By and Between

Dr. N.G.P. Arts and Science College (Dr. NGPASC), Dr. N.G.P. Nagar, Kalapatti Road, Coimbatore – 48, represented by its Principal, Prof. Dr. S. Saravanan (hereinafter referred to as “First Party”, the institution which expression, unless excluded by or repugnant to the subject or context shall included its successors-in-office, administrators and assigns).

And

Conway Water Purifiers Private Limited, 4/124 - B, Agarwal School Road, 2nd Right Street, Thadagam Road Coimbatore – 08, (hereinafter referred to as “Second Party”, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors-in-office, administrators and assigns).

Preamble

This Memorandum of Understanding (MoU) is entered into by and between Dr. N.G.P. Arts and Science College, Department of Commerce (CSCA), a premier institution committed to academic excellence and industry collaboration, and Conway Water Purifiers, a pioneering enterprise dedicated to innovative water purification solutions. Recognizing the shared vision of fostering knowledge exchange, skill enhancement, and sustainable practices, this MoU aims to establish a dynamic partnership that bridges academia and industry. By integrating commerce education with real-world applications in water purification technology, both parties endeavor to empower students with practical insights, and entrepreneurial exposure, ultimately contributing to societal well-being and environmental sustainability.

Intent to Collaborate

This MoU is created with the mutual intention of advancing collaboration in areas that align with the goals of both parties. This alliance aspires to elevate academic-industry engagement, and foster industry-relevant learning. Through this synergistic engagement, both entities endeavor to facilitate the seamless exchange of knowledge and establish comprehensive training frameworks that contribute to create opportunities for skill development, knowledge sharing, and student exposure to industry practices.

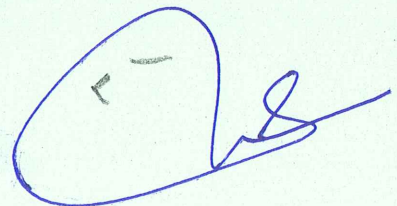

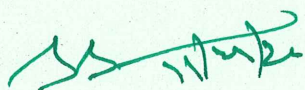

Objective

The primary objective of this MoU is to formalize the collaboration between Dr. N.G.P. Arts and Science College, Commerce CSCA and Conway Water Purifiers Private Limited, in the following key areas:

- To bridge the gap between academia and industry through training and skill development.
- Create structured pathways for internships and apprenticeships to enhance employability
- To guide students in entrepreneurial ventures with a focus on sustainable water solutions.

Training

- To organize workshop/ Incorporate training content into the academic curriculum for the benefits of Dr. N.G.P. Arts and Science College, Commerce CSCA Students.
- Training period will be minimum of 2 weeks. No financial charges for training between Dr. N.G.P. Arts and Science College and Conway Water Purifiers Private Limited will apply. The company will train a minimum of 2 and a maximum of 3 students each year in marketing, HR, Finance and various other departments.

Timeline

- This MoU will be valid for three (3) years from the date of signing and may be extended upon mutual consent of both parties.
- Either party can terminate the MoU by providing a 90-day written notice.
- The MoU may be terminated immediately with one month's notice in the event of a breach of its terms.
