### Report of the Lecture:

The Department of Commerce with Information Technology organized first Dhirubhai Ambani Endowment Lecture on 27.02.2020 at NGP Conference Centre. Ms. Megabarathi Selvaraj, Founder & CEO, Megabarathi Associates P.Ltd was the chief guest and delivered a lecture on the topic “An Overview of Information Technology” . She shared the information related to importance of information technology in today's context. And how for the information technology facilitates storing and regaining huge information quickly with the help of hardware and software networks and workstations at lesser costs. Information technology enables

combination and configuration of data to create distinctly new information which aids in making quick decisions. Computers connect IT to the different organizations of the world. It helps the employees to maintain records of their numerous clients of various companies. Dr. S. Kamalaveni, Associate Professor & Head, Dr. NGPASC introduced the chief guest and felicitated the gathering. and gave the welcome note. The participants raised their queries at the end of the session and clarified their doubts.
