The Internal Academic Audit team was called for a meeting by IQAC on 18.11.2025 between 02.00 pm to 03.00 pm in Seminar Hall -II addressed by IQAC Co-ordinator followed by Principal.

- The career progression details to be filled by the respective class advisors (AY 2024-25 passed out batches) in the IQAC dept drive along with supporting documents. Principal re-iterated the point that all programs must ensure the achievement of 100% students progression either placement, or obtained admission for higher studies or started their journey as entrepreneurs. None of the students should be idle after their graduation/post-graduation.
- The supporting documents received for placement and higher studies are duplicated in both categories many times. Care should be taken to avoid this in order to obtain the correct number of students.
- The staff in charge for NIRF placement and Higher studies addressed the gathering to share their views for better data management and ease of work in the forthcoming years.
- Internal Academic and Administrative Audit has been completed in all departments and the shortcomings to be overcome in the forthcoming audit.
- All staff members were intimated to update their profile in the Dept IQAC drive and file the hardcopies in their respective folder. The data available in the website, IQAC drive and hardcopy should synchronize.
- The staff details are needed for autonomous extension filing and hence the updated list is to be verified by individual staff before uploading in the portal. The staff details will be made available shortly for verification by staff.
