		2023-24

Strategic Planning for AY 2023-24

Academics

- LMS to be implemented efficiently to ensure its usage to the fullest extent transforming the academics into easy learning process by using different tools to reach out to different levels of students.
- It is mandatory to conduct programmes on soft skills and communication for all students across all streams to meet the industrial needs.
- Generic Elective papers to be incorporated into all streams in the curriculum which provides a holistic learning.
- It is mandatory for all students to complete MOOC courses to enhance their skills.

Teaching and Learning

- To concentrate on Mentor Mentee initiatives to propel the student participation in co-curricular activities from AY 2023-24.
- To conduct motivational sessions on career development plans and higher studies to all students to pursue their masters abroad.
- To open avenues for many bright students to appear for Civil Service Examination in order to get government jobs through Centre for competitive exams.

Research and Development

- Faculties with doctorates will be motivated to submit research or seminars/conferences/workshop proposals to obtain funding to enhance the quality of research.
- Seed money to carry out pilot projects that can lead to technology transfer.
- Programmes based on start-ups shall be initiated to create an ecosystem for entrepreneurship.
- The existing National and international collaborations will be continued by conducting programs and collaborative publications.
