ABOUT THE COLLEGE

Motto: “EDUCATE TO EMPOWER”

Kovai Medical Centre Research and Educational Trust is a non-profitable voluntary organization established in 1990. The goal of the trust is to render quality and character-building education, training and research facilities to the youth of India and abroad. Dr. N.G.P. Arts and Science College is a unit of the trust which was established in the year 1997 with Dr. Nalla G. Palaniswami, as the Chairman and Dr. Thavamani D. Palaniswami, as the Managing Trustee.

The college was approved by the Government of Tamil Nadu (1996) and is affiliated to the Bharathiar University, Coimbatore – 641 046. The institution was accredited by NAAC in 2011. The college has been included under 2(f) and 12B of UGC Act, 1956. University Grants Commission, New Delhi has conferred Autonomous status to the college from the Academic year 2015-16 onwards. This facilitates the institution the freedom of designing the curricular and co-curricular activities to mould the students to meet global standards.

The infrastructural and instructional facilities are given due attention on par with global standards. The college was Re-accredited by NAAC with “A” Grade (CPGA 3.17) on March 17, 2016. The college was ranked 44th in 2017, 91st in 2018, 67th in 2019 and 85th in 2020 by the National Institutional Ranking Framework of MHRD at National level in colleges Category. The college has secured Band B (Rank between 26th – 50th) and ranked with top 100 consecutively for two years in ARIIA Ranking. In the short span, the college has developed into a strong force to face the growing demand in the field of education.

The College persistently adopts innovative methods to improve the quality of education on a consistent basis. Active networks are found by various forums in developing the professional skills of the students. Students from heterogeneous social and cultural backgrounds live and study in harmony at Dr. N.G.P. Arts and Science College and develop the Knowledge and Skills that matches to the present scenarios. Quality circles through student councils are conducted frequently to enrich the classroom output. Dr.N.G.P.ASC is marching towards excellence under the able and dynamic leadership of Prof.Dr.K.Ramamurthi, Team leader and Principal.

THE STUDENT

Each and every student at the institution feels empowered and driven to seize every chance provided to them in order to become the greatest citizens possible. Every student at Dr. N.G.P. Arts and Science College is expected to uphold the institution's ideals and values not only during their time as students but also throughout their lives. The spirit of Dr. N.G.P. Arts and Science College is truth, discipline, dedication to life service and devotion to God and one's country. It is the responsibility of each NGPians to imbibe this spirit and emulate these ideals in their actions.

“Discipline and Dedication” is the hallmark of Dr. N.G.P. Arts and Science College and should be reflected in their character, relationships and interactions, both within the college community and in society at large. An NGPian should be sensitive, courteous, caring and compassionate in order to uphold the virtues of honesty, respect for elders and kindness towards all.

Each and every NGPian ought to apply them to focused, methodical, and routine study. Their entire development and academic performance would be ensured by such persistent efforts. Students commit to follow the college's rules and regulations just by enrolling in the programme. In all cases involving discipline and rule enforcement, the principal's judgement shall be final.

ACADEMIC PROGRAMMES

The college was established with three undergraduate programmes and currently it has 29 undergraduate programmes and post graduate programmes. Twelve departments are recognized for research activity leading to M.Phil., and Ph.D. Degrees. In addition to this, the college offers certificate courses and post graduates Diploma programmes as a part of the curriculum.

With the introduction of the Choice Based Credit System (CBCS) in 1977, the college began offering new academic programmes, including interdisciplinary courses.

The goals of the CBCS are as follows:

- To provide a liberal education for all students
- To provide them with greater flexibility in the choice of course
- To enable them to choose courses at basic/advanced levels.
- To enable them to progress at their own pace
- To enable highly motivated students to go beyond minimum requirements and earn extra credits.

In the academic year 2017-2018 Outcome Based Education (OBE) system was implemented for both UG and PG programmes.

It was a comprehensive approach to organize and operate an educational system that was focused on and defined by the successful demonstrations of learning sought from each student. The minimum credits for the students to qualify for the respective degrees are as follows:

The research activities of the college were accelerated from the year 2002 onwards. Extensive research facilities were created to promote innovative research. The student and staff are encouraged to innovate through quality research in emerging areas. Each department has its own laboratories and facilities, equipped to handle high – end research. The research activities in the college include Academic research and Funded research Projects in the Facilities of Biological Science, Computer Science & Commerce. The college has “Funded Research Projects” with 4 major and 10 minor Research projects obtained from various funding bodies like UGC, DBT, TNSCST, etc.

FISY LABORATORY

With the aim of introducing Scientific Research on biological science, which would cater to the needs of teaching, research and Industrial applications, DST granted fund to the tune of 33 lakhs. DST also granted 44 lakhs to establish research Laboratory and infrastructure.

CENTER FOR VALUE EDUCATION

The center for Value education (CVE) of our college was inaugurated on 12th January, 2015 in view of the 153rd birth anniversary of the great Indian patriot monk Swami Vivekananda. The CVE conducts Orientation programs for fresher on Like Values, Invited Lectures, Panel Discussions, Special Programs, and Outreach Programs/Extension Activities.

Objectives of Center for Value Education are to:

- Sensitize students towards value education and professional ethics.
- Realize the inner potential of mankind, through understanding of Indian Culture and Philosophy.
- Inculcate social ethics among youth and public, and make them noble citizens so as to contribute to the well-being of the society.
- Encourage leadership qualities among students and offer common platform to develop co-operative work culture.
- Propagate the philosophy and moral values of great personalities through spreading their doctrines.
- Introduce personality development, Patriotic values, Moral Ethics through certificate & Diploma courses and higher studies and research.
- Spread the idea of the potential divinity of every being and how to manifest it through every action and thought.
- Stress on the universal message of India of oneness, respect of diversity and immortality of soul in the words of Swami Vivekananda.
- Pursue the integrated study of philosophy and activities of great personalities in
- India as well as global reference.
- Undertake studies of different religions with an objective to spread the idea of harmony.

TUTORIAL SYSTEM

This is a unique system, which enables a closer contact between the students and the teacher. As per the system, the students are assigned to tutors. Students should send their leave letters and other correspondence to the authorities only through their respective tutors. Regular meeting with the tutors will help the students to get them adjusted to the academic and personal life. Both the tutor and student are required to sign in the Tutorial and Counselling Record on the completion of each semester. They can always freely discuss their difficulties in studies and extracurricular activities with the tutors.

CONTROLLER OF EXAMINATION (CoE)

Principal is the Chief Controller of examination who is assisted by controller, Assistant Controller and office Assistants. This section controls the entire Comprehensive Examination procedures and declares the results of the students.

EXAMINATION CELL

The college has a separate examination cell which conducts Continuous Assessment tests, Model Examination and other works related to Internal Assessment.
