AY 2018 – 19 Workshops/Seminars Conducted

The following are the total number of workshops and seminars conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship and skills development during the academic year 2018-19

| S No | Name of the workshop/ seminar | Number of Participants | Date From – To |
|-----------------------------|--|------------------------|--------------------------------|
| 2018-19 | | | |
| RESEARCH METHODOLOGY | | | |
| 1 | Seminar on Energy Storage Fundamentals and recent developments | 118 | 01.03.2019 |
| 2 | Workshop on Data Analysis and Interpretation | 58 | 28.02.2019 |
| 3 | Workshop on Application of Statistics in Social Science Research | 55 | 26.02.2019 |
| 4 | NATIONAL SYMPOSIUM ON GRADUATE RESEARCH | 50 | 26.02.2019 to 27.02.2019 |
| 5 | International Conference on prospects of Nutraceuticals and Natural Medicine | 300 | 25.02.2019 |
| 6 | Workshop on “Quantification of alkali and alkaline earth metals in Biological samples by flame photometry” | 47 | 23.02.2019 |
| 7 | International Conference on Emerging Trends in Applied Mathematics | 111 | 18.02.2019 |
| 8 | National Workshop on Data Analytics and its Applications in Biotechnology | 350 | 14.02.2019 & 15.02.2019 |
| 9 | In-House workshop on R-Programming for Biologists | 30 | 14.02.2019 |
| 10 | National Conference on Applications of Statistics in Biological Sciences | 118 | 07.02.2019 To 08 |

Seminar on “Energy Storage Fundamentals and recent developments”

Name of the Event: Seminar

Title: Seminar on Energy Storage Fundamentals and recent developments

Category:

| Research Methodology | Intellectual Property Rights | Skill development | Entrepreneur development |
|----------------------|------------------------------|-------------------|--------------------------|
| ✓ | | | |

Date of the event: 01.03.2019

Name and Designation (with institution address) of Resource Person:

Dr.N.Priyadharsini, Assistant Professor, Department of Physics, Dr.N.G.P Arts and Science College was the resource person of the seminar.

Number of Participants:

A total of 118 Students from UG (B.Sc. Physics) and 29 students from PG (M.Sc Physics) were participated in this seminar.

Report on “Energy Storage Fundamentals and recent developments”

Description of the event:

- Department of Physics in coordination with panorama association of Dr.N.G.P Arts and Science College organized a knowledge exchange program on the topic “Energy Storage Fundamentals and recent developments” on 01.03.2019. In this seminar, Dr.N.Priyadharsini delivers her idea about energy storage and recent development for energy saving measures.

Outcome of the Event:

- This seminar about the energy storage and global threats about energy available source.
- She shares her ideas about recent development in energy sector.
- Students gained the knowledge about usage of energy resources.

WORK SHOP REPORT 2019-2020

Application of Statistic Social Science Research

Date : 26.02.2019

Venue: Lab III

Time: 1.00Pm-3.00pm

Chief Guest: Dr.S.Saravanan
Dean Administration,
Dr.N.G.P.Arts and Science College

Dr.S.Saravanan gave hands on training to the student through SPSS means “Statistical Package for the Social Sciences” and was first launched in 1968.It is a software used for data analysis in business research . SPSS contains all basic statistical tests and multivariate analyses such as percentage, means, stand deviation, median, regression, correlations, t-tests and chi-square tests. All basic tables and charts can be created easily and fast in SPSS. Spss is a fast and powerful solution that makes it easy to analyze and gain new insights from your data. How to measure the relationship between two category variables. This software its great important to student and professional researcher due to its capability of analyzing a wide scope as well as large amount of data.

|---|---|--|

Outcome of the Event:

- Students are able to understand the basic Statistical tools are the mean, the arithmetical average of numbers, median and mode,
- Students are able to understand the Statistical tools are the, dispersion, standard deviation, inter quartile range, coefficient of variation, etc
- There are also software packages like SAS and SPSS which are useful in interpreting the results for large sample size.

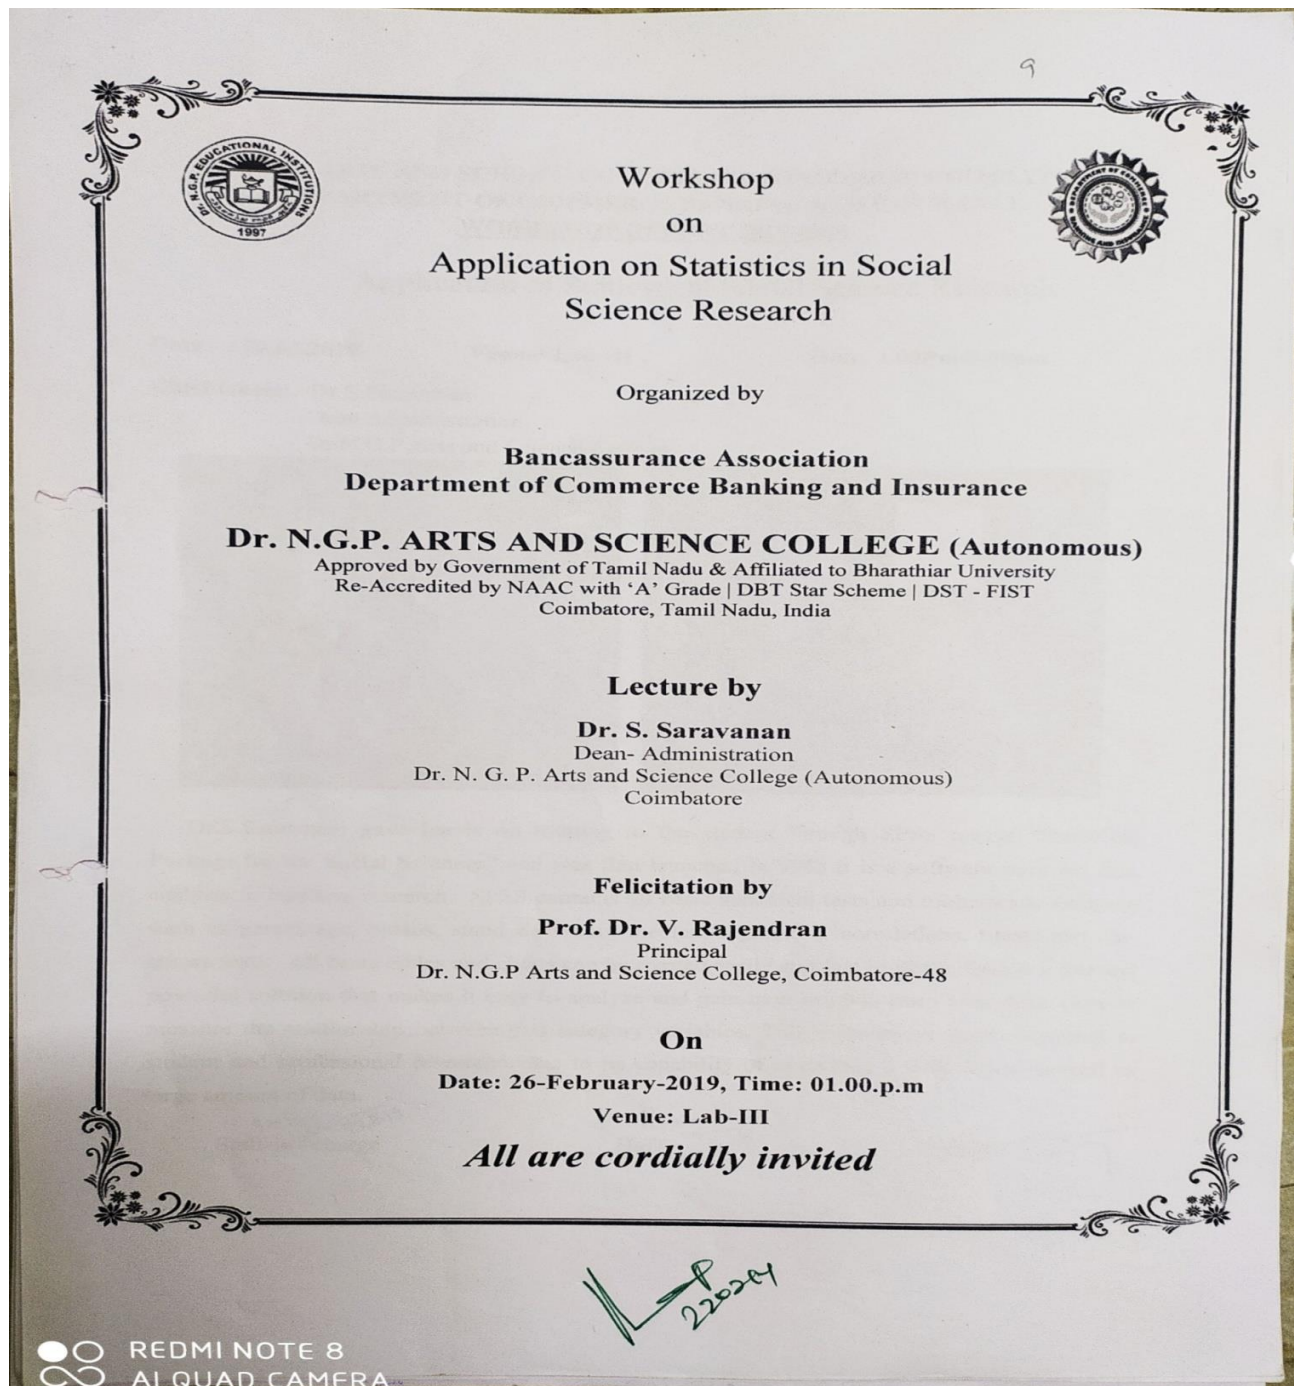

Description about the program:

- **Dr.S.Saravanan** stressed the students to know about the Application of Statistics in Social Science Research.
- He gave hands on training to the students through the SPSS means Statistical packages for in Social Science research, it was first launched in 1968. It is a software used data analysis in business research.
- He started about SPSS contents all basic statistical test and multivariate analysis such as percentages, means, standard deviation, median, regression correlation, t-test, and chi-square test, all basic tables and charts can be created easily and fast in SPSS.
- He explained about SPSS is a past and powerful solutions that's make it easy to analysis and gain new insights from your data.
- He explained about how to measures the relationship between the two categories variable?
- He explained about this software great important to students and professional research due to its capabilities of analyzing a wide scope as well as large amount of data.
- At the end of the session he clarified the queries asked by the students. The session was very useful and all were benefited.

NATIONAL SYMPOSIUM ON GRADUATE RESEARCH 26th& 27th 2019

About the programme

The participating departments of DBT-Star college scheme, under the steward leadership of our Principal, Prof.Dr. V. Rajendran came up with an excellent idea of hosting annually a national event to provide a platform and opportunity for graduate students in science and technology disciplines from DBT-Star colleges and others to share their innovative ideas, proposals, findings, process and products. Dr.NGPASC organized a first of its kind program in India on 26th and 27th February, 2019, where four DBT-Star colleges from Tamil Nadu co-sponsored the event. Students from sponsored colleges and others in the region participated, presented their innovative ideas, proposals, findings, process and exhibited products.

A best in each category of competition from basic sciences, life sciences and computer science received a cash prize and certification. The next phase of this event is already planned and it is scheduled to be held on 23rd and 24th January 2020. In this version, more participation is expected from different parts of our country. Through this NSGR, the organizers intended to instill the traits of innovation; idea conception, nurturing, devising, developing and demonstration among graduate students of science and technology stream.

Plenary Sessions

Prof.A.V.Gnanasambandam

Chief Executive Officer-TBI

ABIS

Tamil Nadu Agricultural University (TNAU)

Coimbatore.

Prof. A.V.Gnanasambandam enlightened the participants on **Opportunities in Agribusiness** and also about the role of incubation centers in providing hand holding support to successful agricultural innovations in the way of product development, testing & certification, packaging facilities, financial support through agencies, market linkages. The participants actively interacted with the speaker to learn the new opportunities available for startups

Prof.T.Poongodi Vijayakumar

Department of Food Science and Nutrition

Periyar University

Salem.

Prof.T.Poongodi Vijayakumar provides an insight to the participants on **Leveraging Food and Nutrition Innovations into Practice** and about the role of undergraduate research and startups in the promotion of the Indian economy. Her talk highlighted on Exchange experiences, lessons learnt and good practices and business models from ongoing efforts to promote and sell nutritious and healthy foods through SMEs.

Dr. Varadharaju Chandrasekar
 Bioline Laboratory and Research Institute
 CoimbatoreC

Dr. Varadharaju Chandrasekar provoked the students on the topic **Biology, an inspirational science**. He extempored the young minds on different bioprospecting ideas including mushroom cultivation and isolation of secondary metabolites from different mushroom varieties. He also enlightened the participants on the anticancer potential of mushroom varieties. His talk also protracted on career opportunities for life science graduates.

Students from different colleges and Host College presented their papers and the best papers and projects were selected. They have been individually awarded based on their research work under the category Chemical science, Physical science, Mathematical science, Applied science, Life science, Computer science and IT. The Sponsorship categories are

Diamond: Rs. 15,000 - 15 students + 3 faculty members

Gold: Rs. 10,000 - 10 students + 2 faculty members

Silver: Rs. 5,000 - 5 students + 1 faculty members

Ragul G. Department of Biotechnology from Dr.N.G.P. ASC presented Analytical life line “meshing” (Software or App), he got the first price.

J. Niranjana, Department of Biotechnology from Dr.N.G.P. ASC presented “Arachishypogara L.(leaves) as novel source of L – Asperginase – A chemotherapeutic agent”, she got second prize

Sanmathi and Nandhni Department of Biochemistry from Dr.N.G.P. ASC, they presented “Efficacy of fruit waste on germination of *Capsicum annum*” they got third prize

Gopishankar, Department of Biotechnology from Dr.N.G.P. ASC presented “Biosynthesis of inorganic silver and copper nanoparticles from *Tetraselmundica* and screening its antibioflim activity”, he got third prize

Shanmathi, Department of Chemistry from PSGR Krishnammal College for Women presented paper in the title “Synthesis, characterization and biological properties of Mgo-Znonano lubricates” she got first prize

G. Harinishri, Department of Zoology from PSGR Krishnammal College for Women presented paper in the title “Air pollution and she got first prize”

R. Saikishore and J. RohinKarthik, Department of Microbiology from Hindusthan Arts and Science College presented paper in the title Biofertilizer, they got second prize

D. Madhubala, from PSGR Krishnammal College for Women presented paper in the title “Studies on Anatomical and histochemical characteristic salms, using Foldscope as a tool”, she got first prize

Summary of the event

Under DBT STAR college scheme, 2 day National Symposium was conducted on February 26th and 27th of this year with grand success. The event was designed to instil the importance of research

|---|---|--|

in the young minds and to nourish and nurture their skills to become future scientists. The broad areas which were covered in the symposium were literature reviews, systematic reviews, research methods, managing data and other such related topics.

It began with a formal inauguration with a cordial welcome address by Prof.Dr. V. Rajendran, principal, Dr. N.G.P. Arts and Science College, Coimbatore. The chief guests for the occasion were Prof.Dr.RoshanDelabandara, Secretary, Nutrition Society of Sri Lanka. The guests of honour were Dr. A.V. Gnanasambadam, Chief Executive officer, TNAU, Coimbatore and Dr. T. PoongodiVijaykumar, Periyar University, Salem. The above two members delivered lectures as the keynote speakers. Dr. S.S. Sudha, the DBT STAR College Scheme Co-ordinator proposed the vote of thanks which marked the end of the inaugural session and the beginning of the symposium.

Following this, in the afternoon, the session was purely technical where the young researchers who were all under graduate students presented their findings with lot of enthusiasm and confidence awaiting exciting rewards. More than 50 students from different disciplines like Botany, Zoology, Physics, Chemistry, Mathematics, Biochemistry, Biotechnology and Microbiology participated in the symposium. The peer group of students posed interesting questions which each of the participant took it up as a challenge and did their best to answer the questions as a dynamic defense session.

The second day began with a lecture session by the key note speaker Dr. Varadharaju Chandrasekar, MD, Bioline Laboratory and Research Institute and continued with enriched sessions of deliberations by the students. Some colleges which participated in the symposium are Lady Doak College from Madhurai, PSG College of Arts, Hindustan College of Arts and Science, Nanda College of Arts and Science from Perumanallur, Navarasam College of Arts and Science from Arasur are some of the few colleges. Students presented their findings in front of the judges and the jury decided to award three awards as first, second and third prizes to the internal students from Dr. N.G.P Arts and Science college and yet another three prizes to the students who participated from outside colleges. The prizes were distributed in the category of basic sciences, bio sciences and applied sciences which was bagged by both outside participants and internal participants.

The event came to a close on the second day evening with a formal valedictory function. The welcome address was given by Prof. Dr. V. Rajendran, Principal, Dr. N.G.P. Arts and Science College, Coimbatore. The guest for the valedictory address was Dr. Varadharaju Chandrasekar, MD, Bioline Laboratory and Research Institute, Coimbatore who delivered the valedictory address. Interesting feedback was received from the students who appreciated for creating an avenue for express their innovations. Formal vote of thanks by Dr. Renga Ramanujam, Head, Department of Microbiology drew the curtains down for the event which marked a grand success of one of its kind.

Dr. Varadharaju Chandrasekar, MD, Bioline Laboratory and Research Institute also delivered a scintillating note to encourage and motive the students on the importance of research.

Report on “International Conference on prospects of Nutraceuticals and Natural Medicine”

Preamble:

The conference will focus on the recent research and discoveries in the ground of nutraceuticals and natural medicine and presenting a unique opportunity for the researches and experts across the globe to meet, network and perceive new scientific innovations in the field. A technical session on “International Conference on prospects of Nutraceuticals and Natural Medicine” has been organized on 25.02.2019. The session inaugurated by Prof. Dr. Basavaraj Madhusudhan, Professor of Biochemistry in Davanagere University, Karnataka, Technical session II given by Prof. Dr. Elangovan Vellaichamy, Professor and Head, Department of Biochemistry University of Madras, Guindy campus, Chennai, Technical Session III given by Prof. Dr. Roshan Delabandara, Chairperson at SUNPF, Grant Post Award Manager at ChildFund Sri Lanka served as a Resource Person.

Participant’s Profile:

Students from Both department of Biochemistry and Food Science and Nutrition were participated (300 No’s) and also outside the students participated in the “International Conference on prospects of Nutraceuticals and Natural Medicine”.

Description about the program:

- The session inaugurated by Prof. Dr. Basavaraj Madhusudhan given lecture on the topic of “Redefining nutraceuticals vs. Functional foods: Amazing Facts of Health Benefits,
- Prof. Dr. Elangovan Vellaichamy, “Dietary Advanced Glycation End Products Induces systemic inflammation and promote hypertension in experimental mice: Protective role of natural anti-oxidants gallic acid and curcumin”.
- Prof. Dr. Roshan Delabandara, start a session on the topic of “ Theory to practice – Potential challengers of nutraceuticals

Prof. Dr.ELANGO VAN VELLAICHAMY,

Professor and Head,

Department of Biochemistry University of Madras,

Guindy campus, Chennai

QUALIFICATION

- Annamalai University-M.Sc.(Biochemistry)(1988-1990);
- University of Madras-M.Phil.(Biochemistry)-(1990-1991);
- University of Madras- Ph.D. (Biochemistry) (1992-1996);
- Post-Doctoral studies at Israel and USA.

TEACHING COMPONENTS

- Professor and Head, Department of Biochemistry (2007 to till date);
- Professor, Department of Biochemistry (2010- 2007);
- Reader and Associate Professor, Department of Biochemistry (2006- 2010);
- Research Associate, Tulane University, New Orleans, USA- (2002-2005);
- Post-doctoral Fellow, The Cleveland Clinic, Ohio, USA - (1999- 2002);
- Post-doctoral Fellow Hebrew University of Jerusalem, Israel (1997-1999);
- Senior Research Fellow, Madurai Kamaraj University, Madurai, TN (1996-1997).

Prof. Dr. ROSHAN DELABANDARA

QUALIFICATION

- Masters of Science in Food Science and Nutrition, 1st Class, Gandhigram University –India, 2007-2009
- Bachelor of Science (special) in Nutrition, 2nd Upper Class, Wayamba University of Sri Lanka, 2000 - 2005
- Diploma in Agriculture Farm School of Animal Husbandry, Anuradhapura, Sri Lanka, 1998- 2000

WORKING COMPONENTS

- Grant Coordination & Liaison Manager ChildFund Sri Lanka (2015 to till date).
- Consultant - Review of the Functioning and Impact of Mother Support Groups in the Northern and Eastern Provinces of Sri Lanka Unicef, Sri Lanka (2014 September – December).

Report on “Quantification of alkali and alkaline earth metals in Biological samples by flame photometry”

Description about the program:

The event was held at DST-FIST lab in which around 57 students and three staff members from various departments of the college have been participated. During the program the participants were made aware of the basic working principle and applications of flame photometry and also got exposed with hands on training on the technique of flame photometry. Flame photometer has both quantitative and qualitative applications. Flame photometer with monochromators emits radiations of characteristic wavelengths which help to detect the presence of a particular metal in the sample. This help to determine the availability of alkali and alkaline earth metals which are critical for soil cultivation. In agriculture, the fertilizer requirement of the soil is analyzed by flame test analysis of the soil. In clinical field, Na⁺ and K⁺ ions in body fluids, muscles and heart can be determined by diluting the blood serum and aspiration into the flame. Analysis of soft drinks, fruit juices and alcoholic beverages can also be analyzed by using flame photometry.

Outcome of the workshop:

The participants are exposed to the basic working protocols in flame photometry

The participants are trained to detect the availability of alkali and alkaline earth metals in samples

The participants are exposed to the determination of calcium in milk samples

Report on “International Conference on Emerging Trends in Applied Mathematics”

Description of the Event:

Department of Mathematics of Dr. N.G.P. Arts and Science College conducted an International Conference on ‘Emerging trends in Applied Mathematics’ on 18th February 2019. The chief guest Prof. Dr. S.S.N. Perera from University of Colombo, Sri Lanka enlightened the students on the topic “Insurance aspects of Epidemiological Models”. The Dr. UdithaPrabhathLiyange, University of Kelaniya, Sri Lanka, talk about the “Mathematical and Statistical Modeling in Cancer Biology”. Finally, Dr. A. Muthuswamy, Periyar University and he spoke about Discrete Mathematics and its Applications.

Outcome of the Event:

After attending this conference, the student learnt about

- Insurance aspects of Epidemiological Models
- Mathematical and Statistical Modeling in Cancer Biology
- Discrete Mathematics and its Applications

INTERNATIONAL CONFERENCE ON EMERGING TRENDS IN APPLIED MATHEMATICS (ICETAM - 19)

February 18, 2019
Organized by
DEPARTMENT OF MATHEMATICS
Dr. N.G.P. ARTS AND SCIENCE COLLEGE (Autonomous)
Approved by Government of Tamil Nadu & Affiliated to Bharathiar University | Accredited by NAAC with 'A' Grade | Dr. N.G.P. College
Dr. N.G.P. – Kalapatti Road, Coimbatore – 641 048, Tamil Nadu, INDIA

ORGANIZING COMMITTEE

PATRONS

Dr. Maita B. Palaniswami
M.D., A.B. (USA) Chairman

Dr. Thavamani D. Palaniswami
M.D. (USA) Secretary

Dr. D. T. Sureshswarar
M.A., M.Phil., M.B.A., Ph.D., CEO

CHAIRMAN - ICETAM-19

Prof. Dr. V. Rajasekhar
M.Sc., M.Phil., B.Ed., M. Tech. (Vandana), Ph.D., D.Sc., F.R.P. (London)
Principal

STEERING COMMITTEE

| | |
|-------------------------------|------------------------|
| Dr. S. Saravanan | Dean - Administration |
| Dr. D. Geetharamani | Dean - Academics |
| Dr. S. Balasubramanian | Dean - R&D |
| Dr. V. Shanmugasri | Dean - Student Affairs |
| Prof. R. Kandasamy | Director - Mathematics |

CONVENER

Dr. R. Sowrirajan Head - Mathematics

ORGANIZING SECRETARIES

Dr. S. Eswarenmoorthi
Dr. P. Umadevi
Dr. S. P. Sathiyapathy

REGISTRATION

Registration Fee : Rs.500/-
*Registration fee includes kit, refreshment and working lunch

ICETAM - 19 OBJECTIVES

- To provide a premier platform for researchers, practitioners and educators to present and discuss the most recent innovations in Mathematics
- To permit the exchange of ideas, knowledge between the different disciplines for facilitating research, interdisciplinary collaborations focusing Mathematics
- To encourage the students working in the arena to deliberately exchange opinions and their understandings in front of large listeners
- To provide a remarkable opportunity for the academic community to address new challenges, share solutions, and discuss future research directions

KEYNOTE SPEAKERS

Session 1
Prof. Dr. WAN AHUN BIMTI MIOR OTHMAN
Institute of Mathematical Sciences
University of Malaysia
Malaysia

Session 2
Dr. S.S.N. PERERA
Department of Mathematics
University of Colombo
Sri Lanka

Session 3
Dr. UDITHA PRABATH LUYANG
Department of Mathematics
University of Kelaniya
Sri Lanka

BANK DETAILS

| | |

Department of Computer Technology
Funded Programme Details– 2018-19

About The Workshop

The two day workshop helped to understand data analytics with ever growing volume and diversity of life science data collections. With immense data and advances in the techniques to generate data in the Biological fields, it is now imperative to work smartly by managing the enormous data in an organized fashion. Recently, Bio-science research requires enhancing the skills of data management, data storage and data retrieval in the desired format. Probably, the time has come to bridge the gap between the Computational skills and Biological information using key structural features of Bioinformatics.

The workshop is organized in an interdisciplinary manner to bring together leading scientist, researchers and academicians working on a diverse range of Big Data Analytics to engage them to deliver the keynote address on various topics as, Doing Biology with Data Analytics and Machine Learning, Compressing a Multi-Dimensional Landscape into Two Dimensions, Bridging the islands of Protein Families in sequence space using artificial sequences, Searching for Sequence Homologues in the protein sequence space using computational algorithms, Massive Graph Analytics in Biotechnology, High-Throughput Metagenomic Data Reveals in Mangrove Ecosystem within life science discipline. The workshop was designed to achieve success in academic environment by putting these skills into practice.

Objectives

The objective of the workshop is to enable the students, researchers, academicians and industry fraternity to focus on the ever growing volume and diversity of life science data collections. The workshop is organized in an interdisciplinary manner to bring together leading scientists, researchers,

Department of Molecular Biophysics
Indian Institute of Science
Bangalore , Karnataka

Workshop Summary

The National Workshop on Data Analytics and its Applications in Biotechnology, sponsored by DBT, New Delhi, was organized by the Department of Computer Technology and Biotechnology of Dr. N.G.P. Arts and Science College, on 14th and 15th February, 2019 at NGP Conference Center. The workshop received funding assistance from DBT CTEP (Conference, Travel, Exhibition and Popular Lectures). Students from far and near educational institutions, students from the host institution, research scholars and faculty members across the state where more than 15 institutions participated in this workshop. Nearly 80 participants from various colleges and universities participated both from the Departments of Biological Sciences and Computer Science discipline.

On February 14th, 2019, the workshop commenced with the formal Inauguration. The gathering had a galaxy of delegates beginning with the Chief Guest, Dr. Shandar Ahmad, Professor, School of Computational and Integrative Sciences, Jawaharlal Nehru University, New Delhi. The occasion was presided by the presence of Dr. Arun N. Palaniswami, Managing Trustee, Dr. N.G.P. Educational Institutions and Prof. V. Rajendran, Principal, Dr. N.G.P. Arts and Science College. The presence of various Dean Portfolios like Academics, Research and Development, Student Affairs and Administration along with various Heads of the Department and Faculty members marked the inauguration of the event. Prof. Dr. V. Rajendran, Principal delivered a warm welcome address motivating this type of an interdisciplinary workshop is first of its kind in the entire institution which paved way to understand of different subjects and their applications. Dr. Arun Palaniswami delivered the presidential address in which he persuaded the students to get glimpses of the fast changing world of computerization which they must be familiarized irrespective of their branch of study. The Chief Guest, Dr. Shandar Ahmad, delivered the inaugural address in which he emphasized the need for digitalization and computerization in all fields of science for the escalation of economy in global index that was indispensable. The inaugural session came to an end with a formal vote of thanks giving way for the technical sessions to spread over the stipulated time. Photographic session marked the memory of this event with all the delegates and key note speakers.

|  | <p style="text-align: center;">Dr. N.G.P. ARTS AND SCIENCE COLLEGE (An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore) Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2nd Cycle) Dr. N.G.P. – Kalapatti Road, Coimbatore-641048, Tamil Nadu, India Web: www.drngpasc.ac.in Email: info@drngpasc.ac.in Phone: +91-422-2369100</p> | <p style="text-align: center;">NAAC 3rd Cycle Criterion III Metric 3.3.2</p> |
|---|---|--|

With these few thoughts, the technical session began with Dr. Shandar Ahmad who addressed the students by his scintillating keynote address. He appraised on the topic Doing Biology with Data Analytics and Machine Learning and the need for learning the principles of machine language and algorithm which will help in deep understanding on how the machine searches for patterns of similarity.

The session dispersed for lunch and was continued after the break. Post lunch session was yet another mind boggling lecture by eminent speaker Dr. Athi N. Naganathan (IIT Madras), Chennai who has covered on the topic, Folding Pathway Heterogeneity in Proteins: Compressing a Multi-Dimensional Landscape into Two Dimensions. He made the students ponder over the vast arena of bioscience and computer technology that could be used from grassroots level to higher level of applications. He threw light on the different kinds of research which could be taken up by students of different caliber to enrich their skills. The day ended with tea break and was continued by a new set of speakers with interesting topics on the next day.

The second day of this two-day workshop opened doors started with Dr. N. Srinivasan from Indian Institute of Science, Bangalore, who shared his views on the topic “Bridging the Islands of Protein Families in Sequence Space Using Artificial Sequences”. He is a Bhatnagar awardee who has a very rich experience in protein studies and encouraged students to take up bioinformatics in the future as a new stream of work along with wet lab experiments. He threw light on affirming as a practical and realistic extension that we demonstrate protein-like sequences which can be “plugged-into” routine and generic sequence database searches to empower not only remote homology detection but also fold recognition. He reported that their richly statistically supported findings show that complementary searches in both databases will increase the effectiveness of sequence-based searches in recognizing all homologues sharing a common fold.

Then the session followed with Dr. R. Sowdhamini, Professor, National Centre for Biological Sciences, Bangalore, who explored on the topic “Searching for Sequence Homologues in the Protein Sequence Space Using Computational Algorithms”. She reiterated the point that domains are the basic building blocks of proteins which can combine to give rise to different combinations of domain architectures. Ascribing a biological context to domains in a protein was the first step towards understanding its biological function. She even discussed some of the attempts in her lab to bridge the gap between protein sequence and structural space.

Dr. N.G.P. ARTS AND SCIENCE COLLEGE

(An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore)
Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2nd Cycle)

Criterion III
Metric 3.3.2

Finally the session was taken over by the last and fifth speaker Dr. Ranjith Kumavath, Assistant Professor (Selection Grade) from Central University of Kerala, Kasargod, Kerala who lectured on High-Throughput Metagenomic Data Reveals the Prevalence of ARGs and HMRGs in Mangrove Ecosystem. He highlighted on computational approach of multi-pronged sequence searches which were carried out to recognize remote homologues within genomes. The distribution of remote homologues across different protein structural classes, folds and super families were discussed.

Therefore this workshop was enlightened with the discussions about the recent trends in Big Data, Challenges, Issues, Computational Tools, Data Management and Future Trends within life sciences which was and will be highly beneficial for the students of life sciences. The students came up with various questions which was very interactive as to how they could bridge the gap between the data analytics and the biological sciences. Some participants even requested for training programs which would help them understand the concept better and they can take it forward from there onwards.

The workshop was conducted by collecting a nominal fee of Rs. 350 from students, Rs. 600 from research scholars and Rs. 1000 from industrialists was utilized for refreshments, lunch and workshop kit along with participation certificates. The beneficiaries of this workshop were students from the host institution, other allied science group students and staff members. To name a few Lady Dock College - Madurai, Nanda College of Arts and Science - Erode, Kongu Arts and Science – Erode, Hindustan College of Arts and Science – Coimbatore, PSG college of Arts and Science - Coimbatore, PSGR Krishnammal College for Women – Coimbatore, Karpagam college of Arts and Science - Coimbatore and few more. Also some college students were accompanied by staff members who wanted to understand the key role of an excellent feedback that was obtained from the participants since they said this type of interdisciplinary workshop was first of its kind with computer technology and biotechnology. Students, staff and other participants were acknowledged for their presence with a participating certificate which was received by all departments.

The valedictory function marked the end of the event where the Chief Guest was Dr. N. Srinivasan and the Guests of Honour were Dr. R. Sowdhamini and Dr. Ranjith Kumavath. The Principal, Prof. Dr. V. Rajendran delivered the welcome address followed by the valedictory address by the Chief Guest Dr. N. Srinivasan. There was an interactive feedback session from the participants who gave a positive response saying it was informative and useful. Also, they realized the new avenue which could be created by linking the two different ideologies of bioscience and data analytics.

NATIONAL WORKSHOP ON DATA ANALYTICS AND ITS APPLICATIONS IN BIOTECHNOLOGY
(Sponsored by DBT, New Delhi)
February 14-15, 2019

Organized by
Department of Computer Technology & Biotechnology

Dr. N.G.P. Arts and Science College (Autonomous)
Approved by Government of Tamil Nadu &
Affiliated to Bharathiar University
Not Accredited by NAAC with 'A' Grade / DBT Star Scheme
Dr. N.G.P. – Kalapatti Road, Coimbatore

ABOUT THE COLLEGE

Dr. N.G.P. Arts and Science College (Autonomous), established in the year 1997. The continuous and consistent efforts of the Management along with dedicated staff members have led the Institution to achieve accolades in Higher Education. The state-of-the-art facilities established across all disciplines of Science, Commerce, Management and Humanities have paved way for rendering quality higher education which is proven through 91st Ranking in NIRF and A Grade by NAAC Re-accreditation.

ORGANIZING DEPARTMENTS

The Faculty of Computer Science has five Departments (CS, CA, IT, CT & PG - Research). Totally, 1600 students were pursuing their studies in different disciplines. Each discipline is progressed with well-qualified faculty members and fully equipped computer laboratories with high bandwidth of internet connection. The vision is to provide students with the best opportunities and environment for quality education with pro-fessional competencies for life and career skills and the mission is to provide extensive knowledge and enhance the students towards the challenging environment.

The Bioscience faculty constitutes major Departments (PG - Research Department of Biotechnology, BC, MB, NGS, and CLT). Totally close to 1000 students are scattered over the above life science disciplines. It provides a good platform for the budding biotechnologists with excellent infrastructure & instrumentation facilities equipped with well-qualified staff with varied specializations of biotechnology. The above departments except CLT has been recognized under the DBT STAR College scheme which is unique of its kind adding more credits to the college.

OBJECTIVES

The objectives of the workshop is to enable the students, researchers, academicians and industry fraternity to focus on the ever growing volume and diversity of life science data collections. The workshop is organized in an interdisciplinary manner to bring together leading scientists, researchers academicians and industrialists working on a diverse range of Data Analytics and its Applications in Biotechnology to engage them in a discussion about recent trends in Big Data challenges, issues, computational tools, data management and future trends within life sciences.

TOPICS TO BE COVERED

Expert from Reputed Academics and Research Institution as, JNC, IIT, IISc, IIT, NCBS, PSG Tech, and Central University of Kerala on topics as,

- Doing biology with data analytics and machine learning
- Folding Pathway Heterogeneity in Proteins: Compressing a Multi-Dimensional Landscape in to two Dimensions
- High-Throughput Metagenomic Data Reveals the Prevalence of ARGs and HMRGs in Mangrove Ecosystem
- Searching for sequence homologues in the protein sequence space using computational algorithms
- Bridging the islands of protein families in sequence space using artificial sequences
- AI/ML and Deep Learning
- Massive Graph Analytics in Biotechnology

SPONSORSHIP

DBT-CITEP (Conference, Travel, Exhibition and Popular Lectures), New Delhi.

REGISTRATION

Registration kit and lunch will be provided to all delegates. A maximum of 150 participants are permissible on first come first serve basis. Accommodation will be arranged for faculty and students on request (payment basis). Download Registration Form available at, www.drngpsc.ac.in

PARTICIPANTS

| | |
|----------------------------------|----------|
| Students (UG & PG) | ₹ 350/- |
| Academicians / Research Scholars | ₹ 600/- |
| Industrial Delegate | ₹ 1000/- |

The participants are requested to send the duly filled in registration form along with the prescribed fee by NEFT / IMPS / DD. DD should be drawn in the favor of NGP-CS, Dr. N.G.P. Arts and Science College payable at Coimbatore.

ELIGIBILITY

Graduates, Post Graduates, Research Scholars, Industrialists in Computer Science and Life Science disciplines are eligible to participate in this workshop.

IMPORTANT DATES

The duly filled registration along with Payment Details / DD (original) should reach us on or before 06.02.2019.

Programme Schedule

DAY - 1 14.02.2019 (Thursday)

Forenoon 08.30 – 09.45 a.m. Registration
10.00 – 11.00 a.m. INAUGURATION - Prof. Dr. Shaukat Ahmad
11.00 – 11.15 a.m. Tea Break
11.15 – 01.00 p.m. Lecture I - Prof. Dr. Shaukat Ahmad
Biochemical / Chemical and Drug Target databases in Drug Discovery
01.00 – 01.45 p.m. Lunch

Afternoon 01.45 – 03.15 p.m. Lecture II - Prof. Dr. Arithi N. Nagesanathan
Folding Pathway Heterogeneity in Proteins: Compressing a Multi-Dimensional Landscape in to Two Dimensions
03.15 – 03.30 p.m. Tea Break
03.30 – 05.00 p.m. Lecture III - Prof. Dr. S. Laveyn Rana
ANNs and Deep Learning

DAY - 2 15.02.2019 (Friday)

Forenoon 09.15 – 10.45 a.m. Lecture IV - Prof. Dr. N. Srinivasan
Bridging the Islands of protein families in sequence space using artificial sequences
10.45 – 11.00 a.m. Tea Break
11.00 – 12.45 p.m. Lecture V - Prof. Dr. R. Sundharani
Searching for sequence homologues in the protein sequence space using computational algorithms
12.45 – 01.30 p.m. Lunch

Afternoon 01.30 – 02.45 p.m. Lecture VI - Prof. Dr. P. S. Sridharan
Machine Graph Analysis in Biotechnology
02.45 – 04.00 p.m. Lecture VII - Prof. Dr. Sanjith Kumarath
High-Throughput Metagenomics Data Reveals the Prevalence of ARGs and DMRGs in Biosphere Ecosystem
04.00 – 04.30 p.m. VALEDICTORY FUNCTION - Prof. Dr. N. Srinivasan

4. Please feel free to provide further comments / suggestions on the Workshop as a whole:

Since we expected much of contents relating to our field, we didn't get much relevant to our field of interest "Data Analytics". Overall, it was good, we got an opportunity to extend our knowledge in life sciences.

Thank you for taking part in the Workshop

Sir / Madam,

Subject: Submission of application for the partial financial assistance to conduct the National Workshop – Reg.

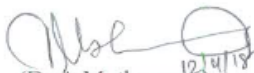

Greetings from Dr.N.G.P. Arts and Science College, Coimbatore.

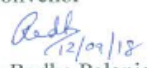

We are pleased to submit the duly filled application to organize National Workshop on
“Data Analytics and Its Applications in Biotechnology” at our campus during
February 14-15, 2019. We are pleased to provide you any further information is required.

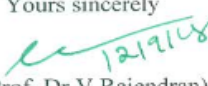

Looking for your positive reply.

Thanking you

Yours sincerely

(Dr.A.Muthusamy)

Report on “R programming for Biologists”

➤ Description about the program:

R Programming is an important programming language which widely available open source software of the upcoming technology. The Students from various departments of bioscience were actively participated and gained knowledge on the basic of R Programming language.09,2019. The participants has gained knowledge about R Programming language which has been widely used by Scientists, Statisticians & Data Scientist. R Programming is open source software which is available for all Oss.

➤ Outcome of the Event:

- Students learned about the basic knowledge about R programming language.
- Students learned about issues specific to Computational Biology (e.g. Bioconductor packages)
- The participants were trained in Basic R programming features like Assign 2 vector and use arithmetic operator, Create a vector of the positive odd integers less than 100, Extraction of elements in a vector etc.

Tamil Nadu Agricultural University - Agricultural Engineering College and Research Institute, Coimbatore - Physical Sciences and Information Technology Faculty Profile

| | |
|---|---|
|  | Dr. Paril Santosh Ganapati Assistant Professor (Appl. Statistics), Physical Sciences and IT |
| Address | Dept. of Physical Science and IT, AECS & RL, TNAU, Coimbatore-641 003. |
| Email ID | parilganapati@tnau.ac.in |
| Phone No. | 9386410641 |
| Area of Specialization | Design of experiment, Regression and time series analysis |
| Years of Experience | 5 Years |
| Books (ISBN) | 0 |
| Books Chapter (ISBN) | 3 |
| Books (CA&CFT without ISBN) | |
| Book (Chapter without ISBN) | |
| Research articles- International | 5 |
| Research articles- National | 15 |
| Research notes | |
| Conference/Seminar/Symposium papers | |
| Poster papers | |
| Manuals – Teaching/training/course | 15 |
| Popular articles/pamphlets/etc | |

Curriculum Vitae

| | |
|-----------------------------|---|
| Name | : A.Loganathan |
| Date of Birth | : 25-05-1962 |
| Nationality | : Indian |
| Educational Qualifications | : (i) M.Sc., in Statistics, University of Madras, Chennai, 1984. (ii) Ph.D., in Statistics, Annamalai University, Annamalai Nagar, 1992. |
| Name of the Employer | : Manonmaniam Sundaranar University, Tirunelveli 627 012. |
| Designation | : Professor in Statistics |
| e-mail address | : aln_24@rediffmail.com |
| Permanent Address | : A.Loganathan, 7/15 Raja Street Kondalampatty, Salem - 636 010. |
| Address for Correspondence | : Department of Statistics Manonmaniam Sundaranar University Tirunelveli - 627 012. Tamil Nadu. |
| Teaching Experience | : 27 years |
| Research Guidance | : <u>No. of Candidates under Ph.D., Program in Statistics</u> (Details are given in Annexure-VI) Degree Awarded: 08 In Progress: 03 Thesis Submitted: 02 <u>No. of Candidates under M.Phil., Program in Statistics</u> (Details are given in Annexure-VII) Degree Awarded: 17 In Progress: 00 |
| Area of Specialization | : Bayesian Inference in Finite Mixture Distributions |
| Fields of Research Interest | : Finite Mixture Distributions, Acceptance Sampling Plans, Life Testing and Reliability Theory, Cluster Analysis |
| Number of Publications | : 57 (details are given in Annexure-I) |

ABOUT Dr. NGP ASC

Dr. N. G. P. Arts and Science College is an institution of Kovai Medical Center Research and Educational Trust (KMCRET). It was established in 1997 and governed by Dr. Nalla G. Palaniswami, Chairman and Dr. Thavamani D. Palaniswami, Secretary. Our objective is to provide quality education, training and research facilities to the students of our nation. The institution has grown in all its splendor and grace with the great enthusiasm and support of the Management.

DEPARTMENT OF MATHEMATICS

The department of Mathematics began its journey with an Under Graduate course in 2003 and was upgraded to the Post Graduate level in 2006 and now it stands as a full-fledged department with the introduction of research programmes. The department aims at giving students a strong foundation in the basics and motivating them towards specializations for research activities.

NCASBS - 19

The conference provides a common platform for researchers, academicians, corporate people, professionals and students to share their research experience involved in statistical and biological theory and practice. The goal of the conference is to provide participants with opportunities to learn new statistical methodologies and best practices in statistical analysis, design and statistical programming.

OBJECTIVES

To introduce recent research methods and statistical analyses in the field of health sciences. This conference aims to integrate theory and applications of statistics and biostatistics.

- > To serve as a platform for knowledge and information interchange between the experts from academic and industrial sectors.
- > To identify potential collaborators among the participants.

CONFERENCE HIGHLIGHTS

- > Fundamentals and Applications of Biostatistics.
- > Statistics For Biosciences.
- > Use of Statistical tools in Biological Sciences.
- > Study designs and research methods in Statistics.
- > Future of Statisticians in Bioscience.
- > Ethical issues in Biostatistical research.

REGISTRATION FEE

Students (UG & PG) Rs: 400/-
Academicians/ Research Scholars Rs: 600/-

The Registration Fee covers the Conference kit, refreshment and lunch during the conference days. The interested participants/faculty members/students can send only duly registration along with DD to Department of mathematics, Dr.N.G.P. Arts and Science College, Coimbatore.

BANK ACCOUNT DETAILS

Account Name : Department of Mathematics
Dr.N.G.P. Arts and Science
College, Coimbatore
Account Number : 873948767
Name of the bank : Indian Bank
Branch : Kalapatti - 641048
IFSC Code : IDIB000K173

ELIGIBILITY

Graduates, Post Graduates, Research Scholars, Academicians and Life Science discipline are eligible to participate in this conference.

IMPORTANT DATES

The duly filled registration along with payment details / DD (original) should reach us on or before 04.02.2019

Programme Schedule

DAY - 1 07.02.2019

| | | |
|-----------|------------------|--|
| Forenoon | 08.30 - 09.30 am | Registration |
| | 09.30 - 10.45 am | INAUGURATION - Prof. Dr. P. Tirupathi Rao |
| | 10.45 - 11.00 am | Tea Break |
| | 11.00 - 12.30 pm | Technical Session I - Prof. Dr. P. Tirupathi Rao Stochastic Modelling of Scaling Measures for Evaluation of Treatment Effectiveness |
| | | Lunch |
| Afternoon | 12.30 - 01.30 pm | Technical Session II - Prof. Dr. Patil Santosh Ganapati Applications of Statistics in Life Sciences |
| | 01.30 - 03.00 pm | Tea Break |
| | 03.00 - 03.15 pm | Paper presentation |
| | 03.15 - 04.15 pm | |
| | | |

DAY - 2 08.02.2019

| | | |
|-----------|------------------|---|
| Forenoon | 09.30 - 11.00 am | Technical Session III - Prof. Dr. G.Nanjundan Characterization of Zero - Inflated Continuous Distributions |
| | 11.00 - 11.15 am | Tea Break |
| | 11.15 - 12.45 pm | Technical Session IV - Dr. Sahana Prasad Use of Statistical tools in Biological Sciences |
| Afternoon | 12.45 - 01.45 pm | Lunch |
| | 01.45 - 03.00 pm | Technical Session V - Dr. A. Loganathan Regression Models in Biological Research |
| | 03.00 - 03.15 pm | Tea Break |
| | 03.15 - 04.15 pm | VALEDICTORY FUNCTION |

Feedback from the Students:

- The conference is fantastic, thanks so much for all your thoughtful and effective organization.” “I am always impressed with the commitment and efficiency of those who plan this conference.” “I really enjoyed my time at the conference. I am looking forward to next year's conference
- Very systematic, organized, insightful and inspiration, as always. Thank you!
- The conference is intensive work in doing critical thinking, not just reading about it.
- Very helpful, just what I needed!

Report on “National Hands on Workshop on Finite Element Methods for Beginners and Engineers”

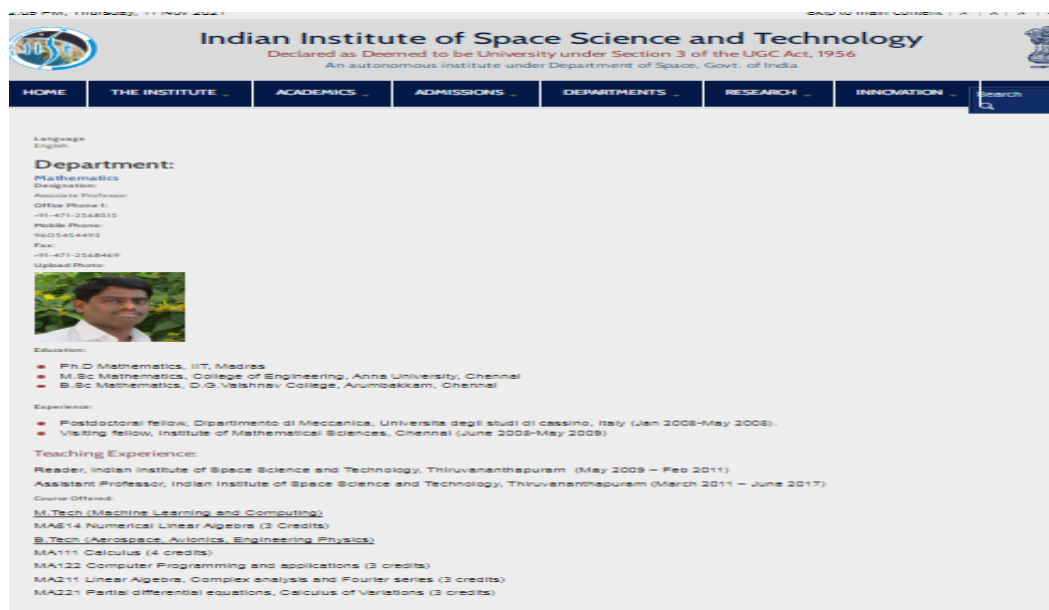

Preamble:

A finite element method (abbreviated as FEM) is a numerical technique to obtain an approximate solution to a class of problems governed by elliptic partial differential equations. Such problems are called as boundary value problems as they consist of a partial differential equation and the boundary conditions. Dr. E. Natarajan Associate Professor, Department of Mathematics Indian Institute of space science and Technology, Thiruvananthapuram acted as a resource person.

Participant’s Profile:

A total of 40 Students were participated in this workshop

Resource person Profile:

The screenshot shows the official website of the Indian Institute of Space Science and Technology. The header includes the institute's name and its status as an autonomous institution under the Department of Space, Govt. of India. The navigation menu includes Home, The Institute, Academics, Admissions, Departments, Research, and Innovation. The main content area displays the profile of a faculty member in the Department of Mathematics. The profile includes the following details:

- Department:** Mathematics
- Designation:** Associate Professor
- Office Phone:** +91-471-2568515
- Mobile Phone:** 9605454493
- Fax:** +91-471-2568466
- Upload Photo:** (A small portrait photo of Dr. E. Natarajan is visible)
- Education:**
 - Ph.D Mathematics, IIT, Madras
 - M.Sc Mathematics, College of Engineering, Anna University, Chennai
 - B.Sc Mathematics, C.G.Vasanthar College, Arumbakkam, Chennai
- Experience:**
 - Postdoctoral fellow, Dipartimento di Meccanica, Università degli studi di cassino, Italy (Jan 2008-May 2008).
 - Visiting fellow, Institute of Mathematical Sciences, Chennai (June 2008-May 2009).
- Teaching Experience:**
 - Reader, Indian Institute of Space Science and Technology, Thiruvananthapuram (May 2009 – Feb 2011)
 - Assistant Professor, Indian Institute of Space Science and Technology, Thiruvananthapuram (March 2011 – June 2017)
- Course Offered:**
 - M.Tech (Machine Learning and Computing)
 - MA614 Numerical Linear Algebra (3 Credits)
 - B.Tech (Aerospace, Avionics, Engineering Physics)
 - MA111 Calculus (4 credits)
 - MA122 Computer Programming and applications (3 credits)
 - MA211 Linear Algebra, Complex analysis and Fourier series (3 credits)
 - MA221 Partial differential equations, Calculus of variations (3 credits)

Description about the program:

Basic knowledge of FEA and its types:

- The FEA is a numerical procedure for analyzing structure of complicated shapes, which otherwise would be difficult to solve by classical analytical methods. It works on the principle of divide and rule, that is, it transforms a physical system having infinite unknowns into small finite elements having finite number of unknowns. The unknown are called “Degree of freedom”, and they represent the response to applied actions.
- The finite element method (FEM) is a numerical technique for finding approximate solutions to boundary value problems for partial differential equations. It is also referred to as finite element analysis (FEA). He had also discussed about MATLAB software as well as its equivalent free downloadable software.

Topics (Session wise):

Day 1

Session 1: Introduction of Finite element method for one-dimensional problem, Variational formulation and Finite element approximation, Numerical treatment of boundary value problem with mixed and non-homogeneous boundary condition, Linear and quadratic shape functions, Assembly of stiffness and mass matrix.

Session 2: Hands on development of Finite element solver for a general two-point boundary value problem.

Session 3: Solving Linear systems, Direct and Iterative methods, Jacobi, Gauss-Seidel, Conjugate gradient method, Pre-conditioners.

Session 4: Hands on development of solvers for linear systems arising from finite element method.

Day 2

Session 1: Triangulation and Mesh parameters, FEM for 2D Poisson equation, Variational formulation, Piecewise shape functions for triangles and quadrilaterals.

Session 2: Transforms, shape functions and quadrature formulas, Error calculation.

|---|--|---|
|  | <p align="center">Dr. N.G.P. ARTS AND SCIENCE COLLEGE (An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore) Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2nd Cycle) Dr. N.G.P. – Kalapatti Road, Coimbatore-641048, Tamil Nadu, India Web: www.drngpasc.ac.in Email: info@drngpasc.ac.in Phone: +91-422-2369100</p> | <p align="center">NAAC 3rd Cycle Criterion III Metric 3.3.2</p> |
|---|--|---|

Session 3: Hands on development of mesh generation, Quadrature and numerical integration.

Session 4: Hands on development of evaluation of stiffness and mass matrices .

Outcome of the program:

After attending this workshop, the participants got the idea about

- Defining engineering problem, developing an approach to research problem and selection of suitable FEA Domain.
- Solving engineering situations analytically, drawn from aero/auto domains
- Improves creativity, that is required by concept designers
- Visualization problems based on logic, process, geometries, etc

ABOUT THE COLLEGE

Dr. N. G. P. Arts and Science College is an institution of Kovai Medical Center Research and Educational Trust (KMCRET). It was established in 1997 and governed by Dr. Nalla G. Palaniswami, Chairman and Dr. Thavamani D. Palaniswami, Secretary. Our objective is to provide quality education, training and research facilities to the students of our nation. The institution has grown in all its splendor and grace with the great enthusiasm and support of the Management.

ABOUT THE DEPARTMENT

The department of Mathematics began its journey with an Under Graduate course in 2003 and was upgraded to the Post Graduate level in 2006 and now it stands as a full-fledged department with the introduction of research programmes. The department aims at giving students a strong foundation in the basics and motivating them towards specializations for research activities.

ABOUT THE WORKSHOP

Many physical phenomena in engineering and science can be described in terms of partial differential equations. In general, solving these equations by classical analytical methods for arbitrary shapes and boundary conditions is almost impossible. The finite element method (FEM) is a tool which is used to solve a differential equations of the above type. This method is a general method of finding the approximate solution for the problems in science and engineering. Speakers will provide a physical concept of the structural problem, the generalization and applications of the method which can be grasped easily.

OBJECTIVES

Through this workshop, basic introductory topics in finite element method are introduced to the participants by instructive illustrations. To provide a physical concept of the structural problem, the generalization and applications of the method which can be grasped easily. To provide opportunity to the students and faculty to learn, seek/share knowledge and experience the advantage of applying the finite elements in real word problems through the case studies.

Topics to be discussed

- Basic Procedure of FEM
- Introduction to MATLAB
- Introduction to Solution of Practical FEM
- Problems Using MATLAB
- Applications to Fluid Flow Problems
- Application to Heat Transfer and Other Types of Engineering Mechanics Problems
- Solution of Fluid Mechanics and Heat Transfer Problems Using MATLAB
- Q&A

RESOURCE PERSONS

Dr. E. Natarajan
Associate Professor
Department of Mathematics
Indian Institute of Space
Science and Technology
Thiruvananthapuram, Kerala

Dr. M. Sankar
Professor
Department of Mathematics
Presidency University
Bengaluru, Karnataka

REGISTRATION

The Registration Fee for the workshop is Rs.500/- which covers the workshop kit, refreshment and lunch during the workshop days only. The number of participants is limited to 50. Those who are interested can register their details in the prescribed format on or before December 17, 2018. The selected participants will be intimated through the mail to ngpmaths@gmail.com. The selected participants must pay the prescribed fees within 3 days from the intimation of their selection.

ELIGIBILITY

Post graduate students, research scholars and academicians from educational institutions

IMPORTANT DATES

Last date for registration along with DD is 17.12.2018.

SPONSORSHIP

This workshop is partially supported by Council of Scientific & Industrial Research (CSIR) New Delhi.

Report on “Workshop on R-Walk through for Data Analytics”

Nature of the Event: Workshop

Title of the Event: Workshop on R-Walk through for Data Analytics

Category:

| Research Methodology | Intellectual Property Rights | Skill development | Entrepreneur development |
|----------------------|------------------------------|-------------------|--------------------------|
| ✓ | | | |

Date of the event: 08.09.2018

Name and Designation of Resource Person:

Dr. V. Bhuvaneshwari, Assistant Professor, Department of computer Applications, Bharathiar University, Coimbatore.

Number of Participants: 55

Report on “R-Walk through for Data Analytics”

Preamble:

R analytics (or R programming language) is free, open-source software used for all kinds of data science, statistics, and visualization projects. R also allows you to build and run statistical models using Sisense data, automatically updating this as new information flows into the model. Dr. V. Bhuvaneshwari, Assistant Professor, and Department of computer Applications, Bharathiar University acted as a Resource person.

Participant’s Profile:

A total of 55 Students were participated in the workshop.

Resource person Profile:

Description about the program:

R is a programming language and free software environment for statistical computing and graphics supported by the R Core Team and the R Foundation for Statistical Computing. It is widely used among statisticians and data miners for developing statistical software and data analysis. This covers the following topics,

- Expand R by installing R packages
- Explore and understand how to use the R documentation
- Read Structured Data into R from various sources
- Understand the different data types in R
- Understand the different data structures in R

| | | |
|---|--|---|
|  | <p align="center">Dr. N.G.P. ARTS AND SCIENCE COLLEGE (An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore) Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2nd Cycle) Dr. N.G.P. – Kalapatti Road, Coimbatore-641048, Tamil Nadu, India Web: www.drngpasc.ac.in Email: info@drngpasc.ac.in Phone: +91-422-2369100</p> | <p align="center">NAAC 3rd Cycle Criterion III Metric 3.3.2</p> |
|---|--|---|

- Understand how to create and manipulate dates in R
- Write user-defined R functions
- Use control statements
- Write Loop constructs in R
- Perform merge operations with R
- Understand split-apply-combine (group-wise operations) in R
- Identify and deal with missing data
- Manipulate strings in R
- Understand confounding and adjustment in multivariate models

Outcomes of the Program:

After the successful completion of this module, students will be able to:

- Install, Code and Use R Programming Language in R Studio IDE to perform basic tasks on Vectors, Matrices and Data frames.
- Describe key terminologies, concepts and techniques employed in Statistical Analysis.
- Define, Calculate, Implement Probability and Probability Distributions to solve a wide variety of problems.
- Conduct and Interpret a variety of Hypothesis Tests to aid Decision Making.
- Understand, Analyse, Interpret Correlation and Regression to analyse the underlying relationships between different variables.

|----------------------|------------------------------|-------------------|--------------------------|
| ✓ | | | |

Date: 10.08.2018 & 11.08.2018

Preamble:

Since the students should understand the recent development in biochemistry, a Lecture workshop on Recent advances in biochemistry has been organized on 10.08.2018 & 11.08.2018.

Participant's Profile:

A total of 170 Students were participated in the lecture workshop.

Resource person Profile:

Professor V Raghavan, Associate Professor in the Department of Computer Science and Automation at Indian Institute of Science, Bangalore. Sir is doing research and building advanced tools to support software development, verification, testing, and maintenance. He is well specialized in building tools for analysis and evolution of computer programs and systems. Building support infrastructure for upcoming programming technologies. Professor R. Ramaraj FNA., FASc., FNASc., Professor of Eminence and DAE Raja Ramanna Fellow(Professor & Head (Retd), Department of Physical Chemistry, Madurai Kamaraj University, Madurai. Sir has

published nearly 170 Research papers in where he is specialized in Photoelectrochemistry, Solar Energy Conversion, Catalysis and Nanomaterials. Professor V Rajendran, Professor & Principal, Dr.N.G.P Arts and Science College, Coimbatore started the session on “Introduction to Nanoscience and Technology”. Dr.V. Rajendran has made outstanding and innovative contributions both in on-line ultrasonic materials characterization and in nanotechnology. An interdisciplinary department/Centre on Nano Science & Technology was established by him at KSR College of Technology & it currently offers B.Tech.,M.Tech. & Ph.D. programs. Professor P Rangarajan ,Ph.D, Indian Institute of Science, Bangalore, India. He did the Post-doctoral research in Salk Institute, San Diego, California, USA. He is known for his research on eukaryotic gene expression, elected as a fellow of all the three major Indian science academies viz. National Academy of Sciences, India, Indian Academy of Sciences and Indian National Science Academy. The Council of Scientific and Industrial Research, the apex agency of the Government of India for scientific research, awarded him the Shanti SwarupBhatnagar Prize for Science and Technology, one of the highest Indian science awards for his contributions to Medical Sciences in 2007.

Description about the program:

- Department of Biochemistry in connection with Biozenith Association, Dr. N.G.P. Arts and Science College, Coimbatore organized a workshop on Recent Advances in Biochemistry on 10 & 11 August ,2018. The first session was on the topic ‘Protein Stabilization through Consensus sequence design’. The resource person for the session was Professor Dr. V.Raghavan, Associate Professor, Department of Computer Science and Automation at Indian Institute of Science, Bangalore who is doing research and building advanced tools to support software development, verification, testing, and maintenance. He started the session with the quick overview of how the sequence design is done. He gave a brief elucidation about the protein stabilization for the current technologies. The next session was Applications of Nanoscience and Nanotechnology in Biology. The resource person was Professor R. Ramaraj ,Professor of Eminence and DAE Raja Ramanna Fellow(Professor & Head (Retd), Department of Physical Chemistry, Madurai Kamaraj University, Madurai. He introduced the wider applications and research methodologies of Nanotechnology in the session. The following session was Design of broadly protective influenza vaccines. The speaker was Professor V Raghavan from IISC Bangalore.
- After completing protein stabilization he then addressed about the protective vaccines of influenza like how the process of design takes place. Following this Professor V. Rajendran, Professor & Principal, Dr.N.G.P Arts and Science College, Coimbatore started

the session on the topic “Introduction to Nanoscience and Technology”. Dr.V. Rajendran has made outstanding and innovative contributions both in on-line ultrasonic materials characterization and in nanotechnology. He gave an extensive introduction about Nanoscience technologies using for industrial purposes. After the interaction session with the resource persons had took place. He clarified the queries of the students. They made it as an essential session. The next day first session was taken over by Professor P Rangarajan, Ph.D, Indian Institute of Science, Bangalore, India on 11 August 2018. The next topic was Development and Commercialization of an Indigenous Vaccine: The IISC Experience. This session was followed by Professor R Ramaraj from Madurai Kamaraj University continued his session on the topic Applications of Nanotechnology in Bio sensing. The main objective of this session was the usage of sensors in nanotechnology. Next Professor P Rangarajan gave his speech on the topic Species- Specific, dual regulatory role of a yeast protein. The final session was done by Professor V.Rajendran on the topic entitled Nano- bioactive materials for biomedical applications”. Then the interaction session has occurred. The resource persons had covered almost every possible aspect on their topics. It had turned out to be the best ever session in the student community.

Outcome of the event

- The participants understood the concepts of Protein Stabilization through Consensus sequence design
- The student learnt the applications of Nanoscience and Nanotechnology in Biology
- The participants got the knowledge of protective vaccines of influenza
- The participants got the knowledge of applications of Nanotechnology in Biosensing
- The participants learnt about how Nano- bioactive materials used for biomedical applications

Venue: Kanbar Aanganam Time: 09:00am

Dear Colleagues, Researchers and Students,

With great pleasure and pride, we invite you for the Science Academies Lecture workshop on "Recent Advances in Biochemistry" scheduled for 10th-11th August 2018. Prior registration is necessary, and we can offer accommodation for out station participants in the student hostel at nominal cost. The last date for request is 10.08.2018.

Our Institution

KMCRET Foundation has given many state of the art medical and educational institutions to Coimbatore in their Nation building endeavor. One of them, Dr. N.G.P. Arts and Science College started in 1997 provides quality education in arts and science subjects. It has state of the art research facilities to cater to the rural Indian students from this part of the country. The college augments human resources through many student centered training programmes. The college has necessary infrastructure and faculty re-accredited with 'A' grade by NAAC in 2016, and is granted with 21, 12B status by UGC, an autonomous status (since 2015).

Department of Biochemistry

The Department of Biochemistry started in the year 1997 has so far offered 660 undergraduate, 450 postgraduate, 80 M.Phil and 20 Ph.D students. The department is recognized by DST-FIST in 2014 for the establishment of research facility, led by DST-STAR in 2018 for enhanced undergraduate teaching. The Department has good academic record with distinguished university ranks, good number of publication at presentations at National/International journals/forums. The department has received many minor/ major projects apart to the tune of Rs. 2 crores from various local and foreign agencies such as UGC, DST, DBT, ICMR and TNSCST.

Science Academies

Indian Academy of Sciences (IASc), Bengaluru founded by Sir C.V.Raman in 1943, aims at promoting the progress in pure and applied sciences. Its major activities include recognition of scientific talents, publishing scientific articles in their journals and special volumes, and overall improvement of science education and scientific atmosphere in the country. As part of their science education programmes, select three academies viz. Indian Academy of Sciences (IASc), Bengaluru, Indian National Science Academy (INSA), New Delhi and the National Academy of Sciences (NASI), Allahabad organize workshops and training programmes for the improvement of science education in the Universities and colleges throughout the country.

The Department of Biochemistry of Dr. N.G.P. Arts and Science College, Coimbatore, thus on behalf of these academies hosts a two days Lecture workshop on "Recent Advances in Biochemistry" from 10th-11th August 2018. This lecture workshop is meant to inspire the younger generations of teachers and students to undertake research in modern and frontier areas of biological sciences.

About the Lecture Workshop

Advances in biochemistry directly influence medicine and the field of human health. The field of biochemistry is constantly changing with new discoveries being made all the time. This topic covers a range of advances in the field of biochemistry, including new research techniques and methods, a classification system, new research, and more. The purpose of the workshop is to make an objective appraisal of the current status of research in India against the background of tremendous progress made in this field worldwide. It aims to bring together scientists, academicians and students of a

common platform to share recent advances in biochemistry, nano-science and technology to undertake basic and translational research in modern biology. Nano-technology has already begun to shape all walks of sciences, including biology, medicine, forensic science, environmental sciences, and national security. Experts from different fields will deliver lectures on the present scenario and future of the respective fields which will inspire the student and teaching community to upgrade their teaching and research career.

Participants/ Target Audience

Faculty, Under- and Post-graduate students and Research scholars from life Sciences are eligible to attend.

Number of participants

As the number of participants is limited to 150, selections are purely on First-come-First-Served basis.

SCIENCE ACADEMIES' EDUCATION PROGRAMME

JOINT SCIENCE EDUCATION PANEL

SEP/LW/August/2018

06 August 2018

Dr C. Venkatesan
Associate Professor
Dept. of Biochemistry
Dr N.G.P. Arts and Science College
Kalpathi Road
Coimbatore 641 048

Sub: Lecture Workshop on "Recent advances in biochemistry" at Dr N.G.P. Arts and Science College, Coimbatore during 10-11 August 2018.

Dear Dr Venkatesan,

This has reference to the letter forwarding a proposal and budget for organizing a two-day Lecture Workshop at Dr N.G.P. Arts and Science College, Coimbatore. The Joint Science Education Panel of the three Academies will be happy to sponsor and support the Lecture Workshop. We note that Prof. R. Ramaraj (MKU, Madurai) will be the Workshop Convener and that you will be the Workshop Co-ordinator.

(a) Your budget of Rs. 1,33,500/- excluding travel expenses. (Resource Persons travel expenses (i) II tier A/C train fare for persons below the age of 60 (ii) air travel by Air India only for Resource Persons over the age of 60) for 150 participants has been approved by the Science Education Panel. As per the guidelines, the ideal number of participants in a Lecture Workshop should be between 100 and 125 and in any case should not exceed 150, to maximize interaction between participants and resource persons. Please note that you have to adhere to our guidelines and the approved amount is strictly following the budget heads in the guideline.

(b) Please note that only the names of Convener and Coordinator of the Workshop should be included in brochure/invitation etc. Names of members of the management, organizing committees, patrons etc should be strictly avoided.

(c) Please ensure that the expenditure on individual items does not exceed the sanctioned BUDGET HEAD. If the actual expenditure exceeds the sanctioned budget, THE HOST INSTITUTION SHOULD TAKE CARE OF THE DIFFERENCE.

(d) Lecture Workshops are sponsored and supported by the three National Science Academies – IASc, INSA and NASI. The names of INDIAN ACADEMY OF SCIENCES (BENGALURU), INDIAN NATIONAL SCIENCE ACADEMY (NEW DELHI) and THE NATIONAL ACADEMY OF

Report on “International Conference on Research Trends in Computing Technologies (ICRTCT '18)”

Description of the event:

- International Conference on Research trends in Computing Technologies is an accomplishment of the Faculty of Computer Science Dr. N. G. P. Arts and Science College, Coimbatore. In this conference 120 were presented in different categories besides those 10 technical sessions, panel discussion and business to business sessions were conducted. ICRTCT '18 covers 10 major areas of Computer Science which are directly linked to socially useful research areas. The emerging areas like Big Data Analytics, cloud Computing, Data Mining, Artificial Intelligence, Machine Learning, Mobile Communication were discussed in the computer track sessions which directly meet the needs of society to discover patterns and useful information

Outcome of the Event: (Mention minimum three)

- Students updated with recent topics
- B2B interactions for enhancing entrepreneur skills
- Open Source tools and techniques for research development

Dr. N.G.P. ARTS AND SCIENCE COLLEGE

(An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore)
Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2nd Cycle)

Invitation/Brochure:

The brochure features a blue header with the college's logo on the left and the Computer Society of India logo on the right. The title 'International Conference on Research Trends in Computing Technologies (ICRTCT-18)' is centered in white. Below the header, the venue and date are listed: 'Venue : NGP Conference Center | Date : August 9 - 10, 2018'. The organizers are the Faculty of Computer Science (CS, CA, IT, CT & PG-Research). A large blue button with the word 'Invitation' in white script is centered. Below this is a photograph of the college's modern white building with red-tiled roofs. The footer contains the college's name, its autonomous status, and its accreditation details.

Day - 1

Parallel Sessions

August 9, 2018

Invited Speaker

Prof. Dr. V. Jeyabalaraja
Head, Computer Science & Engineering
Vellammal College of Engineering
& Technology, Chennai

Plenary Speaker

Prof. M. Prathap
Dept. of Computer Science
Wollo University
Ethiopia

Keynote Address

Prof. Dr. P. Shanmugavadivu
Head, Computer Science & Applications
The Gandhigram Rural Institute
Dindigul, Tamil Nadu, India

Day - 2

Parallel Sessions

August 10, 2018

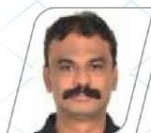

Invited Speaker

Prof. Dr. E. R. Naganathan
School of Computer Studies and
Research, Symbiosis International
University, Pune, India

Keynote Address

Prof. Dr. K. Giridhar
Head, Electrical Engineering
Indian Institute of Technology
Chennai

Invited Speaker

Prof. Dr. Balasubramanian Raman
Head, Indian Institute of Technology
Roorkee, India

Plenary Speaker

Dr. Vijender Kumar Solanki
Associate Professor
Computer Science & Engineering
CMR Institute of Technology, Hyderabad

Keynote Address

Prof. Dr. S.P. Santharaja
Dept. of CSE,
VIT University
Vellore

Keynote Address

Prof. Dr. Pushparaghavan Annamalai

Report on Workshop on “Research Tools”

Description of the event:

- To create awareness on research tools
- To promote better insight into topic
- To provide systematic structure
- To enhance the research quality

Outcome of the Event:

- Students can understand the Concept of Research
- To promote a systematic procedure to collect essential data
- To promote skill development through research

No. of days: 2 days

Description of the event:

WIPR-19, to encourage widespread awareness and understanding of the role that intellectual property plays in fostering a creative and innovative culture. To promote academic freedom and safeguard in creation of intellectual property at the Institute WIPR-19, to encourage widespread awareness and understanding of the role that intellectual property plays in fostering a creative and innovative culture. To promote academic freedom and safeguard in creation of intellectual property at the Institute

- The speaker explains legal support, wherever necessary, to defend and protect the intellectual property rights obtained by the Institute against any infringement/ unauthorized use.
- Also create an environment for acquiring new knowledge through innovation and research, compatible with the educational mission of the Institute.
- Explained raise the level of IP awareness among students and scholars.
- They ensure the release of institute's rights relating to an IP, back to the researcher where Institute decides not to pursue the opportunity for commercialization
- The session was very effective to the students.

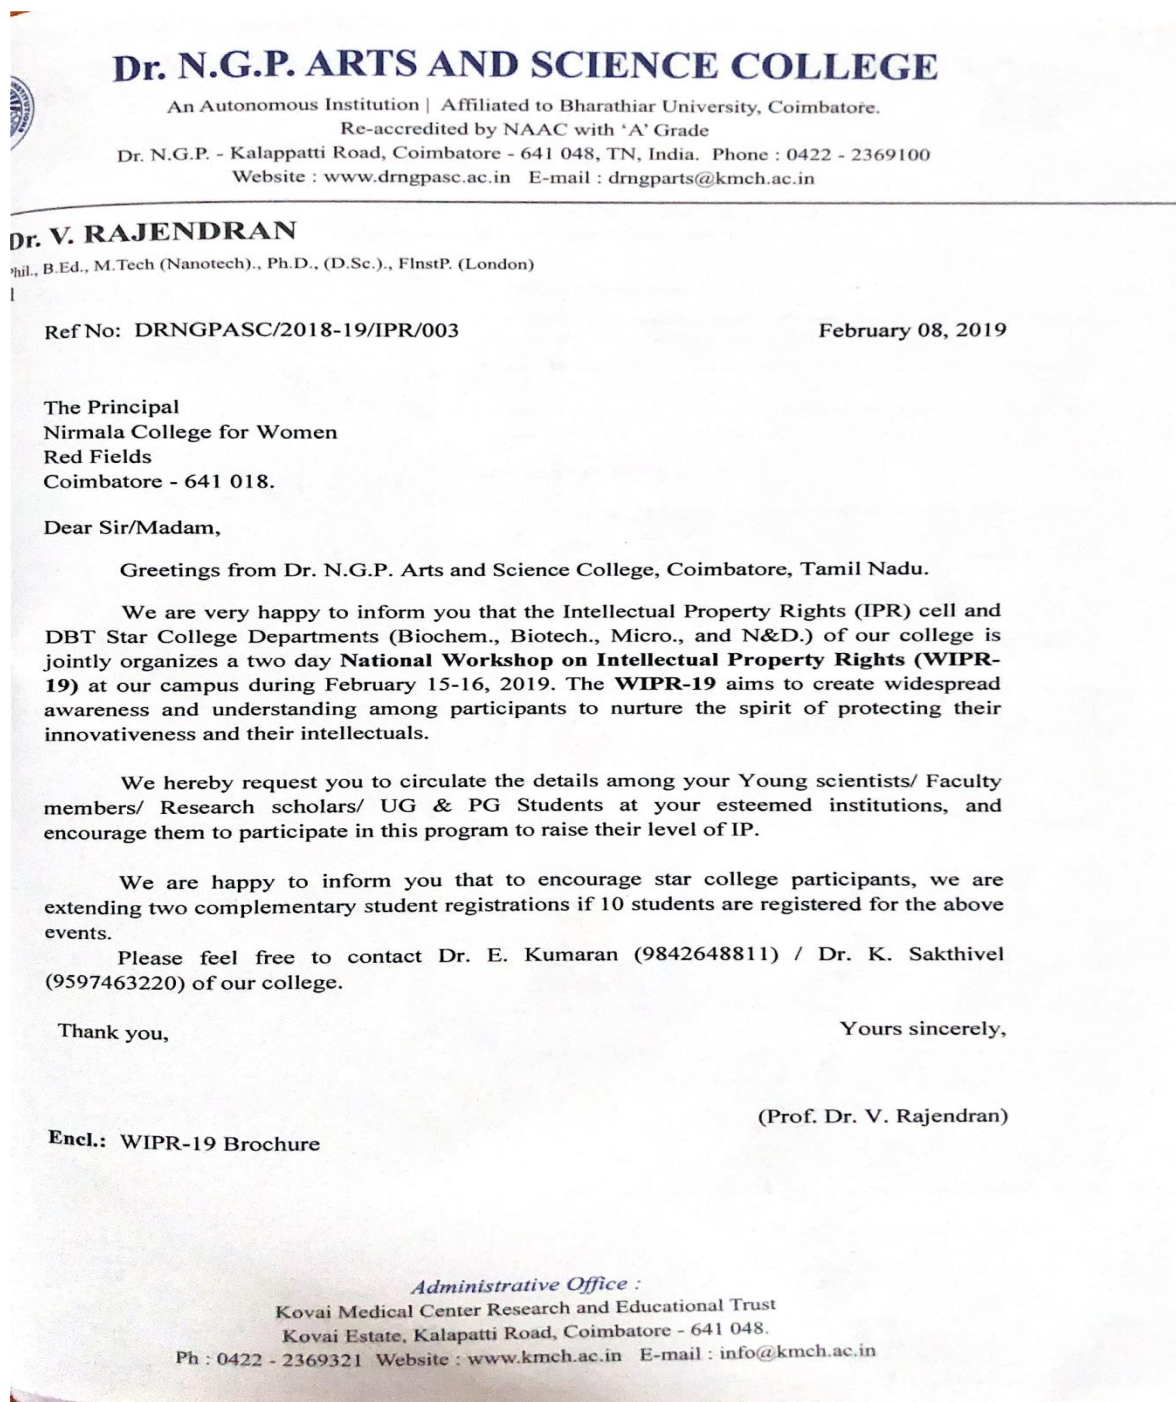

Outcome of the Event:

- Students were motivated towards emerging research areas in the Intellectual Property Rights.
- All the participants were comprehending with IP awareness among students and scholars.
- Students were understanding the types and importance of institute's rights.

FEEDBACK OF THE PROGRAMME

This expo gave us an oppowtunity to exhibit our talents by making different extended products like noodles, pasta etc using ragi, foxtail and barnyard millet. The sales went very well and the products were appreciated by everyone.

Report on “Industry Institute Partnership Conclave”

Description of the Event:

The main motto of this program is to establish cordial relationship between industry and institution. This conclave created a platform for students to interact with industry experts. It was conducted from 4th to 6th March 2019 (3 days). Twenty two (22) experts from various industries participated in this event and shared their expertise with students.

Outcome of the Event:

- Laid the platform for Knowledge exchange
- Placement, Training and Consultancy opportunity
- Motivated the students to become an entrepreneur

L&T Company Limited
Coimbatore.

Dear Sir/Madam

Greetings from Dr.NGP Family!

It is indeed with great pleasure; we cordially invite you to participate in the **Industry Institute Partnership Conclave** scheduled on March 4, 2019 at 09:30 am in our College.

This proposed assembly stems from the strong conviction that industry and academic interaction would impart much needed employability skills to our students, and in turn meet ever-changing industry demand for well-trained workforce. Such a faithful symbiotic relationship requires a careful understanding, and calibration of capabilities and limitations in both sides of this partnership.

Recognizing the above, we identified following thrust areas for interaction:

- Memorandum of Understanding (MoU)
- Experts Exchange
- Student Training and Internship
- R&D, Consultancy and Products Development
- Technological Database
- Resources Sharing
- Continuing Education Programmes (training/ refresher courses)
- Entrepreneurship Awareness Programmes
- Curriculum Enrichment

We strongly believe that this **Industry-Institute Interaction** would accrue mutual benefits when a symbiotic relationship is developed between the two systems.

DRNGPASC/ADMIN/2018-19/197 January 9, 2019

Dear Sir / Madam

Sub: Industry- Institute Partnership – Enclave – Invitation – Reg.

On behalf of the Management of Dr.N.G.P.Arts and Science College and my personal own behalf, we would like to welcome you to participate and deliver the Key note address in the forthcoming IIP enclave to be held at our campus on January 11, 2019.

Please find enclosed the brochure released from our college by inviting our final year under graduate final year and postgraduate students for their active participation.

We look forward to your august presence at our campus on January 11, 2019.

With warm regards

Prof. Dr. V. RAJENDRAN
 Principal

Report on

“Workshop on Entrepreneurship Development”

Description of the Event:

The Entrepreneurship Development Cell, Incubation and Innovation Cells have jointly organized half a day’s workshop on Entrepreneurship Development for the conveners and members on 1st December 2018. The workshop comprised of two sessions, the first talk “Entrepreneurship - an Indian perspective was given by Prof. B. Narasimhan, Assistant Professor, Department of Computer Technology and the second session “History of Successful entrepreneurs” was delivered by Dr. M. Kalimuthu, Assistant Professor, Department of Commerce with Professional Accounting. About 35 in-house faculty members participated in both the sessions.

Prof. B. Narasimhan spoke about how Entrepreneurship introduces a critical element of dynamism into an economic system. How the process of globalization & liberalization has introduced a set of changes like the introduction of dynamism into the system through the process of globalization. The history of entrepreneurship, its development stages and the role of Indian women entrepreneur’s contribution towards industrial development of India. Indian entrepreneurs are more about overcoming barriers, obstacles, inspiring & surmount in their fields.

Dr. M. Kalimuthu discussed about eminent entrepreneurs from Indian history to the present as Entrepreneurship is the lifeblood of any economy. Entrepreneurship is one of the important segments of economic growth. An Entrepreneur brings in an overall change through innovation for the maximum social good. The growth of entrepreneurship particularly in the small scale sector can be traced to the Second World War. If we observe the way of any entrepreneur, their life is not a bed of roses. They faced many obstacles in the way of entrepreneurial achievement.

|---|--|---|

Outcome of the Event:

- Such Entrepreneurship development programmes must be organized in Indian educational Institutions to realize the importance of entrepreneurship.
- It was realized that the faculty will have to improve their knowledge and update their skills in order to train and develop students as entrepreneurs.
- The faculty will also have to inculcate an entrepreneurial mindset for teaching.

Report on

“Workshop on Entrepreneurship Development”

Description of the Event:

Entrepreneurship is a dynamic process of vision, change and creation. It requires energy and passion towards the creation and implementation of new ideas and creative solutions. The participants of this event were convenors and members of EDC, Innovation Cell and Incubation Cell. It was a half a day programme with two sessions.

In the first session Dr. Radha Palaniswamy spoke about the differences between an entrepreneur and businessman. She explicitly stated the major positive aspects of becoming an entrepreneur which was the need of the hour too. It is the prime duty of the teachers to inculcate this thought into the young minds during their graduation so that they can plan their future. She also emphasized that it was not the finance or money which is needed to become an entrepreneur. The innovative thoughts are more important which needs to be seeded in the young minds. Financial support can be sought by various agencies which was highlighted in continuation of the program by the next speaker.

Dr. V. Usha delivered a talk about the Prospects and Challenges of Entrepreneurship. The topics covered were - how to develop entrepreneurial traits, requirements for entrepreneurship, how to get started, criteria for selection of a product, list of entrepreneurs, list of innovations, challenges faced by entrepreneurs and managing adversity.

Outcome of the Event:

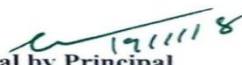

- Entrepreneurship development programmes must be organized in all Educational Institutions in order to create awareness about the importance of Entrepreneurship among the faculty members and the student community.
- It must be included in the syllabus or the curriculum to motivate the students to consider entrepreneurship as a career option.

Feedback from Beneficiaries/ Staff

- About 35 interested in-house conveners and faculty members of the Entrepreneurship Development Cell, Incubation and Innovation centers attended the workshop. Their feedbacks were consolidated.
- Most of the faculties were benefited from this workshop. They gained knowledge about the various Government self employment schemes, the existence of the National student startup policy, India innovation initiative, choice of startup sectors, and Technology Business Incubation Centers.
- The importance of setting up an entrepreneurial ecosystem in educational institution and how it works on the development of the community were perceived.

Report on

“DST-NIMAT Sponsored Three Days Entrepreneurship Awareness Camp”

Description of the Event:

Startup's have the ability to improve the standard of living of individual's and provide a self-employment opportunity. Entrepreneurs help to change the society with the innovation of new or improved products in the market. This program has been organized to make the young minds realize the importance of self-employment and to prepare themselves for it. It was a three days program comprising of two speakers each day followed by an industrial visit. On day 1, the first speaker was Mr. A.R. Sundaresan, Branch Manager, TIIC, Coimbatore. He spoke about the role of TIIC in developing entrepreneurs. The second speaker for the day Mr. Ravi Bal, Managing Director of Anidra Raksha Pvt Ltd, Coimbatore delivered a lecture on the development of latest digital health technologies for remote patient monitoring.

On the second day, the first session was handled by Dr. R. Nagganatha Suganthan, Founder Director, Utilis Biosciences Pvt Ltd, Chennai who shared his thoughts on the transfer of technology from academia to enterprise and its significance for the economic growth of our Nation. The second session was handled by Dr.A. Arun Kumar, Director, Bio Ages Innovations Pvt. Ltd, Coimbatore who spoke about the development of commercial models and spin off companies from academic research outcomes.

In the third day, the first session was given by Mrs. B. Kayalvizhi, Assistant Director (Food), Ministry of MSME, Coimbatore. She spoke about the step by step procedure required in establishing an enterprise & also about the funding schemes provided by MSME. The last session was given by Mr. V. Pragdeesh, Founder & R and D Head, Aries Biomed Technologies Pvt Ltd, Coimbatore. He shared his thoughts about the difficulties encountered in the sustainable hardware startup ecosystem and solutions to overcome the problems. The EAC was successfully concluded with an industrial visit to Aries Biomed Technologies Pvt Ltd, Coimbatore where they watched the demonstration of a number of innovative biomedical devices and equipments.

Participants: About 80 participants were present from the Faculties of Basic and Applied sciences, Biosciences and Computer Sciences. A majority of pre-final and final year undergraduates and some post graduate students were present for the program.

No. of days: It was a 3-days Entrepreneurship Awareness Camp followed by a one day industrial visit, conducted on September 24, 25, 26 and 27th, 2018.

Outcome of the Event:

The outcome of the 3-day long Entrepreneurship Development Program followed by the industrial visit helped the students to consider entrepreneurship as an alternative career option. The knowledge gained by students will assist them to establish a startup in the future. Students considered strengthening in the following areas to improve themselves while at college:

- Identifying real world problems worth solving.
- Finding innovative solutions to problems.
- Identify skills to be developed.
- Creating prototypes to eventually build a commercial product.
- Mobilize funds and resources to manufacture products.
- Developing skills on confidence building, punctuality, goal setting etc.

Report on Workshop on Android App development

Description of the event

The workshop assisted to understand Android App development with ever growing concepts. With immense application and advances in the techniques to generate data in the all fields, it is now overbearing to work smartly by dealing the enormous invention. Recently, Application development requires enhancing the skills of android, data storage and data retrieval in the desired layout. Probably, the time has come to bridge the gap between the Computational skills and new app development using key essential sorts of Android app development. On September 7th 2018, in Lab 8 and Lab 14 the workshop commenced with the formal Inauguration. The gathering had a galaxy of delegates beginning with the Chief Guest, Ms. M. Mansura Begam and S. Alageswari

Outcome of the Event:

- The outcome of the workshop is to enable the students, researchers, academicians and industry fraternity to focus on the ever growing volume and diversity of App development.
- The workshop is organized in an departmental manner to bring leading scientists, researchers, academicians and industrialists working on a diverse range of Android app and its Applications in CT field.
- To engage them in a discussion about recent trends in App development, Issues, Tools, Data Management and Future Trends with all fields.

Report on

DST-NIMAT Sponsored Three Days “Entrepreneurship Awareness Camp”

Description of the Event:

The speakers of the session were divided in such a way so that 2 speakers were made available each day. Hence the camp organized 6 different speakers for 3 days. On day 1, the first speaker was Mr. A.R. Sundaresan, Branch Manager, TIIC, Coimbatore. He enlightened the students on the role of TIIC in developing entrepreneurs. The second speaker for the day was Mr. V. Devaraj, Consultant and Faculty Director of V.L. Management Systems, Coimbatore. He delivered a lecture on emerging opportunities for new entrepreneurs. The second day also had 2 speakers. The first session was handled by Mr. M.Ganeshan, Managing Director, Alchem Diagnostics, Coimbatore. He shared his thoughts on R and D and commercial needs and how an entrepreneur could fit in. The second session was on an interesting topic – entrepreneurship playing in the zone which was handled by Mr. V. Vasanth Kumar, Managing Director, Avanti Accounting Services Pvt. Ltd., Coimbatore. The last day was shared by 2 speakers again, first session was by Mrs. Kayalvizhi, Assistant Director (Food), Ministry of MSME, Coimbatore. She highlighted the step by step procedure for starting an enterprise. She also spoke about the financial aspects and help that can be sought from MSME. The last session presentation was given by Mr. J. Vanangamudi, Managing Director of VJ Associates, Coimbatore.

Participants: More than 74 participants were present from the Faculties of Basic and Applied sciences, Biosciences and Computer Sciences. A majority of pre-final and final year undergraduates and some post graduate students were present for the program.

Number of days: It was a 3-days Entrepreneurship Awareness Camp which was conducted on August 21, 2018, August 23, 2018 and August 24, 2018.

Outcome of the Event:

The outcome of the 3-day long Entrepreneurship Development Program turned out to produce skill and knowledge among the students which assisted the students in an all-round development. Special areas of outcome were observed by the following points:

- Developing managerial, technical, financial, and marketing skill
- Inculcating personality traits
- Promotes and reforms entrepreneurial behavior and values
- Identifying a potential entrepreneur applying scientific methods
- Motivational training and building a proper attitude
- Strengthening the motive of a person and giving recognition
- Valuable know-how of the local products and the processes help in the selection of products, preparation of project reports

Feedback from Beneficiaries/ Students

- The crowd consisted of in-house students only which was close to 74. They found the session to be interesting and interactive. Since it was to the expectation of the students to cater to their needs, they were willing to attend more of these kinds of awareness camps.
- They also expressed that it would guide them in future since they did not know the whereabouts of entrepreneurship.
- The funding bodies, agencies, investors, laws and policies were not covered in any syllabus. Unless they attend camps like this, they would never be able to sharpen their skills or aspire their goals is what some students expressed.

Report on Seminar on “International Business in Today’s Context”

Description of the event:

Seminar on International Business in Today’s Context for M.Com International Business students and the program is given by Mr. IAKOKA SUBRAMANIAM Chairman Franstek Pvt. Ltd., (An Affiliated Company of CHIORINO s.p.a Italy) Coimbatore which was organized by SUIGENERIS Association of International Business. All countries around the globe are part of the global marketplace. As we entered into new Millennium, more and more companies are going international. As a result, there is a growing percentage of their overall sales which are coming from other countries. We may argue that there has been considerable historical evolution of international markets, but in the recent years we have witnessed worldwide economic and managerial developments. These developments create the opportunities, challenges, as well as problems for managers in the global arena.

Outcome of the Event:

The department organized special lecture and motivated on

- Starting up new business after the study
- Creating new avenues in the perspective of the new startups
- Meeting the challenges and opportunities in the international markets

Report on Seminar on “Future Skills Development Conclave”

Description of the Event:

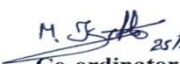

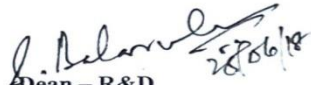

Educational events are important for the students to realize the importance of gaining knowledge and improving their skills before they seek employment. Mr. Udhay Sankar, Regional Lead, NASSCOM mentioned that NASSCOM offered a number of courses on Future Skills through their online learning platform. More than 2400 final and pre-final year undergraduate and postgraduate students from various departments of the host institution actively participated and benefited from the event.

Outcome of the Event:

- At the end of the event students were aware that NASSCOM is a chamber of commerce of the Technology industries in India and it comprises of over 2800 member companies.
- The Chief Guest screened fifty prospective in-house students who were employment ready from both the sessions and promised them that they would get an opportunity for employment from the NASSCOM member companies in the IT sector.

Report on “National Conference on Recent Discourses on Language and Literature”

Description of the event:

National Conference on Recent Discourses on Language and Literature Department of English 11th March, 2019 Report

The Department of English, Dr. N.G.P. Arts and Science College (Autonomous), proudly organized a one-day National Conference on Recent Discourses on Language and Literature on 11th March, 2019 at D-Block Seminar Hall VII. The students and academicians from various institutions in and around Coimbatore and the students and staff members of Dept. of English, Dr. N.G.P. Arts and Science College attended the event and presented their research papers. The resource persons were Prof. S. Gururaj, Faculty of Regional Institute of English, South India, Bengaluru and Prof. Anju Susan Kurian, Assistant Professor of English, C.M.S. College, Kottayam, Kerala. The Inaugural session was adorned by Professor P.R. Muthuswamy, Director-Academics of Dr. N.G.P. Group of Educational Institutions and Dr. D. Geetharamani, Dean-Academics, Dr. S. Saravanan, Dean Administration and Dr. V. Shanmugaraju, Dean-Students' Affairs. The Welcome Address for the Inaugural session was given by Dr. R. Vithya Prabha, Head, Dept. of English of Dr. N.G.P. Arts and Science College. Prof. Muthuswamy in his speech stressed on the necessity of acquiring language and made a beautiful connection between language and literature. Dr. D. Geetharamani, who was the Principal In-charge, gave the presidential speech wishing every success of the conference. Prof. Gururaj gave the Inaugural address where he hailed the vision and infrastructure of the prestigious institution. As part of the conference proceeding, soft copies of the abstracts were also released. The Inaugural session was concluded with the Vote of Thanks delivered by Mrs. S. Sudha, Assistant Professor of English, Dr. N.G.P. Arts and Science College. The Inaugural session was followed by the Key-note speech delivered by Prof. Gururaj on “Multilingualism to Monolingualism: Are We Growing Poor to be Rich?!” where he spoke on the threats of language and the ways to tackle it. After the Inaugural speech, the audience dispersed for lunch and parallel paper presentation started after lunch. The paper presenters were accommodated at various halls. The parallel sessions were chaired by the staff members of department of English as well as English staff members annexed to other departments of Dr. N.G.P. Arts and Science College.

Description of the event:

Department of Biotechnology along with department of Microbiology, Dr.N.G.P Arts and Science College, Under DBT Star College has organized an national level seminar on Biodiversity and its prospecting on 28.02.2019 at seminar hall VII to mark the national science day celebration. The aim of the seminar was to make students understand about the Bioprospecting sources and the methods to extract the bioactive compounds from the natural sources. The keynote speakers emphasized on the different applications of the biodiversity and its bioprospecting.

Outcome of the Event:

1. Students learned about the importance of Biodiversity
2. Students learned about the procedure to prospect the compounds from biodiversity.
3. Students have learned about to use biodiversity and its prospecting for various applications.

Programme Schedule

28.02.2019 Venue : Seminar Hall - VII

Forenoon

09.30 - 10.30 a.m. Inauguration - Dr. S. Krishnakumar
10.30 - 10.45 a.m. Tea Break

Session I 10.45 - 12.15 p.m. Dr. Sanjeeva Nayaka
Lichen Wealth in India and their possible utilization in applied research

12.15 - 01.15 p.m. Lunch

Afternoon

Session II 01.15 - 02.45 p.m. Dr. M. Palanisamy
Indian Seaweeds and its prospecting

03.00 - 03.30 p.m. Valediction - Dr. M. Palanisamy

Dear Delegate

Thank you for participating in National Seminar on Biodiversity and its Prospecting (NSBP-19).
The Organizing committee would like to know if the seminar has provided a valuable exposure to you. In
this regard, we would be most grateful if you could provide feedback to us about this event.

Intercollegiate Workshop on Protein and Nucleic acid quantification with Nanophotometer February 19, 2019

The workshop on protein and nucleic acid quantification with Nanophotometer was conducted on February 19, 2019 at instrumentation room in Dept. of Biotechnology. The occasion began with a warm welcome address by Dr. P. Chidambrarajan, Head, Dept of Biotechnology followed by a scintillating presidential address by Prof. Dr. V Rajendran, Principal, Dr. NGP Arts and Science College, Coimbatore. The felicitations to boost the momentum of the event was given by Dr. S. Balasubramanian, Dean R &D who encouraged the use of such sophisticated equipment at lab scale which helps students when they go out after the course completion. The felicitation speech was shared by Dr. S. S.Sudha, Coordinator of DBT STAR College Scheme. The application and use of such a workshop was shared by a motivating and technical speech by Dr. M. Poongothai, Assistant Professor, Dept of Biotechnology. She highlighted on the handling of the equipment at UG and PG level for sampling which is not possible for many students at other institutions. The vote of thanks was delivered by Mrs. Shanmugavadivu, M, Assistant Professor, Dept of Biotechnology.

Being an intercollegiate workshop students and research scholars from nearby colleges participated with enthusiasm. There a powerpoint presentation to demonstrate the use of the equipment followed by working principle and methodology. After this, the students got an exposure to gain hands on experience to work on the equipment from the given samples. Some students brought samples whereas the rest prepared samples on the spot and took the measurement of protein and nucleic acids present in the given sample which was as small as 1 microliter or lesser. All students gained hands on experience and gathered data which was consolidated later. The session received a positive feedback from the internal and external participants which marks the success of the event.

Description of the event:

Department of Biotechnology, Dr.N.G.P Arts and Science College, Under DBT Star College has organized an In house Workshop on Protein and nucleic acid quantification using nanophotometer on 19.02.2019 at instrumentation room of Biotechnology department. The aim of the workshop was to make students understand about the working principles of Nanophotometer and how to isolate the Protein and nucleic acid from samples and quantify using the nanophotometer. Dr.M. Poongothai, Assistant professor in Department of biotechnology has handled the session. She had explained about the importance of nanophotometer theoretically and also practically by handling the sessions.

Outcome of the Event:

1. Students learned about the importance of Nanophotometer
2. Students learned about the procedure to operate the Nanophotometer.
3. Students have learned about to use Nanophotometer for their research purpose especially for the quantifying the protein and the nucleic acid samples.

Invitation/Brochure:

**INTERCOLLEGIATE WORKSHOP ON PROTEIN & NUCLEIC ACID
QUANTIFICATION WITH NANOPHOTOMETER**

19th February, 2019

Organized by
DEPARTMENT OF BIOTECHNOLOGY - DBT STAR Scheme
Dr. N.G.P. ARTS AND SCIENCE COLLEGE (Autonomous), COIMBATORE
Approved by Government of Tamil Nadu & Affiliated to Bharathiar University, Coimbatore-48
Re-accredited by NAAC with 'A' Grade | DST - FIST | DBT Star College

ORGANIZING COMMITTEE

Patrons
Dr. Nalla G. Palaniswami, M.D., A.B (USA) - Chairman
Dr. Thavamani D. Palaniswami, M.D. (USA) - Secretary
Dr. O.T. Buvaneswaran, M.A. M.Phil., M.B.A., Ph.D., - CEO

Chairman - IWPQN - 19
Prof. Dr. V. Rajendran, Principal

Steering Committee
Dr. D. Geetharamani Dean Academics
Dr. S. Saravanan Dean Administration
Dr. S. Balasubramanian Dean R&D
Dr. V. Shanmugaraju Dean Student Affairs

Conveners
Dr. P. Chidambara Rajan
Dr. S.S. Sudha

Organizing Secretary
Dr. M. Poongothai

Members
Prof. Arun. P
Dr. K. Arungandhi
Prof. M. Shanmugavadivu
Dr. L. Nivetha
Dr. Radha Palaniswamy
Prof. S. Karthik
Prof. K. Priyadarshini

OBJECTIVES

- To learn the working principle of Nanophotometer
- Preparation of Sample
- Quantification of Protein
- Quantification of RNA and DNA
- Comparison with known standard

Time: 9.30 a.m. to 03.00 p.m.

Venue: UG Lab and Instrumentation Room
Registration Fees: Rs.150/-
(Includes Working Lunch and Kit)

Address for Correspondence
Organizing Secretary, IWPQN-19

Description of the event:

Department of Biotechnology, Dr.N.G.P Arts and Science College, Under DBT Star College has organized an In house Workshop on working principles of nanophotometer on 16.02.2019 at instrumentation room of Biotechnology department. The aim of the workshop was to make students understand about the working principles of PCR and Nanophotometer. Dr.M. Poongothai, Assistant professor in Department of biotechnology has handled the session. She had explained about the importance of PCR and nanophotometer theoretically and also practically by handling the sessions.

Outcome of the Event:

1. Students learned about the importance of PCR and Nanophotometer
2. Students learned about the procedure to operate the PCR and Nanophotometer.
3. Students have learned about to use PCR and Nanophotometer for their research purpose especially for the amplification and quantification of DNA.

Dr. L. Nivetha
Dr. Radha Palaniswamy
Prof. S. Karthik
Prof.K.Priyadarsini

OBJECTIVES

- To learn the working principle of PCR and Nanophotometer
- Preparation of DNA Sample
- Amplification of DNA in PCR
- Quantification of amplified DNA
- Comparison with known standard

Target Audience: I B.Sc & II B.Sc Biotechnology

Time: 09.30 a.m. to 03.00 p.m.

Venue: UG Lab and Instrumentation room

Report on “A workshop on Microbes and their role in baking”

Description of the event:

- Department of Catering Science and Hotel management of Dr. N. G. P. Arts and Science College organized “**A workshop on Microbes and their role in baking**” on 13.02.2019. The event was planned for II B.ScCS & HM and II B.Sc Microbiology Students will gain the knowledge related to development in uses of microbes in bakery industry. This event fulfills the knowledge of microbes and its important role in food industry.
- It is one of the knowledge sharing program catering students learned about the microbes growth and microbiology students learn the product development.

Outcome of the Event:

- This Session gave knowledge to catering students about microbes growth
- Microbiology students practice the bakery products preparation and they seen the result of microbes growth practically
- This session fulfill the both theoretical and practical knowledge relate to microbes

Feedback from Beneficiaries/ Students

 **SKILL DEVELOPMENT PROGRAMME**
Organized by
Department of Computer Technology
Dr. N.G.P. Arts and Science College (Autonomous)
Approved by Government of Tamil Nadu & Affiliated to Bharathiar University
Re-Accredited by NAAC with 'A' Grade (2nd Star College) DGT-41ST
Dr. N.G.P. – Kalapatti Road, Coimbatore

Date: 21 February 2019
Resource Person: Mr. M. Kannan
Assistant Professor, Department of Computer Technology
Dr. N.G.P. Arts and Science College
Venue: Seminar Hall 5

Dear Students,
Thank you for participating in Skill Development Programme on "Computer Installation and Servicing". The Organizing committee would like to know that the SDP has provided a valuable exposure to you. In this regard, we would be most grateful if you could provide feedback to the organizing committee for this event.

FEEDBACK FORM

Report:

One day workshop on Microtome and its usage

By

Dr. A. Balamurugan

Manager, Field and Research Trials

R&D Agri, T Stanes Company Limited, Coimbatore

He has explained about the various applications of microtome and its specialized precision cutting instrument, which accurately and repeatedly slices sections from a block of embedded tissue. Different kinds of microtomes are used to section paraffin and plastic embedded tissues as well as the specialized microtomes used to section frozen tissues. In any microtome a sharp knife and the tissue block are held in a fixed relation to each other. With each pass of the tissue past the knife it advances the tissue block a preset amount—the section thickness. For frozen sections the section thickness typically ranges from 8 to 15 μm , for wax sections 4–10 μm , and for plastic histological sections 0.5–3 μm . In electron microscopy sections must be extremely thin, about 200× thinner than wax sections. Typically plastic sections used in transmission electron microscopy (TEM) are cut in the range 60–100 nm.

He also stated that the rotary microtome is often referred to as the 'Minot' after its inventor. The basic mechanism requires the rotation of a fine advance hand-wheel through 360°, moving the specimen vertically past the cutting surface and returning it to the starting position. The rotary microtome may be: manual (completely manipulated by the operator), semi-automated (one motor to advance either the fine or coarse hand-wheel), or fully automated (two motors that drive both the fine and the coarse advance hand-wheel).

Description of the event:

Department of Biotechnology, Dr.N.G.P Arts and Science College, has organized a Workshop on Microtome on 07.02.2019 at Biotechnology UG Lab. The aim of the workshop was to make students understand about Microtome. Dr.A.Balamurugan, Manager, Field and Research Trials, R&D Agri, T. Stanes Company Limited, Coimbatore and Dr.A.Siva Kumar, Manager, Product promotion, Farmers biofertilizers and organics, Coimbatore, had handled the sessions. They had explained about the prominence of Microtome among the students and its usage as theoretically and also practically by handling effectively in this session.

Outcome of the Event:

1. Students learned about the importance on Perspectives of Microtome.
2. Students learned the procedure about Microtome and its usage.
3. Students have learned about to utilize the effective manner of Microtome for their research purposes.

Report on “Workshop on “Identification of Fungi and Algae and training in foldscope”

Description of the event:

We conducted two days "Workshop on identification of Fungi and Algae and training in Foldscope" for other college students in Dr.N.G.P. Arts and Science College campus, Coimbatore. Nearly sixty five students were participated in the event. It creates awareness among the students about the simplified form of science.

Outcome of the Event:

- Students were able to collect the samples and identify the algae
- Fungal identification was also done by the students
- Foldscopy application and assembly was effectively done

Department of Microbiology
Inhouse workshop on Identification of
Fungi - algae and hands on training
on Foldscope.
8th - 9th January 2019.

K. JEEVA
181BC022
1st BSc BIOCHEMISTRY

FEEDBACK -

It is very useful to us. First
don't even heard about Foldscope. But
we learned its uses and how to
view in it. We learned more
about Algae and Fungi. We were
very happy to participate in this
session. The volunteers were very kindly
and guided us. They thought
us in friendly manner. We
learned many things from them.

In-House Workshop on Working Principles of Nanophotometer
Organized by
DEPARTMENT OF BIOTECHNOLOGY
(Under DBT-STAR College Scheme)

PRESS REPORT

Department of Biotechnology from Dr. N.G.P. Arts and Science College (Autonomous), Coimbatore, has organized an **In-House Workshop on WORKING PRINCIPLES OF NANOPHOTOMETER** on 10th January 2019. This workshop was inaugurated with the Welcome Address delivered by Dr.P.Chidambara Rajan, Prof. & Head, Department of Biotechnology. Prof. Dr. V. Rajendran, Principal, Dr. N.G.P. Arts and Science College, who delivered the Presidential Address in which he discussed the overview of Nanophotometer and the Advantages of Advanced Technology in Science. Dr. S. Balasubramaniam, Dean- R&D, and Dr.V. Shanmugaraju, Dean- Student Affairs, who presented the Felicitation, where they have given the discussions about Miniature Technology in Science. Dr. M. Poongothai, Assistant Professor, Department of Biotechnology, has defined the Nanophotometer and emphasized the principles of equipment and its usage. Dr. Radha Palaniswamy, Assistant Professor, Department of Biotechnology, has delivered the Vote of Thanks. Finally, it was followed by the technical session and hands-on training for Under Graduate students of STAR COLLEGE Department on Nanophotometer. There were around 90 students from various departments of life-science participated in these sessions.

Description of the event:

Department of Biotechnology, Dr.N.G.P Arts and Science College, Under DBT Star College has organized an In house Workshop on working principles of nanophotometer on 10.01.2019 at instrumentation room of Biotechnology department. The aim of the workshop was to make students understand about the working principles of Nano photometer. Dr.M. Poongothai, Assistant professor in Department of biotechnology has handled the session. She had explained about the importance of nanophotometer theoretically and also practically by handling the sessions.

Outcome of the Event:

1. Students learned about the importance of nanophotometer
2. Students learned about the procedure to operate the nanophotometer.
3. Students have learned about to use nanophotometer for their research purpose especially for the quantification of DNA.

| ABOUT THE INSTITUTE | ORGANIZING COMMITTEE |
|--|--|
| <p>Dr. N.G.P. Arts and Science College (Autonomous), established in the year 1997. The continuous and consistent efforts of the Management along with dedicated staff members have led the Institution to achieve accolades in Higher Education. The state-of-the-art facilities established across all disciplines of Science, commerce, Management and Humanities have paved way for rendering quality higher education which are proven through 91st Ranking in NIRF and A Grade by NAAC Re-accreditation.</p> <p>ABOUT THE DEPARTMENT Department of Costume Design and Fashion is a three year under graduate programme which provides teaching in the area of contemporary fashion. This course encourages individuals creativity packed by a strong technical understanding. The course aims to equip the students with appropriate level of practical skills related to fashion. The students develop visual awareness, practical skills and knowledge in theory of design.</p> <p>ABOUT THE SEMINAR The main aim of this Seminar is to cover some of the important materials to be used for the production of nonwovens, their production technologies along with wide range of their applications and their market share. Technical textile segments wise as well as type of nonwovens wise applications are to be the part of this Seminar. This will not only help the participants to select the type of technology of their interest but also help them to select the type of nonwovens which are more suitable for their areas of applications, if they are really interested to plan for any investment in these areas of technologies and products.</p> | <p>Patrons Dr. Nalla G. Palaniswami, M.D., A.B (USA), Chairman Dr. Thavamani D. Palaniswami, Secretary</p> <p>Chair man Prof. Dr. V. Rajendran, Principal</p> <p>Steering Committee members Prof. Dr. D. Report on “Workshop on Continental cuisine”

Description of the event:

- Department of Catering Science and Hotel management of Dr. N. G. P. Arts and Science College organized a workshop on “**Continental Cooking**” on 19.09.2018. The event was planned for III B.Sc Students will gain the knowledge about continental cooking. This event fulfills the knowledge of continental cuisine. Chef Shankar had an experience in Maldives hotels based on his experience he handle the session well.

Outcome of the Event:

- This Session useful for students to learn about continental cuisine dishes
- Students learn the Maldives hotel continental cuisine recipes
- Students interact with chef Shankar and they learned a lot

Report on Workshop on “Data Mining using WEKA Tool”

Description of the event:

- S.P. Siddique Ibrahim gave an introduction on Data Mining using WEKA Tool.
- Collection of machine learning algorithms in data mining.
- Then he teaches about the WEKA collection of visualization tools and algorithms for data analysis and predictive modeling

Outcome of the Event:

- He elaborates how weka supports standard data mining tasks specifically.
- Students gained knowledge about the Data mining using the WEKA tool
- This workshop gave the students to expose to a new skill called WEKA tool

Report on Seminar on “Bio prospecting of forest resources”

Description of the event:

Department of Chemistry in of Dr. N. G. P. Arts and Science College organized a seminar on the topic “Bio prospecting of forest resources” on 23.08.2018. The program was established by Dr. N. Senthilkumar, Scientist – E, Institute of Forest Genetics and Tree Breeding, Coimbatore. The program intensely provided clear illumination about forest resources and utility of biopesticides. They had a wide discussion on loss of biodiversity, food security, ecotourism and pharmaceuticals. It ended with understandable insightful information about the Act passed by the government of India to ensure the protection of forest resources and also jobs available in the forest department throughout India.

Outcome of the Event:

- Students were motivated to apply for the jobs available in the forest department throughout India.
- Students were gained knowledge about how to convert raw materials obtained from forest into marketable product without affecting the environment.
- All the participants understood the role of natural antiseptics and antibodies.

Report on “Mongo DB – A NoSQL DB”

Description of the event:

- B.R Lakxmisree had given an introduction of: Mongo DB – A NoSQL DB.
- He explained how Mongo database different from **NoSQL** database
- Then he explained about the types of **NoSQL** database.

Outcome of the Event:

- Then she gave lecture of pros and cons of mongo DB.
- She educates the types of data are stored in Mongo database and core function of it.
- Students gain knowledge about the new database

Report on “Fluoride Toxicity”

Description of the event:

Department of Chemistry in of Dr. N. G. P. Arts and Science College organized a seminar on the topic “Fluoride Toxicity” on 13.07.2018. The program was established Dr. K. P. Elango, Professor, Gandhigram Rural University, Dindugul. The program intensely provided clear illumination about toxicity of fluoride in water. They had a wide discussion on dental fluorosis and levels of the fluoride ion in the body. It ended with understandable insightful information about toxicity level of fluoride.

Outcome of the Event:

- Students were motivated to do research in the field of fluoride toxicity.
- Students were gained knowledge about toxicity level of fluoride in water.
- All the participants understood the concepts of cavity fighter.

Report on “Demonstration Program - Advance Sewing Mechanism”

DEMONSTRATION PROGRAM REPORT

The Department of Costume Design and Fashion conducted a demonstration program on “ADVANCE SEWING MACHINE MECHANISM” by Mr. Prabhu, Assistant branch manager, USHA Automatic sewing machine, Coimbatore on 13.07.2018. Students had a good experience on viewing & working about the latest sewing machineries. He demonstrated about the Allure deluxe sewing machine operation on mechanism how to work on patterns & stitches. This machine is used for stitching the design patterns. It requires less manpower and less time consuming its maintenance is also less.

OPTION IN MACHINERIES:

It is fitted with light, it has automatic thread cutters, and service is also easy no man power needed. It needs regular oiling. It has 14 stitch and design pattern update in the machine. It has the special attachment such as gathers, pleats, buttonhole, hook, fixation, etc. The additional attachment was the extension table, light, work mechanism and tools and equipments such as presser foot tools for different fixation. The types of demonstrated in the session was running, zigzag and 3 stitches at a line, stitches on torn fabric, edges over lock, hemming, roll up stitch, hook attachment, button attachment, knot work stitches are demonstrated by working in the machine. Thus the session was concluded with the several information about machineries and its usage

Report on “One day Workshop on Data Analytics”

Description of the event:

- On 25th June 2018 the Department of B.Com(BPS) conducted Work Shop on “Data Analytics”. The students of B.Com (BPS) attended the program. The resource persons highlighted the need of analytics in today’s world and big data analytics.
- The resource person **Mr. B. Baktha Kumar** focused on developing new insights and understanding of business performance based on data and statistical methods. The resource person explained about extensive use of Data bases, ETL tools, BI tools, Qlik view. He discussed about the list of data bases available in analytics field. At the end of the session he clarified the queries asked by the students.

Outcome of the Event:

- Gets new information in this training Programme.
- Its relevant and current scenario.
- Students learned for future entrepreneurship.
