#### Independence Day Celebration

Independence Day is celebrated every year on 15th August in India to honor the nation's freedom from British rule, which was achieved in 1947. This day marks a turning point in Indian history when the country emerged as a free and sovereign nation after years of struggle and sacrifice by freedom fighters.

The day is a national holiday and is celebrated with great enthusiasm and pride across the country. The main ceremony takes place at the Red Fort in Delhi, where the Prime Minister hoists the national flag and delivers a speech to the nation. This is followed by a parade, cultural performances, and tributes to those who gave their lives for India's independence.

Schools, colleges, and offices across India organize flag hoisting ceremonies, patriotic songs, speeches, and cultural events to celebrate the spirit of freedom. People decorate their surroundings with tricolor decorations and proudly display the Indian flag.

Our Unit celebrated 77<sup>th</sup> Independence Day on **15th Aug 2024**. The Chief Guest of the event was **Dr.S.Jeevithan, MD, Professor of Community Medicine, KMCH Institute of Health Sciences and Research**. During this celebration our cadets performed drill and honored our National Flag.

### NCC ARMY WING SWACHH BHARAT ABHIYAN

NCC has always been at the forefront of Swachh Bharat Abhiyan, Swachh Bharat Abhiyan, also known as the Clean India Mission, is a national campaign in India to improve cleanliness and sanitation. The campaign was launched by the Indian government on October 2, 2014, to coincide with the 150th birth anniversary of Mahatma Gandhi. NCC has carried out a nationwide campaign to clean the water bodies Lakeshore of plastic waste and other waste along the Lakeshore. The campaign's goals include: Making India open defecation free (ODF), Promoting hygiene and sanitation, constructing toilets, managing solid waste, and improving rural sanitation.

Taking it forward as a small part of the campaign, NCC Army wing of Dr. N.G.P. Arts and Science College participated a cleanliness drive at the of the Sungam Kulam, on 22.11.2024. Sungam Kulam has been identified as a BIODIVERSITY ZONE. About 17 NCC cadets removed plastics, garbage, dried leaves, and bushes from the pond and cut unnecessary bushes. After cleaning ponds, cadets took out an awareness rally on and made it a great success.
