3. Outcome

In this seminar, the guest addressed the following:

Cracking competitive exams is the only way to gain entry into lucrative jobs in the government sector. A mixture of regular study and extracurricular activities, including group discussions, help you to excel in these exams. One should have a clear focus and planned routine of study. In order to crack interviews, one must discuss current affairs and general knowledge with peers.

Some of the useful tips on how to prepare for competitive exams:

- Plan Well
- Time Management
- Choose subjects wisely
- Shorter Study
- Mock Papers
- Motivation
