Dr. N.G.P. Arts and Science College,

LETTER OF INVITATION

Dear Professor Rajendran Venkatachalam,

As the growing availability of vaccines brings COVID-19 pandemic under control, and international travel is set to resume in November with the lifting of U.S. travel restrictions, after postponing several times our **Leadership for Academicians Program (LEAP)** originally scheduled to take place at the **University of Pennsylvania (Penn)** on March 22-28, 2020, we are very excited to finally be able to host you at Penn on **December 5-11, 2021**.

Convened by the Tata Institute of Social Sciences, Mumbai under the aegis of Ministry of Human Resource Development, Government of India and in collaboration with the University of Pennsylvania Graduate School of Education (Penn GSE), LEAP is a fully-funded leadership development program for second level academic administrators of publicly funded higher education institutions in India.

The international component of the program, offered by Penn GSE will focus on the following goals:

- Present the U.S. context and draw out the implications this context creates for leadership;
- Identify and introduce the ideas, tools, strategies and ways of leading that can be leveraged effectively to create responsive, accountable universities; and
- Facilitate the intentional translation from the U.S. context and application to the Indian one so participants can apply such learnings to their own situations.

All expenses associated with your participation in LEAP in the United States will be covered by the Tata Institute of Social Sciences, Mumbai, India with grants received from Ministry of Human Resource Development, Government of India.

This letter may be used to obtain your visa to visit the United States on December 5-11, 2021 to attend the training at the University of Pennsylvania's campus in Philadelphia.

As you prepare for your trip, please review the travel guidelines issued by the United States' Centers for Disease Control and Prevention (CDC) at <https://www.cdc.gov/coronavirus/2019-ncov/travelers/noncitizens-US-air-travel.html>.
