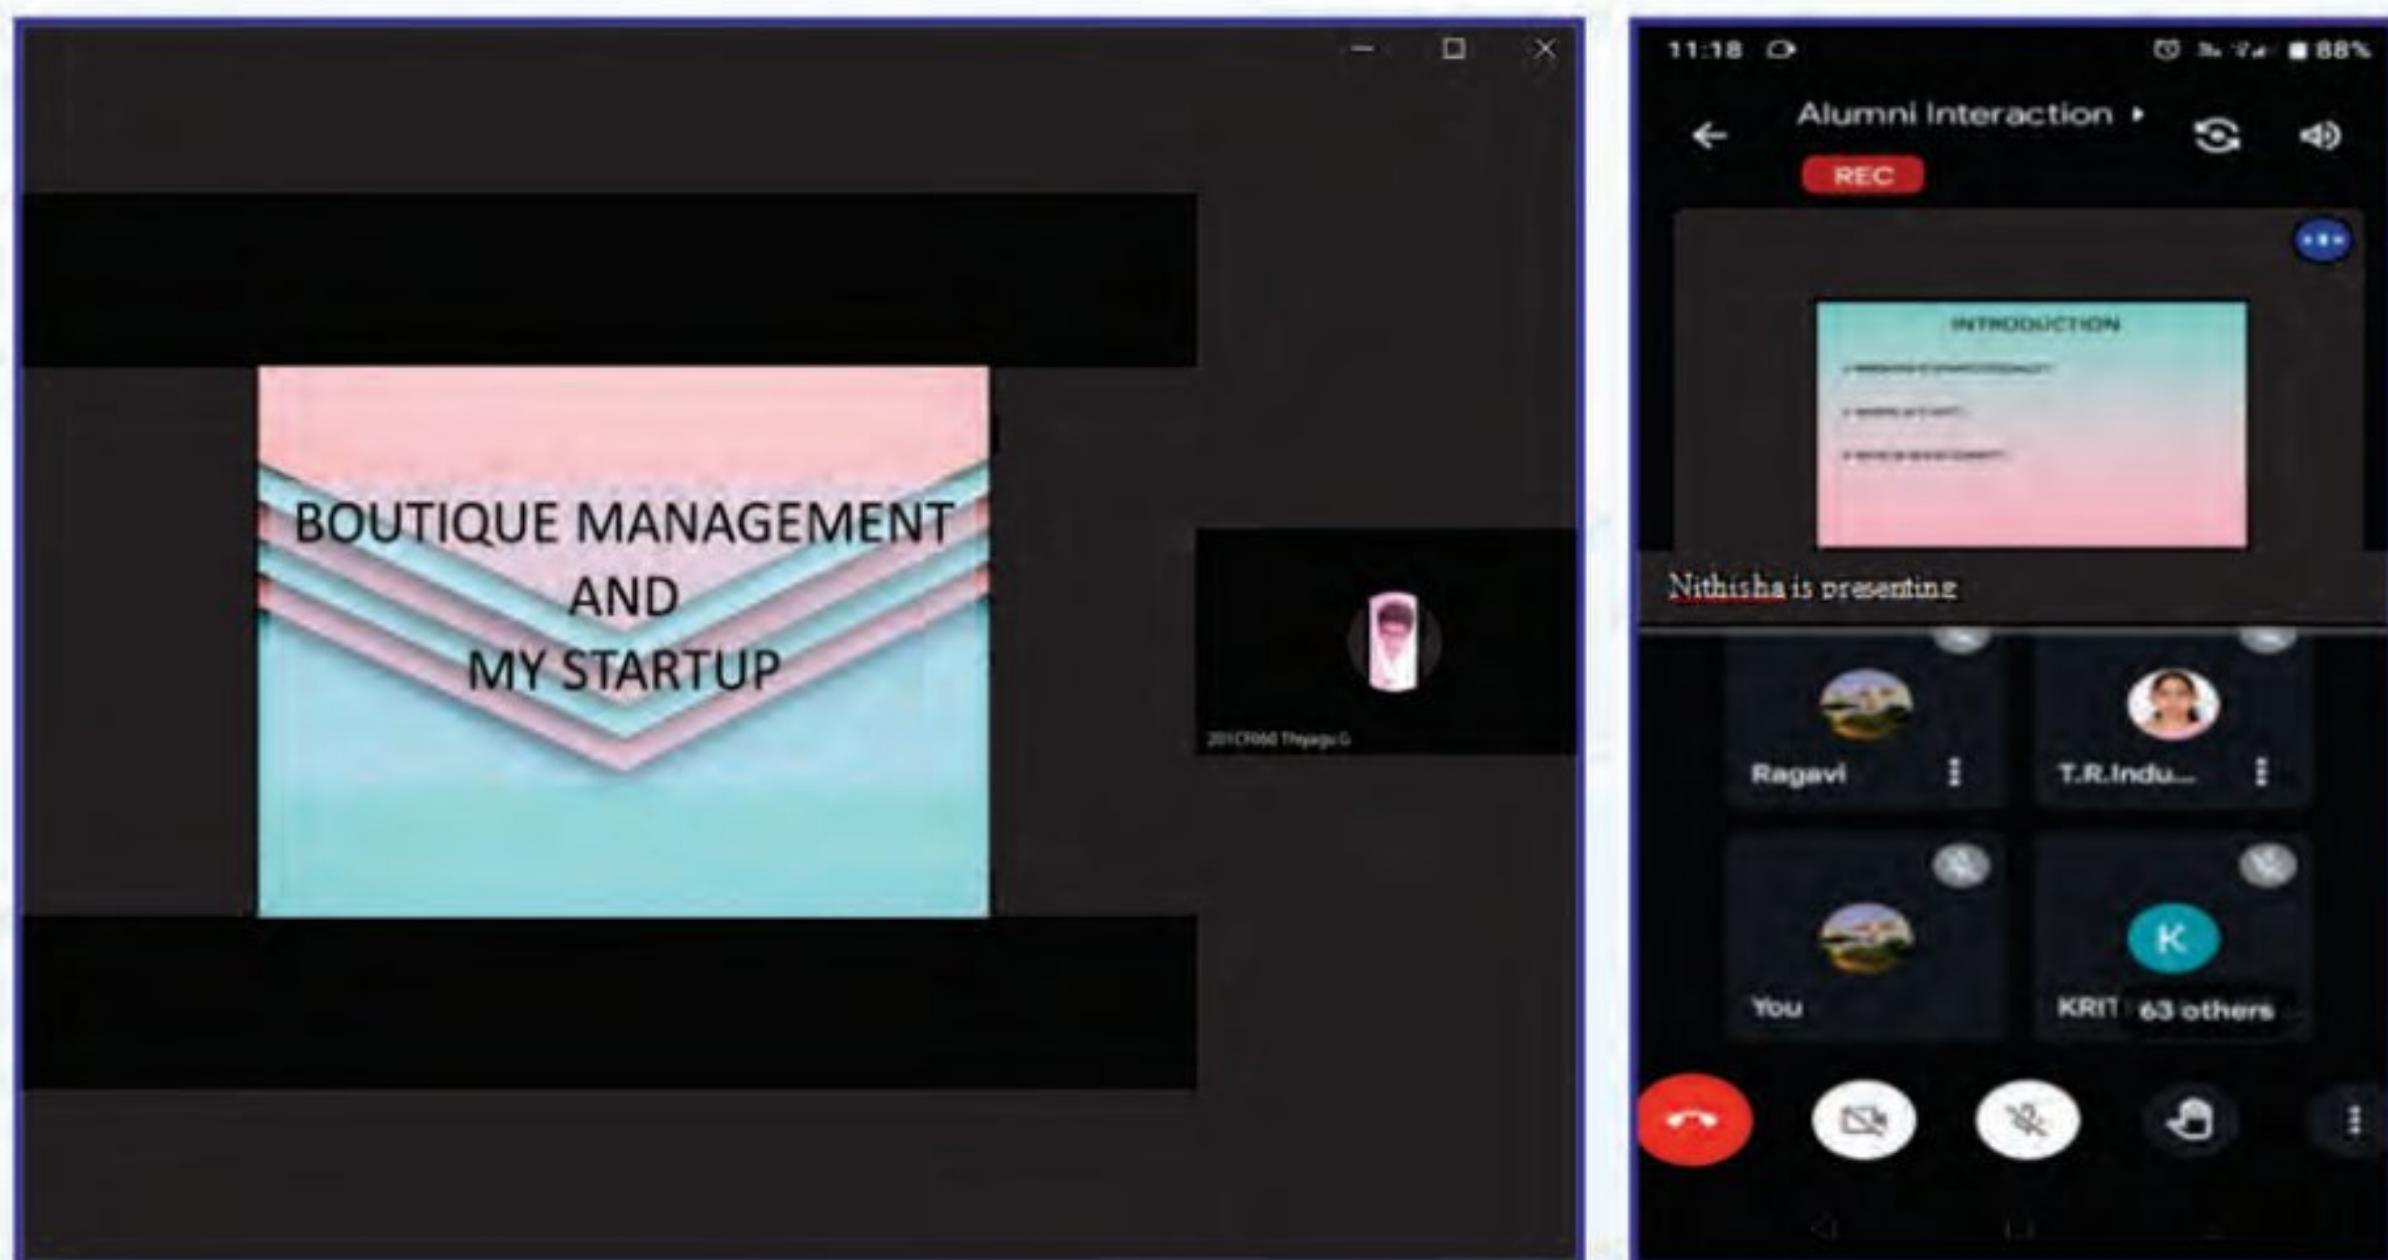

The session was planned to provide the students with information on The seven sections cover the following topics: (1) Recognizing one's customers; (2) Meeting customer needs; (3) The importance of maintenance; (4) Cleaning routines; (5) Housekeeping supplies; Linen and laundry; and (7) Health, safety, and security.

## DEPARTMENT OF COSTUME DESIGN AND FASHION

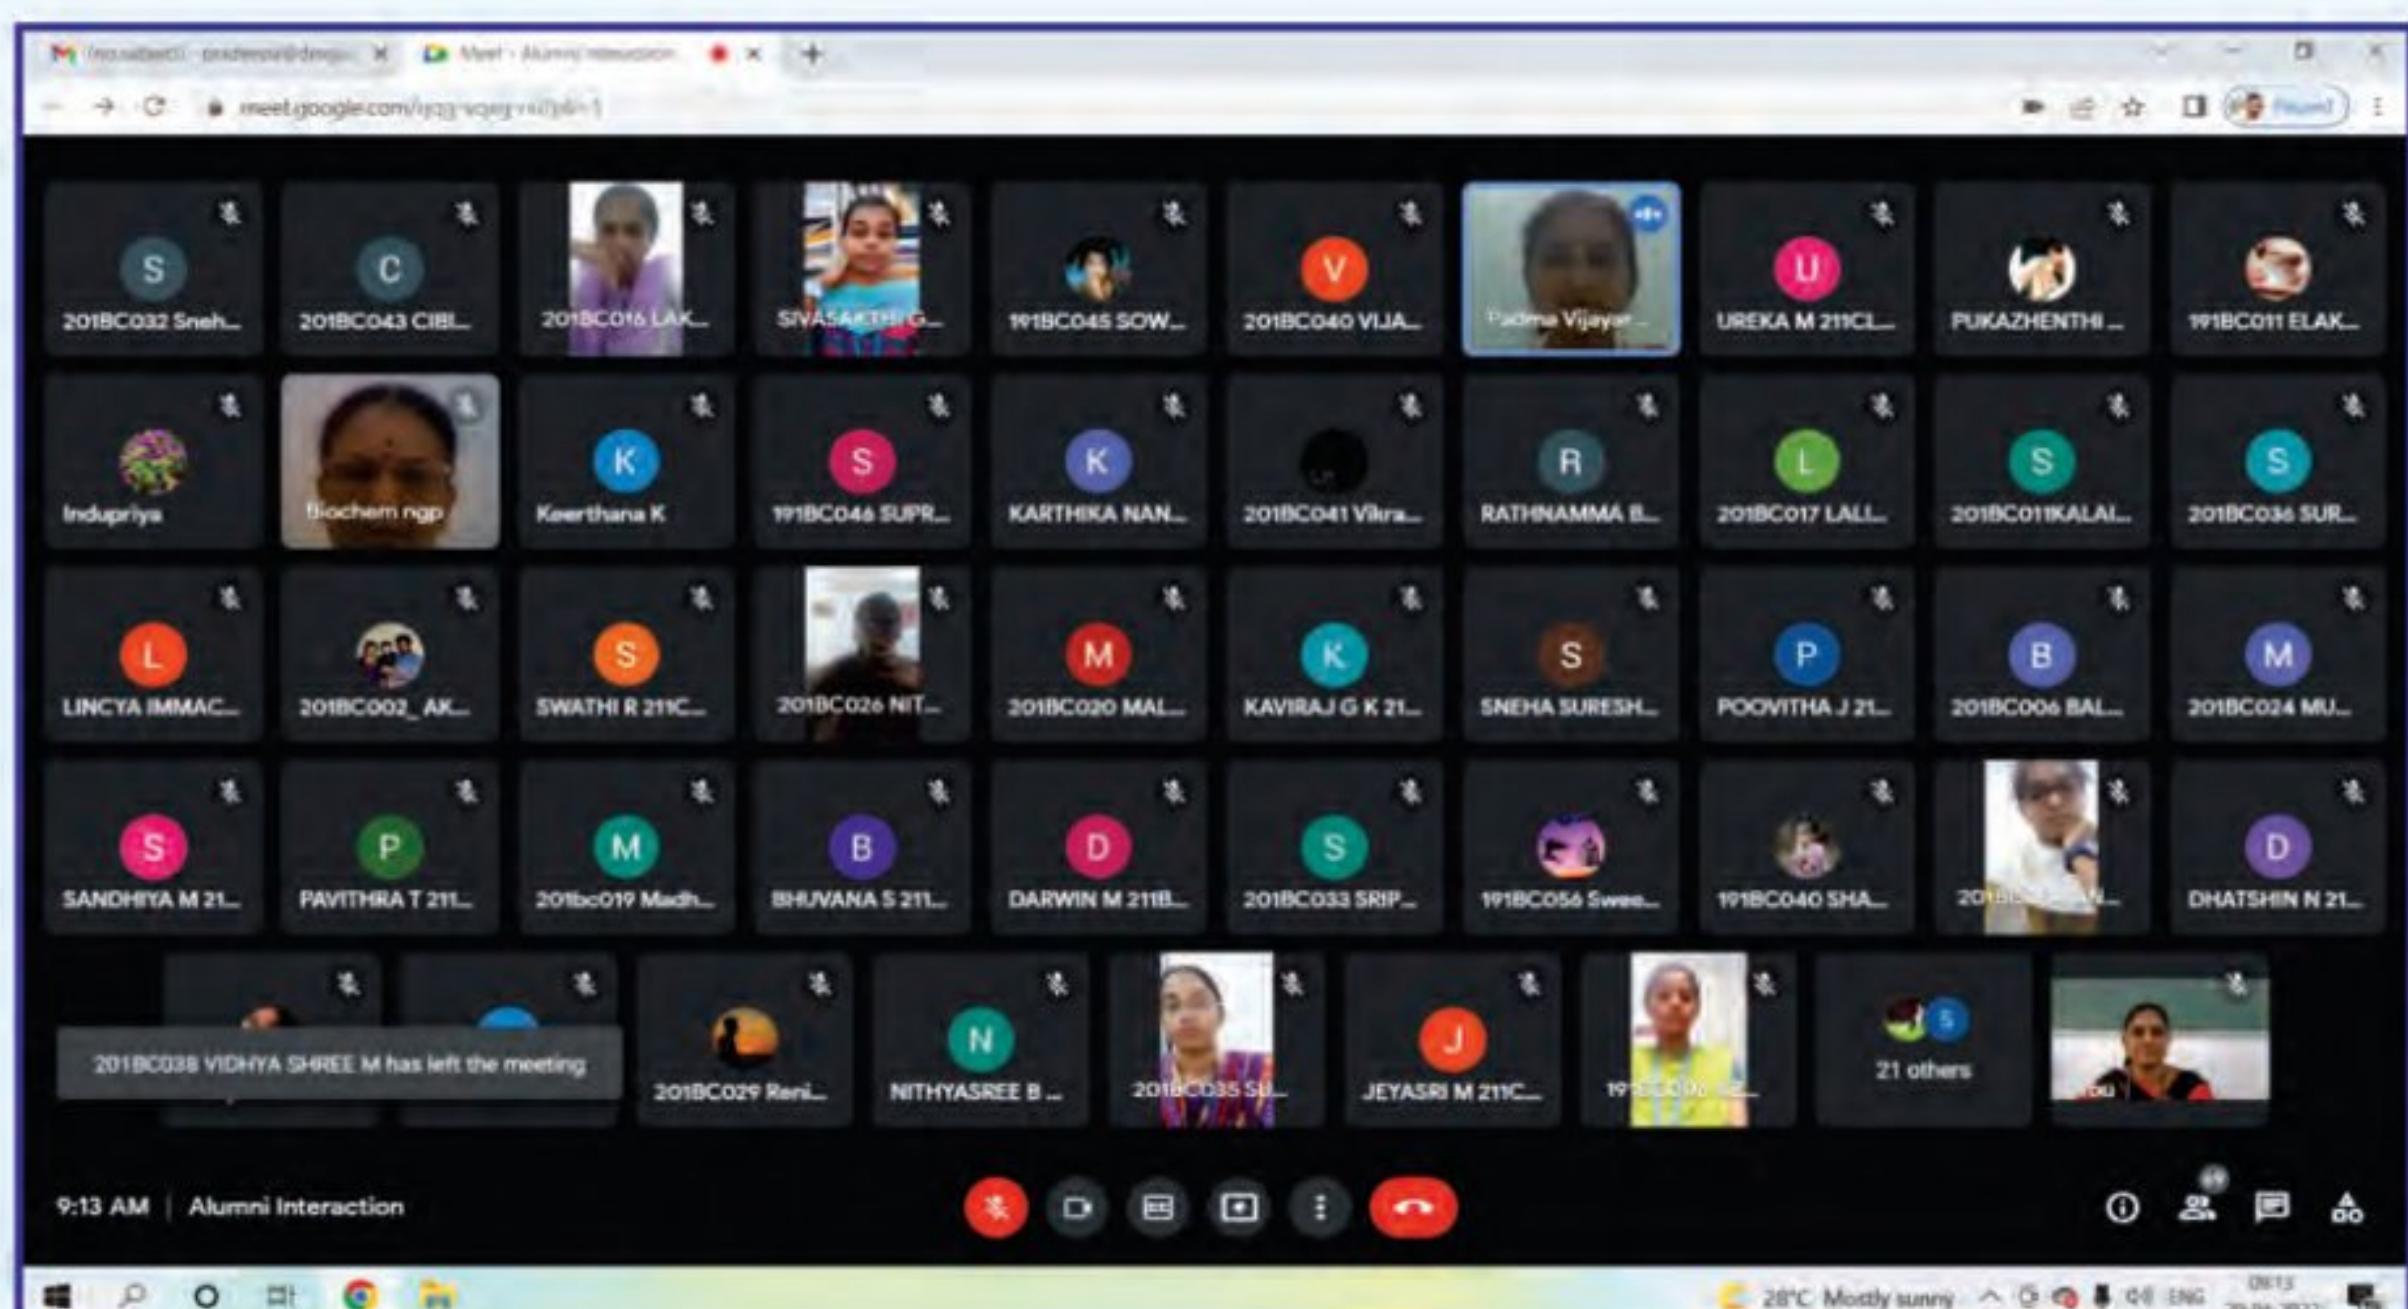

The Alumni interaction session was organized on **20.10.2022** for the students through Google meet. **Ms.Nidhisha, Entrepreneur and Fashion Designer, Get Chanted Clothing, Kerala** addressed the students on **“Boutique Management”**. She narrated the importance of managing the Inventory details, Customers, Boutique, Sales, Products through computerized automated software system.

## FACULTY OF BIOSCIENCES

## DEPARTMENT OF BIOCHEMISTRY

An exclusive Alumni interaction for students of Dr.N.G.P. Arts and Science College, Coimbatore was organized by Department of Biochemistry entitled **"NETWORK TO SCALE NET WORTH"** scheduled on **20.04.2022** at **9:00 a.m.** in Google meet platform.

Mrs.Padma Vijaragavan, Talent acquisition manager core solutions Inc, Chennai, instilled our students to create an account in LinkedIn to connect with people to learn new skills and for searching job opportunities. She also projected a clear understanding of the importance of using social media wisely. She insisted the students to have someone as a role model to achieve the goal of our own point. She also added that it would take some time to achieve it but what matters is that the effort we put in.

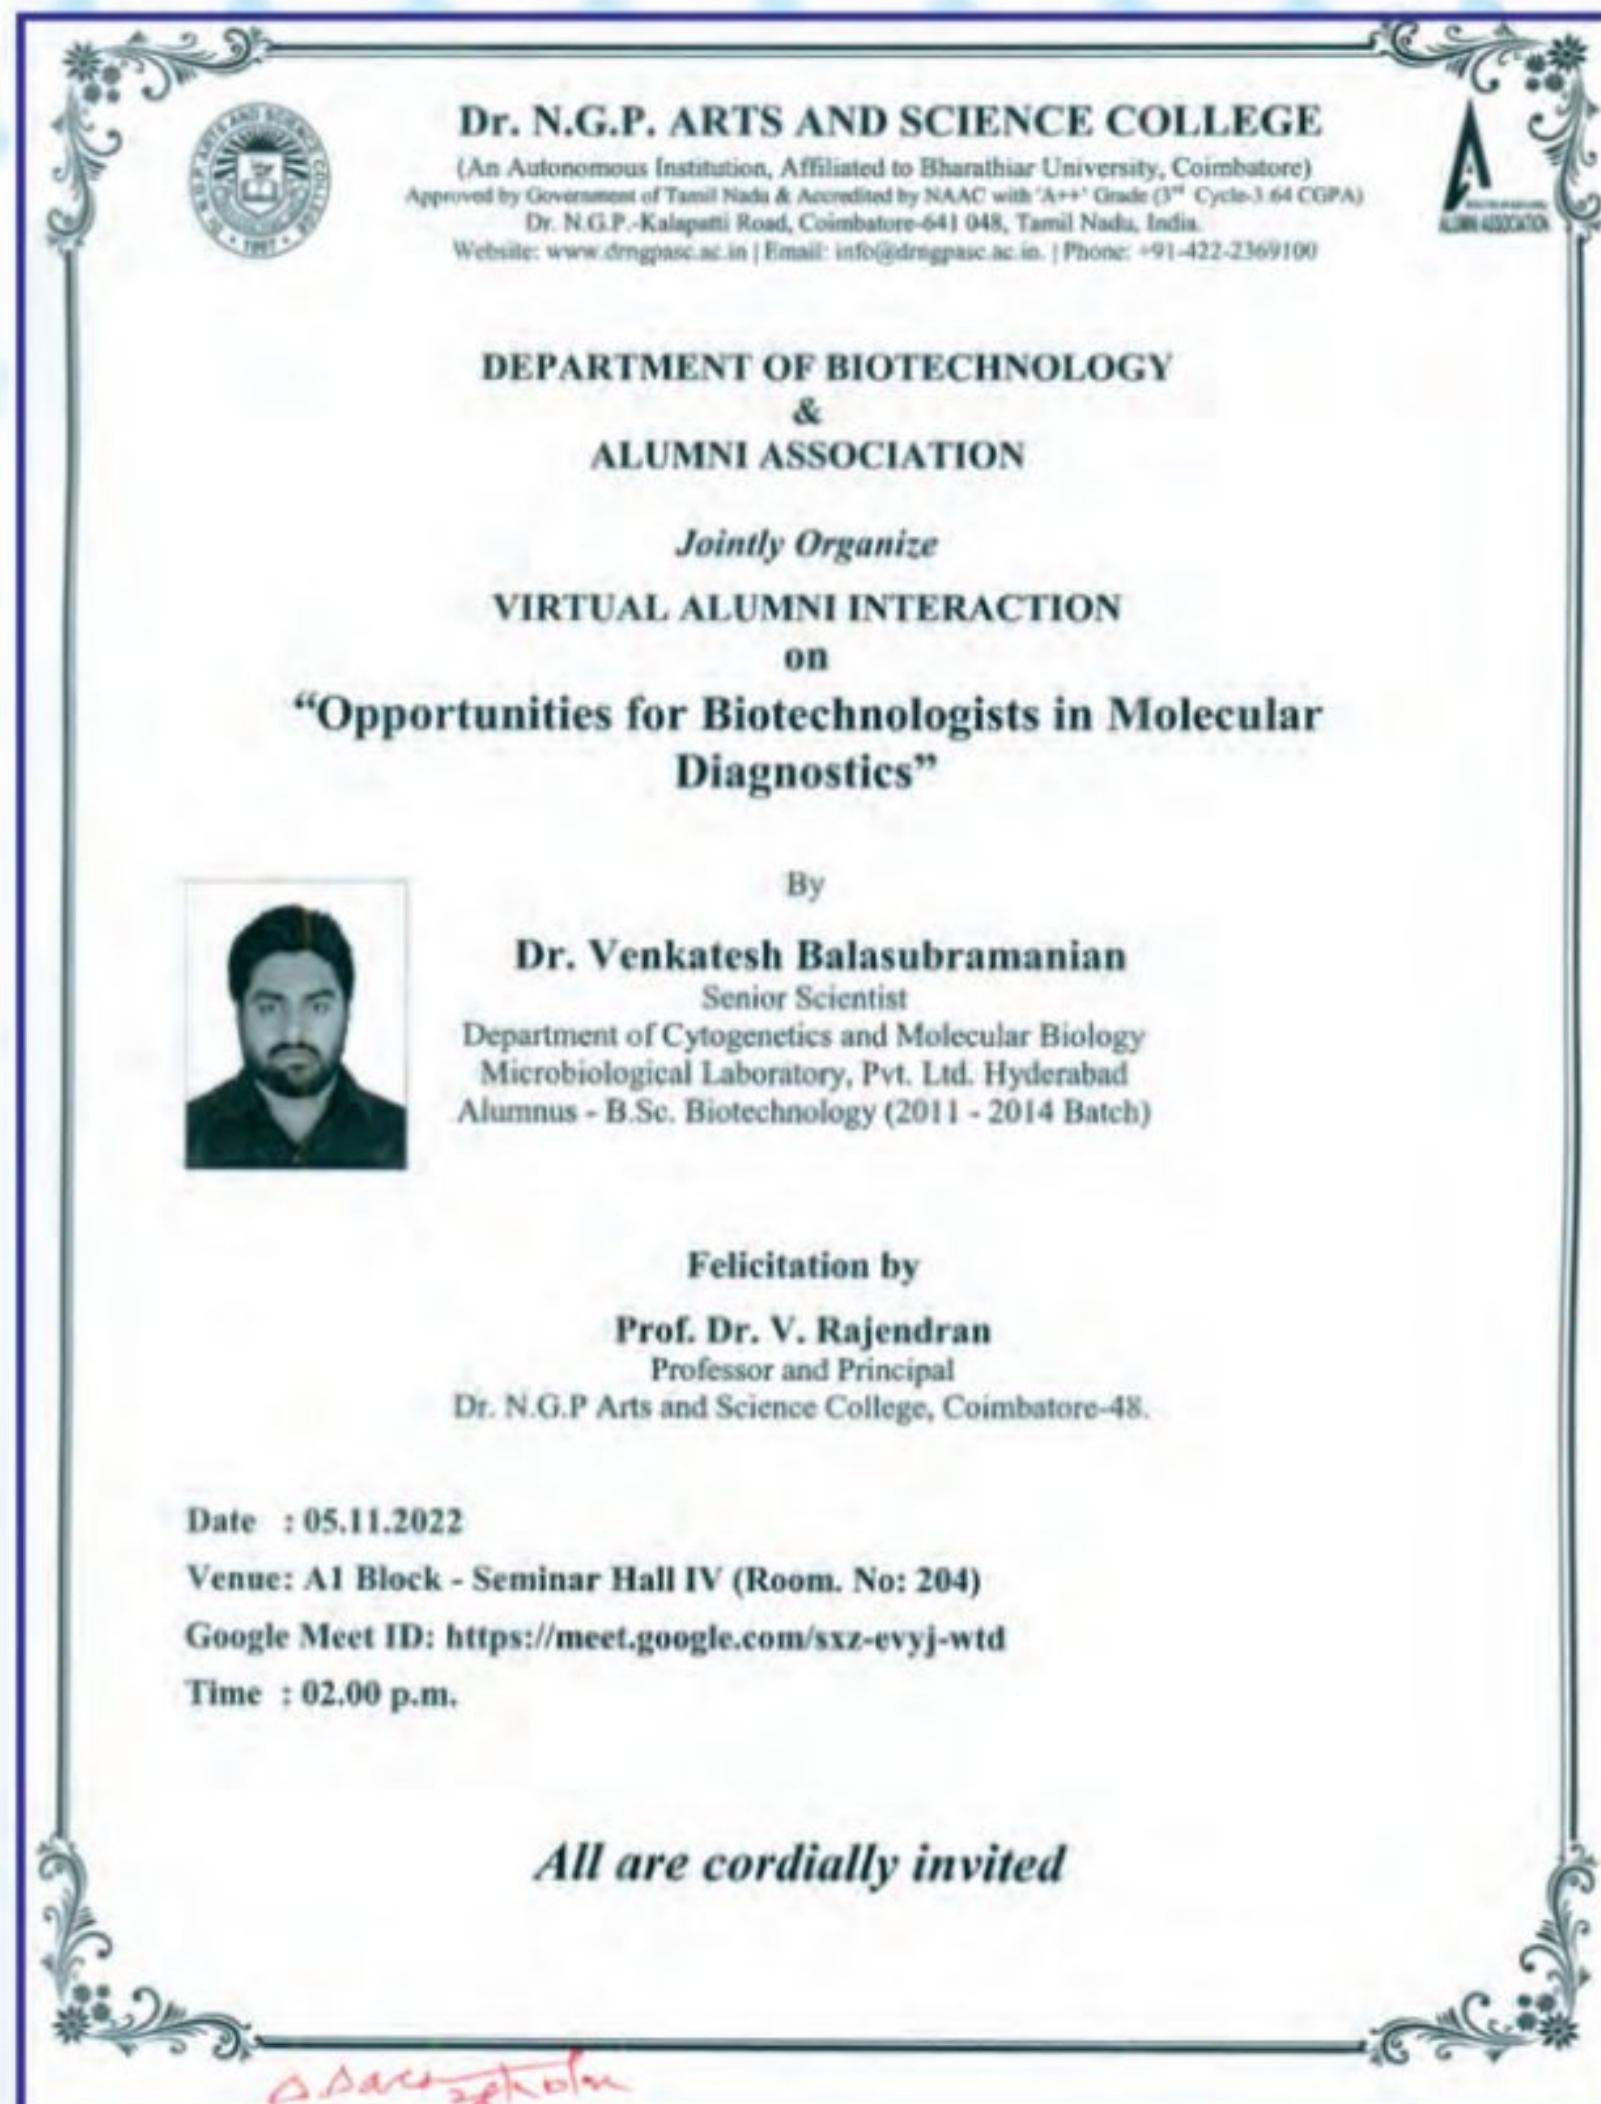

The Department of Biochemistry organized an Alumni Interaction on "**Career map on foreign clinical laboratory**" on **05.11.2022** at NGPASC. **Mr. Abuthakir.K, Biochemist at Harley International Medical clinic LLC, Dubai, U.A.E.,** was the Chief Guest for this program. The theme of this program was to make students aware of the job opportunities in foreign countries.

During the session, he explained about exams like IELTS, Dubai medical exam, etc. and the various lab facilities available there and the scope behind them. He also highlighted the importance of experience required there regarding job opportunities. The students benefitted from this wonderful session. Finally, the students asked many queries and he clarified their doubts.

## DEPARTMENT OF BIOTECHNOLOGY

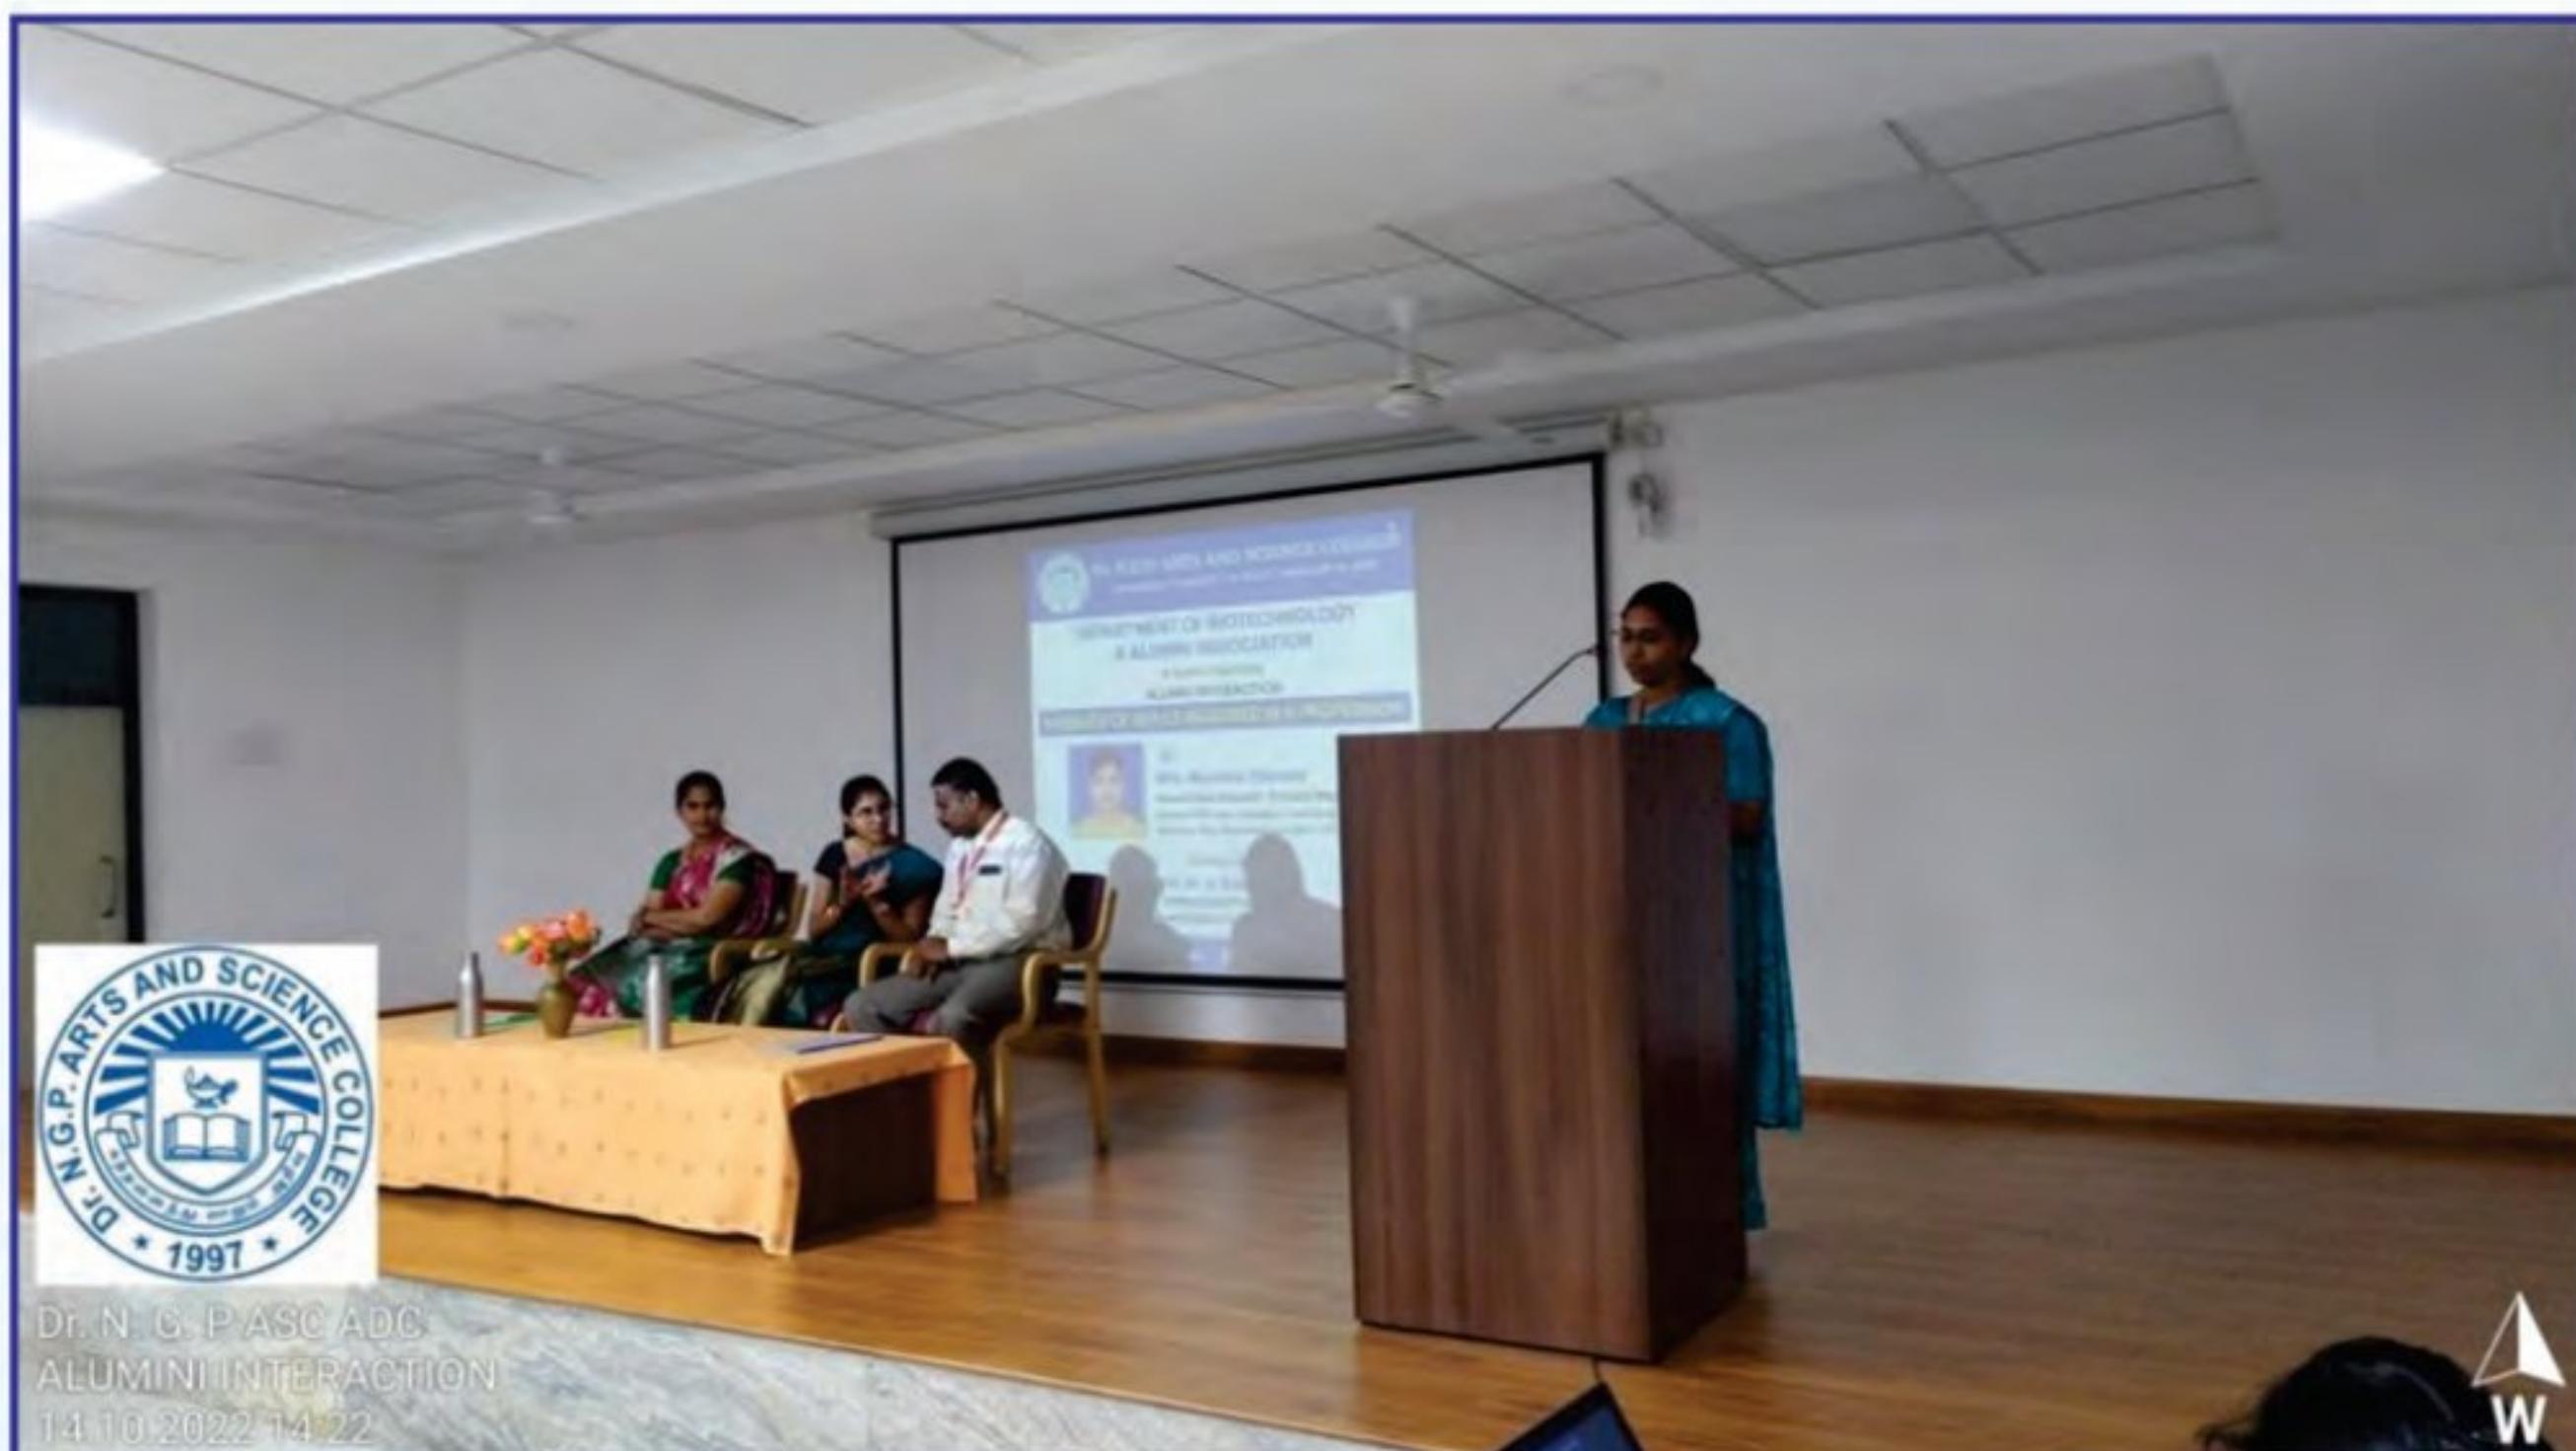

A virtual Alumni interaction was organized by the Department on the topic "Opportunities for Biotechnologists in Molecular Diagnostics" through Google meet platform on **05.11.2022**. **Dr. Venkatesh Balasubramanian** Senior Scientist Department of Cytogenetics and Molecular Biology Microbiological Laboratory, Pvt. Ltd. Hyderabad acted as the resource person.

Dr. Venkatesh Balasubramanian encouraged the students to be aware of the basic technologies related to the fields of DNA and RNA extraction. He also shared his views on Academic and Research websites associated with the jobs research and higher studies.

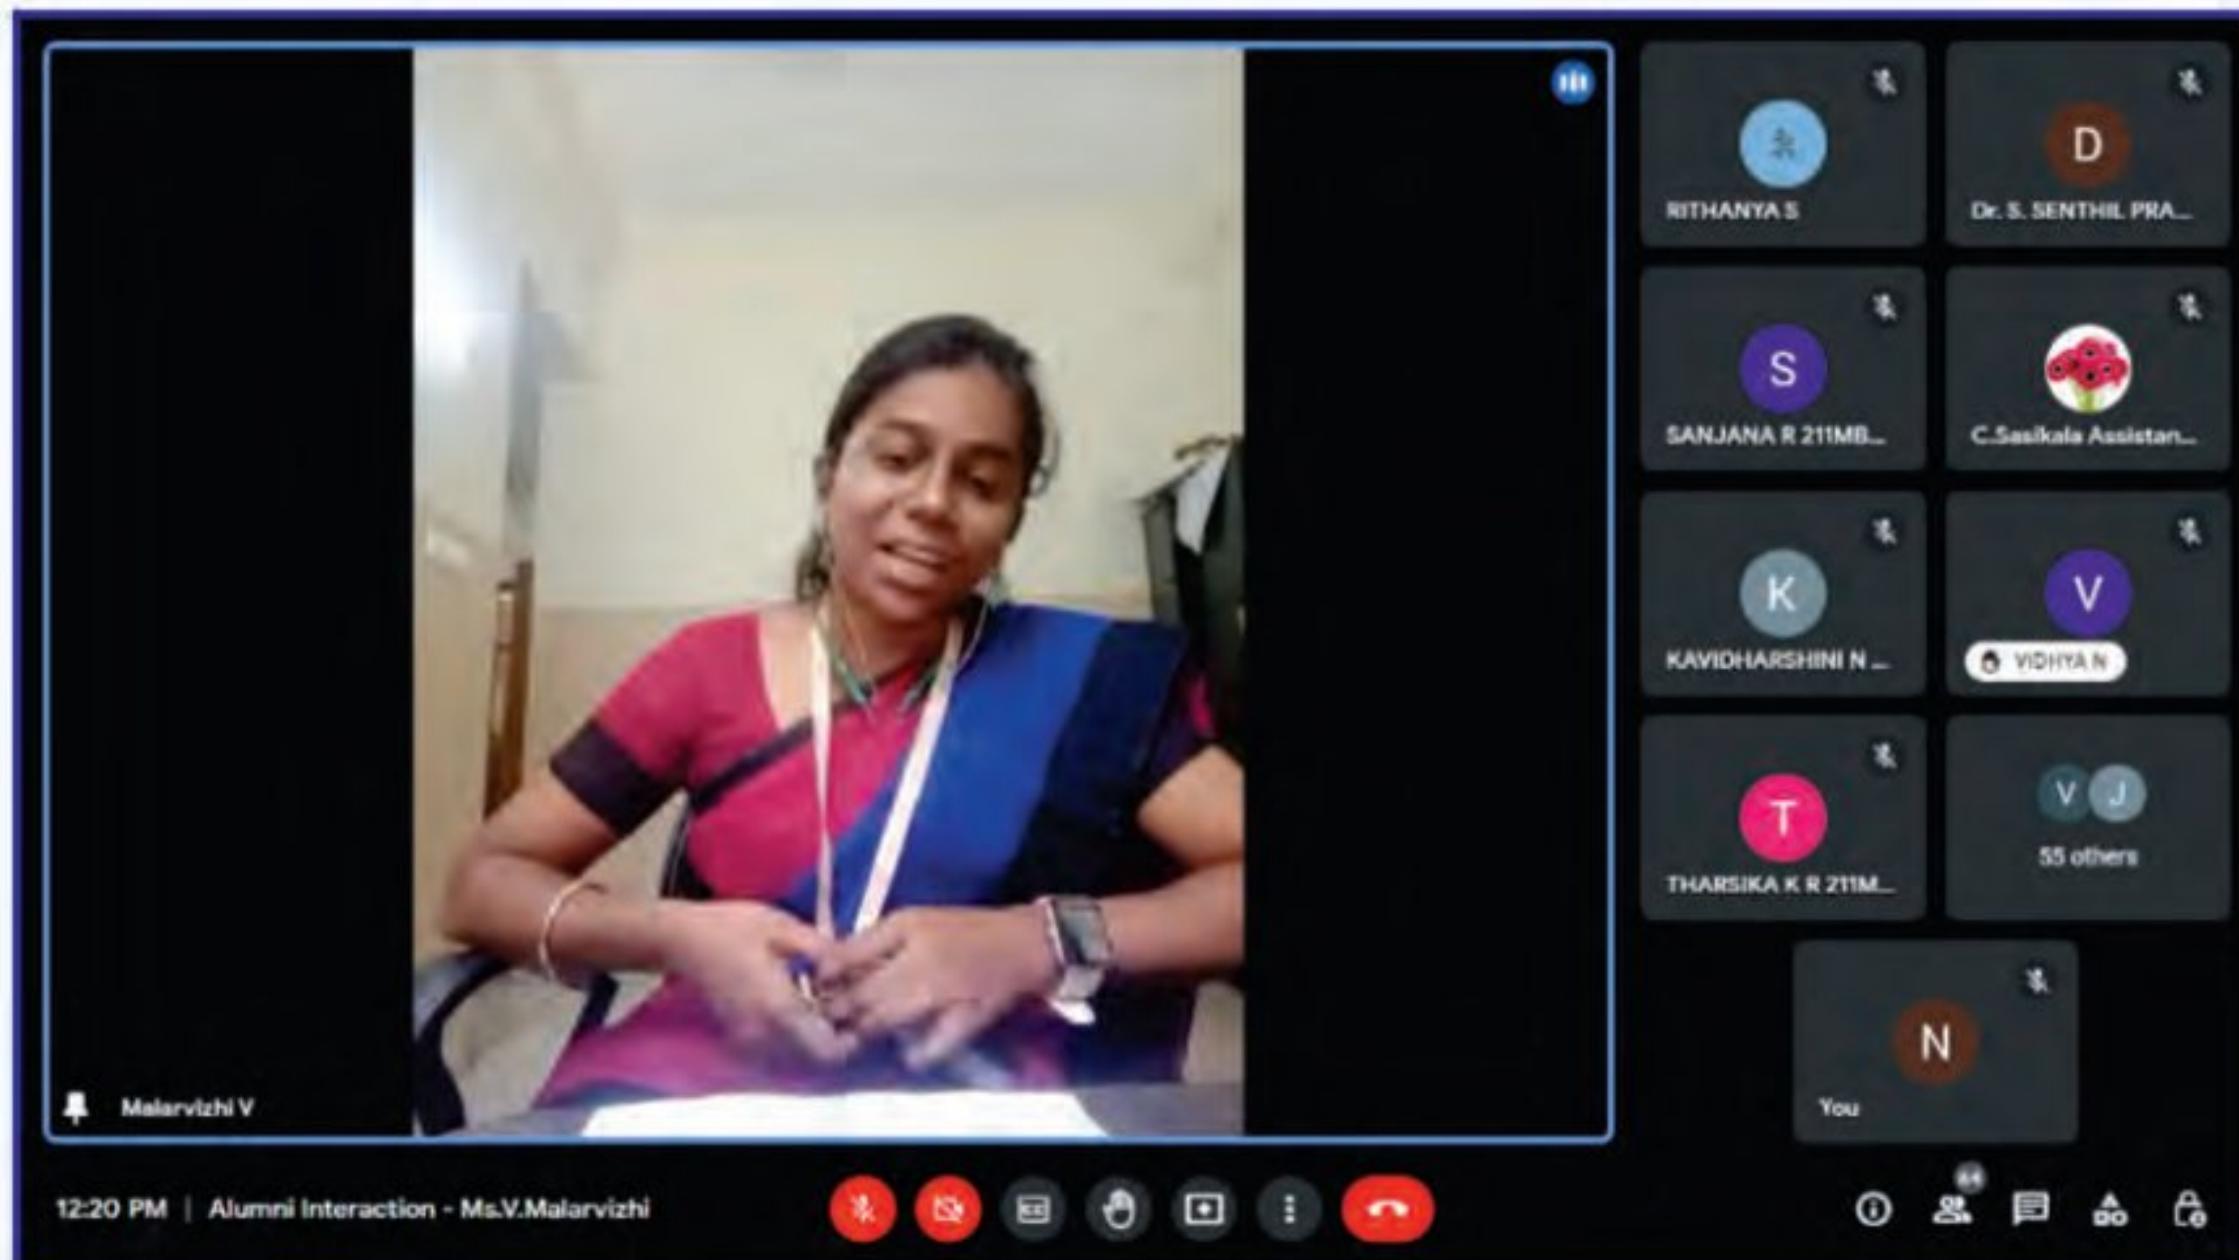

An Alumni interaction was organized by the Department of Bio Technology on the topic “**Avenues of Skills required in a Profession**” on **14.10.2022**. **Mrs. Monisha Chander** Senior Data Steward - Product Master Data - Europe VWR, part of Avantor, Coimbatore acted as the resource person. She gave a vast information about the importance of data skills in life science. She also outlined the profiles of some core companies that offers career opportunities for the upcoming biotechnologists.

## DEPARTMENT OF MICROBIOLOGY

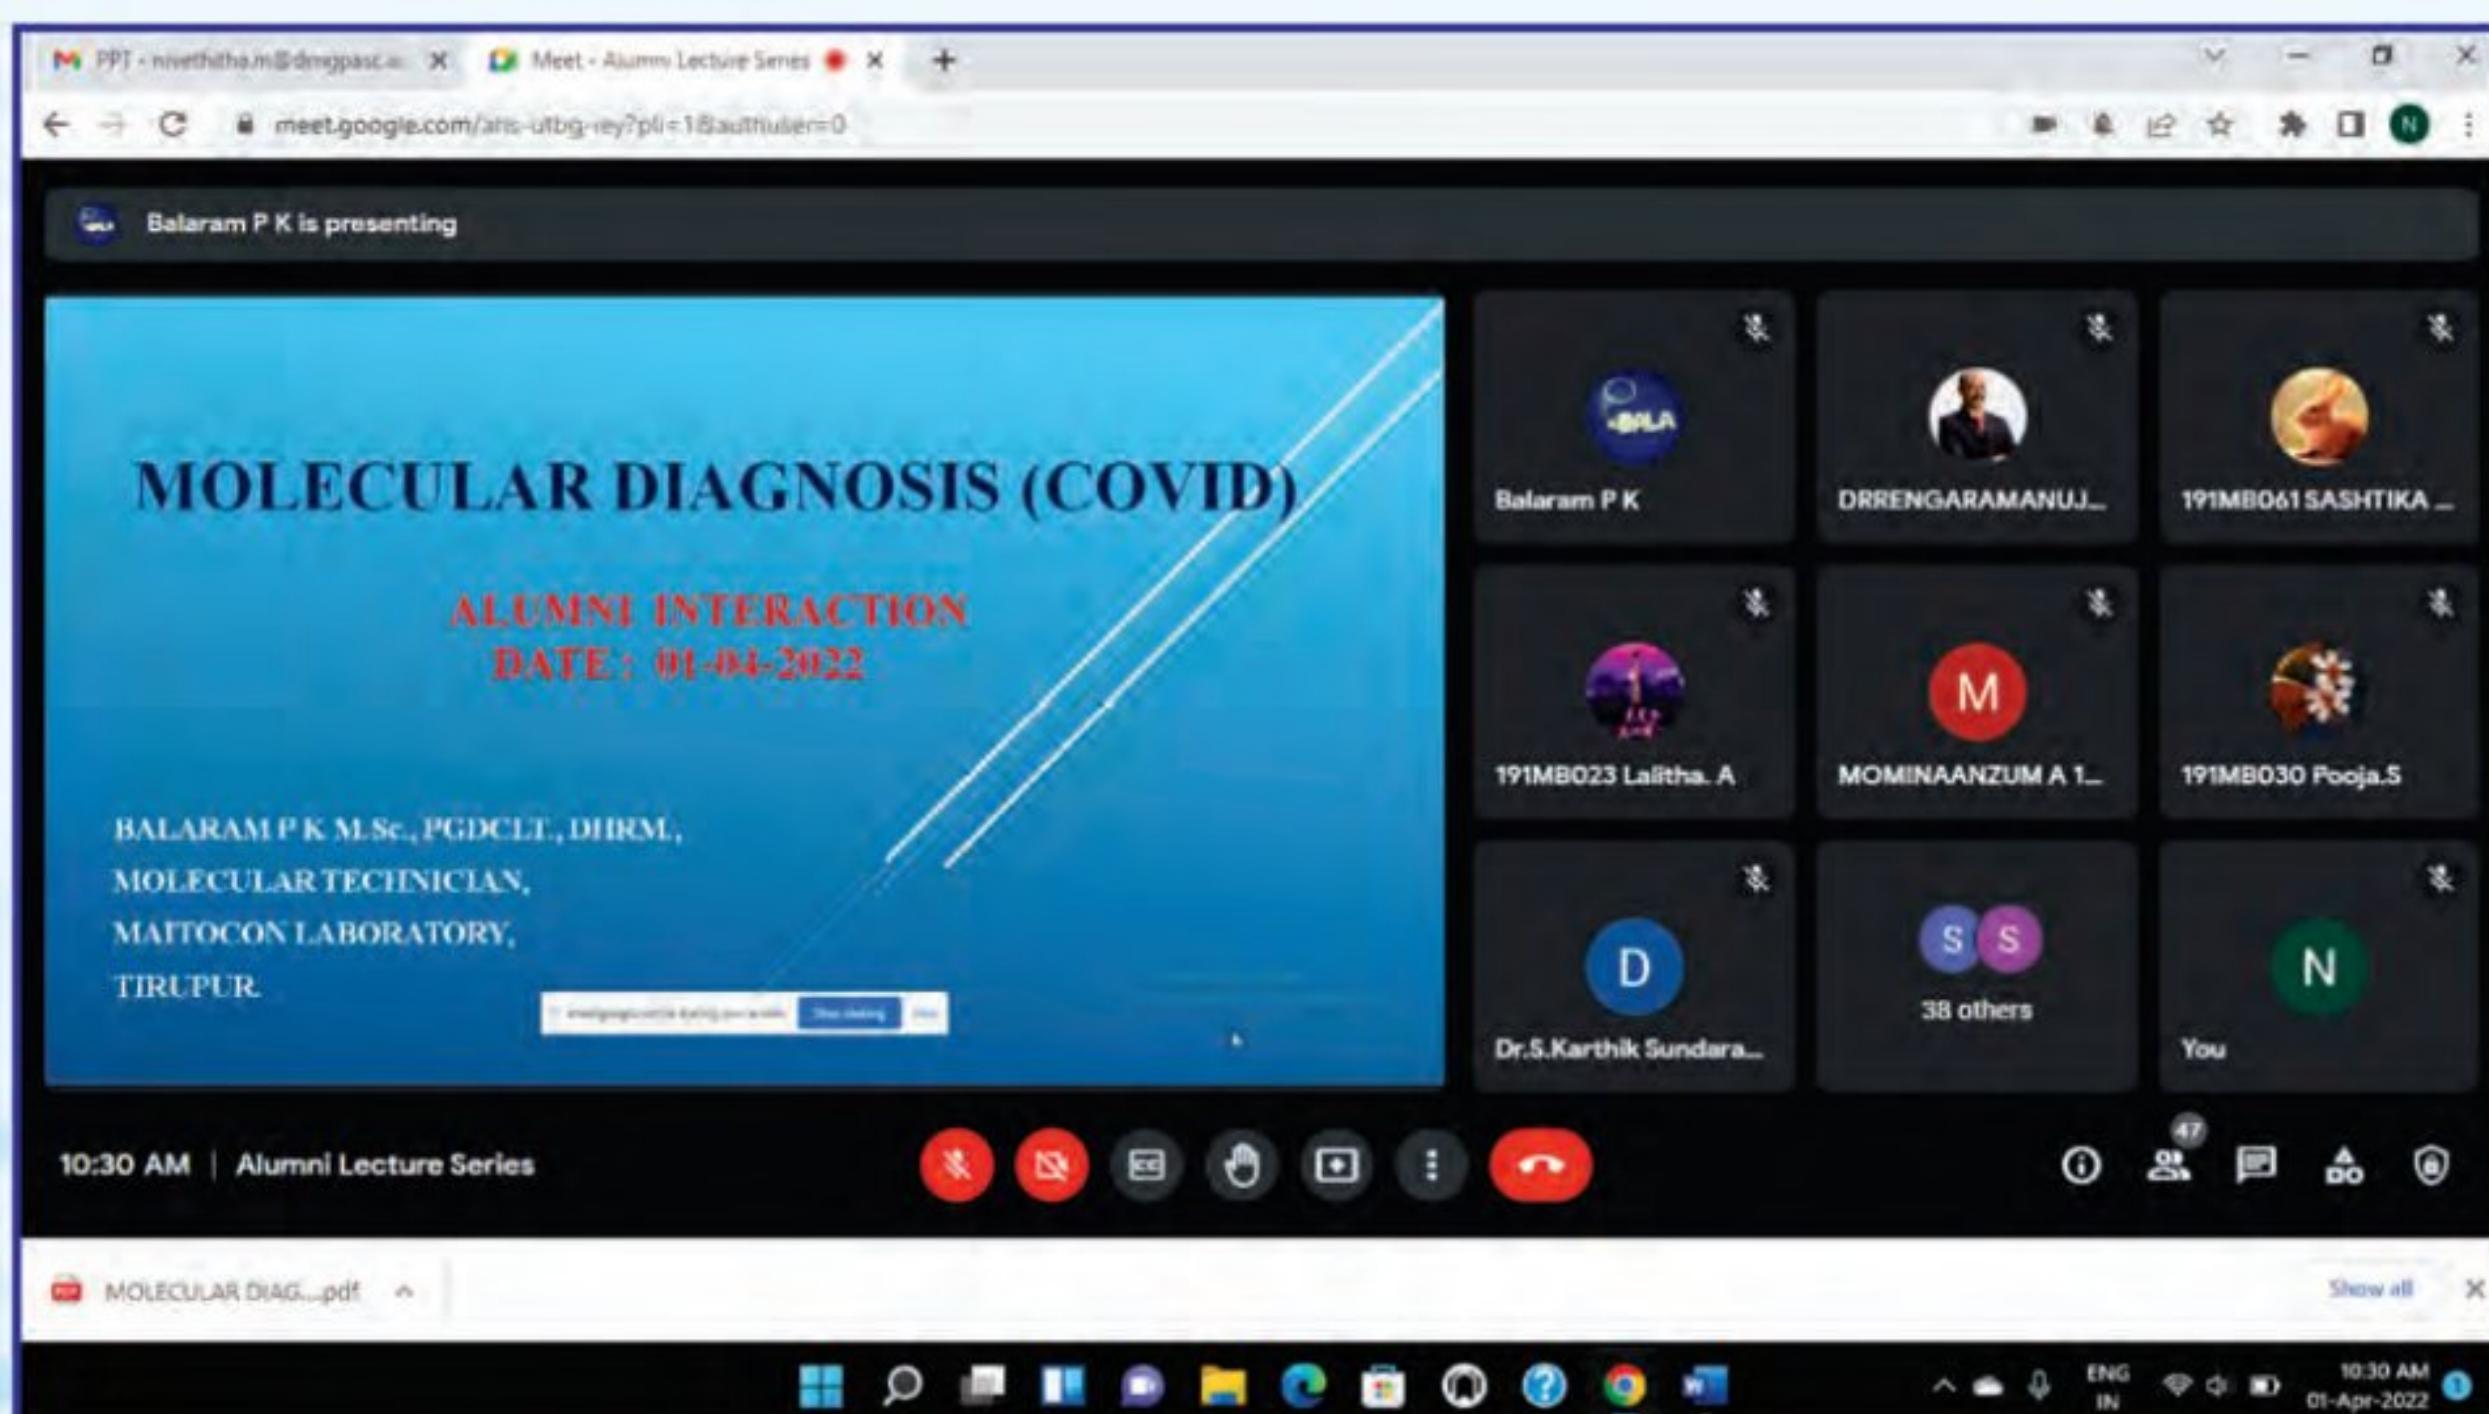

The Department of Microbiology organized Alumni Interaction Program on “**Microbiologist in Paramedical's or Paramedic's**” on 05.11.2022 at 11:00 a.m. – 12:00 p.m. Ms. V. Malarvizhi **Assistant Professor, Revathi College of Nursing and Paramedical Science, Avinashi** was invited as speaker for the day. The speaker interacted with the students regarding the nature of the Microbiologist in the paramedicals, the protocols followed in laboratory as Clinical microbiologist and scope of microbiology in paramedical. The session was very useful and informative for the students.

The Department of Microbiology organized Alumni Interaction Program on “**Scope of Medical Microbiology**” on 15.10.2022 at 2:00 p.m. – 3:00 p.m. Mr. P.Puvanesan, **Chief Clinical Microbiologist, Sri Kumaran Hospital, Tirupur**, was invited as speaker for the day. The speaker was interacted with the students regarding the nature of the Clinical Microbiology lab, and the procedures followed in laboratory. He discussed the protocols followed in maintaining sterility of ICU. He shared plenty of information regarding the antibiotic resistance.

The Department of Microbiology organized a webinar “**Alumni Lecture series - Molecular Diagnosis-COVID**” on **01.04.2022** from **10:00 a.m.** to **12:00 p.m.** through Google meet. **Mr. P.K. Balaram, Molecular Technician, Mitocon Laboratory, Tirupur.** was the resource person. He also discussed how to diagnosis Covid and the steps to run PCR even the recent model of PCR handling. He also discussed the construction of NABL labs and the equipment's working, maintenance and major diagnostic tests happen in the laboratory. He explains the Donning and Doffing process, procedure to extract DNA by automatic and manual method, the choosing of template addition, Storage of Samples and the methods for interpreting the results. The speaker also spoke about the booster dose necessity and current trends and future possibilities of Molecular techniques.

## DEPARTMENT OF CLINICAL LAB TECHNOLOGY

The Department of Clinical Laboratory Technology organized an Alumni Interaction on **“Employment and Research Opportunities in Criminology & Forensic Science”** on **23.08.2022** for the students. **Mr. M. Vasanth Kumar, Assistant Professor, Department of Criminology, CMS CSC, Coimbatore** interacted based on the theory and literature focusing on the importance of certain processes within a crime scene investigation such as determining a forensic strategy a common approach path, and the use of photography as a way of documenting the scene.

He also stated that the forensic expert should be open-minded while dealing with cases. He encouraged the students to become entrepreneurs and start their own firm to provide more forensic experts to the country

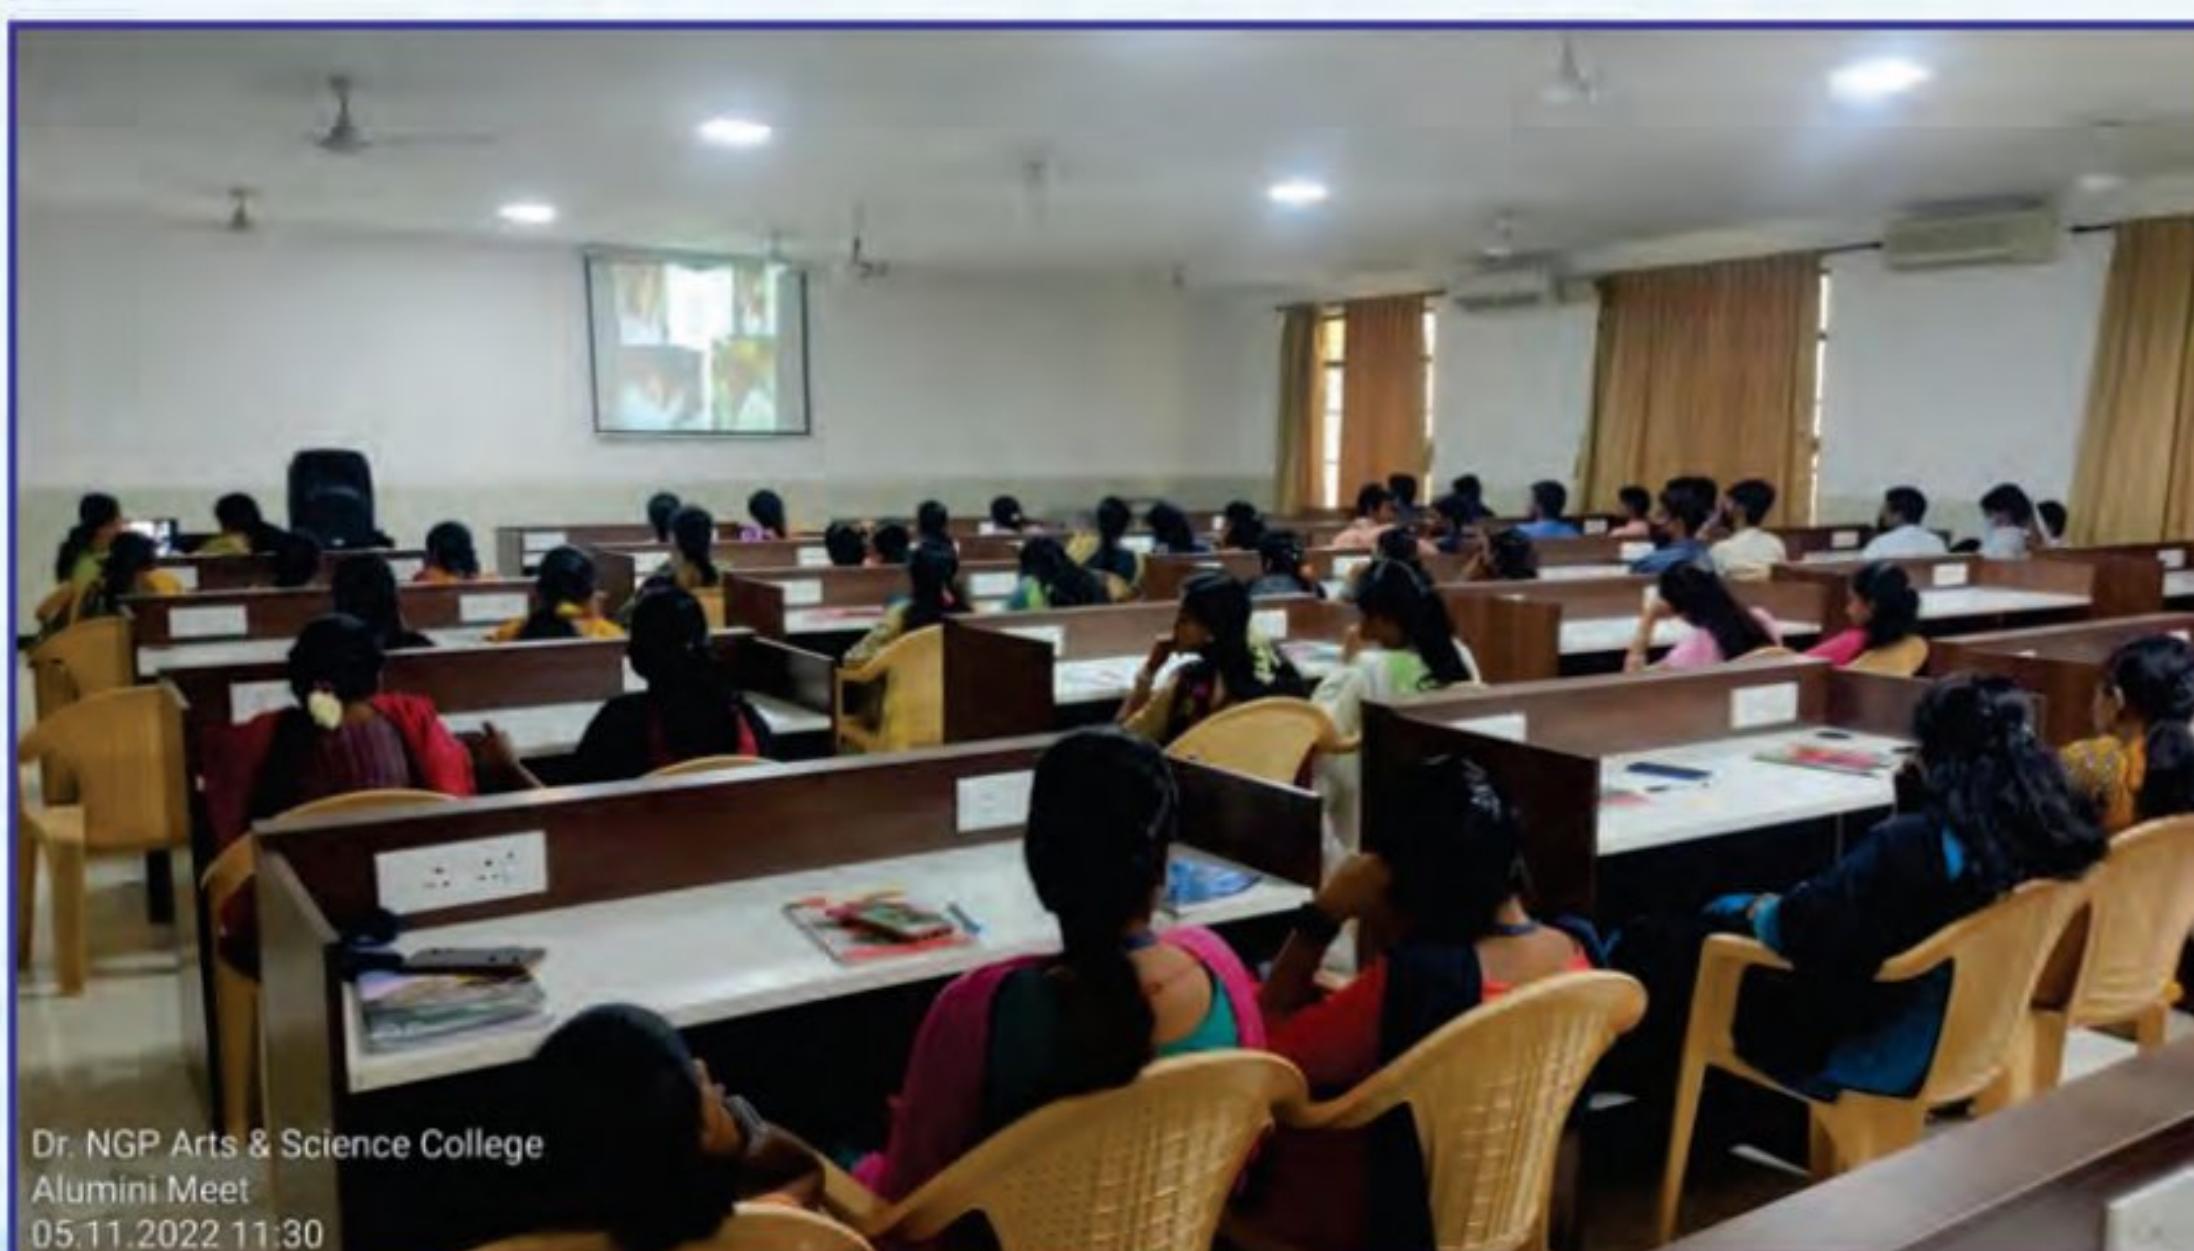

The Department of Clinical Laboratory Technology organized an Alumni Interaction on **“Skill enhancement in laboratory science for career prospects”** on **28.10.2022** for the students.

**Mrs. Shruthi, Assistant professor, PPG Institute of Health Sciences** Coimbatore acted as the resource person. The speaker explained the value of having a life plan and how to set goals were emphasised to the students.

She spoke about establishing both professional and personal objectives. Even emphasised how crucial it is to attend the various skill-based sessions and how doing one can land a job at a reputable laboratory. The speaker explained to the audience the importance of knowing how to use one's individual talents, skills, values, and other internal resources in order to accomplish goals.

The Department of Clinical Laboratory Technology conducted a Virtual Alumni Interaction on **"Safety Control Measures In Clinical Laboratories"** on **05.11.2022**. The interaction was addressed by the Alumni **Ms.M.Radhika, Medical Laboratory Technologist, Rashit Hospitals, Dubai Health Authority, UAE**. She started the session with the versatility of the Clinical laboratory field and then stated the skills required for Clinical Lab Technologists and explained the basic safety measures followed by lab technicians.

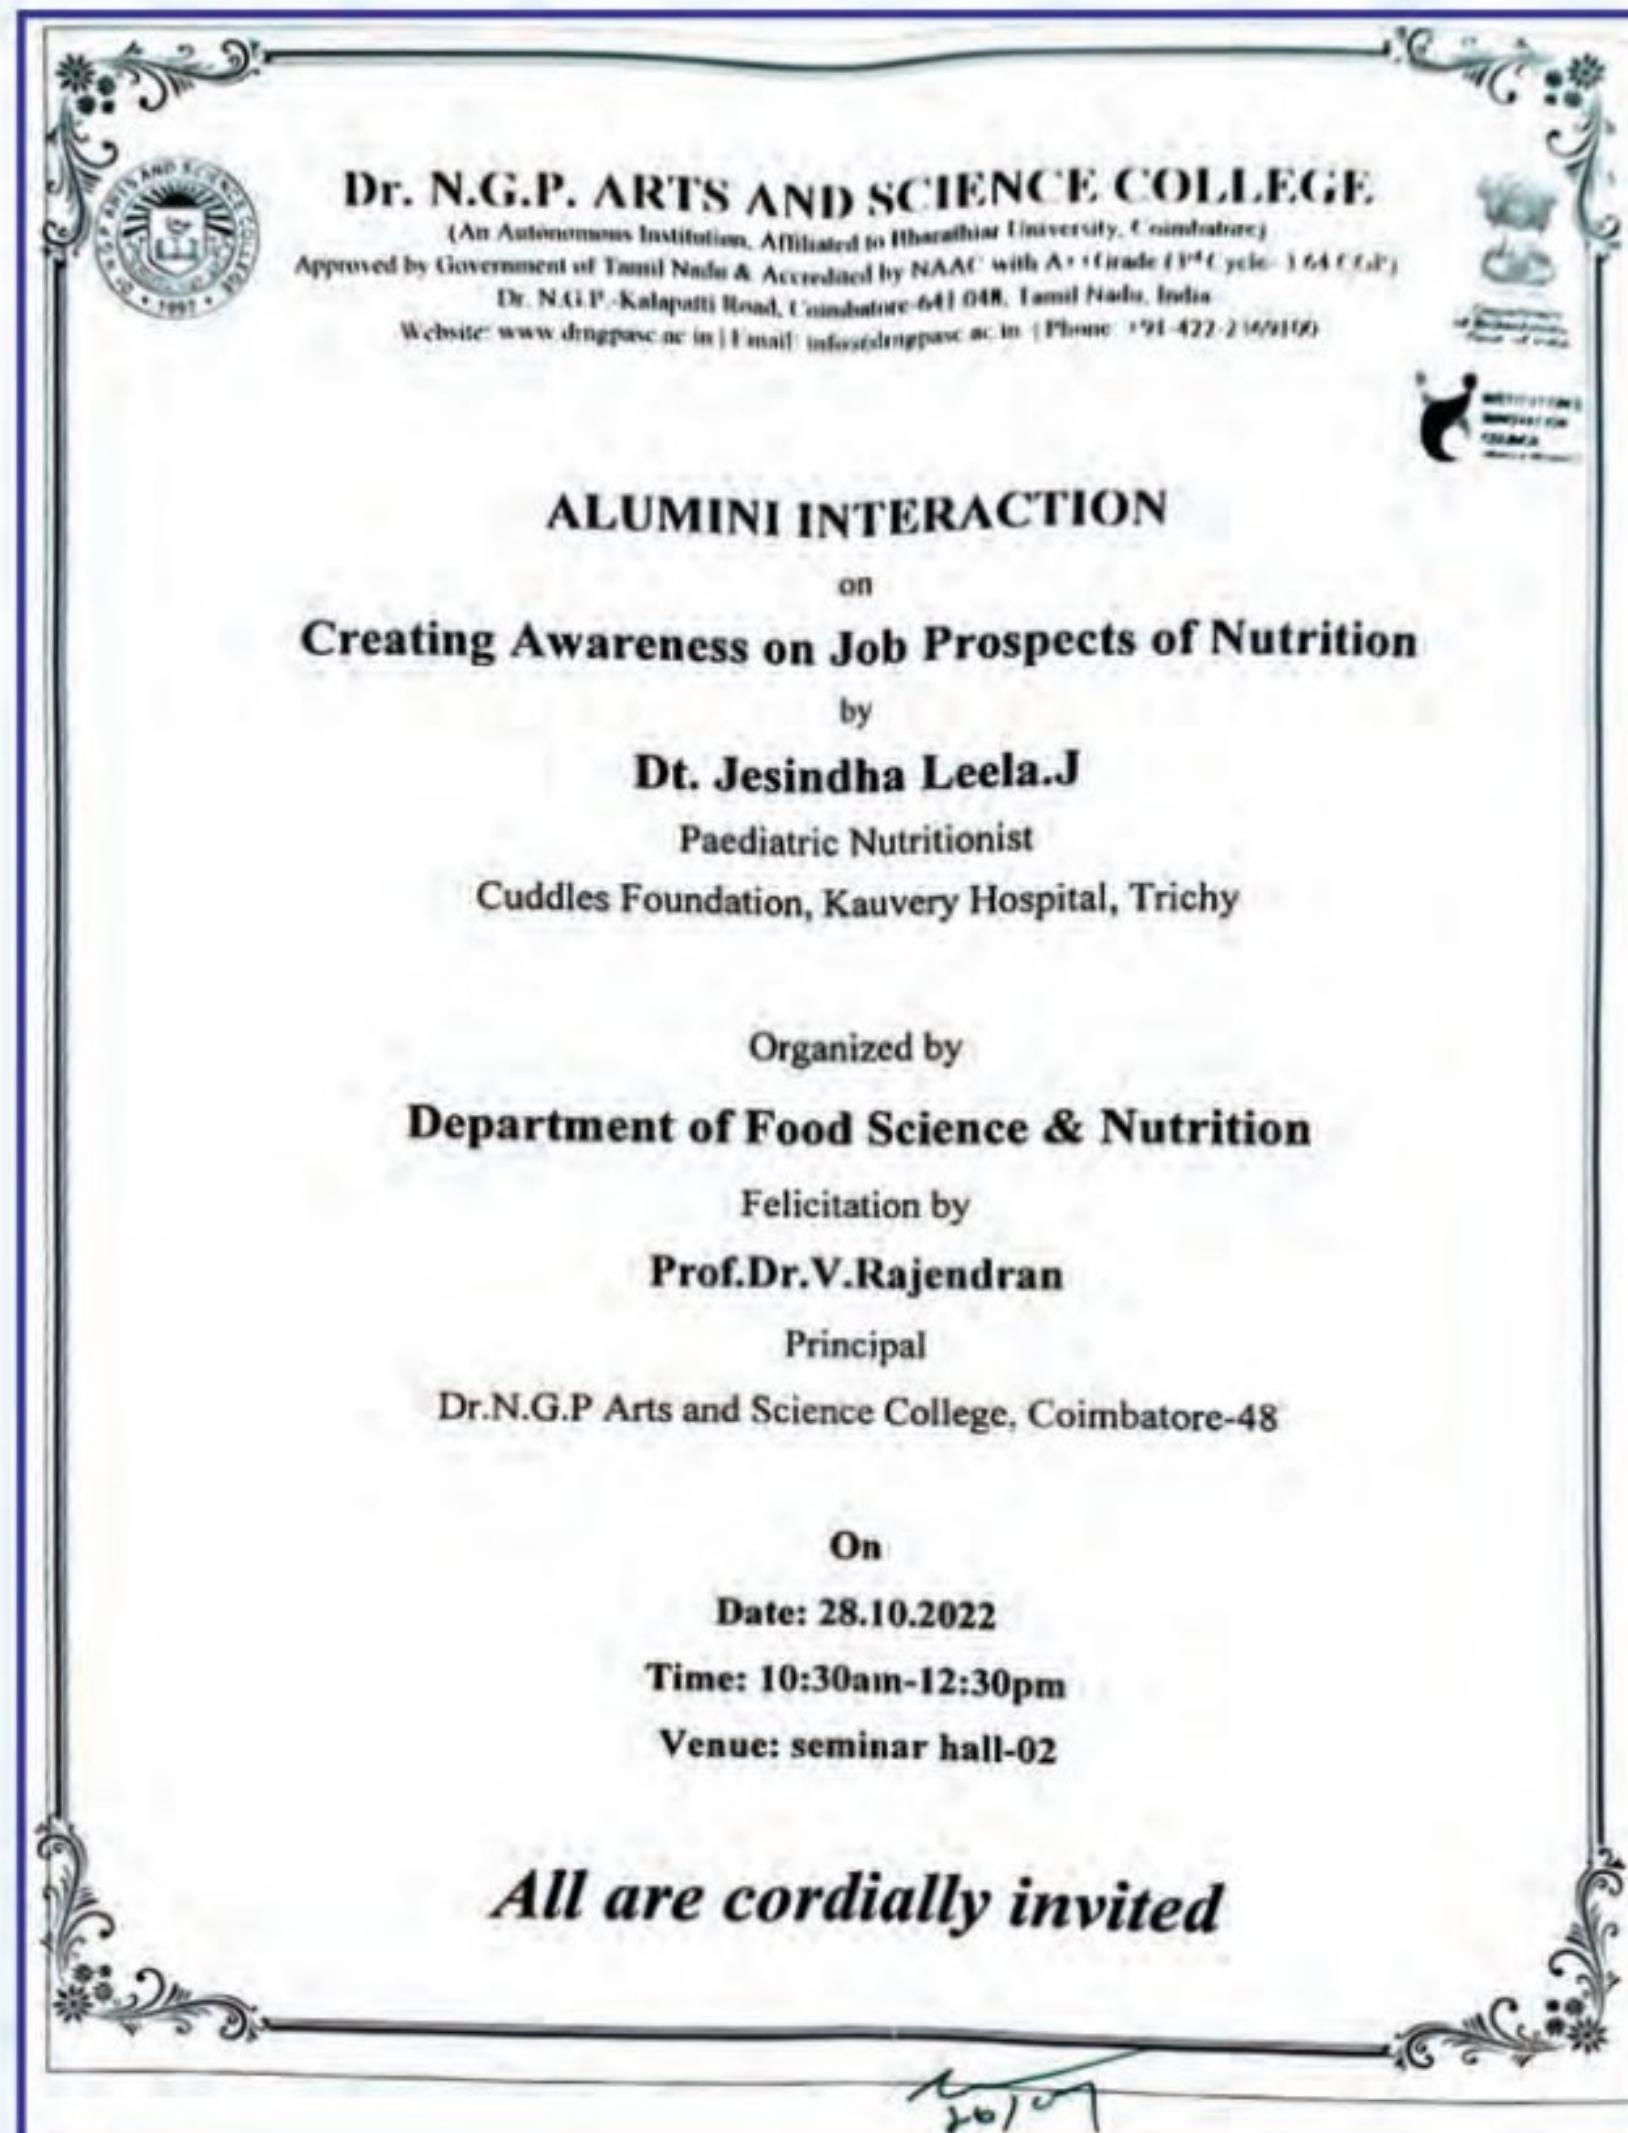

Dr. NGP Arts & Science College  
Alumni Meet  
05.11.2022 11:30

She added in her talk about the DHA examination associated with jobs abroad and also about some certificate courses required for placement in clinical labs.

## DEPARTMENT OF FOOD SCIENCE AND NUTRITION

The event was organized for the final year students of Department Food Science and Nutrition on “Creating Awareness on Job Prospects of Nutrition” on 28.10.2022.

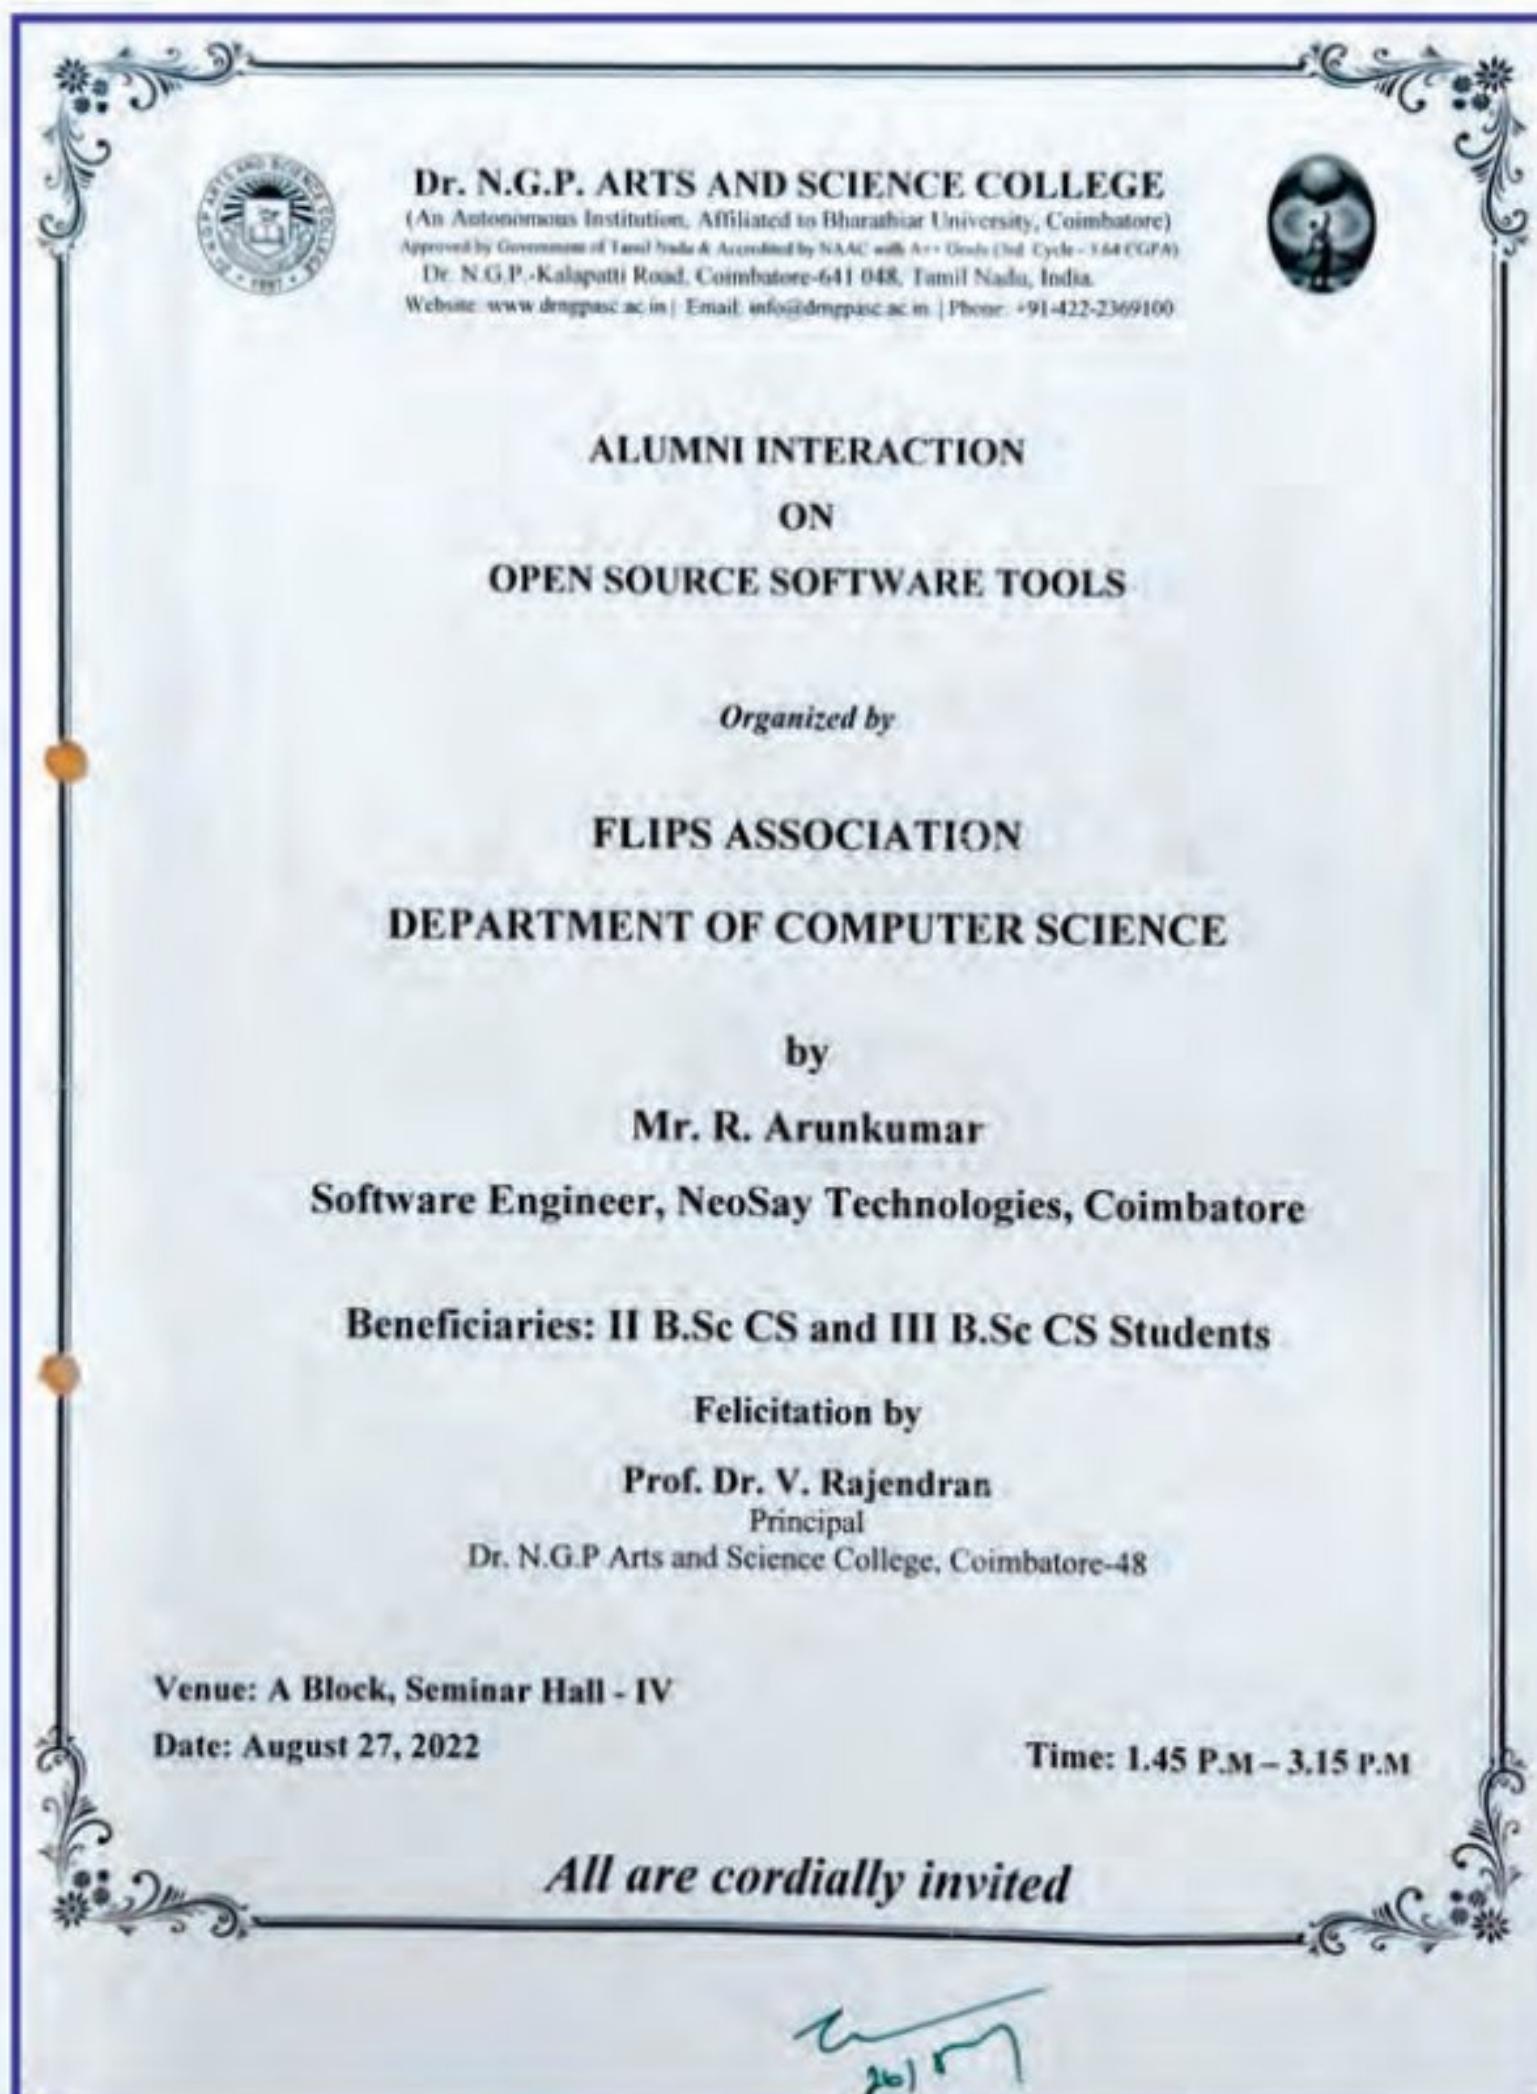

The alumini, Dt. Jesindha Leela.J who is a pediatric Nutritionist at Kauvery Hospital, Trichy and also the member of NGO called cuddles foundation, presented the students about role of onco-peadiatric nutritionist and various job opportunities that are available within the country and overseas.

# FACULTY OF COMPUTER SCIENCE

## DEPARTMENT OF COMPUTER SCIENCE

An Alumni Interaction was organized by the department on the topic “Open Source Software Tools” on **27.08.2022**. **Mr. R.Arunkumar** Software Engineer, Neosay Technologies, Coimbatore acted as the resource person.

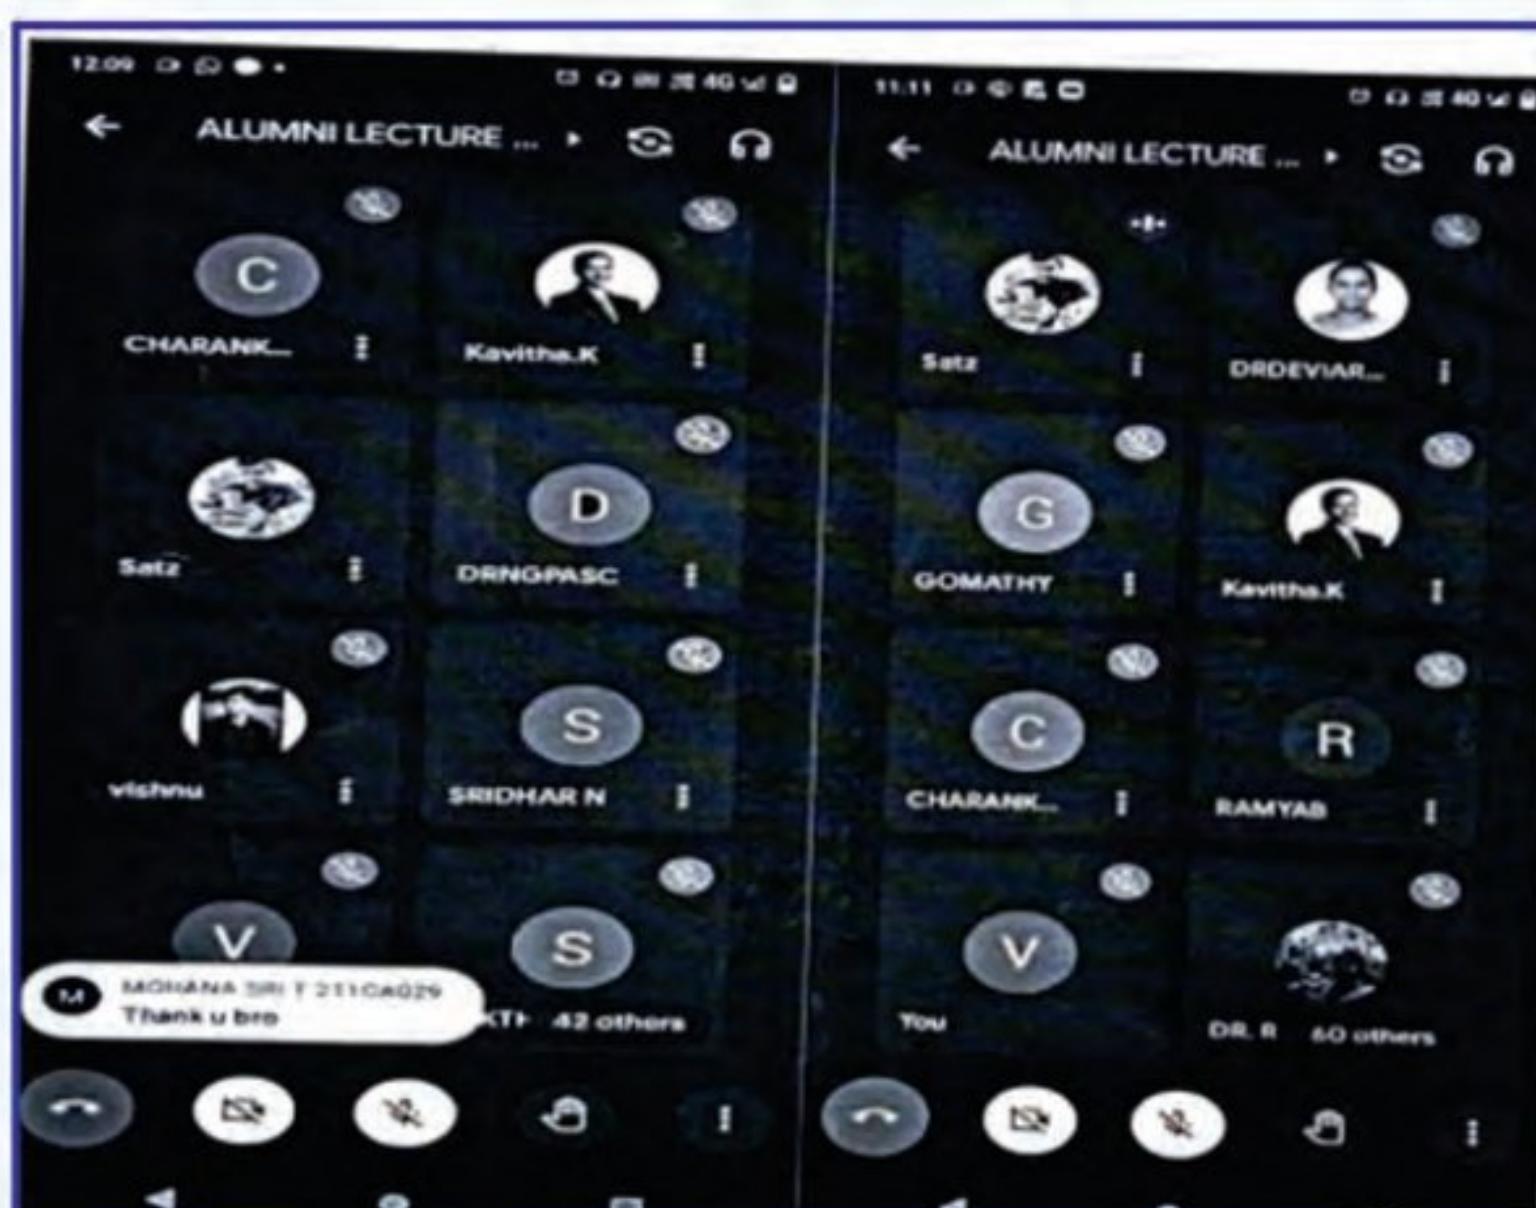

Mr. R. Arunkumar addressed the gathering on the importance of open-source scripting language used to develop Web applications. Also, he gave an overview on MySQL for handling a large concurrent database connection.

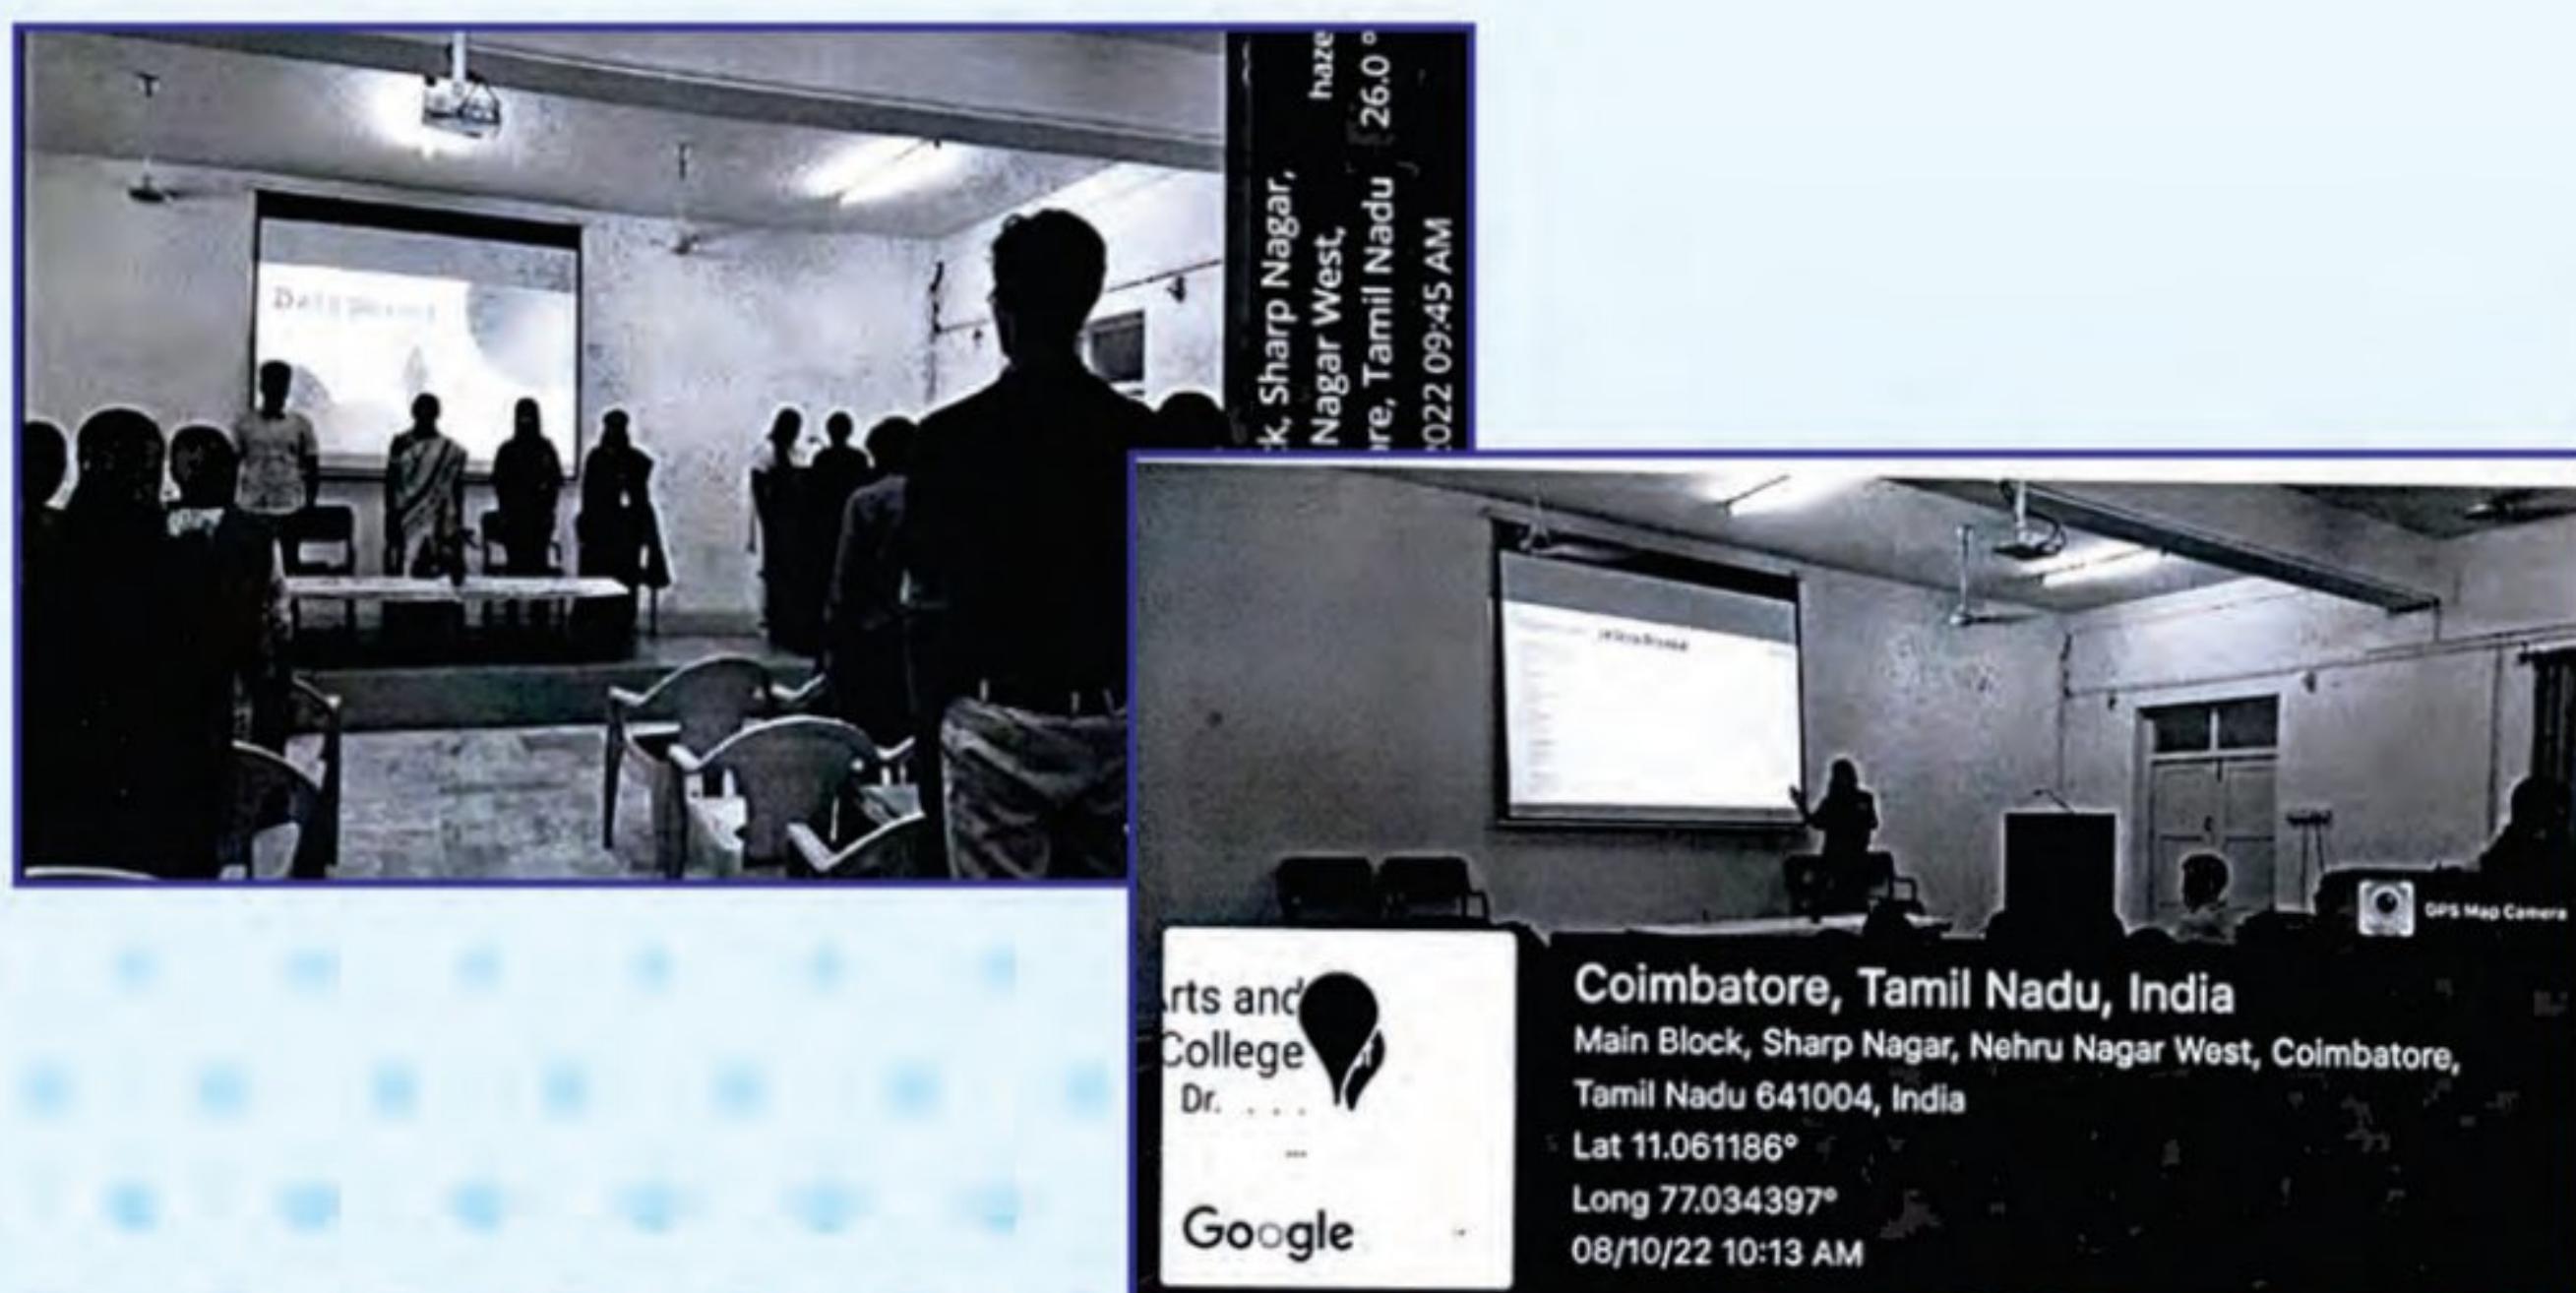

## DEPARTMENT OF COMPUTER APPLICATIONS

Department of BCA organized an Alumni Interaction on “Placement Opportunities in IT Sector” on 01.04.2022 through google meet platform. **Mr.N.Ganesan, Software Support Engineer, Amazon Development Engineer** acted as the resource person. He encouraged the students to develop their skills to meet the company requirements. He also discussed on the various opportunities available in IT sector and the skills required to face interviews.

Department of BCA organized an Alumni Interaction on “Recent Trends in Computing” on 08.10.2022 through google meet platform. **Mr. Reneesha, Data Analyst, NielsenIQ, Chennai**, acted as the resource person. She started her lecture with the recent development in computing technologies and roles in IT industry. Students were encouraged to identify their thrust areas like Big Data, Cloud computing, Cyber Security, CryptoCurrency etc. and the job opportunities in these sectors. The session was organized for II and III UG students.

## DEPARTMENT OF INFORMATION TECHNOLOGY

An interactive session was organized on “Software Testing” by the department on **10.09.2022** Ms. **M. Kaviya, Programmer, Cognizant Technology Solutions, Coimbatore** spoke about software testing and how software testing is used in work place. Software testing is the process of evaluating and verifying that a software product or application does what it is supposed to do. The benefits of testing include preventing bugs, reducing development costs and improving performance.

An interactive session was organized on “Automation” by the department on **20.04.2022** **Senthil Kumar. R, Systems Engineer, Tata Consultancy Service Ltd, Chennai.** acted as the resource person. He explained about the software development cycle is a process used by the software industry to design, develop and test high quality software's. He gave some ideas about the stages of life cycle are planning and requirement analysis, defining requirements, designing the product architecture and finally testing the product.

An interactive session was organized on “**Insights on Program Developing**” the department on **09.04.2022**. **Mr.S.Murali Krishnan, Developer, Wipro, Bangalore**, shared his knowledge about insight, which involves integrating, analysing and synthesising all the information we have about a category or segment user, summarising it into knowledge and understanding, and then developing the insight. He gave some ideas about developing good insights like Visualise your analysis, Craft an engaging message.

## DEPARTMENT OF COMPUTER TECHNOLOGY

An Alumni Interaction was held on **08.10.2022** on “**Mobile Testing and IVR Testing**” by **Ms. M. Reshma, Senior Test Engineer, Wipro Technologies, Coimbatore**. She discussed on the various testing tools and principles of IVR testing. She also spoke on the importance of mobile testing in the validation of Mobile app for Android or iOS. The session was very interactive. This programme was organized for the final year students and around 90 students participated in this event.

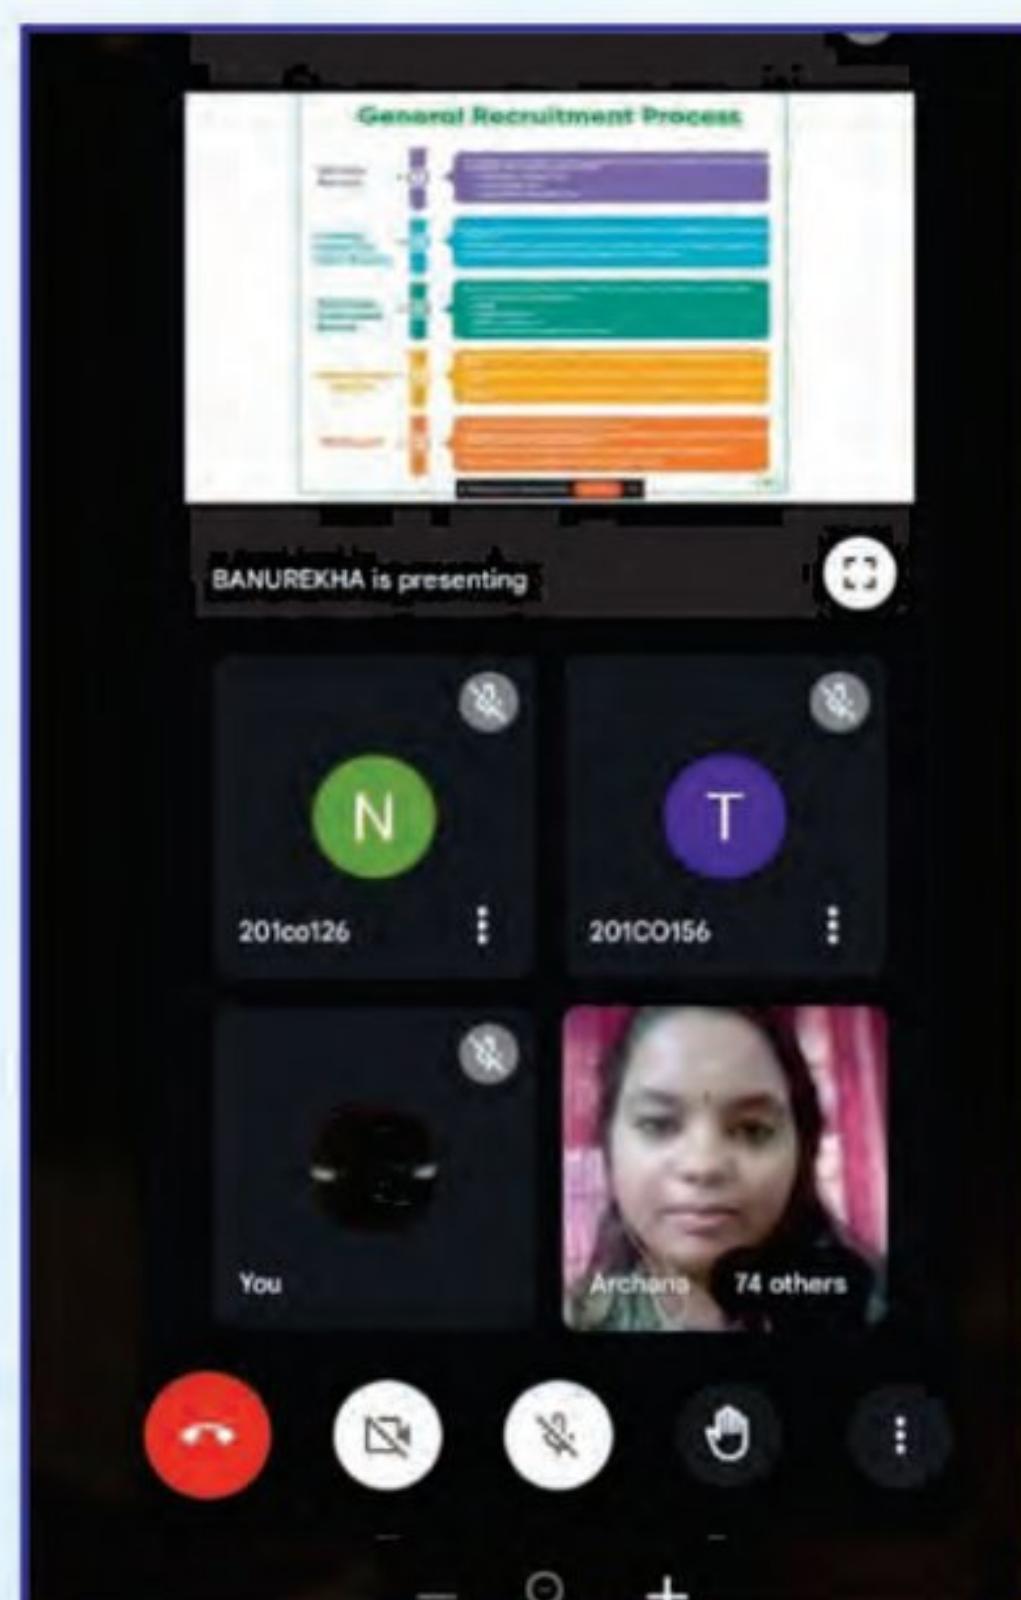

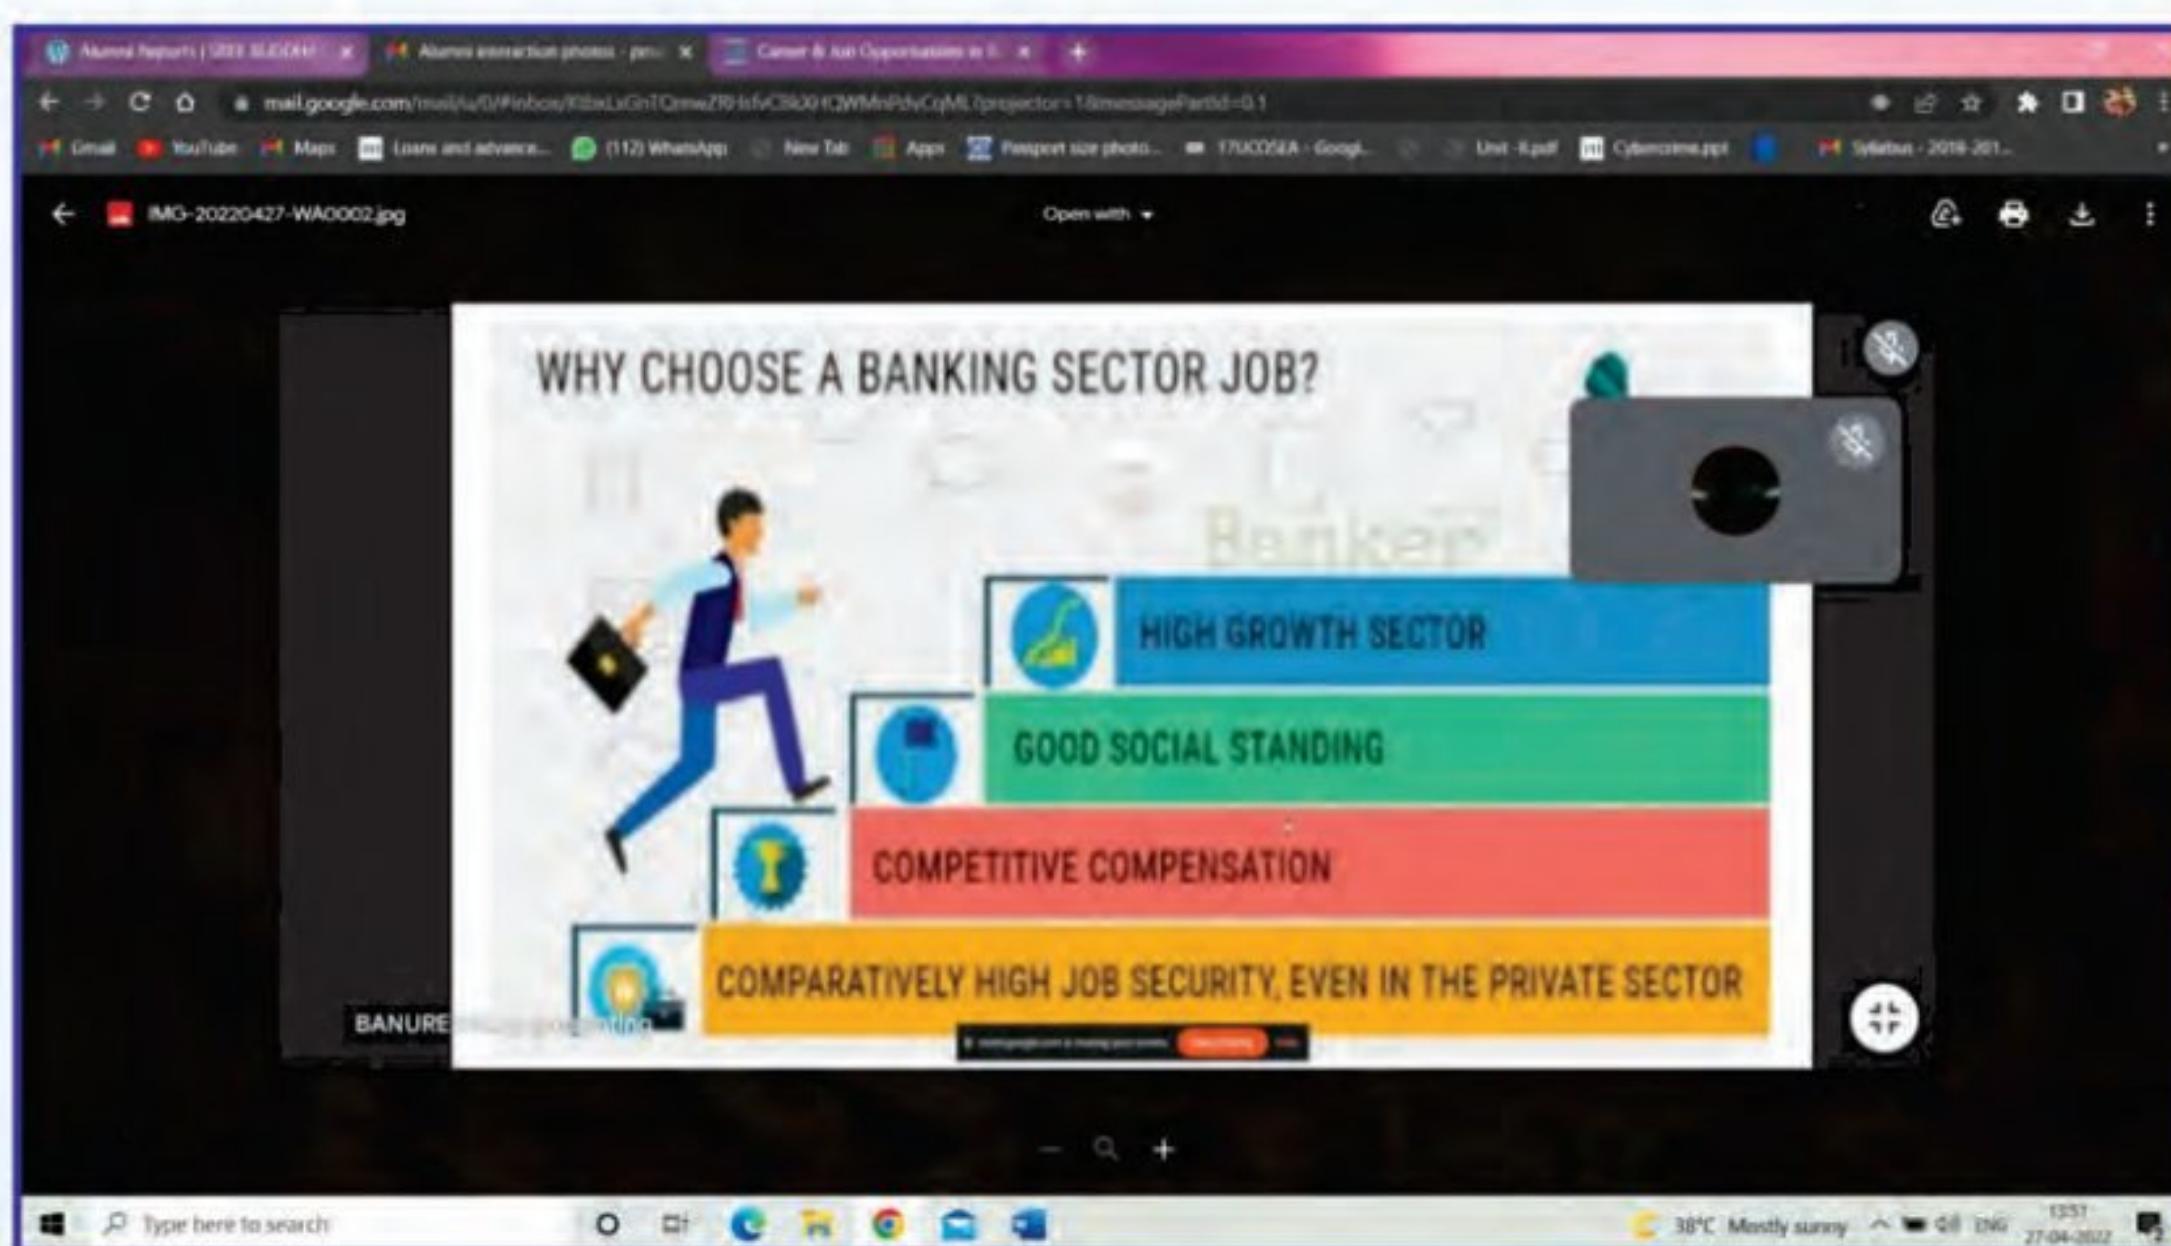

# FACULTY OF COMMERCE

## DEPARTMENT OF COMMERCE

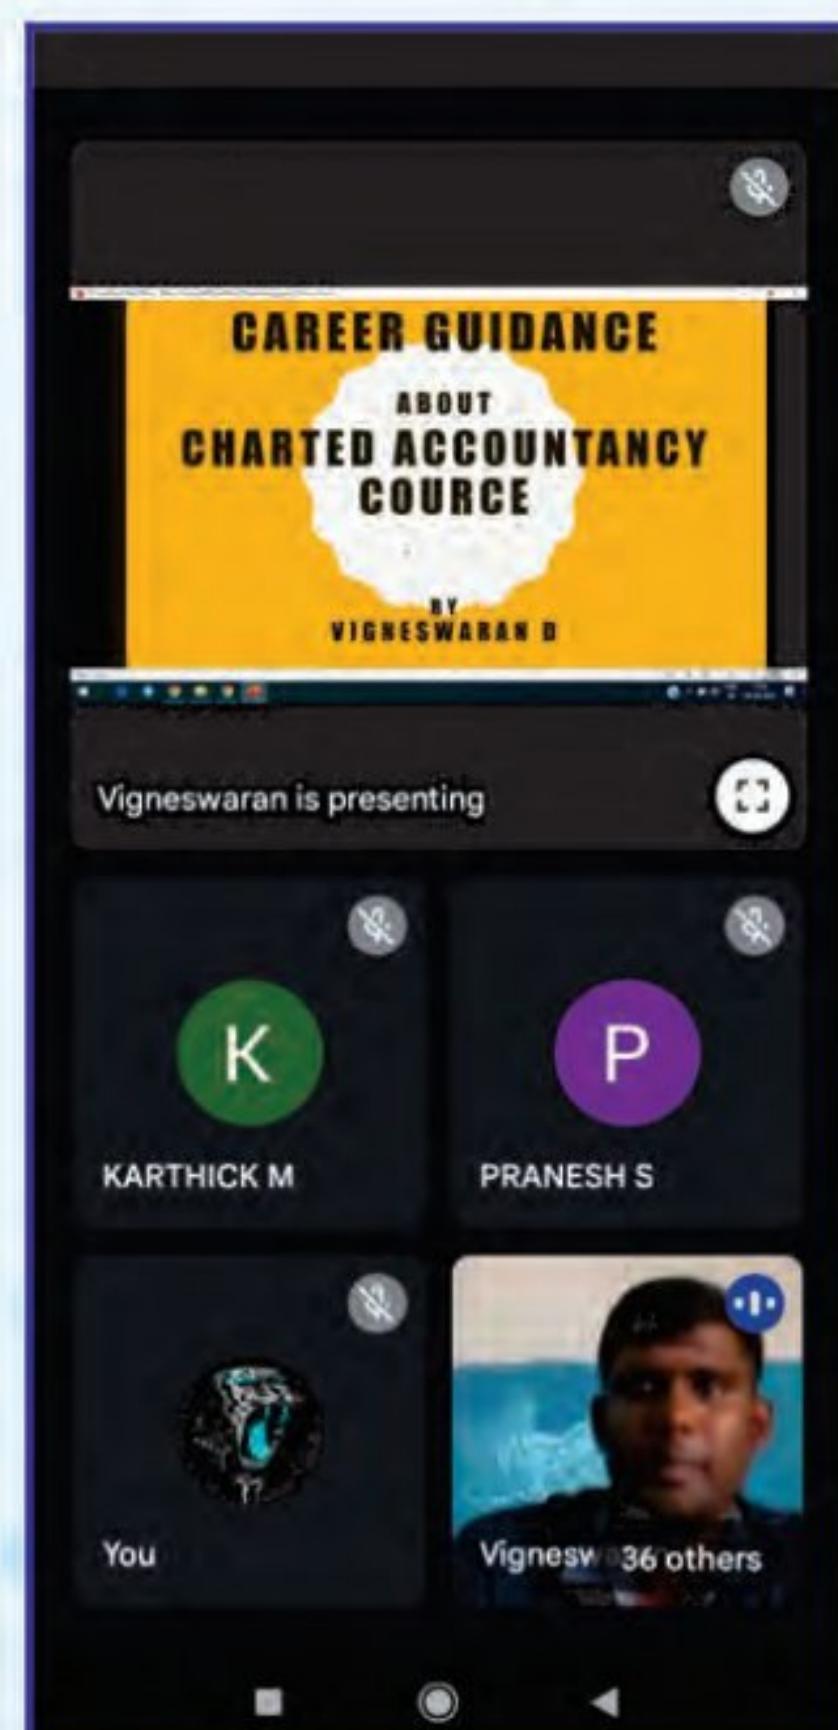

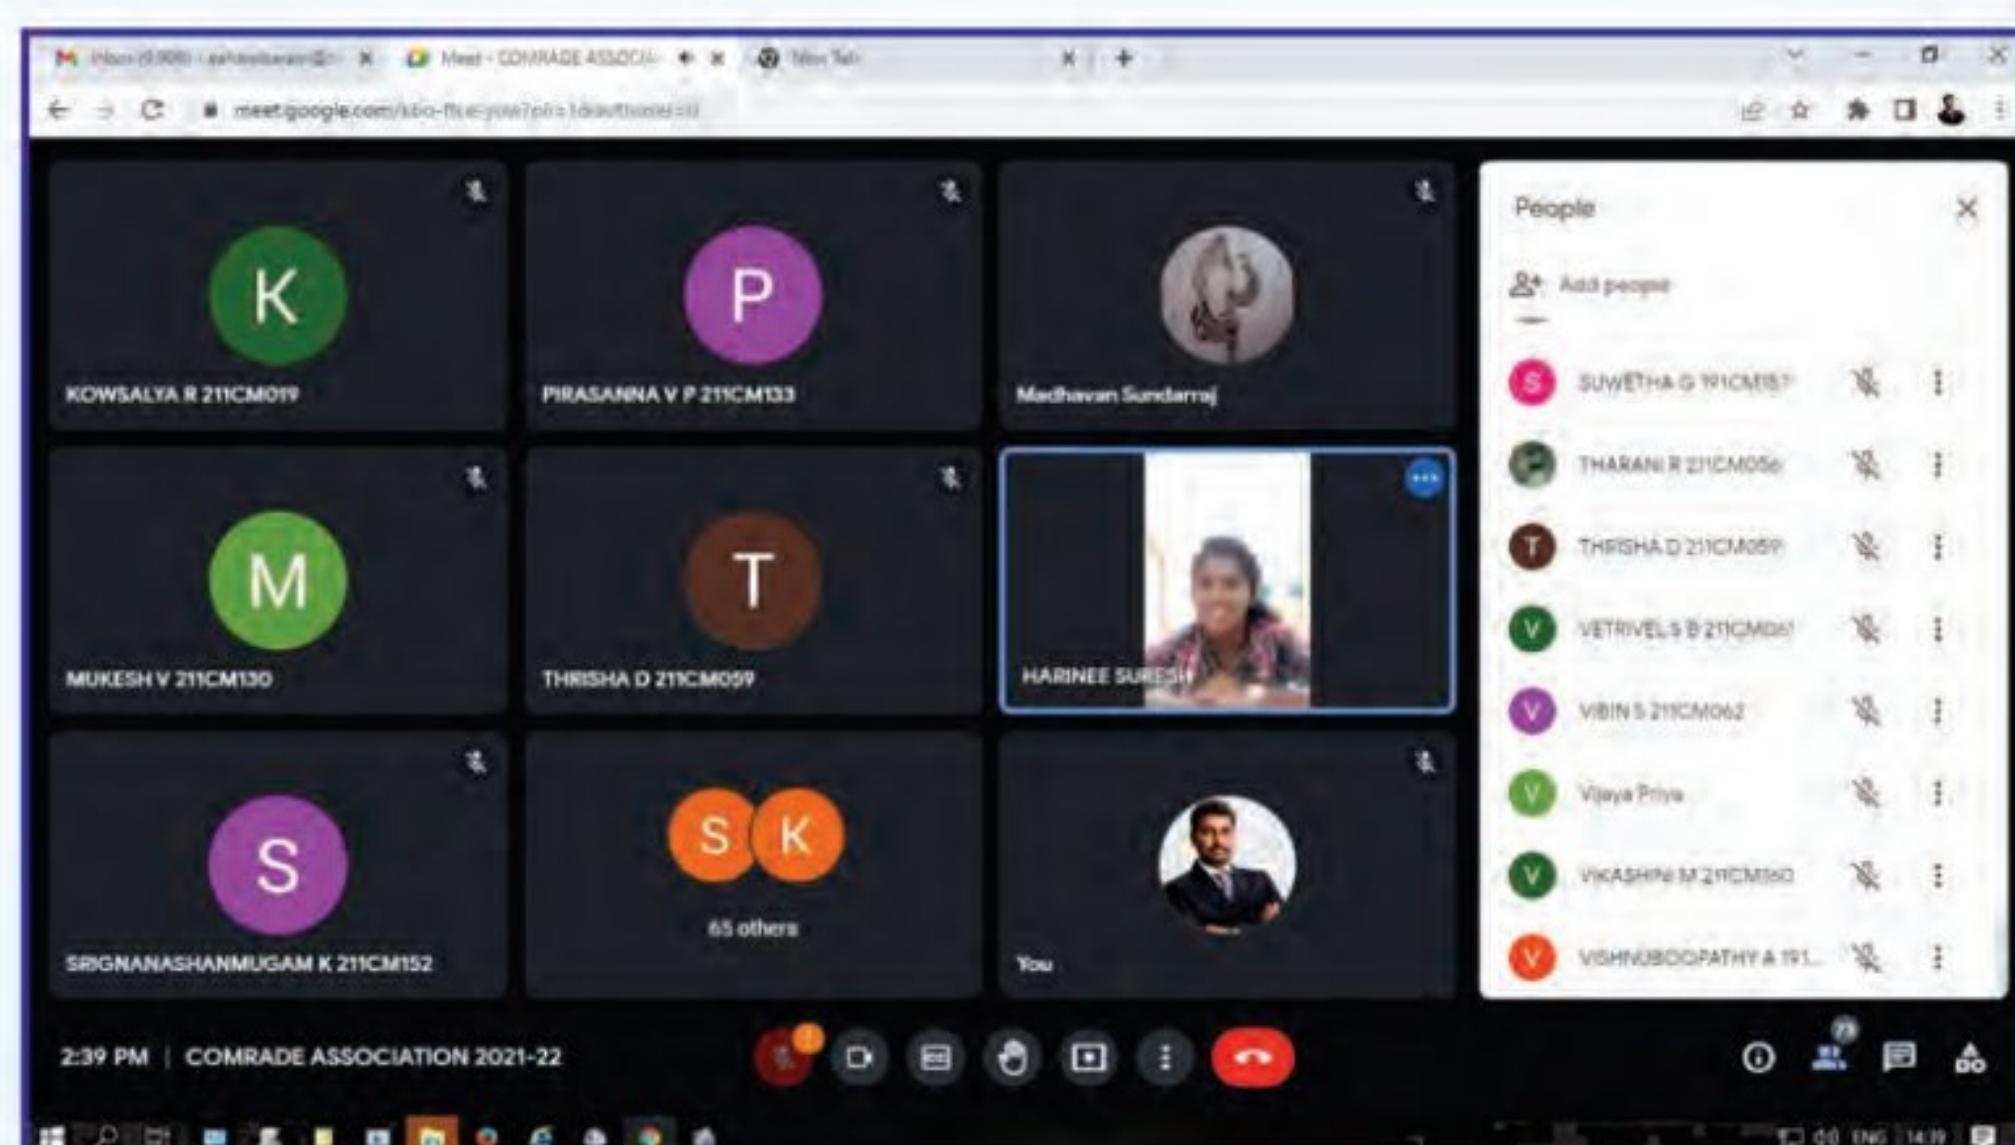

Virtual Alumni Lecture Series was organized by Department of Commerce Alumni Association, Dr. N.G.P Arts and Science College, Coimbatore on **20.04.2022**. The main objective for organizing this program was to provide motivation and encouragement for students through Google meet. This program was designed to bridge the gap between some of our meritorious alumni and current students in the department.

The topic was delivered on “**Career Opportunities in IT Sector for Commerce Students**”. **Ms. Archana Senior Analyst Hexware Technologies Chennai** acted as the resource person. She provided the information about Internship opportunities and outline about various bank exams. The students interacted with the guest speaker and clarified their queries in an interesting way.

## DEPARTMENT OF COMMERCE WITH COMPUTER APPLICATIONS

Virtual Alumni Lecture Series was organized by Department of Commerce with Computer Applications & Alumni Association, Dr.N.G.P Arts and Science College, on **20.04.2022** through Google meet. The session was addressed by **Ms. S. Harinee Process Executive, Infosys BPM, Bangalore** on the topic **“Social Etiquette and Personality Development”**. She made the session more interesting by explaining the need for a Positive approach, Good Communication Skills, Problem-solving mechanisms, and inculcating the present industrial needs which were very interesting and needed topics for the final year students. She interacted with the students and gave a motivational talk regarding preparing on higher studies and placements.

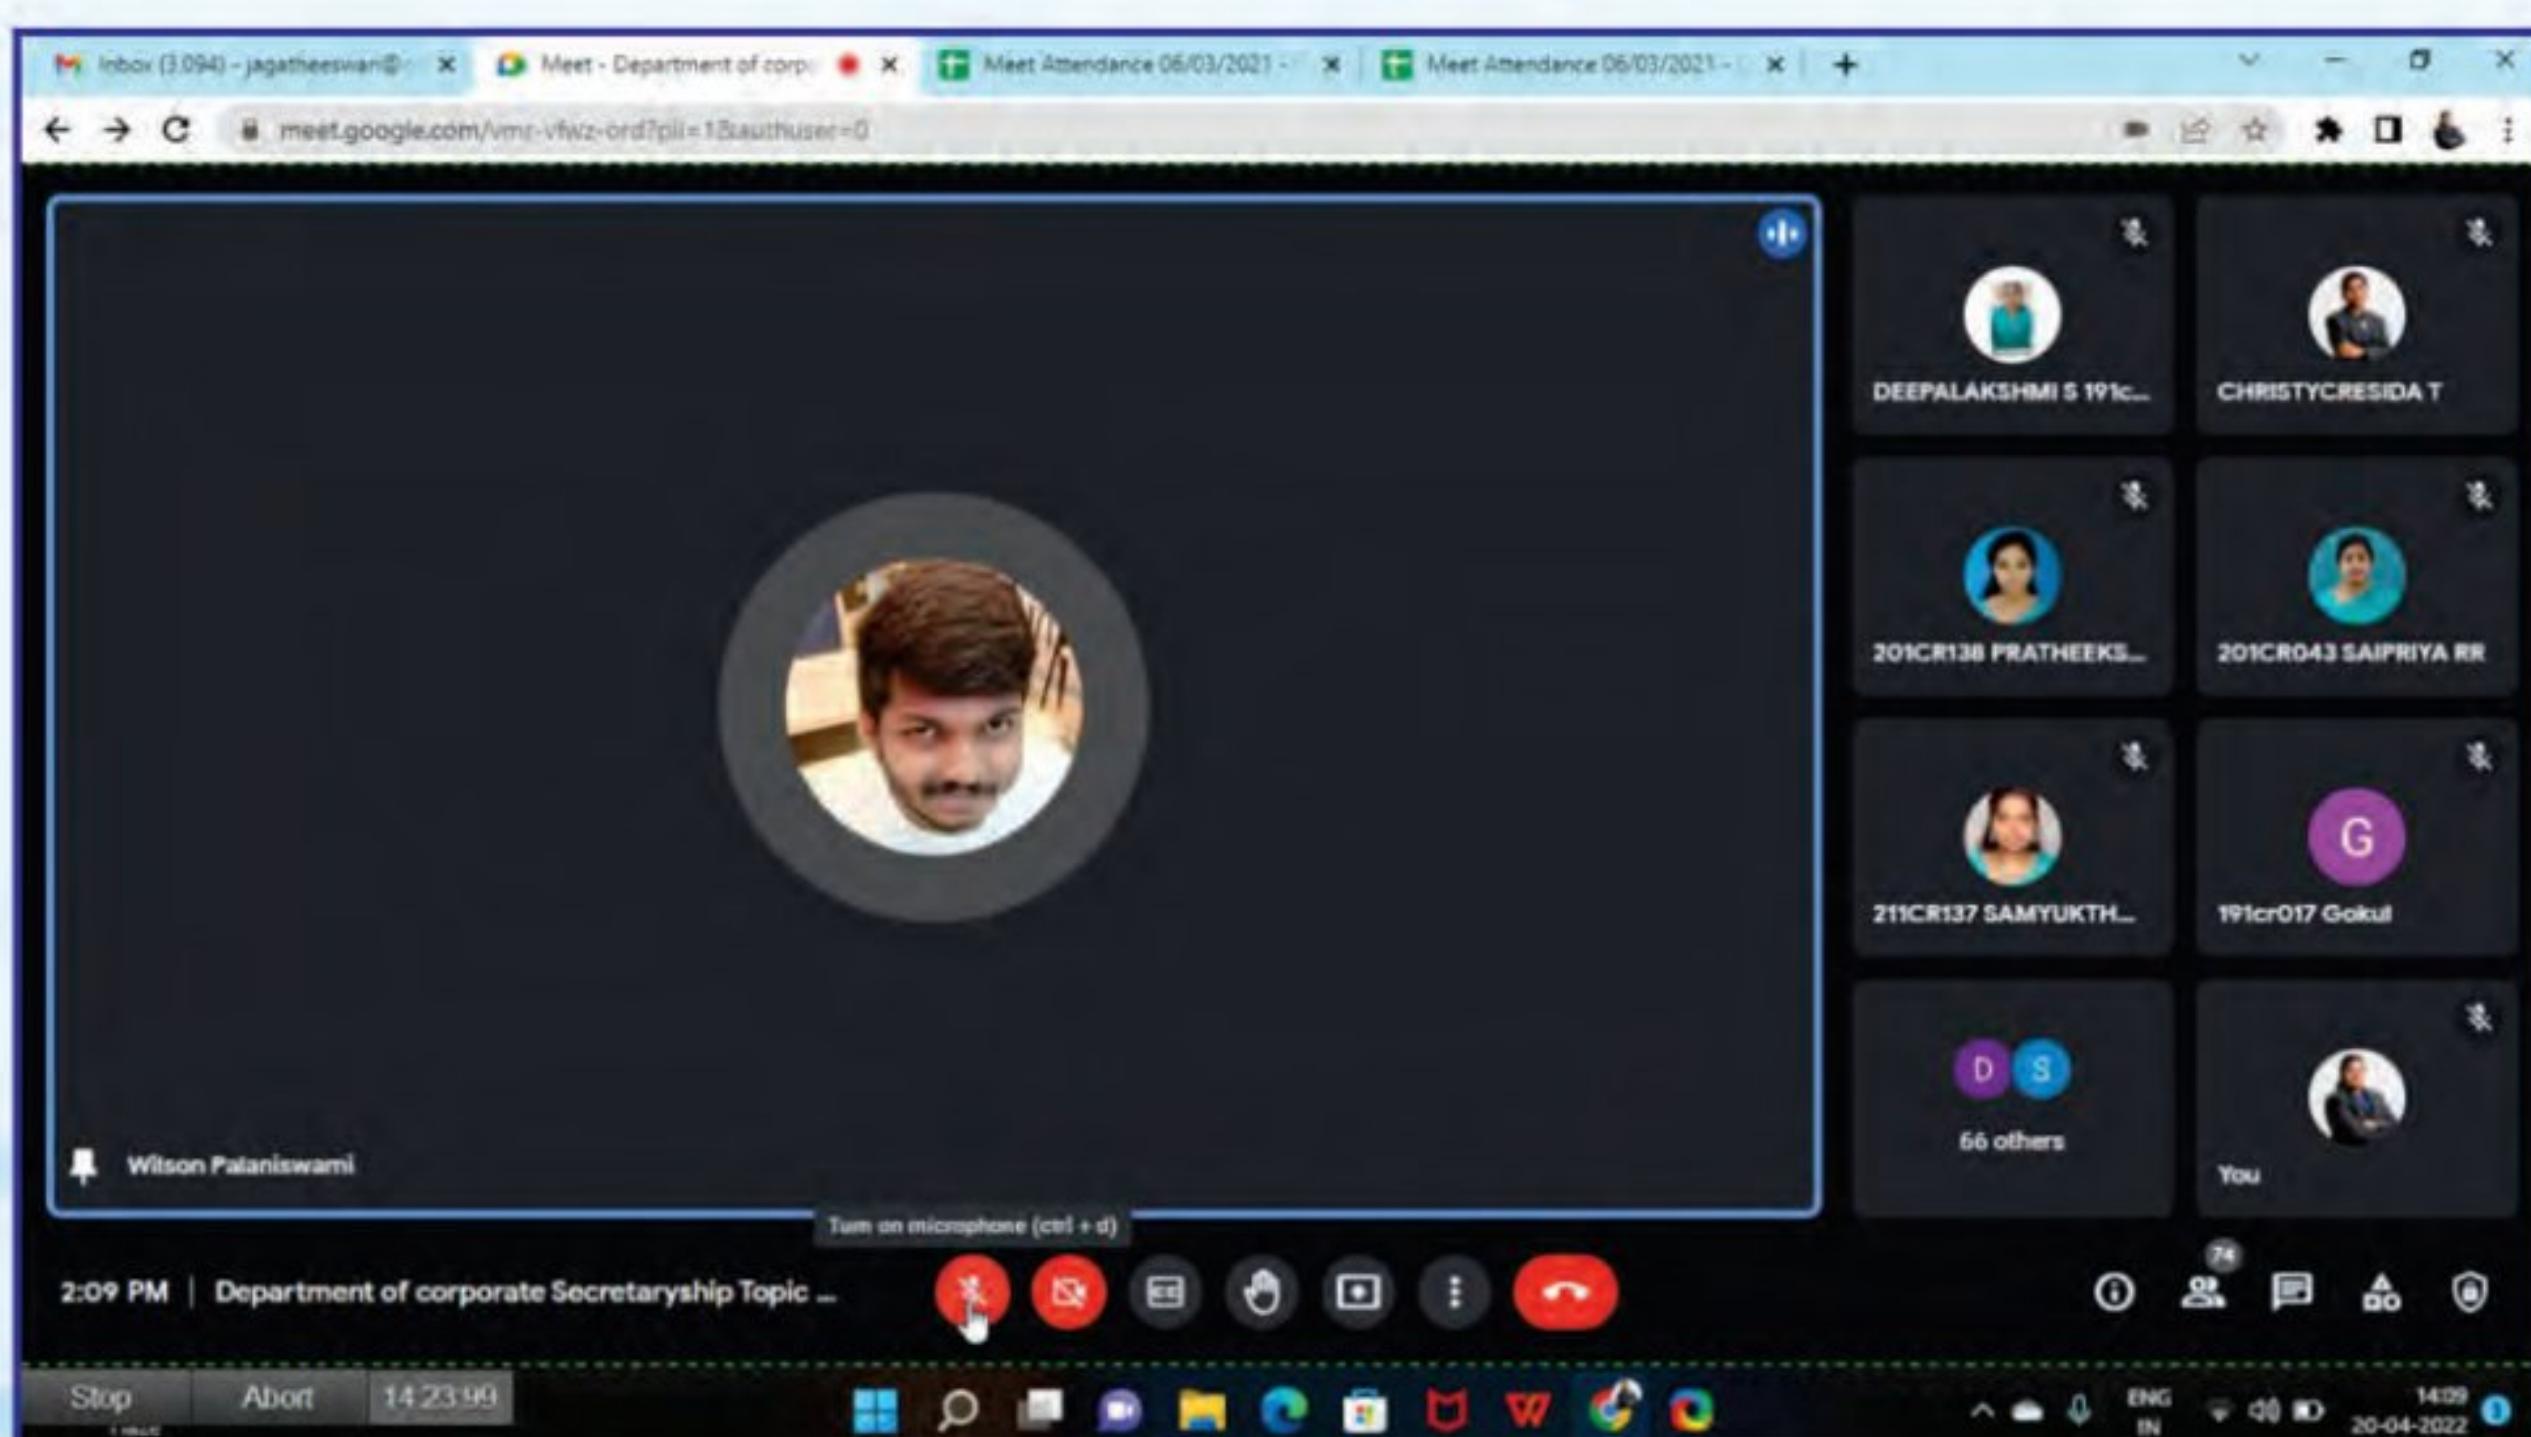

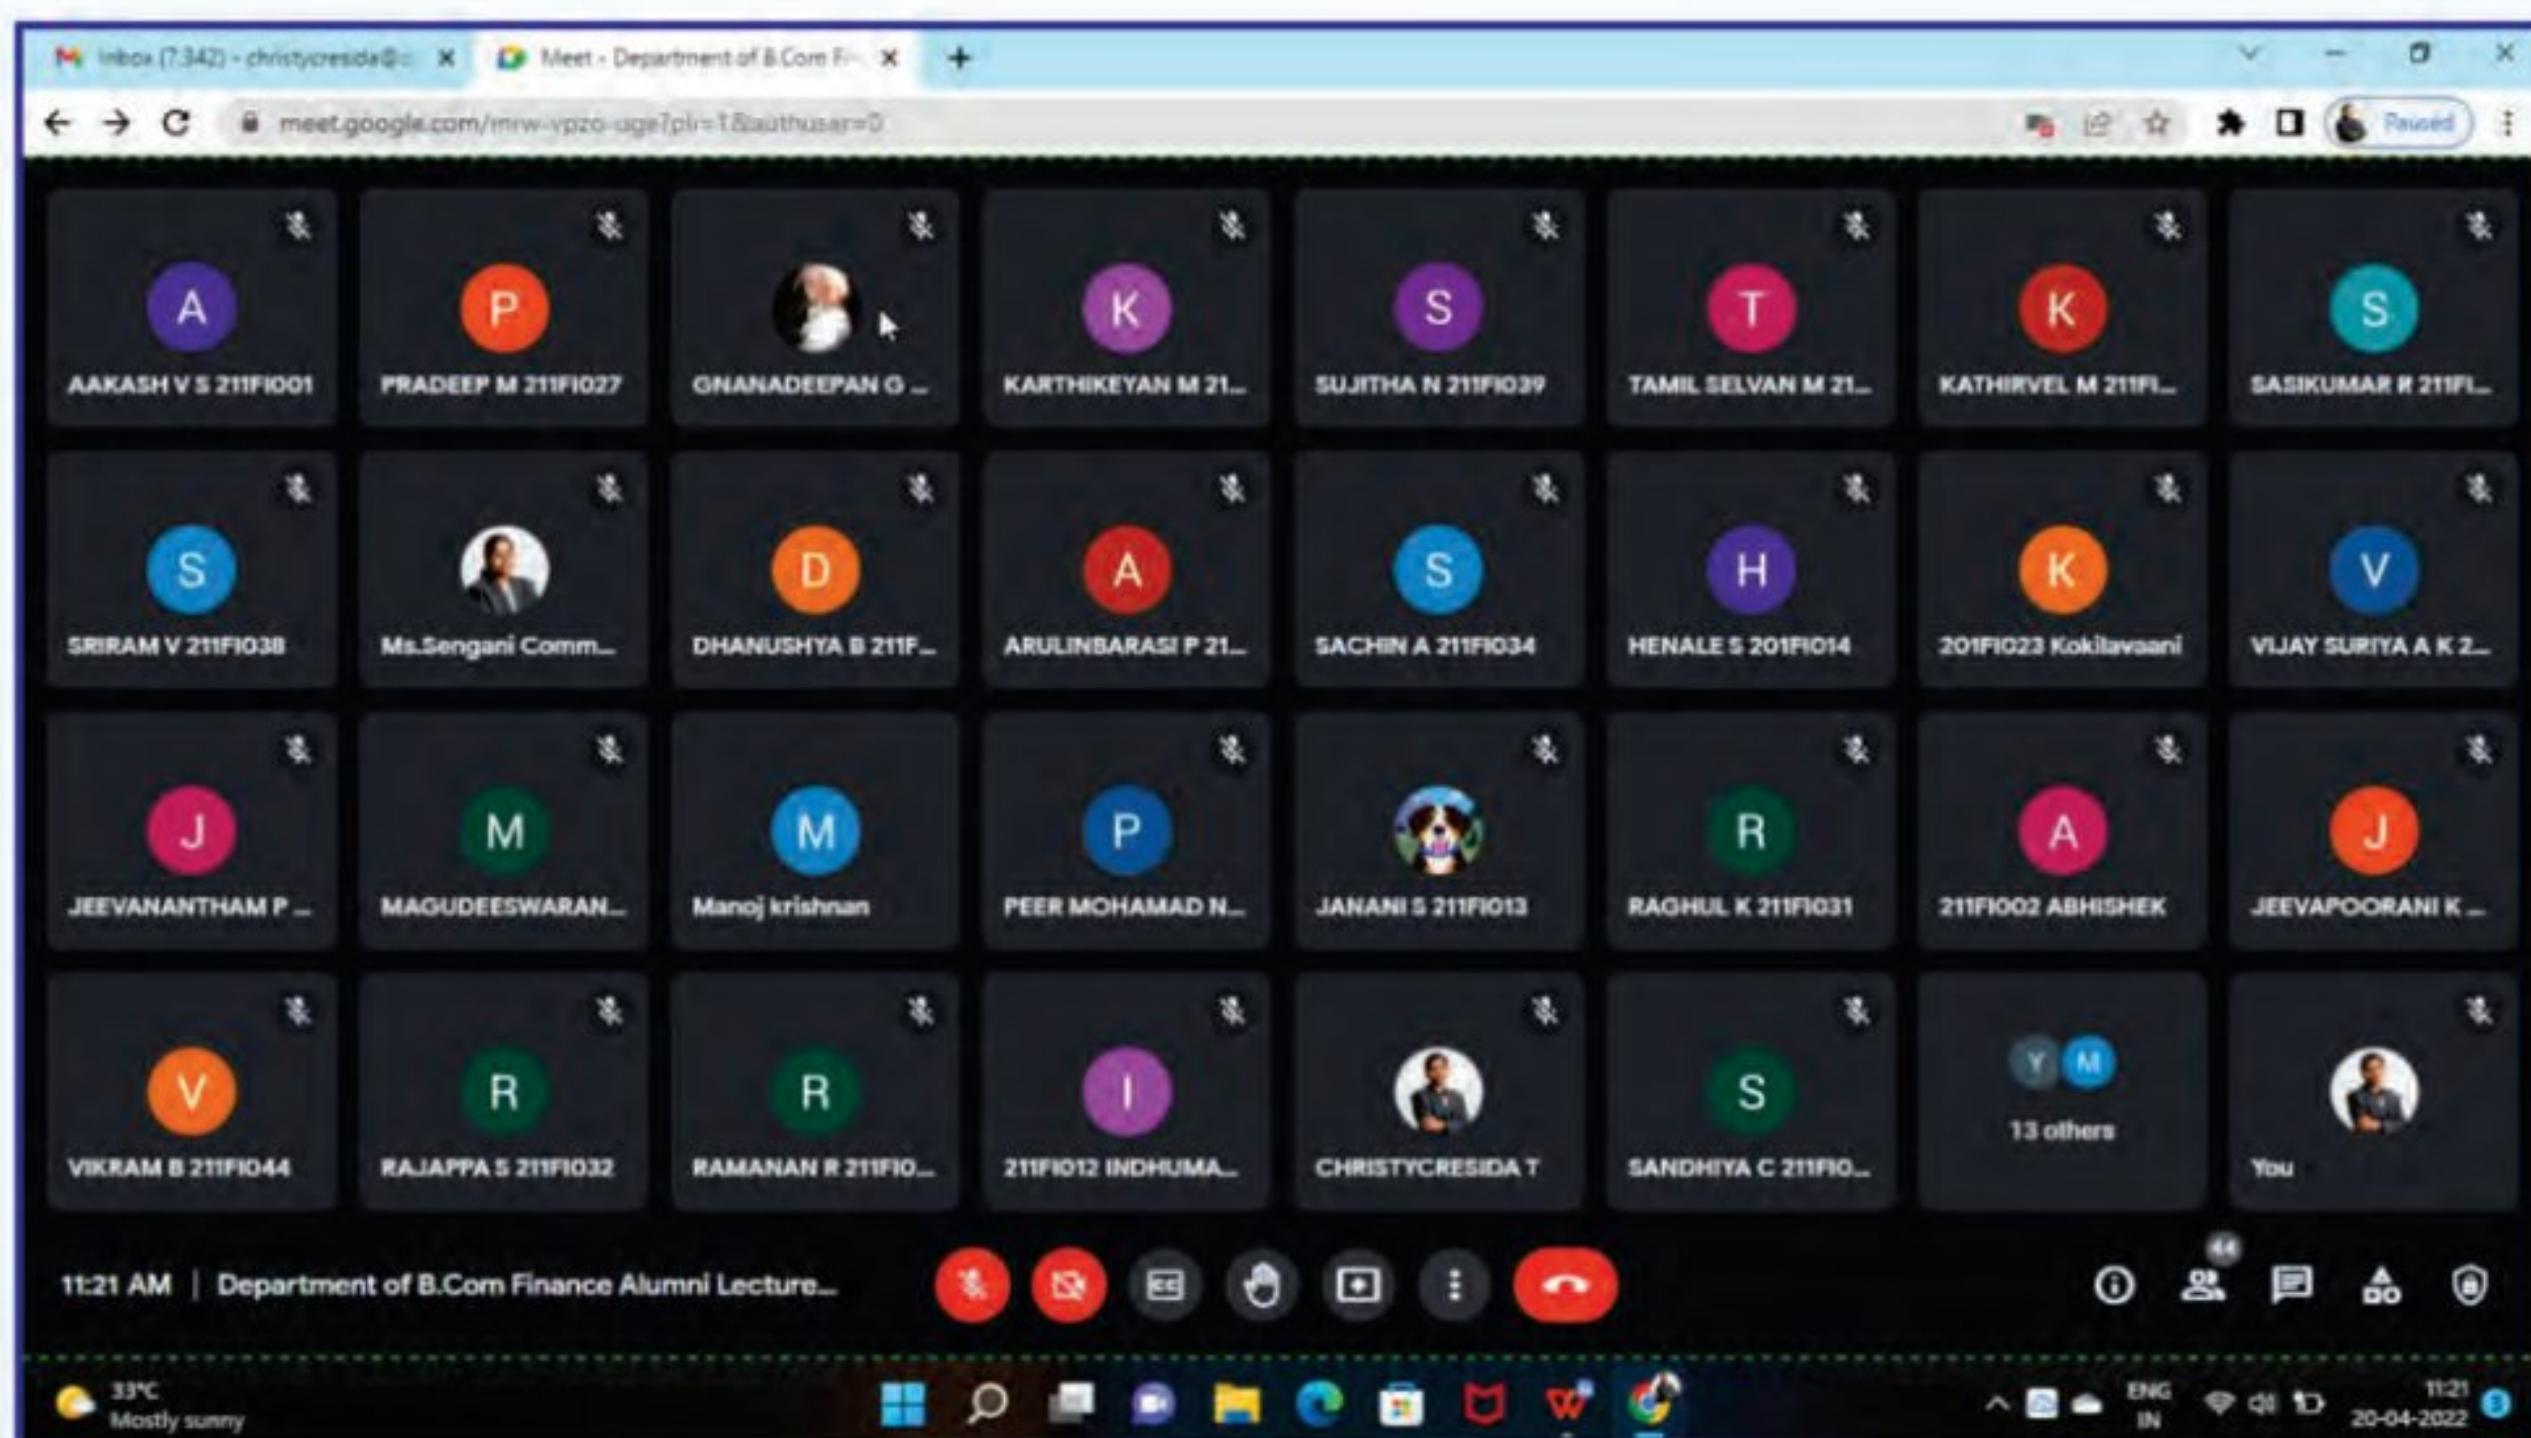

Virtual Alumni Interaction was held on **29.03.2022** at **11:00 a.m.** through Google meet platform. **Mr. D. Vigneshwaran CA(Inter), Institute of Chartered Accountants of India, New Delhi** addressed the gathering on **“Career Guidance on Chartered Accountants”**. He gave tips to the students on how to prepare and clear in CA Exam and the opportunities for Chartered Accountants in various fields.

## DEPARTMENT OF CORPORATE SECRETARSHIP WITH CA

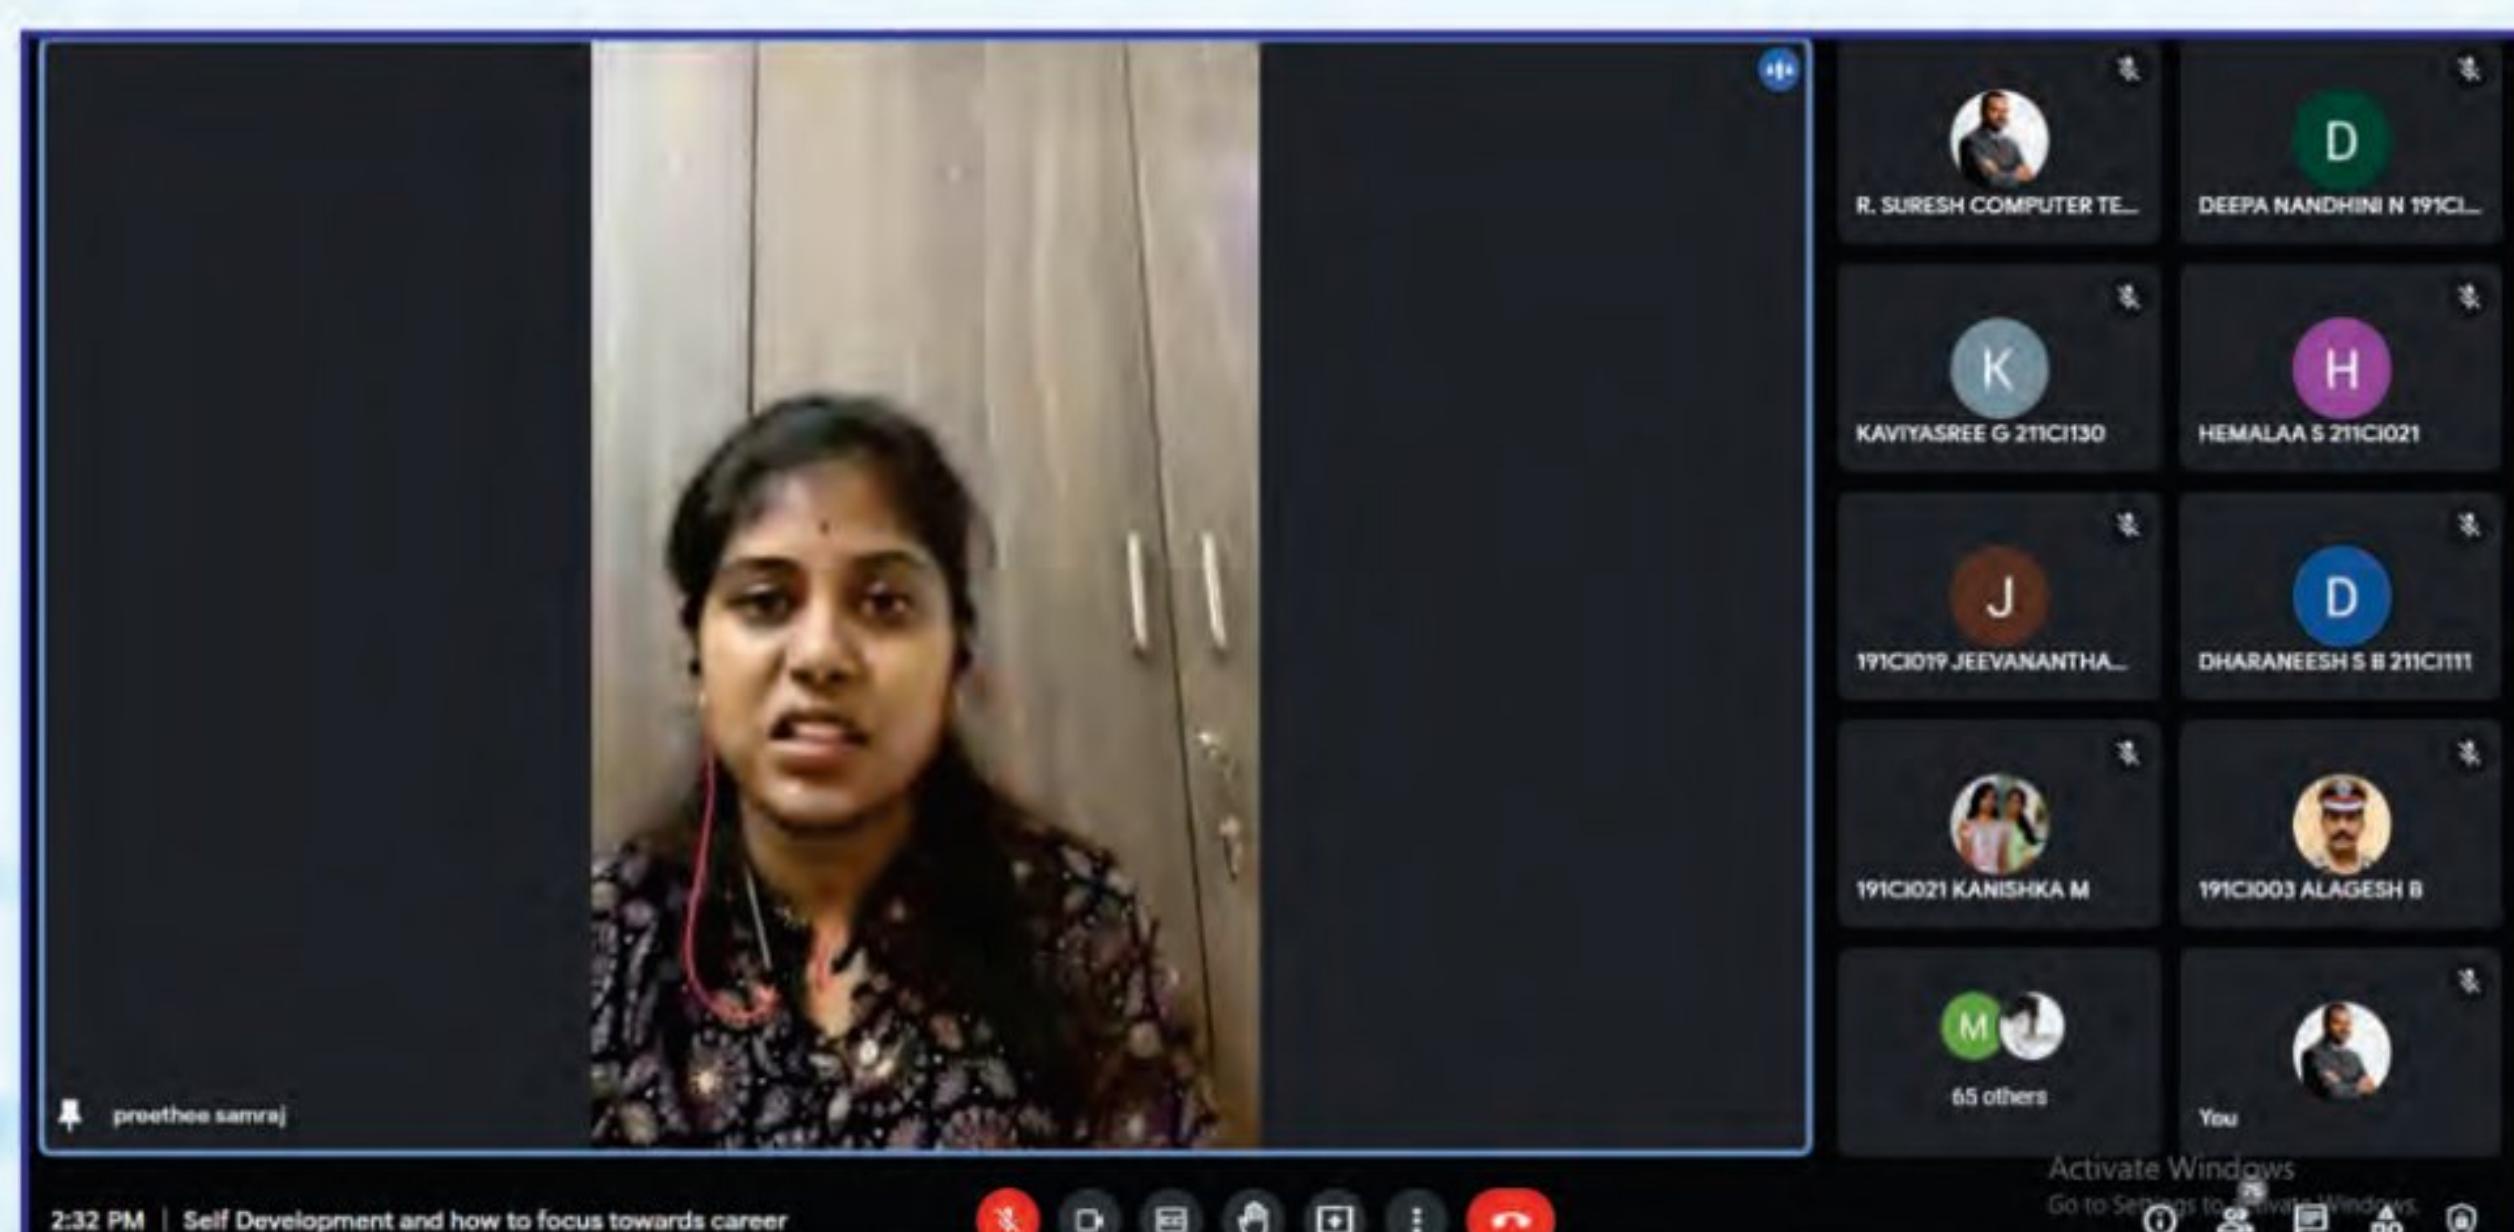

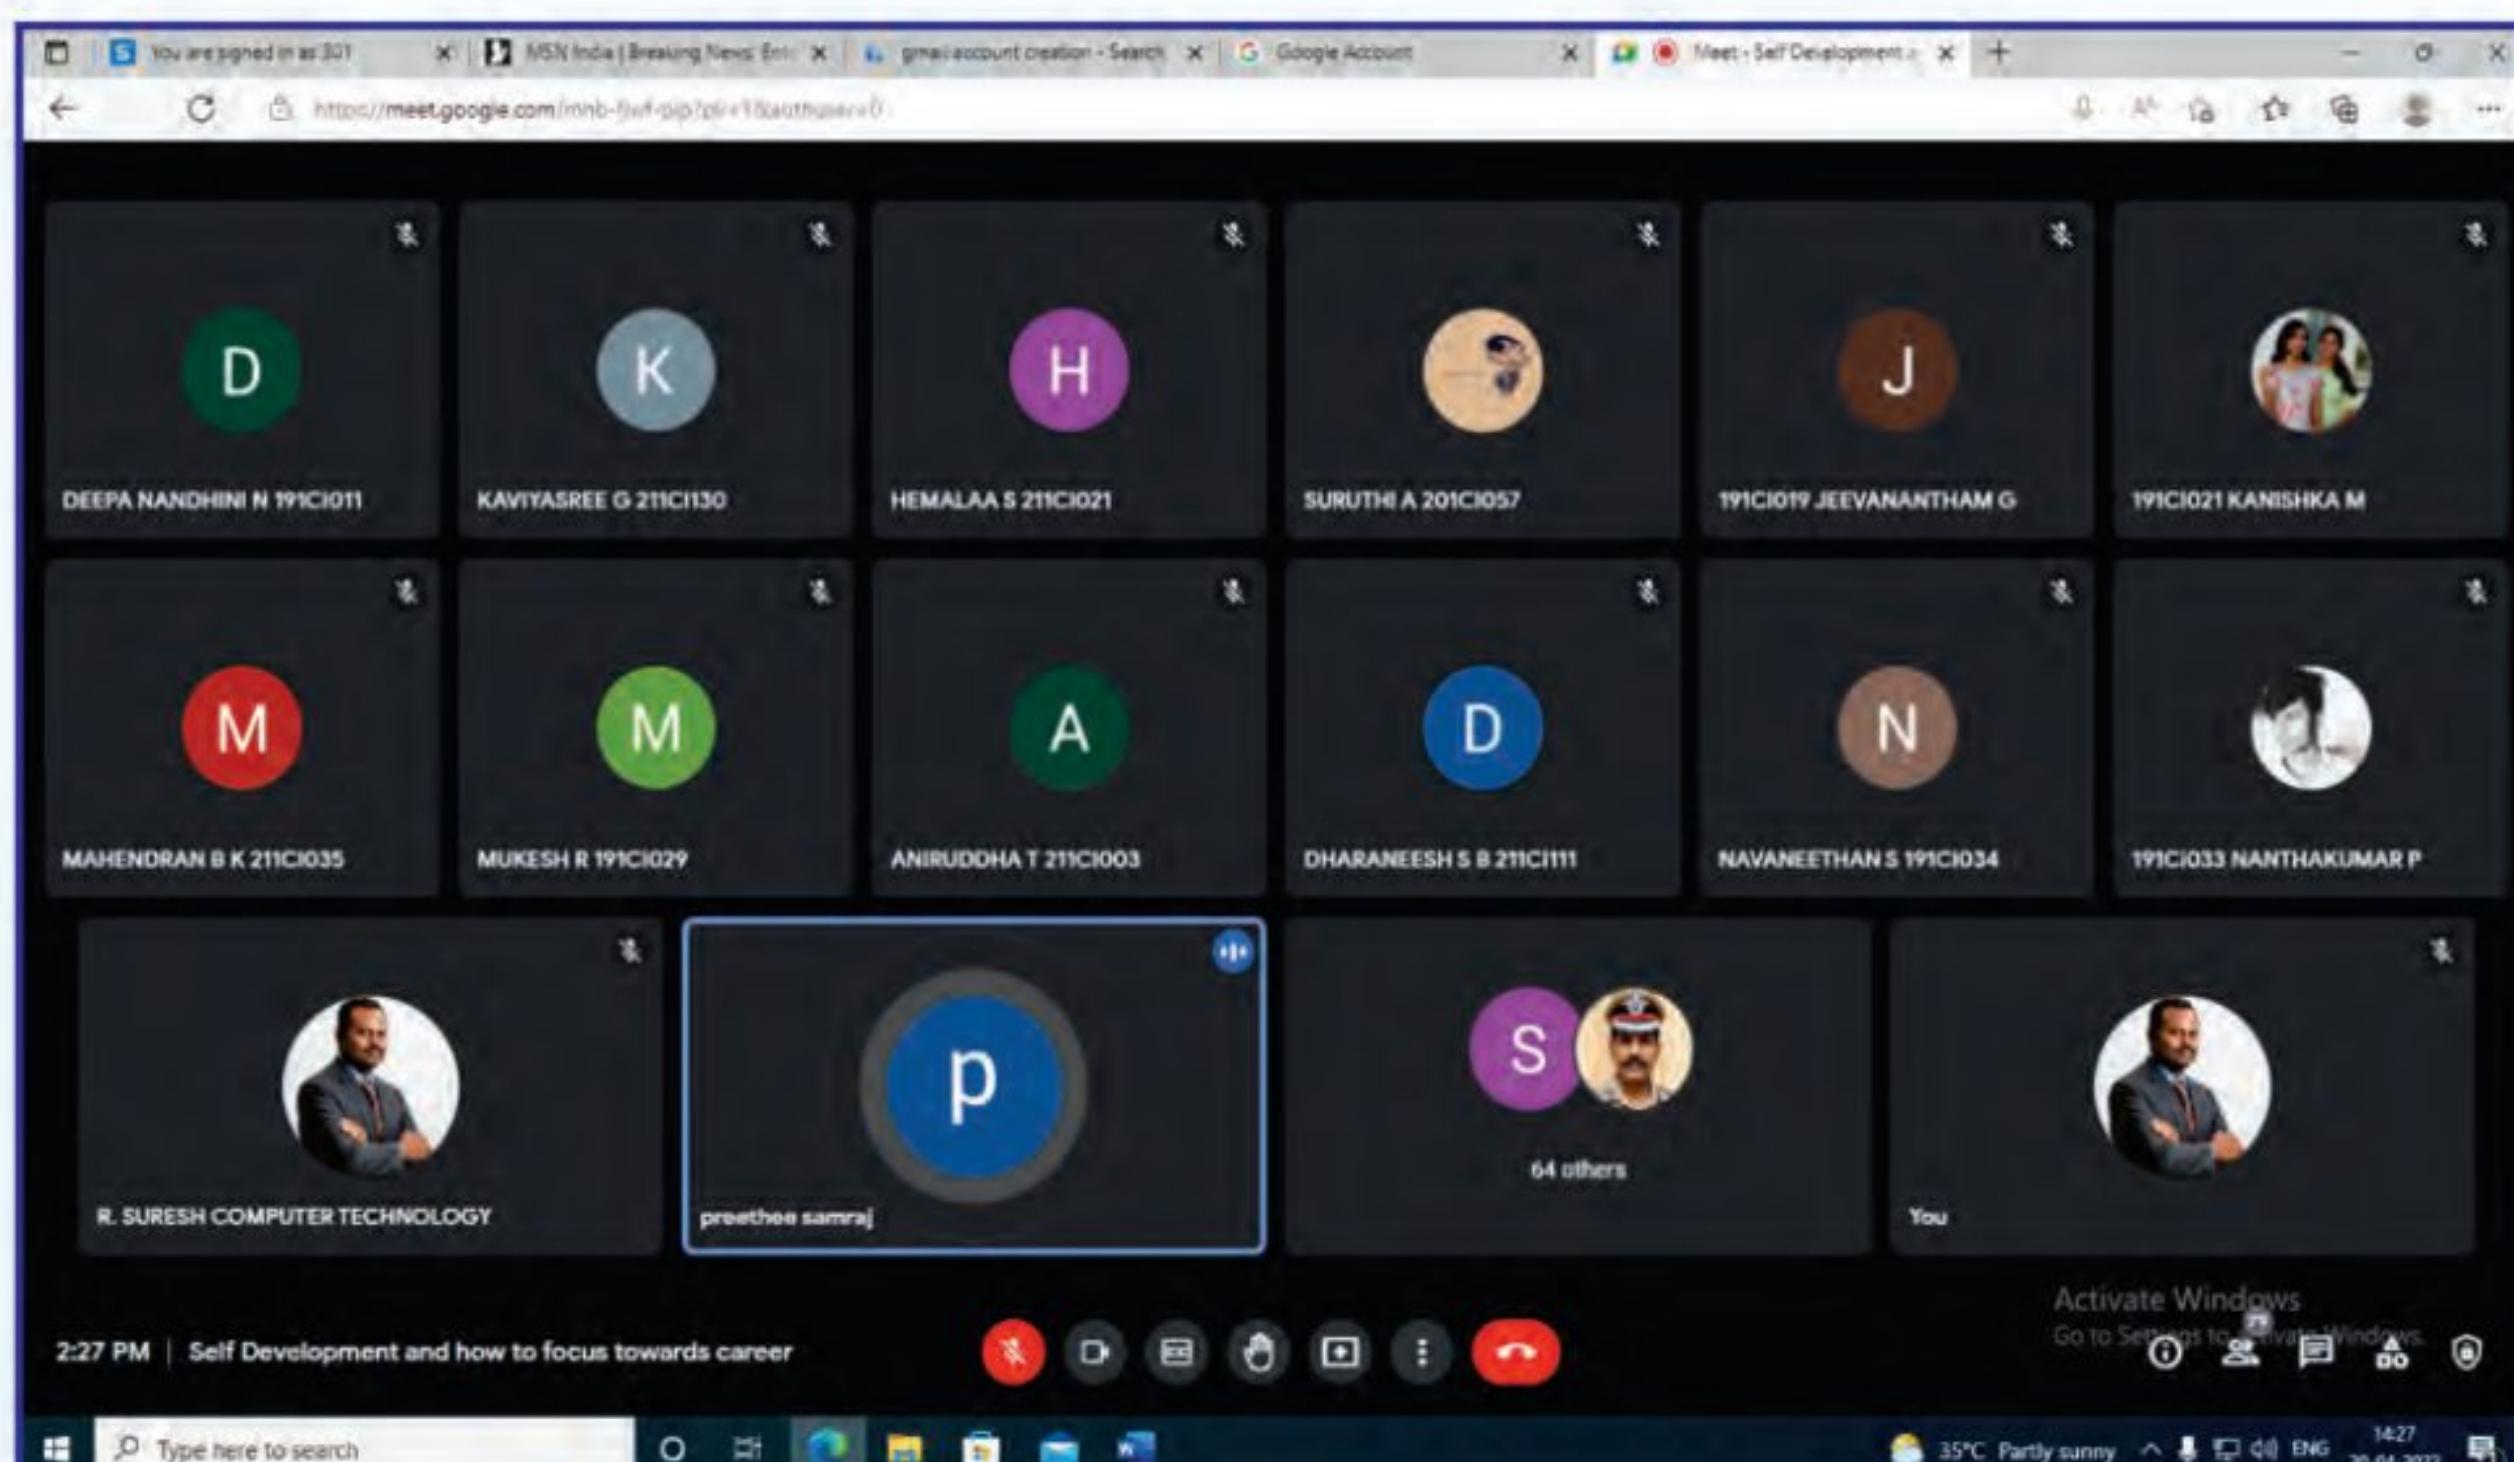

Virtual Alumni Lecture Series was organized by Department of Commerce Corporate Secretaryship CA & Alumni Association, Dr.N.G.P Arts and Science College, Coimbatore on **20.04.2022**.

The topic was delivered on **“Career Opportunities in IT Sector for Commerce Students.** **Mr.Wilson.P Senior Process Executive, Infosys BPM Ltd, Bangalore** delivered lecture on Career Opportunities in IT Sector for Commerce Students. He has also provided the information about Internship opportunities and various bank exams.

## DEPARTMENT OF COMMERCE WITH INFORMATION TECHNOLOGY

The Department of Commerce with information technology organized a webinar **“Alumni Lecture Series–Self Development and How To Focus Towards Career”** on **20.04.2022** from **2:00 p.m. to 3:30 p.m.** through Google meet. **Ms.S.Preethi, Subject Matter Expert, Amazon development centre, Coimbatore** was the resource person. She enlightened on the current trends development of information technology.

## DEPARTMENT OF COMMERCE FINANCE

The Department of Commerce Finance organized a webinar “Opportunities in UK for Higher Studies” on 11.04.2022 from 10:30 a.m to 3:15 p.m. Mr. Jazim Yoonus, Branch Head, Freshmart Superstores, South Yorkshire, England acted as the resource person

## DEPARTMENT OF COMMERCE WITH BPS

The Department organized an Alumni interaction program on **TCS-National Qualifier Test (NQT) 06.01.2022** through Google Meet. **Ms.S.Swetha, Associate Analyst, Deloitte and Touche Assurance** acted as the resource person. She explained how to be prepare for NQT test and tips to attend interviews. 90 students were benefited out of this program. The students clarified their doubts regarding attending NQT and other aptitude tests for interviews.

## DEPARTMENT OF COMMERCE WITH INTERNATIONAL BUSINESS

The Department of Commerce with International Business organized a **webinar** “Equity Analysis” on **11.04.2022** from **10:30 a.m. to 3:15 p.m.** Ms.Y.Charmi (Equity Analyst), Coimbatore, was invited as the resource person.

Ms. Y. Charmi gave a wonderful presentation on how to predict the share value and how its calculated. She also shared about the best and trusted websites to be followed for share value.

## FACULTY OF MANAGEMENT

### DEPARTMENT OF HOSPITAL ADMINISTRATION

Department of Hospital Administration organized an alumni interaction entitled “**Scope and Trends in Hospital Administration**” on **26.11.2022** at **Seminar Hall IV**. The session was delivered by **Mr. Bleson Paul, Assistant Manager – Operations, Aster Medcity, Cochin**. The program aimed at enlightening the students about the importance of Hospital Administration in recent days. By understanding the Scope and Trends in their field will mould them into better Administrators for the future. The resource person also emphasized on how the students can involve themselves in the practical applications and various operational aspects of Hospitals.

## FACULTY OF HUMANITIES

### DEPARTMENT OF ENGLISH

The Department of English organized an Alumni Interaction entitled “**Life in Indian Armed Forces, Defence Exams and Selection Process**” on **21.03.2021**. Ms. Madhumitha R Aspirant of Defence Service examinations, Coimbatore acted as a resource person. The foremost purpose of this webinar is to create a platform for the students to acquire abundant knowledge on the elegance of Defence Exams. The webinar was highly productive for the students. The event was a great success and was concluded with a feedback session

## ALUMNI CONTRIBUTION

### Alumni as BOS Members for the Curriculum Enrichment

#### FACULTY OF BASIC AND APPLIED SCIENCES

##### Department of Physics

A Suvanthini, Junior Assistant, Office of the Deputy Commissioner (ST), Tiruppur - 641601.

##### Department of Medical Physics

Mr. Sankar S, Medical Physicist,  
Department of Radiation Oncology,  
VPS Lakeshore Hospital, NH 47 Bypass,  
Nettoor, Ernakulam, Kerala 682040.

##### Department of Chemistry

Ms. S. Jeevitha, Quality Analyst,  
Food Analysis Laboratory,  
Race course road, Coimbatore -641018.

##### Department of Mathematics

Mr. P. Vijayakumar, Junior Revenue Inspector,  
Collectorate, 171, Udhagamandalam,  
The Nilgiris - 643001.

##### Department of Catering Science and Hotel Management

Mr.J.Hariprasad,  
Founder Baker Boys Cake Shop, Tirupur.

##### Department of CDF

Mrs.Anurekha, Founder and designer, Y2Y design couture's, Coimbatore.

#### FACULTY OF BIO SCIENCE

##### Department of Biochemistry

Dr.S.Vadivel,HOD of Clinical Biochemistry and Quality, Control System, K.G.Hospital, Coimbatore- 641018.

##### Department of Clinical Lab Technology

Mr. M. Vasanth Kumar,  
Assistant Professor, Department of Criminology, CMS College of Science and Commerce, Coimbatore-641049.

##### Department of Biotechnology

Dr. N. Karthikeyan, Project Coordinator, Regional Sericulture & Research Center, Salem.

##### Department of Microbiology

Durgadevi . S  
Quality Control of Microbiologist  
Amway India Enterprises Pvt. Lmt,  
Sipcot Industry Road, Pallapati,

Dhindugal - 624201.

##### Department of Food Science and Nutrition

Mr.Gautham Palaniswamy,  
Chief Executive Officer,  
Periyar University,  
Business Incubation confederation,  
Salem- 636011.
