### Placement Program - Aptitude Training (30.09.2020)

## 1. Report

Dr. N. G. P. Arts and Science College (Autonomous), Coimbatore-48

Department of Computer Applications

Bloggers Association

Report of the "Aptitude Training" held on the 30<sup>th</sup> September, 2020.

On behalf of the Bloggers Association, Department of Computer Applications organized a Placement Programme through Google meet for BCA students. The program started with a Welcome Address was given by Ms. Abirami M of III BCA- 'A', simultaneously she introduces the chief guest.

Mrs. JE Nancy, Assistant Professor, Department of Computer Applications, Dr. N.G.P Arts and Science College, Coimbatore delivered speech about the topic "**Aptitude Training**" through Google meet from 11.00 am to 12.00 pm.

She explained the importance of aptitude skills along with subject knowledge and also discussed about the importance of skill set and mindset. The lecture has instilled a lot of confidence to face challenges that seemed unconquerable.

The speech ended with an interactive session and students were enabled to clarify their doubts and queries about various careers. This session was very beneficial to the aspiring students and received good feedback by all.

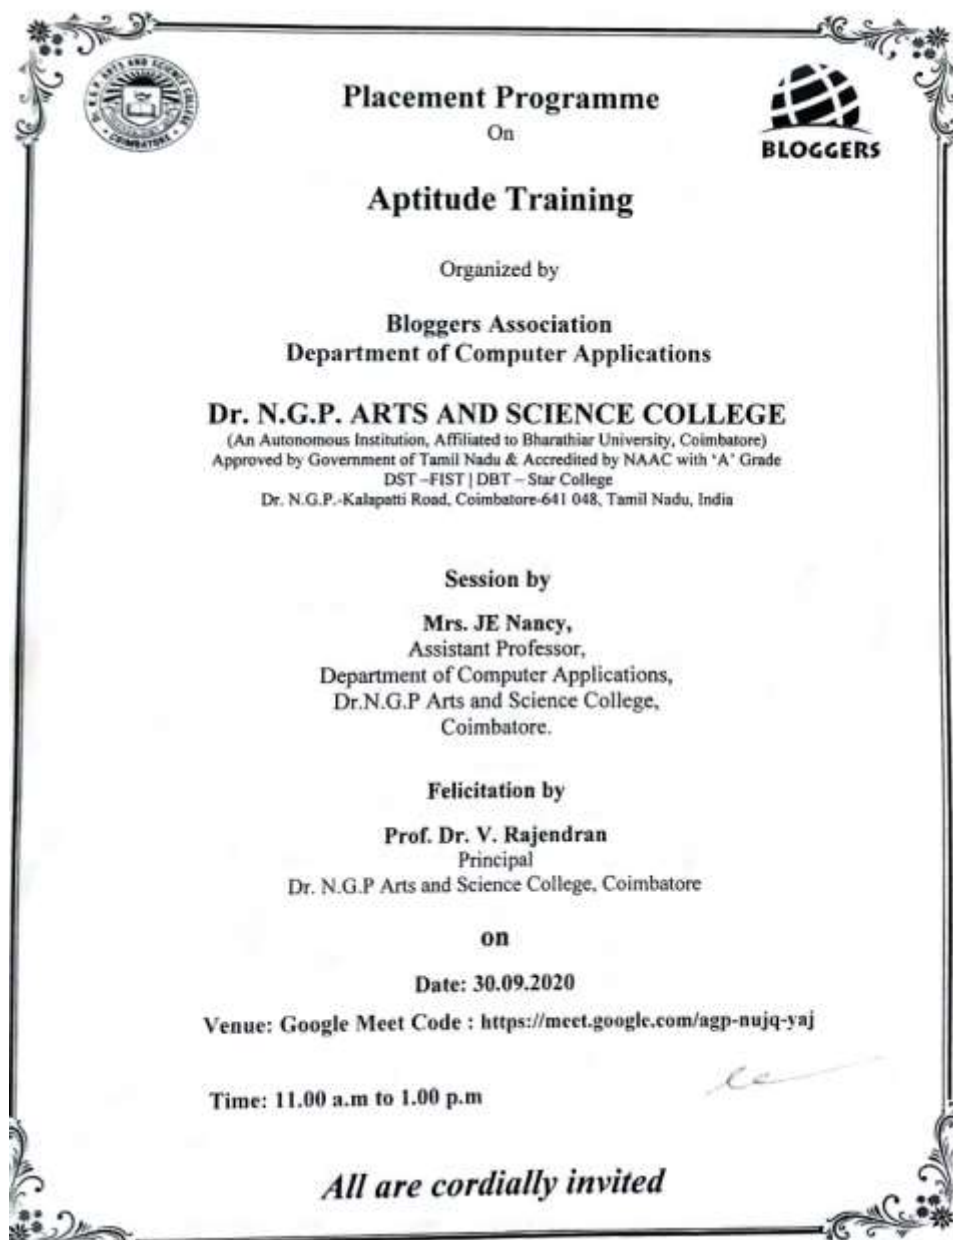

The session concluded with a vote of thanks given by Ms.Srinithi V of III BCA-'A'. Totally 110 students are benefited.

## Importance of Learning Foreign Language (02.06.2021)

### 1. Report

#### EVENT DESCRIPTION

**“Importance of Learning Foreign Language”** on 02.06.2021. **Ms. Vinaya Ann Prakash**, English Language Trainer, Kottayam, Kerala acted as a resource person. The Resource person discussed the need for a new language and how useful it can be for one’s career. She explained in brief the language and its categorization using the language tree and also talked about various proficiency tests that can help in testing the English language skills

#### OBJECTIVES

The main objective in modern foreign language study today should be to become intelligent about language. Students will define the concept of intercultural competence and studying a foreign language enriches the cultural identity of the learners.

#### OUTCOME

Students accepted today’s increasingly interconnected and interdependent world, and proficiency in other languages is a vital skill that gives the opportunity to engage with the world in a more immediate and meaningful way. The many cognitive benefits of learning languages are undeniable as they have improved memory, problem-solving and critical-thinking skills, enhanced concentration, ability to multitask, and better listening skills. Language is the most direct connection to other cultures.

## The Easiest way to Improve Communication Skills (02.06.2021)

### 1. Report

#### EVENT DESCRIPTION

The webinar entitled “**The Easiest way to Improve Communication Skills**” on 02.06.2021. **Ms. Sowndarya Kishore**, Digital Marketer, Bangalore acted as a resource person. The Resource person discussed the easiest way in which communication can be improved. She stressed that movies and media are the easiest way to improve communication. She also explained in what ways movies help in the process and also the importance of subtitles while watching them as they contribute a lot to the improvisation of communication.

#### OBJECTIVES

Objective of communication is to convey information—instructions, policies, procedures, decisions, etc., so the listener will hear, read, understand what is said, agree and accept the message, and react as intended by the manager or sender of communication. Provision of information and understanding needed for group effort. Provision of attitudes needed for motivation, co-operation and job satisfaction.

#### OUTCOME

Students were able to take in that good communication plays an essential role in their success in the workplace and in their personal life. Leaders who know how to communicate effectively with those around them will see better productivity and improved relationships in every aspect of their lives. It's the ability to offer empathy, open-mindedness, and helpful 4. Feedback based on what they hear.

## How to improve Reading Skills (07.06.2021)

### 1. Report

#### EVENT DESCRIPTION

**“How to improve Reading Skills”** on 07.06.2021, **Dr. Rani Jeba Shanthini**, Dean, Delhi Public School, Dubai & Retired Professor of PSG Arts and Science College, Coimbatore acted as a resource person. The Resource person discussed the ways to improve reading skills. She also talked about the reading strategies and also the types of reading. She also suggested some techniques in order to develop one's reading ability.

#### OBJECTIVES

Read to activate and reinforce other skills (grammar, vocabulary, pronunciation, and writing). In the same way that oral dialogues, short compositions, and listening activities do, reading can put into practice grammatical structures, new lexical items, and elements of pronunciation. Reading can also offer good writing models. Read to develop critical thinking skills.

#### OUTCOME

Students found the pleasure in reading and how to Read texts with fluency, understanding and competence, decoding groups of words/phrases and not just single words Read for a variety of purposes: learning, pleasure, research, comparison Use an appropriate critical vocabulary while responding to literary texts Read their texts for understanding and appreciation of character, setting, story and action: to explore how and why characters develop, and to recognize the importance of setting and plot structure

## Dynamics of English (07.06.2021)

### 1. Report

#### EVENT DESCRIPTION

The webinar was entitled “**Dynamics of English**” on 07.06.2021. **Dr. Nisha Thomji Varghese**, Dean Quality Assurance, St. Albert’s College Ernakulam acted as a resource person. The Resource person discussed the English Language and its Development. She also talked about how fluency and accuracy can help in developing English speaking skills. She mentioned about the common grammatical errors made by the speakers and how to prevent it. She suggested certain activities and tasks will help in improving our skills in English.

#### OBJECTIVES

The main objective is to enable the learner to communicate effectively and appropriately in real life situations. to use English effectively for study purposes across the curriculum. to develop interest in and appreciation of Literature. to develop and integrate the use of the four language skills i.e. Reading, Listening, Speaking and Writing. to revise and reinforce structure already learnt.

#### OUTCOME

Students could recognize and grasp that The English language is alive and very fluid, it changes and adapts quickly. Hundreds of new words are added to the dictionaries every year. Especially in this age of instant communications, words are added, dropped, and have meaning changing at a dizzying pace. But that is the power of the English language to adapt and to adopt foreign words.

## Mind and Mend your Speaking Skill (08.06.2021)

### 1. Report

#### EVENT DESCRIPTION

The webinar entitled, “**Mind and Mend your Speaking Skills**” on 08.06.2021. **Ms. P. Shanthini Pawan Hasan**, Assistant Professor in English, Karpagam College of Engineering, Coimbatore acted as a resource person. The Resource person discussed speaking skills and how to overcome the fear of speaking. She discussed the five magic words and how it will be useful in improving skills in English.

#### OBJECTIVES

The goal of speaking skills is to improve communicative efficiency. By learning the skills the students will be able to: Avoid confusion in the message due to faulty pronunciation, grammar, or vocabulary. Observe the social and cultural rules that apply in each communication situation. Clarify their meaning or ask for confirmation of their own understanding. Practice using all of the language they know in situations that resemble real settings. Develop their sociolinguistic competence. The native language should not be used in the classroom; teachers and students use the target language in the classroom. The syllabus is based on situations or topics, not usually on linguistic structures.

#### OUTCOME

The students became familiar with different spelling patterns for parts of speech and learned strategies to understand vocabulary in the text. To use correct form of the words in their oral and written language production and develop an understanding of collocations. They were also able to understand the techniques to separate meanings of a word as it is used in a reading and listening text.

##### Date

25.09.2020

Time 2.00 pm to 4.00 pm

A Webinar on the topic IoT with Android Application was organized by the department of Computer science on 25.09.2020 for the final year Undergraduate students. The resource person was Mr. G. Palanivelrajan, Senior Project Engineer, Pantech Solutions, Coimbatore. Resource person has discussed application development using IoT and Android. The session was informative and students had an interactive session. A live demo on using the IoT devices made the session interesting.

## PROFILE – RESOURCE PERSON

**Palanivelrajan G**

Senior Project Engineer - Pantech

MAIL : [corai.embedded@gmail.com](mailto:corai.embedded@gmail.com)

PH.NO: 6381569148

Experience of 3+ years in an embedded domain and having well knowledge in Hardware Designing and Development of Projects with upgrade Technologies. Having a Good Technical Strength in implementation of projects & Conducting Work Shops in colleges and Universities.

EDUCATION: B.E. Electronics and Communication Engineering, Anna University

### TECHNICAL SKILLS

Programming Language : C, C++, Python

Firmware : PIC16F, MSP430, ARM7, LPC1114, ARM9, LPC1114, ARM CORTEX M3, ARDUINO, RPI

Protocol Implementation : UART, SPI, I2C, CAN

### WORK EXPERIENCE

#### Artificial Intelligence Developer

- Working on research and development of deep learning algorithms for images and ~~video~~ ~~recognition~~

#### Computer Vision Developer

- Worked on research and development of computer vision algorithms centered on object ~~recognition~~ (Python)

#### Computer Vision Architect and Developer

- Working on research and development of computer vision and machine learning algorithms for the ~~UG/PG/PHD~~

#### Object Tracker

- Developed and implemented an object tracker on Android that would track a predefined shape in ~~video~~

#### Augmented Reality

- Developed an augmented reality application on an Android tablet that would track tutorials and natural patterns in real time, and overlay graphics on top ~~of it~~

#### Behavior Analysis Using Visual Data

- Worked on modeling human behavioral patterns and predicting the mental state of a person using visual and vocal cues. Built computer vision and machine learning algorithms for analysis ~~and prediction~~

#### Handwritten Digit Recognition

- Developed and implemented a pattern classification system for handwritten digits using NIST database

CURRENT FIELD OF WORK: IOT, M2M infrastructure with MQTT protocol, OpenCV with PHP Server applications.

## Mushroom Cultivation Training (27.02.2021)

### 1. Report

#### Preamble

Mushrooms are the fruiting bodies of a fungus, just like apples are the fruiting bodies of an apple tree. Mushrooms contain more protein than fruits & vegetables and, Mushrooms can also be low in cholesterol. Apart from their protein content, mushrooms can also be high in certain vitamins like B, C, vitamin D, riboflavin, thiamine nicotinic acid. Also an excellent source of iron, potassium, and potassium along with folic acid, a component known for improving the blood and avoidance deficiencies. Mushrooms are recommended as a healthy food by the Food and Agricultural Organization of the United Nations.

The students (10) of III B.Sc. Microbiology had undergone mushroom cultivation training at Tamil Nadu Agricultural University, Coimbatore, Tamil Nadu by the support of DBT Star College Scheme gained knowledge and trained how to cultivate mushrooms. The trained students were given training and disseminated knowledge to the rest of the students of the microbiology department.

#### Participant's Profile:

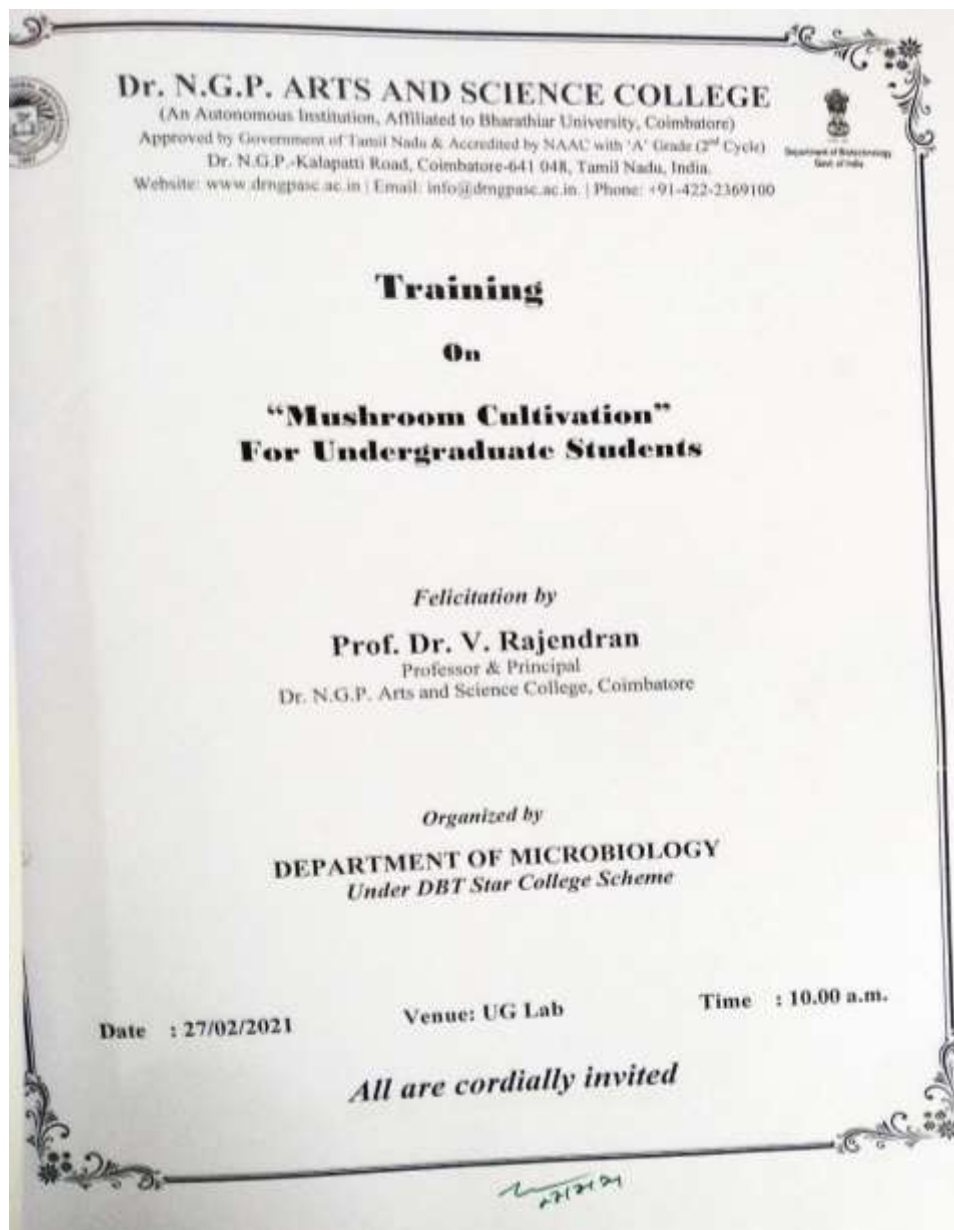

A total of 20 Students from PG Microbiology participated in this workshop.

#### Description about the program:

Students were trained to cultivate mushrooms by using various substrates such as paddy straw, sugarcane waste, waste grass etc. in addition to that they gained knowledge on how to overcome the trouble shoot.

## Webinar “Cyber Security” (01.06.2021)

### 1. Report

Resource Person - Dr. M. Prasad

Venue - Google Meet

Date - 01.06.2021

Time - 10.00 am to 11.30 am

A Webinar on Cyber Security was organized by the department of Computer science and Department of Mathematics on 01.06.2021 for the Undergraduate and Postgraduate students. The resource person was Dr. M. Prasad, Assistant Professor (SG), Department of Mathematics, Vellore Institute of technology, Chennai. The session focused on the security issues on the internet. The resource person explained how to safeguard and protect ourselves against different attacks on data. The session was interactive and informative.

#### **Project #5: Online SBI Banking**

**Client : State Bank of India**

**Location : Chennai, India.**

#### **Project Description:**

This project develops the internet banking site for the biggest bank in India. As online banking is a vital source for banking and is being used widely by both Indian and NRI costumers, the demand and new features to be developed is in large volume and also the time frame is too less. This being a banking site the security features is always to be in top concern. Accurate design, less load, user friendly and secure implementation is our focus.

We have successfully launched for smart phone application. Here the customer can have different type of channels, like App, GPRS, SMS, Encrypted SMS, USSD, NUUP. This application not only for smart phone, the customer can able to do online transaction using any mobile phones through these different channels. This mobile application is for making user friendly and does the online transaction through their mobile phones.

The **Retail Internet banking application** is an integration of several functional areas which I have worked in banking such as:

- Fund Transfer NEFT,
- Third Party Fund Transfer and Associate Banks.
- SBI Life Premium Implementation.
- Aadhar Card Registration.
- LPG Registration through mobile and branch.
