3. “ROAD SAFETY AWARENESS CAMPAIGN”

Youth Red Cross and National Service Scheme unit I, II and III of Dr.N.G.P. Arts and Science College jointly organised awareness programme on “**7 Days Road Safety Awareness Campaign**” from 8.2.2021 to 14.2.2021. **Prof. Dr. V. Rajendran**, Professor and Principal, Dr. N.G.P Arts and Science College had inaugurated the seven days Road Safety Awareness Campaign.

In this Road Safety Awareness Campaign conducted ‘Online Quiz’ programme, ‘Road Safety Awareness to Auto Rickshaw Drivers’, ‘Pasting of Red, White and Yellow Reflective Tapes’ in all Transport Vehicles, creating awareness on ‘Wearing Helmet and Wearing Seat Belt’, ‘Stress Management programme to College Bus Drivers’ and create ‘Road Safety Awareness to the Students’.

OUTCOME

The following are the outcome of the 7 days ‘Road Safety Awareness Campaign’.

- In this programme totally 660 students were benefited.
- They learned the procedure for getting LLR and driving license, traffic rules, benefits of wearing helmet and seat belt and avoiding using cell phone while driving.
- YRC Volunteers understood about road safety by driving safely followed with traffic rules for their happy living.
- The people understood to ensure the safety of all pedestrian walking on the road.

சாலை பாதுகாப்பு வாரம்

08-02-2021 TO 14.02.2021

'தலைக்கவசம் உயிர் கவசம்': அணிவது அவசியம்

- தமிழக சாலை விபத்துகளில் 70 சதவீதம் டூவீலர் விபத்தும், அதில் 68 சதவீதம் ஹெல்மெட் அணியாமல் தலையில் அடிபட்டு உயிரிழப்பு ஏற்படுகிறது
- மோட்டார் வாகன சட்டம் 129 பிரிவின் படி ஐ.எஸ்.ஐ., முத்திரையுடன் கூடிய ஹெல்மெட் அணிய வேண்டும்.
- விபத்து நடக்கும் போது தலையில் அடிபடாமல் காக்கிறது.
- அறிவியல் பூர்வமாக வடிவமைக்கப்பட்டஹெல்மெட் அணிந்தால் விபத்தின் போது தலையில் அடிபடாமல் தப்பிக்கலாம்.
- ரோடுகளில் குவிந்து கிடக்கும் தூசி நம் முகத்தில் அடிக்காமல் இருக்கவும் ஹெல்மெட் உதவுகிறது

Points to remember

- Ensure road safety
- Stay away from carelessness
- Take the safe way
- Ride safe
- Safe drive to save lives
- The road isn't to bleed on
- Spare yourself from the mishap
- Avoid being dead and keep your head safe
- Don't forget to put on the helmet

ROAD SAFETY AWARENESS WEEK

08-02-2021 TO 14.02.2021

IMPORTANCE OF WEARING SEAT BELT

1. The simple act of wearing a seat belt is the single most effective way to reduce the risk of fatality in a crash.
2. It provides safety to everyone in the vehicle and other motorists.
3. Keeps you in place during impacts.
4. It is designed to work with your airbags.
5. Keeps you from receiving a fine for not wearing one.
6. Prevents from hitting the windshield
7. Prevents you from banging around the vehicle and hitting the steering wheel, door, etc.
8. Prevents your auto insurance from declining to cover damages in an accident for not wearing a seat belt.
9. Reduces the risks of serious injuries and death.

4. WEBINAR ON “DONATE BLOOD – SAVE LIFE”

A webinar on “Donate Blood –Save Life” by The Youth Red Cross had organized on 1st June 2021 by Google meet at 2.00 p.m. **Dr. K. Selvaraj** was a chief guest for the event. He initially emphasised about the importance of blood donation, he also explained about the appropriate time interval for donating blood by the YRC Volunteers. He also shared the importance of blood donation during the pandemic situation to the needy people and particularly for the pregnant women.

He stated that donating blood is a kind of humanity and pride deed. He also explained about the effective coordination gradually increase by its life-saving impact. There’s a simple, safe and effective way to make the biggest difference of all with including sweet blood in his speech. Finally he shared how it is important for youngsters to donate blood and also being a YOUTH RED CROSS volunteers and to enrich their own interest to donate blood. He had requested the present generation to step forward for blood donation by their own interest. He clarified and responded many doubts and questions raised by the participant in the session.

6. WEBINAR ON “LIVE TOWARDS STRESS FREE LIFE DURING COVID-19 PANDEMIC”

The Youth Red Cross has organised a webinar on “Live towards Stress Free Life during Pandemic” on 3rd June 2021 through online mode at 3.00 p.m. **Dr. P.Chellasamy** was the chief guest of the programme. He advised to the YRC Volunteers to share happiness with family members by spending more time than earning money. He explained the ways of being free from mental stress by practicing physical exercise and yoga daily. He also shared his views towards health and hygiene. Finally the session ended with students’ questions and clarifications.

7. WEBINAR ON “ROLE OF ENGLISH IN INTERVIEW SKILLS”

The Youth Red Cross and Dr. N.G.P. Centre for Competitive Examinations has jointly organized a webinar on “Role of English in Interview Skills” on 4th June 2021 through Google meet at 2:00 p.m. **Dr.J.Das** was the chief guest for the event and he delivered lecture on “Role of English in Interview Skills”. He explained about the importance of sentence making further shared the significance of English Language in business and personal life. He advised the students to improve the language skills and how to appear for the interviews. Next he discussed about the challenging question like **why you wanted to leave your current job or why you are leaving your previous job**; Answer should be in a formal manner. Finally, the webinar came to an end with questions and clarification.

8. WEBINAR ON “BLOOD CONNECT US ALL”

The Youth Red Cross and National Service Scheme Unit I, II and III have conducted a webinar on the topic “Blood Connect Us All” on 7th June, 2021. **Rtn. Loganathan T**, Secretary, Rotary Club of Coimbatore Meridian, Coimbatore was the chief guest of the programme.

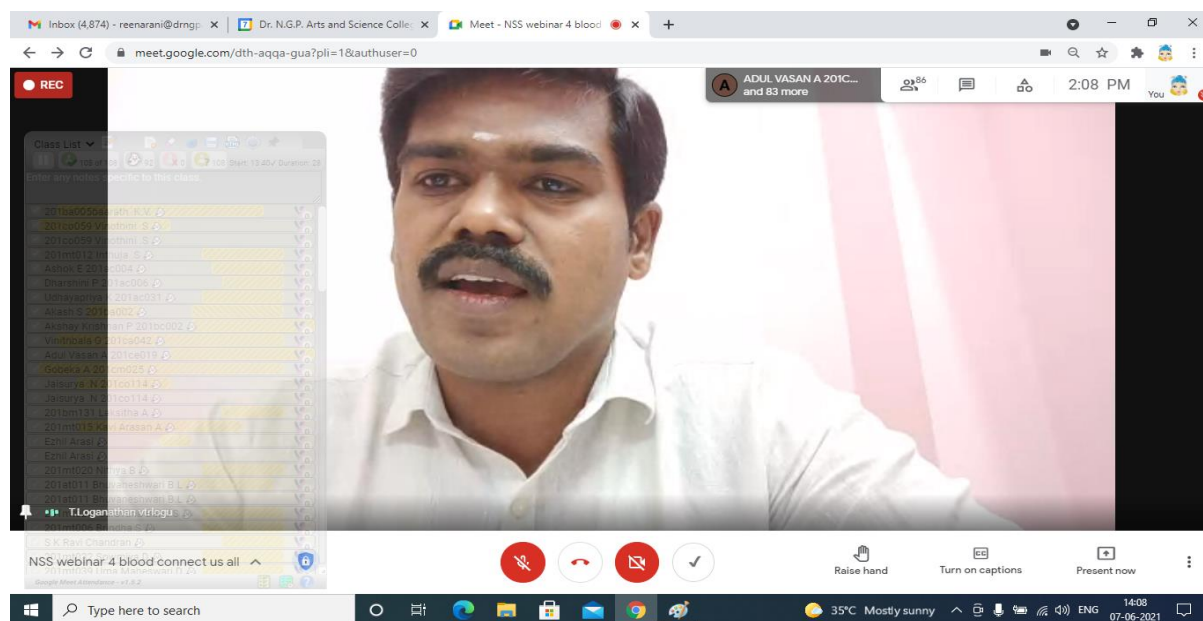

He explained the importance of donating blood is becoming a norm these days. Human body need to have a minimum quantity of blood in order to carry on with the cycle of life. Every year, millions of people are in need of blood. Unavailability of blood for such needy persons can result leads to cause of death. Fresh supply of Blood is needed by millions of people every year. According to a 2016 report by Ministry of Health and Family Welfare, a donation of 10.9 million units of blood was collected, over the requirement of 12 million units. Below are examples of the persons need fresh blood to carry on their life-

- Women having pregnancy complications.
- People who had suffered blood loss due to malaria or Dengue.
- Children with anaemia, due to some medical condition.
- People who have lost their blood due to some natural or manmade accident.
- Patients who have lost blood as a result of some major surgery.
- Cancer patients, whose blood gets infected.

The quality for capacity life of blood is only approximately only six weeks, therefore a regular supply of blood donated by various individuals is needed to meet the requirement of fresh blood. Although the fresh blood can be stored for six weeks, it loses its quality and may be harmful to the patient who receives it. He explained about procedures for donating blood. Finally the session closed with queries.

9. WEBINAR ON “SKILLS ENHANCEMENT – A MUST FOR POST PANDEMIC CAREER AND LIFE”

A webinar on “Skills Enhancement – A Must for Post Pandemic Career and Life” was organized on 9th June 2021 by the Youth Red Cross and Dr.N.G.P. Centre for Competitive Examinations at 2:00 p.m. **Mr. Mohammed Nasser Kamal** was the invited guest for the event and he mainly talked about “Skills Enhancement – A Must for Post Pandemic Career and Life”. He explained about enhancing skills to develop honesty, truth, good attitude and gratitude. He also shared that communication is itself an attitude. He stated the three golden rules like Confidence, Fluency and Listening. Listening is very important skill in communication. Most essential is to listen rather than to speak. He also gave an insight of how can this pandemic be utilized in an effective manner. He also shared how we need to compare each day’s progress. Finally the session closed with queries and clarifications.

10. WEBINAR ON “PROTECTING BREASTFEEDING: WHERE LIES THE RESPONSIBILITY”

The Youth Red Cross and Department of Food Science and Nutrition have conducted a webinar on the topic “Protecting Breastfeeding- Where Lies the Responsibility” held on 5th August, 2021. **Dr. Diviya Arun** was the chief guest of the webinar and graced the event.

She started addressing about "Protecting Breastfeeding - Where Lies the Responsibility". Breast milk is the optimum food for babies. Breastfeeding is the recommended, ideal, natural, and most sustainable food for the healthy growth and development of infants and young children. The recommendation for infants of zero to six months is to breastfeed them exclusively, until the age of two years. The key to successful breastfeeding is that mothers are empowered to feed their babies anytime and anywhere, which means they need broad-based support across society. Given the many stressors on households, sometimes mothers find themselves in hostile home environments and social circles which harbour negative attitudes towards breastfeeding. Finally the session concluded with Queries.

11. WEBINAR ON “CREATING AWARENESS ON ORGAN DONATION”

The Youth Red Cross has conducted a webinar on the topic “Creating Awareness on Organ Donation” on 13th August, 2021. **Dr. R. Samaran** was the invited chief guest of the programme.

He explains about the getting importance of Organ donation now a day. Organ transplantation is one of the great advancement in modern medical field. Unfortunately, the need for organ donors is much lesser than the number of people who actually donate. Every day in the United States, 21 people die waiting for an organ and more than 1,07,380 men, women and children await life-saving in need of organ transplants. Children under 12 years cannot register as a donor, or anyone else do this on their behalf. Doctors may only use the organs or tissue of a deceased child if they have obtained consent from the child’s parents or guardian. Teenagers, young people aged 12 to 15 can register as an organ donor. The government hopes this will encourage more people to become organ donors. Finally the session concluded with National Anthem.

13. WEBINAR ON “WORLD FIRST AID DAY”

The Youth Red Cross has conducted a webinar on the topic “World First Aid Day” on 14th September, 2021. **Dr.M.Devendran PT**, Physiotherapist, Coimbatore was the chief guest of the webinar.

He explained observing First Aid Day is aimed at promoting the importance of first aid training and increasing its accessibility to save more lives in a critical situation. He also added First Aid helps preserve and save lives and also plays an important role in preventing the situation from getting worse. First aid may be necessary to keep the victim alive before he/she can be taken to the hospital or before a doctor arrives for more specialized treatment.

More specifically in 2000, World First Aid Day was established by the IFRC and for more than 100 years, this organization has been providing first aid services to people. The history of this day dates back to 1859 when a young businessman, Henry Dunant, saw the carnage at the battle of Solfrino. Then students had various questions regarding first aid and other related things to be taken while giving first aid etc. and the session concluded.

14. THANTHAI E.V.RA. PERIYAR BIRTH DAY CELEBRATION – “SAMUGA NEETHI NAAL” PLEGE TAKING

The National Service Scheme, Youth Red Cross and Center for Value Education as celebrated 143rd birthday of E.V.R Periyar, taking pledge of “Samuga Neethi Naal” on 17th September, 2021.

The 143rd birthday of EVR Periyar was celebrated in whole Tamilnadu. Dr.N.G.P. Arts and Science College has taken up initiative to celebrate it as “Samuga Neethi Naal” in remembrance of E.V.R. Periyar Birthday. Students unitedly repeated the oath wordings to uplift India with complete country with Justice. Social justice is a political and philosophical theory which asserts that there are dimensions to the concept of justice beyond those embodied in the principles of civil or criminal law, economic supply and demand, or traditional moral frameworks. Social justice tends to focus more on just relations between groups within society as opposed to the justice of individual conduct or justice for individuals. Social justice forms the basis for socialistic economic systems and is also taught in some religious traditions. In general, social justice originated as a broad concept supporting equal rights through various types of initiatives for citizens. Social justice is closely related to conflict theory and redressing perceived wrongs of past or ongoing conflict between groups of people and parts of society. This often focuses either on favoring the interests of certain groups within a population whom its proponents consider to be oppressed or on undermining the interests of and directly attacking groups which they consider to be in some sense oppressors. Finally the programme concluded with pledge taking by the students.

15. WEBINAR ON “WORLD ENVIRONMENTAL HEALTH DAY”

The Youth Red Cross has conducted a webinar on the topic “World Environment Health Day” on 25th September, 2021. **Mr. Manikandan**, Coordinator, Kovai Kulangal Padhukappu Amaippu was the chief of the webinar.

He talks about how the waterways are helpful for the transformation of people from old stages to modern stage. He spoke about how to protect the waterways. He explained about about the Noyyal River and the Kovai Kulangal Padhukappu Amaippu organization working about the cleaning activity of rivers in and around Coimbatore. The Organization contributed to protect the rivers. He shared his views in the interview which was given to Puthia Thalaimurai news channel. Finally the session cleared the queries and concluded with National Anthem.

16. WEBINAR ON “WORLD HEART DAY”

The Youth Red Cross has conducted a webinar on the topic “World Heart Day” on 29th September 2021. **Mrs.Sowmini P N**, Consultant Psychologist, Kerala was the chief guest of the webinar.

She speaks about the disconnected hearts, that are at greater risk of heart disease and stroke due to lack of access to CVD prevention, treatment and control – so far half the world’s population doesn’t have access to internet connectivity. Technology and data will help us bridge the gap and do it fast. It is about enabling and empowering everyone, everywhere – young and old, men, women and children, patients, community health workers from the heart disease. Cardiovascular diseases (CVD) are the most common cause of death globally. An estimated 17 million people die from CVD every year. Coronary heart disease or strokes were the major causes of these deaths. A common misconception about CVD is that it impacts more people in developed countries who are more reliant on technology and lead sedentary lifestyles. She clarified doubts raised by the students at last the session concluded with National Anthem.

17. WEBINAR ON “MENTAL WELL-BEING IN THE CRISIS SITUATION”

The Center for Value Education and Youth Red Cross has jointly celebrated “World Mental Health Day on 12th October, 2021. **Mrs. Mangaleshwari Manjari**, Assistant Professor in Psychology & Student Counsellor, Kovai Medical Center Research and Educational Trust, Coimbatore was the chief guest of the webinar.

She explains about mental health during Covid-19 pandemic has had a major impact on people's mental health. Some groups, including health and other frontline workers, students, people living alone, have been particularly affected. Moreover services for mental, neurological and substance use disorders have been significantly disrupted. Some countries have found new ways of providing mental healthcare to their people. During this year's World Mental Health Day campaign, will showcase the efforts made in some of these countries and encourage to highlight positive impact as part of your own activities, as an inspiration to others people. Finally she cleared all the doubts raised by the YRC Volunteers.

18. WEBINAR ON “BETTER NUTRITION AND BETTER LIFE”

The Youth Red Cross and Centre for Competitive exam have conducted a webinar on the topic Nutrition and Health on 23rd October, 2021. **Mrs.Raji Srinivas**, Consultant Nutritionist & Dietitian, Kovai Medical Center and Hospital, Coimbatore was the chief guest of the webinar.

She explains the significance and impact of nutrition. Nutrition is the science of food and related to health. Nutrient or “food factor” - is dietary constituents such as carbohydrates, proteins, fats, vitamins and minerals and water. Principles of nutrition - is the planning of meals for the well and the sick. Good nutrition means maintaining a nutritional status that enables us to grow well and enjoy good health. What foods are included in this group? Naturally occurring Oils, Nuts, seeds, Eggs, Meat, Dairy, Fish. She also said fat are that are healthier like Polyunsaturated fats or Omega-3's: vegetable oils, Salmon, fish oils, nuts flaxseeds .Monounsaturated fats: canola oil, olive oil, avocado, nuts. Health is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity.

Finally the session closed with queries and concluded with National Anthem.

ACTIVITY – Eye Mask Making Contest

Organized By Red Ribbon Club

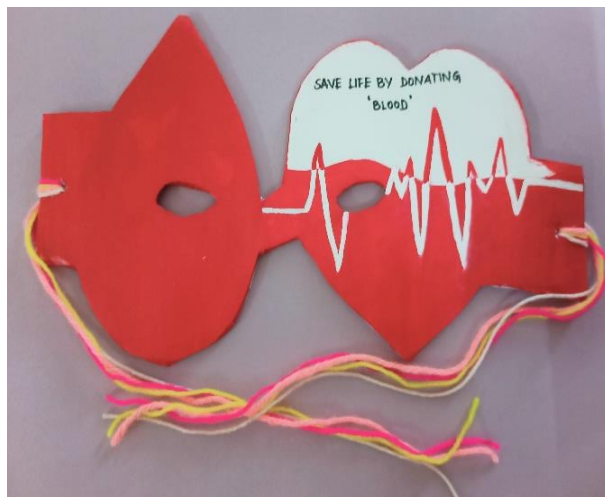

DATE:13-12-2021

DAY: Monday

PLACE: Online

DESCRIPTION:

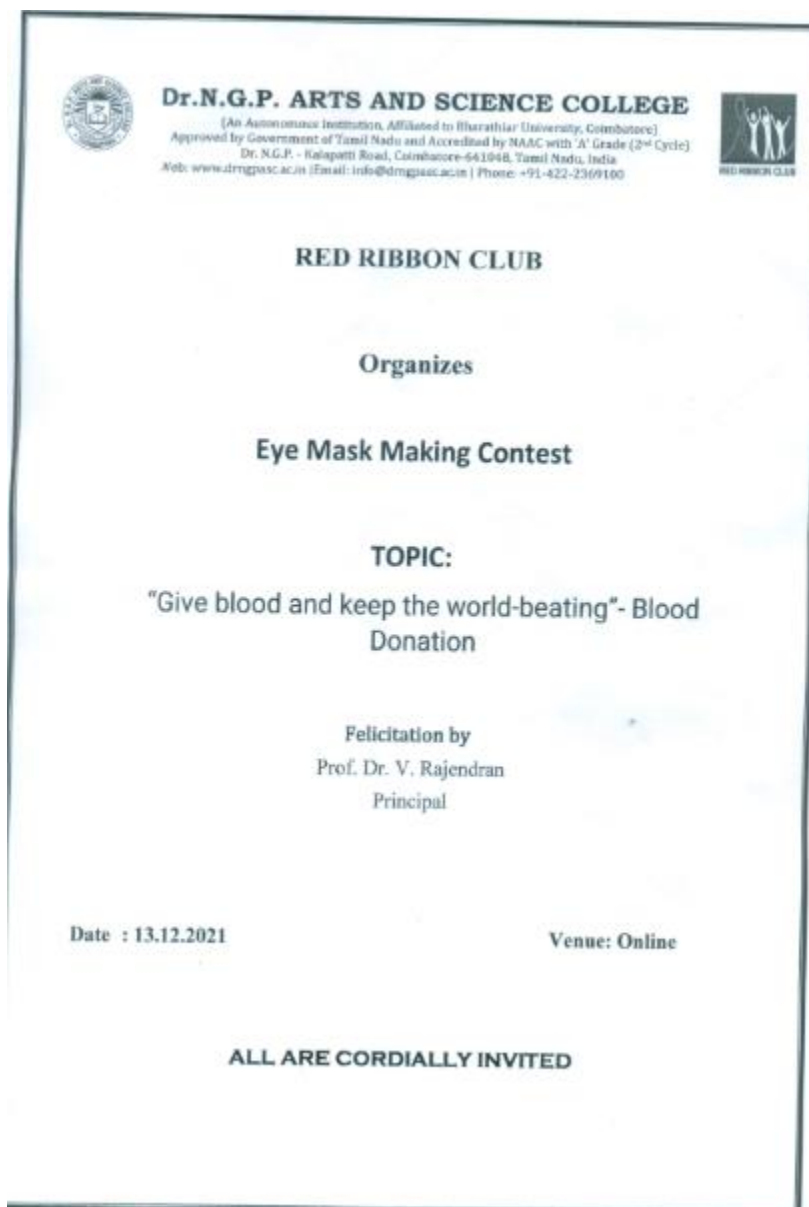

Eye mask Making Contest was organized by Red Ribbon Club on 13th December 2021 through online. This activity was organized on the topic “Give Blood and keep the world beating”- Blood Donation. The activity offered students a platform to understand the importance of blood donation, which saves millions of human beings from the jaws of untimely death. Students participated earnestly in the contest. A variety of paper and cardboard masks were made by the students. In other way, it helped students to explore creativity in them. 10 RRC volunteers with 1 staff co-ordinated the contest.

Sample of Entries received :1. S.Bahvithra, I B.Sc. CSDA & 2. P.Kowsalaya, II B.Sc Biotechnology.

CORONA VIRUS (COVID-19) AWARENESS PROGRAMME

Organized by
Women and Gender Development Club

Date: 22.12.2020

DESCRIPTION

The Women and Gender Development Cell initiated many awareness programmes and it was aimed toward reaching down to all sort of community people with the message about COVID-19 outburst, the way to identify beforehand and protect oneself from the pandemic disease. The II M.Sc. Microbiology students Ms. R. Menaka, Ms. M. Mynumathi, Mr. V. Sridar and Mr. K. B. Leneey Green have initiated and created an animation video as an awareness programme on COVID-19 with an educative role play. This video was posted and sent to all the stakeholders, Parents Teacher Association and the alumni group through various Social media platforms.

Next it was geared up by the demonstration of Poster Presentation titled *Effect of Corona Virus in Human Body* by the students of Microbiology with Corona Virus infections, its causes, symptoms, modality of transmittance of the deadly disease and the precautionary measures to prevent infection from virus and staying hale and hearty at home to be safe. Preventive measures spotlighted on the importance of keeping up basic hand wash and hygiene, healthy food practices, maintaining distance in contact etc.

Additionally, the Women and Gender Development Cell along with the Department of Food Science and Nutrition has released a Diet Plan for COVID-19 which clearly listed and explained the ways to improve ones immunity of body and food style which could prevent from viral infections along with few helpful tips. All the students and faculty members and their family members were made to aware and to practise this diet plan to fight against the pandemic crisis.

WOMEN'S DAY CELEBRATION

**Organized by
WOMEN'S FORUM**

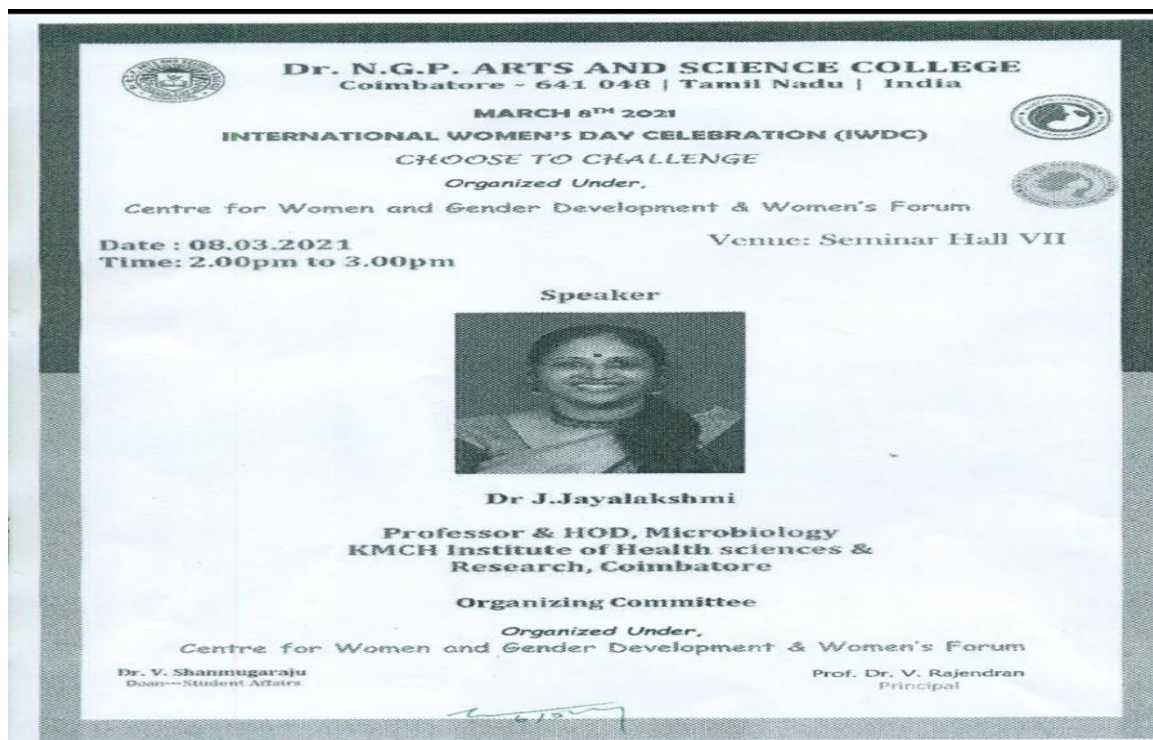

DATE:08.03.2021

PLACE: DR.N.G.P. ARTS AND SCIENCE COLLEGE

DESCRIPTION

Women's Forum and Centre for Women and Gender Development of Dr.N.G.P Arts and Science College jointly organised International Women's Day on 8th March 2021. Dr. S.Suguna, coordinator of Centre for Women and Gender Development welcomed the gathering. Dr.J.Jayalakshmi, Professor and HOD of Microbiology, KMCH Institute of health Sciences and Research, Coimbatore was the chief guest of the day. Various competitions were conducted and the certificates were distributed to the winners. Dr.R.Guna Sundari, Coordinator, Women's Forum delivered the vote of thanks

LECTURE ON RAISING AWARENESS FOR WOMEN'S CANCER Organized by WOMEN'S FORUM

DATE: 25.09.2021

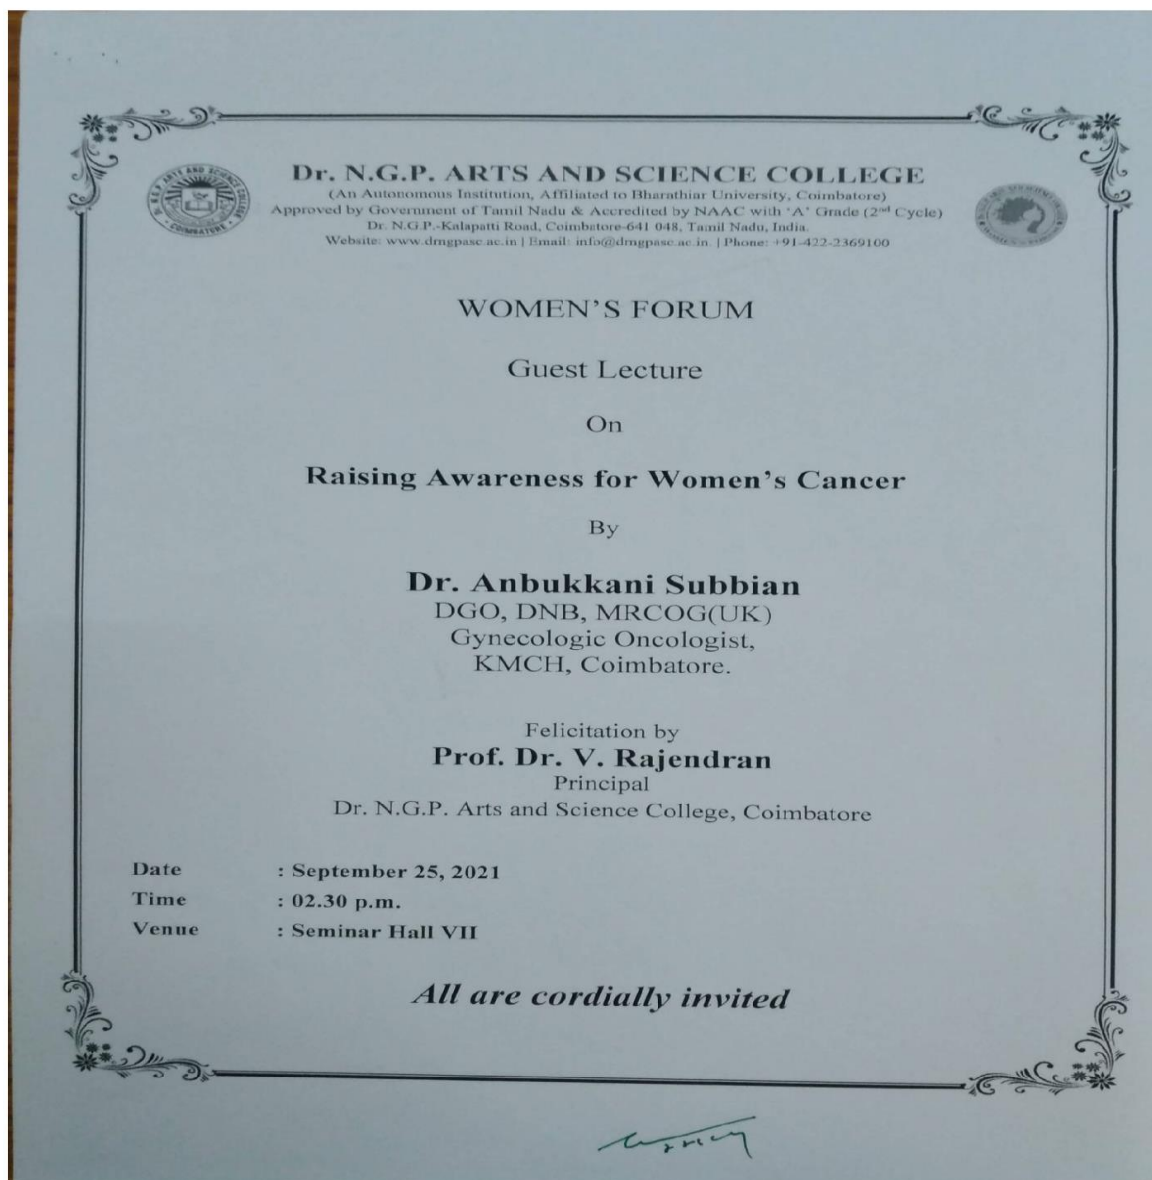

MODE: DR.N.G.P.Arts and Science.

DESCRIPTION

Women's Forum of Dr.N.G.P Arts and Science College jointly organised a guest lecture on Raising Awareness for Women's Cancer on 25th September 2021. Dr.R.Guna Sundari, Coordinator, Women's forum welcomed the gathering. Dr.Anbukkani Subbian, Gynecologic Oncologist, KMCH, Coimbatore was the chief guest of the day. She spoke on the topic breast cancer and service cancer and the awareness to be created among women to prevent it at its initial stage. She gave lot of information about the reasons for formation of cancer and the treatment available for this disease. Students and staff members interacted with the guest and cleared their queries. Finally, Ms.T.Maheswari, Assistant Professor, Department of B.Com(Accounting and Taxation) proposed the vote of thanks.

OUTREACH / EXTENTION PROGRAMME- BOOMIKAAPAN- 2021

Organised by

BIOZENITH ASSOCIATION

**DEPARTMENT OF BIOCHEMISTRY
 DBT STAR SCHEME**

DATE: 28.03.2021

DAY: Saturday

PLACE: Individual Students collected from their home and Submitted to **Residents**

Awareness Association (RAAC) of Coimbatore .

DESCRIPTION:

All the UG and PG Students and Staff were participated in this programme to create awareness on usage of plastics and how to reuse it. It is simple , stuff the wrappers and plastic covers in to the one liter empty water bottle or juice bottle until it is as solid as a brick (minimum 110 grams). Totally 38 students and 4 faculty members were participated in this activity and received 1 kettle and 3 compost pins from RAAC, Coimbatore. All the participants were appreciated with certificates from organizing team.(Rotary Texcity, Zf Wind Power, RAAC And SBAs and Coimbatore Corporation (Swachh Bharat Mission)

This programme aims to investigate the use of different wastes as raw materials in the fabrication of sustainable, eco-friendly fired building bricks.

DR.N.G.P. ARTS AND SCIENCE COLLEGE

EXTENSION ACTIVITY PROGRAM ON THE TOPIC LEPROSY IS A CURABLE DISEASE

Organized by

DEPARTMENT OF MICROBIOLOGY

Under DBT Star Scheme

Event: Awareness Program (on observation of Leprosy Day- 30th January)

Venue: Veeriyampalayam Village

Date: 06.02.2021

DESCRIPTION:

An awareness program was organized under DBT-STAR Scheme by Department of Microbiology to give awareness on “Leprosy is a Curable Disease” to 50 Students from B.Sc., Microbiology.

ABSTRACT:

Leprosy is caused by infection with the bacterium *Mycobacterium leprae*. It mainly affects the skin, eyes, nose and peripheral nerves. Symptoms include light-coloured or red skin patches with reduced sensation, numbness and weakness in hands and feet. Leprosy can be cured with 6-12 months of multi-drug therapy. Early treatment avoids disability.

Although leprosy was managed differently in the past, the first breakthrough occurred in the 1940s with the development of the medicine dapsone. The duration of treatment lasted many years, often a lifetime, making compliance difficult. In the 1960s, *M. leprae* started to develop resistance to dapsone, the only known anti-leprosy medicine at that time. In the early 1960s, rifampicin and clofazimine were discovered and subsequently added to the treatment regimen, which was later labelled as multidrug therapy (MDT).

In 1981, WHO recommended MDT. The currently recommended MDT regimen consists of medicines: dapsone, rifampicin and clofazimine. MDT kills the pathogen and cures the patient. Since 1995 WHO has provided MDT free of cost. Free MDT was initially funded by The Nippon Foundation, and since 2000 it is donated through an agreement with Novartis

until at least 2020. Elimination of leprosy as public health problem, hence the final year B.Sc microbiology students were involved to create an awareness program to general public titled “Leprosy is a curable disease”.

There were 40 B.Sc., Microbiology students of Dr.N.G.P .Arts and Science College, along with a staff Dr. A. M. Ramachandran and Dr. J. Devakumar participated and conducted an awareness program under the DBT-STAR Scheme on 06/02/2021 at Veeriyampalayam village, Coimbatore. The students were described the posters to the people and also demonstrated about leprosy and its prevention measures through poster. The peoples were eagerly engaged in the program and learned the symptoms and the prophylaxis of leprosy. They have also given good feedback about the awareness program.

OUTREACH PROGRAMME ON AWARENESS ON ENERGY CONSERVATION

Organized by Department of Physics

DATE: 06-03-2021

DAY: Saturday

PLACE: ChinnaThadagam

DESCRIPTION:

Our students were divided into several teams, each team made Awareness on “Energy Conservation”, Public people were engaged simultaneously about 45min; hence the whole session was for about 3hr. 58 Students along with 2 staffs gave awareness on the above. The objective is to make awareness on Energy Conservation among students from rural areas and to help them build a strong base for career ideas.

OUTREACH / EXTENTION PROGRAMME – CLEANLINESS PROGRAM

Organized by
DEAPARTMENT OF MATHEMATICS

DATE: 20.02.2021

DAY: Saturday

PLACE: Panchayat Union Elementary School, Chinna Thadagam

DESCRIPTION:

Clean and Gives some stationary items to school of Panchayat Union Elementary School, Chinna Thadagam. 30 Students along with 1 staff participate on the above. The importance of cleanliness in school is to provide a healthy and safe environment. There are many issues related to hygiene that students and school employees have to face every day. Germs and bacteria are a part of life. Especially when it comes to kids, infection due to unhygienic practices are common.

OUTREACH PROGRAMME – CLEANLINESS PROGRAM

Organised by
DEPARTMENT OF MATHEMATICS

DATE: 20.03.2021

DAY: Saturday

PLACE: Nallagoundenpalayam

DESCRIPTION:

The importance of cleanliness in home and village is to provide a healthy and safe environment for human. There are many issues related to hygiene that people have to face every day. Germs and bacteria are a part of life. Especially when it comes to kids, infection due to unhygienic practices are common. To help them to overcome this situation was the main objective of the program.

DEPARTMENT OF FOOD SCIENCE AND NUTRITION FEED BACK FORM

NAME : Latha mari
DATE : 6/8/21

FEEDBACK OF THE PROGRAMME

The session on complementary feeding on Infants for Pre + post natal mothers was very informative. It would have been a very helpful session for the first time mothers, as it would help them to learn more about the various feeding methods and foods to be given.

**OUTREACH PROGRAMME ON AWARENESS PROGRAMME ON DIGILOCKER
ANDMPARIVAHAN
Organized by CYBER DYNERZ
DEPARTMENT OF COMPUTER TECHNOLOGY**

Date: 06.03.2021

Place: Thadagam village

DESCRIPTION:

An outreach activity was conducted at Thadagam village on Digi locker and mParivaham mobile applications. Around 213 students of the Department of Computer Technology participated and created awareness on how to upload the documents and keep these safe when using a Digi Locker account. Also they explained how to access vehicle details like insurance validity, registration certificate, and driving license using mParivahan app on 06.03.2021. The main objective of this programme are to impart the concept of Digi Locker and mParivahan app to villagers and to create awareness on the importance and usage of these applications.

PROCESS

- The students issued pamphlets on Digi Locker and mParivahan as part of the awareness rally. The students raised voice on the importance of digital documents and its advantages.
- Motorists can produce digital documents. The students explained how to store documents on Digi Locker or mParivahan app to avoid high penalties.

OUTREACH PROGRAMME ON AWARENESS ON AAROGYA SETU MOBILE APP

Organized by

Flips Association

DEPARTMENT OF COMPUTER SCIENCE

DATE: 01.10.2021

PLACE: Veerampalayam Village

DESCRIPTION

Extension is an important Arogya Setu App activity which contributes to the enhancement of the status and public recognition of a profession and welfare of the society at large. Keeping this view in mind the II- M.Sc Computer Science students of Dr. N.G.P. Arts and Science College were divided into five groups for their extension activity. Group consisted of 02 students and the adopted village allocated to them was Veerampalayam Village Coimbatore, where they carried out a street campaign on October 01, 2021.

Situational awareness is prized in difficult situations as being aware of the environment around and the threats and opportunities. Governments around the world use contact-tracing as a means to improve their situational awareness to manage the Covid-19 pandemic. The Indian government's Arogya Setu App follows the same trajectory, but there have been legitimate concerns about whether it is privacy-friendly as has been claimed.

PROCESS

The students formulated posters as part of the need analysis, based on which the

	<p style="text-align: center;">Dr. N.G.P. ARTS AND SCIENCE COLLEGE (An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore) Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2nd Cycle) Dr. N.G.P. – Kalapatti Road, Coimbatore-641048, Tamil Nadu, India Web: www.drngpasc.ac.in Email: info@drngpasc.ac.in Phone: +91-422-2369100</p>	<p style="text-align: center;">NAAC 3rd Cycle Criterion III Metric 3.6.3</p>
--	---	--

students interacted with people, and its beneficiaries. As a result of the need assessment, the study team provides Awareness on Arogya Setu App. While it may be possible to argue that this allows in mapping hotspots; the key question is what is the value in knowing about where the infection has been passed on 2-3 weeks ago.

The more valuable information is, where the infected person is currently residing and then using that data to locate and quarantine the person, for which phone number is more than sufficient, which is collected by both. . When they had detailed discussion with the students of II M.Sc Computer science they also expressed the benefits and issue as very significant to be addressed in keeping view of the public places.

“OUTREACH PROGRAMME ON GOVERNMENT INSURANCE SCHEME”
Organized by

Department of Banking & Insurance

DATE: 27.02.2021

PLACE: Veeriyampalayam, Coimbatore

DESCRIPTION:

Awareness Program as outreach program was organized to give awareness on Outreach Programme on Government Insurance Scheme to public of, Veeriyampalayam, Coimbatore 59 Students gave awareness on the above. Outreach Programme on Government Insurance Scheme Atal Pension Yojana Scheme, Chief Minister's Comprehensive Insurance Scheme, Pradhan Mantri Garib Kalyan Package: Insurance Scheme for Health Workers Fighting COVID-19".

ATAL PENSION YOJANA SCHEME

Atal Pension Yojana is a Social Security Scheme introduced by Govt. of India, aimed at providing a steady stream of income after the age of 60 to all citizens of India. It is based on National Pension Scheme (NPS) frame work. Permanent Retirement Account Number (PRAN) will be provided to the subscriber immediately by the branch. Under APY the subscribers have a choice to get Fixed Monthly Pension amount from Rs. 1000, Rs.2000, Rs. 3000, Rs. 4000 and Rs. 5000 by paying monthly subscription. Central Government will co-contribute 50% of the total yearly contribution or Rs. 1000 per annum, whichever is lower, for the period of 5 Years in the account of subscribers who join the scheme up to 31st December, 2015 and who are not a member of any Statutory Social Scheme and not an income tax payer. Subscribers joining APY scheme at an early stage of age would be required to pay lesser monthly subscription amount as compared to the subscriber joining at a later age as illustrated in the above table. Our NPS-Lite Swavalamban subscribers, if eligible i.e. between the age of 18 to 40, may shift to APY

	<p style="text-align: center;">Dr. N.G.P. OUT REACH PROGRAM ON AWARENESS OF FAMILY BUDGET

Organised by

**DEPARTMENT OF COMMERCE FINANCE
 FINER'S ASSOCIATION**

DATE: 21.09.2020

MODE: ZOOM MEET

DESCRIPTION:

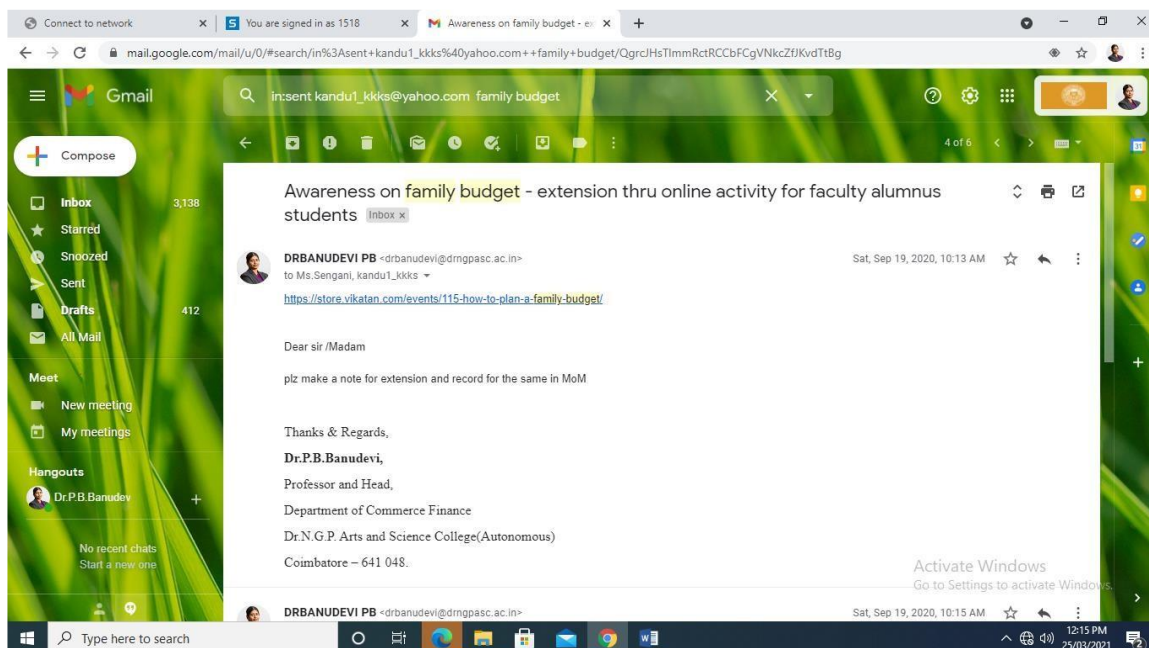

Budgeting is simply balancing your expenses with your income. If they don't balance and you spend more than you make, you will have a problem. Many people don't realize that they spend more than they earn and slowly sink deeper into debt every year. The present study entitled "Awareness among housewives of Gurgaon regarding importance of family budgeting" was conducted with an aim to know the awareness among housewives regarding making & usefulness of family budget

OBJECTIVE:

The main objective of a family budget is to decide how a family income is to be spent, how it is to be used and divided among different kinds of goods, services and savings.

OUTCOME

- Students learned to interact with people and thought them the importance Voting
- Beneficiaries also learned various things from the students regarding voting rights .

FEEDBACK

We went to Kurumbapalayam and Veeriyampalayam on 06/03/2021 for an "voting awareness program". We interacted with many people over there. It was a very good experience, we thought people the importance of voting, awareness and so on. I am happy that I was a part in that awareness program.

OUTREACH PROGRAMME ON AWARENESS ON THE USAGE OF PARENTCONTROL APPLICATION

Organized by

COMTECH ASSOCIATION

DEPARTMENT OF COMMERCE WITH INFORMATION TECHNOLOGY

DATE: 08.06.2021

PLACE: Saravanampatti.

DESCRIPTION:

B.Com with Information Technology students have conducted An Extension Activity entitled “Awareness on the Usage of Parent Control Application” on 08.06.2021 at Saravanampatti. About 28 students of B.Com IT have participated in the program and they created the awareness among the parents to control the inappropriate android applications among the kids.

PROCESS

The students were explained about the need of Parent Control in usage of Android Applications. As a result of this the parents can understand the advantages of usage of Parent Control in usage of inappropriate Android Applications through the practical examples given by the students.

OUTCOME

1. Through this programmed student concrete awareness on self employment among the rural women.
2. Students can explain various self-employment schemes and demonstrate how to join various schemes.

FEEDBACK

Feedback

Date : 27/02/2021

Place : Thadthagham village, Coimbatore.

Topic : Awareness on Self-employment schemes available for Rural women.

It was a wonderful experience to share the knowledge about the availing schemes of self-employment for rural women in Thadthagham village, Coimbatore. I got new and innovative ideas to present the communication enthusiastically while sharing the schemes.

This experience was really a feel-good factor and highly recommended to each and every student. This was more than, that met my expectations.

Regards,
 R. Visnupriya
 (18145060).

PAMPHLET

Foods for kids to improve immunity and fight COVID-19

BELOW IS THE LIST OF FOOD THAT YOU FEED YOUR CHILD FOR INCREASING THEIR RESISTANCE AGAINST THE DEADLY CORONAVIRUS.

	Citrus fruits Vitamin C is often said to be the best way to improve our immune system.
	Red bell pepper It might surprise you that red bell peppers have higher vitamin C content as compared to citrus fruits.
	Broccoli Broccoli, a superfood as it's packed with vitamins, minerals, and other healthy substances that are suitable for the body.
	Garlic The most popular ingredients in the world, garlic is not only used for giving flavor to your dishes, but can also help your body in fighting infections and reducing blood pressures.
	Ginger Another popular ingredient apart from garlic, ginger has anti-inflammatory properties, which helps in reducing sore throat and other problems like nausea.
	Spinach Another food in the category of superfood is spinach, which should be involved in the daily meal for a healthy life.
	Yogurt Yogurt, such as the Greek yogurt, boosts the body's immune system to fight against viruses and other diseases.
	Almonds When you talk about the foods rich in Vitamin E content, then almonds will come in the first number.
	Green tea Green tea has a lot of flavonoids and antioxidants called epigallocatechin gallate or EGCG, which helps in boosting the immune system.

Foods for kids to improve immunity and fight COVID-19

BELOW IS THE LIST OF FOOD THAT YOU FEED YOUR CHILD FOR INCREASING THEIR RESISTANCE AGAINST THE DEADLY CORONAVIRUS.

- Citrus fruits**
Vitamin C is often said to be the best way to improve our immune system.
- Red bell pepper**
It might surprise you that red bell peppers have higher vitamin C content as compared to citrus fruits.
- Broccoli**
Broccoli, a superfood as it's packed with vitamins, minerals, and other healthy substances that are suitable for the body.
- Garlic**
The most popular ingredients in the world, garlic is not only used for giving flavor to your dishes but can also help your body in fighting infections and reducing blood pressure.
- Ginger**
Another popular ingredient apart from garlic, ginger has anti-inflammatory properties which helps in reducing sore throat and other problems like nausea.
- Spinach**
Another food in the category of superfood is spinach, which should be involved in the daily meal for a healthy life.
- Yogurt**
Yogurt, such as the Greek yogurt, boosts the body's immune system to fight against viruses and other diseases.
- Almonds**
When you talk about the foods rich in vitamin E content, then almonds will come in the first number.
- Green tea**
Green tea has a lot of flavonoids and antioxidants called epigallocatechin gallate or EGCG, which helps in boosting the immune system.

OUTREACH PROGRAMME- AWARENESS OF COVID 19

Organized by

ERUDITICA ASSOCIATION

DEPARTMENT OF ENGLISH

DATE: 24.03.2021

DAY: Wednesday

PLACE: Karuparayanpalayam

DESCRIPTION

An extension activity was done at Karuparayanpalayam village to create awareness on COVID 19 among the village people. The students of III B.A English participated enthusiastically and explained the precaution measures to the village people on 24/03/2021.

OBJECTIVES

- To create awareness about COVID 19.
- To furnish precaution measures.
- To train the people to face the pandemic.

SAMPLE: PROCESS

The students of III B.A English Literature reached the location at 10.00 am and started the programme. The students along with the staff divided into two groups consisting of thirteen members each and started to spread the awareness of COVID 19. The people of old ages were mostly advised to stay in home and to wear masks when they move outside. The children were advised to maintain social distance and wear masks whenever they move outside and also to attend the online class regularly.
