Ignite your self confidence (28.08.2017)

1. Report

DESCRIPTION

The department of English organized a guest lecture on 28.08.2017 at 1.30 Pm and the chief guest **Mr. John Edison**, senior leadership trainer, delivered a talk on the topic **Ignite your self-confidence**. He quoted good maxims and moral tales to create the students' zeal and confidence. He also gave good examples from pragmatic factors. His presentation really was useful for the students, and they actively participated throughout the session.

OBJECTIVES

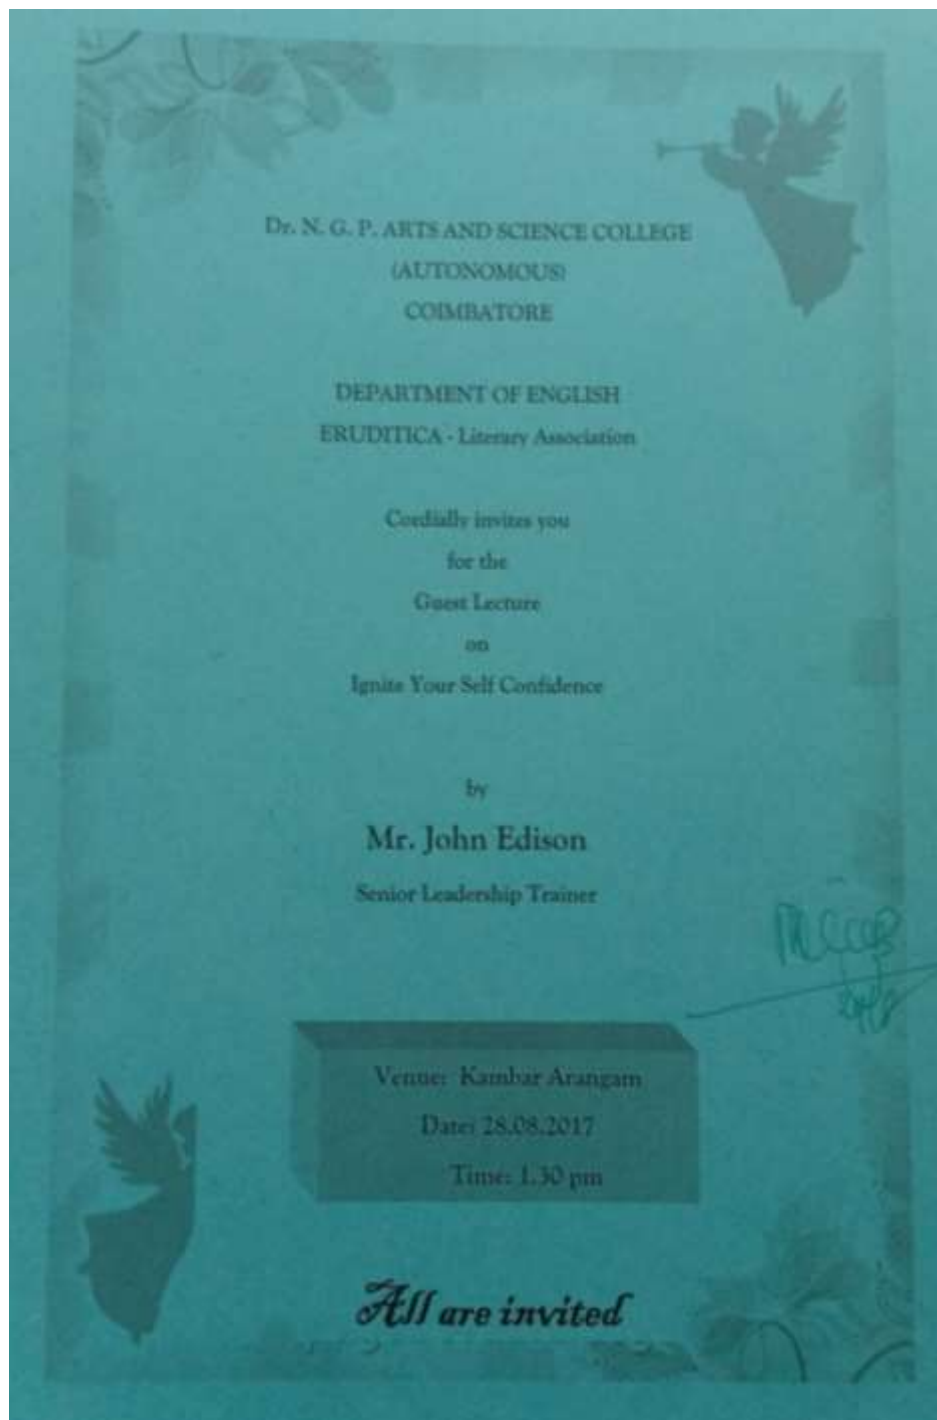

- To enhance students' self-confidence
- To furnish ethical Knowledge.
- To train the students to make right decisions.

OUTCOMES

1. The students actively participated throughout the session and gained some ideas to strengthen their self-confidence.
2. The students interacted with the resource person and clarified their doubts.

Placement Readiness (18.12.2017, 19.12.2017)

1. Report

Report of the “Placement Readiness Workshop” held on 18th and 19th December 2017.

On behalf of the Bloggers Association, Department of Computer Applications organized two days Placement Readiness workshop on “**Aptitude and Softskills Training**” at Hall 415 for second year students of BCA by the resource person Dr. K.Mangayarkarasi, Research Associate, Bharathiar University, Coimbatore. The program started with a welcome address and chief guest introduction given by Ms.Dhivya.M of II BCA-‘A’.

18.12.2017

The program started with a welcome address and chief guest introduction given by Ms.Dhivya.M of II BCA-‘A’.

Forenoon session, the training includes three major areas of Life skills - Quantitative Aptitude, Verbal and Communication Skills and Soft Skills. To have a real-life experience, mock interview and group discussion are conducted with experts on the panel. This ensures that there are no surprises when the students undergo the company placement processes.

Afternoon session, continue with hands-on training for students are trained to face interviews, both from a subjective and objective perspective, updated with the frequently asked questions and prepared to expect the unexpected. This is further enabled through a series of mock interviews, thus helping the participant by giving feedback and inputs for improvement.

19.12.2017

Forenoon session starts from analyzing training needs and ensuring effective execution of training. To enhance the English speaking skill of students, they can communicate their thought and ideas fearlessly and effectively.

Afternoon session focused on clearing doubts and interactions.

Fifty four students of second year were participated and benefited from the training workshop. The central theme of training is the overall development of the students' personalities, with necessary emphasis on communication skills and reasoning abilities.

This workshop was valued for all the students, and also helps students in career visioning and planning, effective resume writing and dealing with placements.

The session concluded with a vote of thanks given Hamsa Priya B.S of II BCA- 'A'.
 Good feedback received from students and totally 54 students are benefited by this hands on training.

Youth Empowerment through Skill Education (30.01.2018)

1. Report

EVENT DESCRIPTION

Youth empowerment programs are aimed at creating healthier and higher qualities of life for underprivileged or at-risk youth. This dimension aims to create self-confidence and give youth the skills to acquire knowledge.

OBJECTIVES

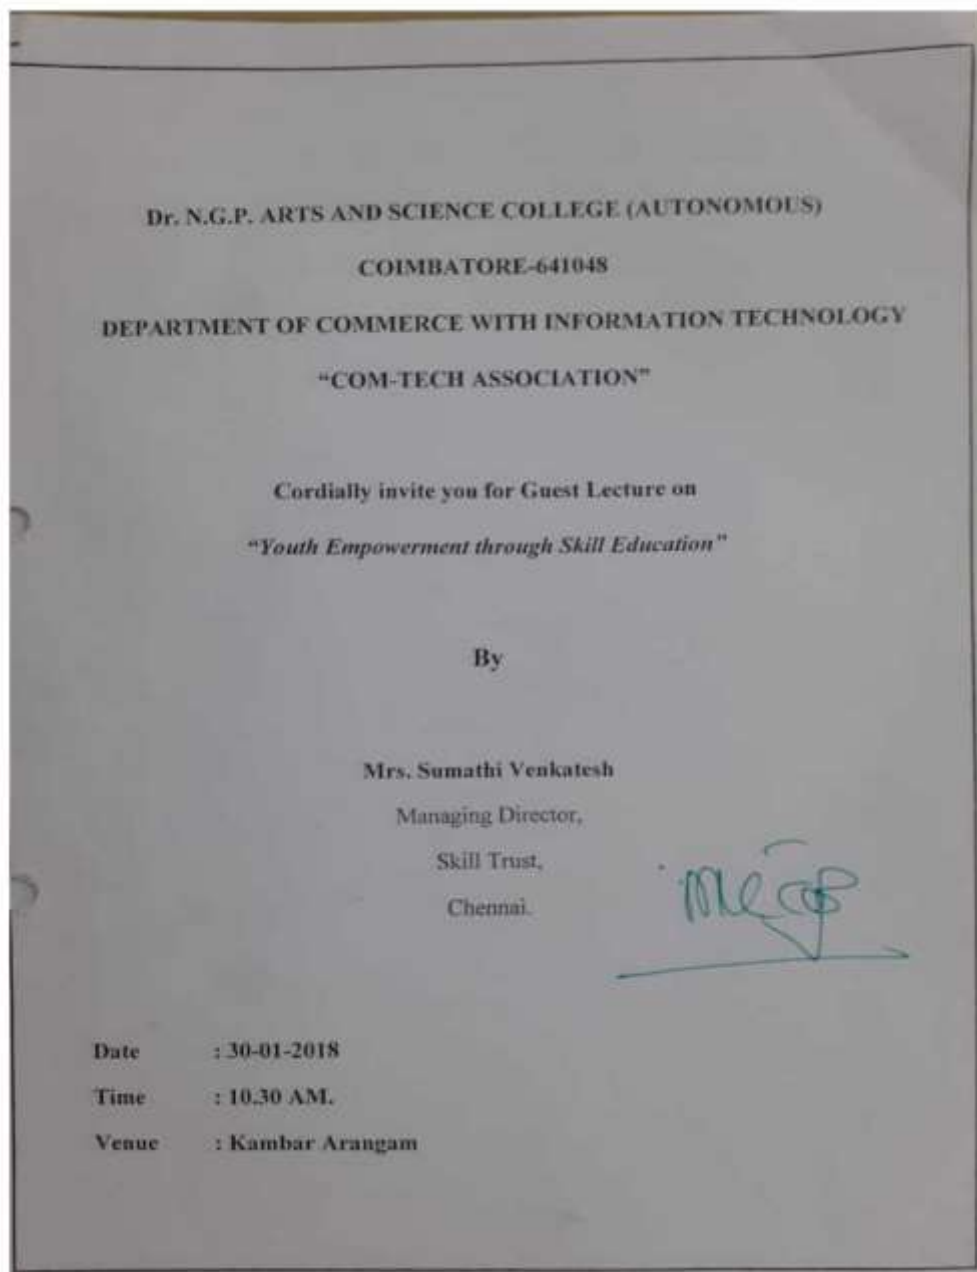

To generate in young people a sense of responsibility and ownership for the actions they undertake and to develop their citizenship and involvement in their communities.

OUTCOME

The development of skills can contribute to structural transformation and economic growth by enhancing employability and labor productivity and helping countries to become more competitive.

Enriching Communicative Skill for their Career (02.03.2018)

1. Report

DESCRIPTION

- Written Communication.
- Confidence.
- Openness.
- Presentations and Public Speaking.
- Empathy.
- Cross-Cultural Communication.

OBJECTIVE

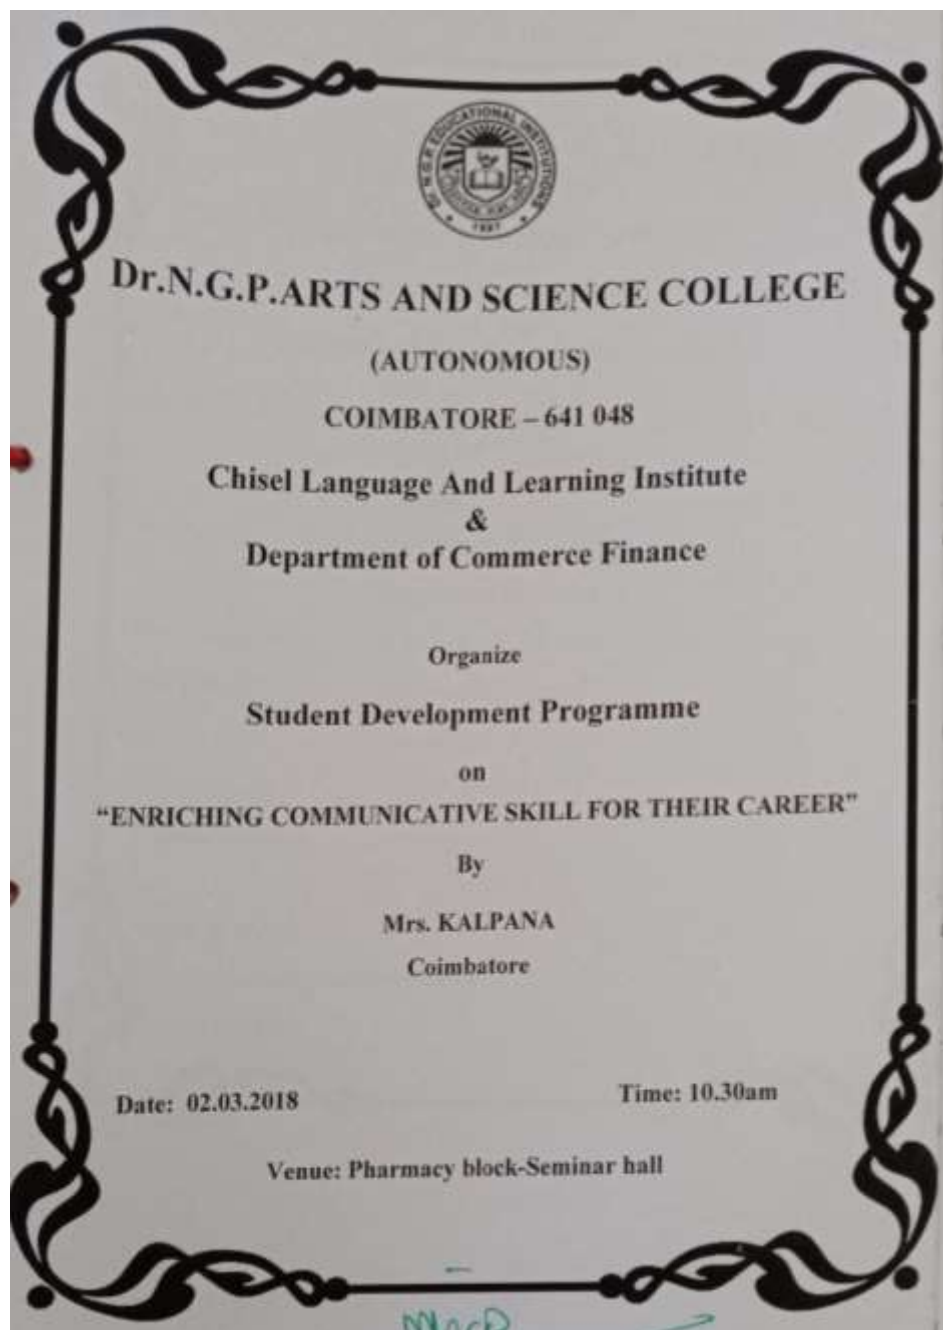

The primary objective of communication in management is to convey information—instructions, policies, procedures, decisions, etc., so the listener will hear, read, understand what is said, agree and accept the message, and react as intended by the manager or sender of communication.

OUTCOME

- Students will develop knowledge, skills, and judgment around human communication that facilitate their ability to work collaboratively with others.
- Small group processes, active listening, appropriate self-disclosure, etc.

Data Visualisation Tool: Tableau (07 to 12.08.2017)

1. Report

Report of the Workshop held on 7.08.2017 to 12.08.2017

On behalf of the Bloggers Association, Department of Computer Applications organized a Hand on Workshop on topic “*Data Visualization Tool: Tableau*” at Cisco Lab for final year students.

The program started with a Welcome Address by Ms. J.Gayathri of III BCA- ‘A’.

Mr. Karthik Veer, Chief Learner, Black Board Learning, Chennai has given hands on training on topic “*Data Visualization Tool : Tableau*” at Cisco Lab from 9.00 am to 3.30 pm on 7.08.2017 to 12.08.2017.

The session dealt with the trending software “*Data Visualization Tool: Tableau*”. Tableau is an intuitive tool that you can pick it up on the fly. Students visualized various applications of Tableau such as quickly create interactive plots, Build interactive dashboards using a GUI, Connects to R-language and short learning curve.

Each student had training individually with the help of the Tableau software. Basic and important concepts were discussed. Training continued in such a way that they can analyze any data with the help of Tableau. They have discussed on various job opportunities of *Data Visualization Tool: Tableau*.

The session concluded with a vote of thanks given by Ms.R.Ramya of III BCA-‘B’.

We received good feedback from students and totally 113 students are benefited.

Data Science and Big Data (17.08.2017)

1. Report

PREAMBLE

This 1. Report displays the Data science and Big Data involves many specific domains and skills, but the general definition is that data science encompasses all the ways in which information and knowledge is extracted from data. Big Data is essentially a special application of data science, in which the data sets are enormous and require overcoming logistical challenges to deal with them. The primary concern is efficiently capturing, storing, extracting, processing, and analyzing information from these enormous data sets.

PARTICIPANT'S PROFILE

Students from II and III UG participated in the Guest Lecture.

RESOURCE PERSON PROFILE

Mr. N. Prasanth
 Senior Software Developer,
 Unique Technologies,
 Chennai

DESCRIPTION ABOUT THE PROGRAM

- Data Scientist is one of the hottest professions. The U.S. Bureau of Labor Statistics sees strong growth in the data science field and predicts the number of jobs will increase by about 28% through 2026.
- This Data Science and Big Data covers extensive Data Science training, combining online instructor-led classes and self-paced learning.. The skills focused on in this field will help prepare for the role of a Data Scientist.

- Mr. N. Prasanth Senior Software Developer, Unique Technologies, gave a Overview on Data Science and Big Data

He describes about the following five valuable properties:

- What is data science? What is big data? What do these terms mean and why is it important to find out? These are hot topics indeed, but are often misunderstood. Further, the industries involved don't have universally agreed upon definitions for both.
- These are extremely important fields and concepts that are becoming increasingly critical. The world has never collected or stored as much data, and as fast as it does today. In addition, the variety and volume of data is growing at an alarming rate.
- He explained about Why we should care about data science and big data. Data is analogous to gold in many ways. It is extraordinarily valuable and has many uses, but you often must pay for it in order to realize its value.

The Lecture session made us know about booming technology Big data and understood roles and responsibilities of data scientist, data Analyst. It also helps us to visualize the scenario in data science. This kind of interesting domain can be included as an Elective Subject.

ACADEMIC YEAR

2017-2018

EVENT DESCRIPTION

Workshop on Computational Methods for Fluid Dynamics

OBJECTIVES

The objective of CFD is to model the continuous fluids with Partial Differential Equations (PDEs) and discretize PDEs into an algebra problem (Taylor series), solve it, validate it and achieve simulation-based design

OUTCOME

The workshop focused on the basic method for solving boundary layer problems. Also, participants know about basic concepts of Matlab including finding the solution of differential equations and how to plot simple diagrams in MATLAB.

Dear Sir/Madam

We take great pleasure in informing you that the Department of Mathematics, Dr. N. G. P. Arts and Science College, Coimbatore is organizing a Three-Day National Workshop on "Computational Methods for Fluid Dynamics" during 23rd to 25th November 2017. We cordially invite the members of the Faculty, Research Scholars and Students of your esteemed institution to participate in this Workshop.

ABOUT THE COLLEGE

Dr. N. G. P. Arts and Science College is an institution of Koval Medical Center Research and Educational Trust (KMCRET). It was established in 1997 and governed by Dr. Nalla G. Polaniswami, Chairman and Dr. Thavamani D. Polaniswami, Secretary. Our objective is to provide proper education, training and research facilities to the students of our nation. The institution has grown in all its splendor and grace with the great enthusiasm and support of the Management.

ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 1997. The Under Graduate programme was instituted in 2003, the Post-Graduate programme was instituted in 2006 and was later upgraded for M.Phil course in the year 2011. The department has produced some distinguished university ranks. The department inculcates good research culture and motivates the students for product development in order to meet out the expectations of the current scenario with their best performance. We have a dedicated team of experienced faculty to enrich the knowledge capacity of the students.

ABOUT THE WORKSHOP

Computational Methods for Fluid Dynamics (CMFD) is the area of engineering that deals with the numerical simulation and analysis of fluid flows encountered by an engineer (mechanical, automobile, aeronautical, civil, environmental and so on) frequently. The aim of this workshop will give the analytical and numerical techniques for solving Fluid Dynamics problem for Researchers and young Faculties. The experts in CFMD will give the brief introduction about the mentioned topic and provide the hands on training.

Topics Covered

- ❖ Introduction to Fluid Dynamics
- ❖ Introduction to heat transfer
- ❖ Introduction to Boundary layer
- ❖ Finite Difference Method
- ❖ Finite Element Method
- ❖ Homotopy Analysis Method

REGISTRATION FEE: Rs.700/-

The Registration Fee covers the workshop kit, refreshment and lunch during the workshop days only. The number of participants is limited to 50. Those who are interested can register their details in the prescribed format on or before 02/11/2017. The selected participants are intimated through E-Mail. The selected participants must pay the prescribed fees within 10 days from the intimation of their selection.

LOCATION:

The Institution is located in Kalapatti road near Coimbatore Civil Aerodrome, about 2.5 km from SITRA, falling at Dr. N. G. P. Nagar.

ACCOMMODATION

Paid accommodation will be arranged to all the registered outstation participants on the first come first serve basis (on request). For details contact the Convener.

SUBJECT: National Workshop on Computational Methods for Fluid Dynamics during Nov 30-25, 2017 at Dr N G P Arts & Science College, Coimbatore

Dear

With reference to your application on the above subject, we are happy to inform you that Director General, CSIR has been pleased to sanction a grant of Rs. 15000/- (Rupees Fifteen Thousand Only) subject to the following conditions:

1. The grant received from CSIR should be duly acknowledged by email along with a certificate that the grant would be specifically utilized for the purpose for which it has been sanctioned.
2. The grant may be reimbursed within three months from the date of Conference / Seminar / Workshop etc a over by filling in the Grant-in-Aid Bill Form in duplicate duly signed and rubber-stamped by the concerned officials, indicating clearly the designation of the official along with Audited Statement of expenditure for release of grant (Current Proforma for Grant-in-aid bill and Audited Statement of expenditure are available on our website URL <http://hrdg.res.in/links.htm>). If any Utilization Certificates of Previous Grant for symposia (as per Col.No. 12 of the Application Proforma) not submitted till date, please attach copies of Utilization Certificates also. All the pages of above documents should be self attested by the organizer.
3. Invitation cards should be sent to the Director General, CSIR and Head, HRDG. CSIR may nominate three scientists for the above event and registration fee should not be charged from them. In case of nomination, the Head, HRDG or the undersigned would issue a letter with a copy to the nominee(s).
4. Softcopy (preferably in CD / DVD in PDF format) of the full paper proceedings of above event should be sent to the undersigned.
5. An overall activity report by the Convener / Organizing Secretary should be made available by email to us with regard to outcome of the gathering, the recommendations and plan of action for future. The names, addresses & email IDs of the participants / delegates should also be sent immediately after the event by email.

Yours sincerely,

DESCRIPTION ABOUT THE PROGRAM

- Introduction about Web development tools such as Npm, Type Script, Code kit, Web storm, HTML Boilerplate, Angular JS. The old vs new way of building websites.
- Recent Tools in Web Designing is one of the hottest professions Gone are the days when web designers must struggle with writing long lines of code, almost like a writer trying to give their best dissertation writing service just because they are trying to create a website. That has changed now. Today, with the numerous web design tools available, you can more easily actualize your exciting and unique design ideas without stress. With tools giving you the right foundation to communicate the ideas you have, making your work easier.
- Mr. S. Sathis Kumar Founder, Yellow Tree Academy, gave an Overview on Recent Tools in Web Designing He describes about the following five valuable properties:
- **The main Objective of Designing Web Sites** is providing quality content on your website, regularly adding new information, establishing trust, marketing your site on other websites and social media.
