NAAC
3rd Cycle

Criterion VI
Metric 6.3.1

Stage 1: Institution to enroll students from the 3rd year to this course. Institution will also identify faculty (2 to 3) who can conduct this training. These faculties will then undergo an FDP for 5 days, conducted by TCS trainers

Stage 2: TCS to certify your faculties who will then train your students. TCS will oversee , support the delivery of the course till the end of the course and certification of students.

Stage 3: The students who have undergone training will be considered on priority for TCS Campus recruitment process

Support required from Institution/College:

1. Institution to nominate faculties for the project. TCS will do a preliminary screening of the nominations and may come up with suggestion on the nomination.
3. The faculty will have to be good in English, communication, and a flair for being a FACILITATOR.
4. Institution to offer this course at their college premises to their final year students only.
5. Institution to provide certification to students from their end with an approval from TCS, certificate model will be issued by TCS.
5. Venue for the FDP session to be provided at anyone of the college premises participating in the session.

Support from TCS:

- TCS will offer the curriculum (copy protected) to your institution. Institution to provide this to students for attending the course (photocopies)
- TCS will offer orientation , FDP, hand holding and support to the entire project
- No fee of any kind to be levied to the students.

FDP & training timelines:

1. FDP to be Conducted - July 30th to 3rd Aug (5 days)
2. Venue - KG College of Arts & science , Coimbatore
3. Course to students - Aug'16 to Nov'16 (70 hours spread across 3 - 4 months)

Kindly share details in below format ,kindly neglect if already shared

| S.No | Name of the faculty | Contact Number | College Name |
|------|---------------------|----------------|--------------|
|------|---------------------|----------------|--------------|

I am sure you would offer your support in taking this noble initiative forward.

We should look forward to strengthening this partnership further in the times to come. . .

You may always feel free to connect with anyone of us for any support in this front.

Regards

Merlin Smith

Circular

ICT Academy

ICT Academy is organizing 2 days Faculty Development Programme on "Leadership Skills Level 2" from 27th to 28th September 2018 at Akshaya College of Engineering and Technology, Coimbatore. Interested staff members can register through online.

Course Overview

Gone are the days of "Industrial Age", today it's the technological competencies and people management skills which have importance. Today's organizations are facing chronic problems associated with poor leadership skills and a dearth of talent. If they are to transcend these potentially crippling issues, today's leaders must heed the call for a new type of leadership, one that treats individuals holistically - body, heart, mind, and soul. This Program for Leadership Development presents an integrated view of the fundamentals of Leadership. By gaining a deeper understanding of the core skills, you will improve your decision-making skills and expand your leadership capacity.

PSGR KRISHNAMMAL COLLEGE FOR WOMEN

PSGR Krishnammal College for Women, Coimbatore, established in the year 1963 is an institution with sound work ethics, dedication and a reputation for value based quality education to women. Within a short span of 50 years, it has grown into a full-fledged post graduate research institution. The college offers 12 UG and 4 PG courses under the aided stream, 19 UG, 9 PG, 3 PG Diploma and 3 Certificate courses under the unaided stream and M.Phil and Ph.D programs in 11 disciplines. New courses, diploma programmes and UGC sponsored Career Oriented Add-on Courses are regularly added to meet the changing requirements of the job market. The College stands to gain the all-round appreciation of all its stakeholders. Autonomy in 2004, Reaccreditation with 'A' grade by NAAC in 2014 and ISO 9001:2015 certification in 2018 have been the modest but reaffirming assurances in the vertical climb of the

institution towards the pinnacle of excellence. The institution was awarded with "College of Excellence" status by UGC in 2016 and secured 16th Rank among all the colleges in country by NIRF 2018, Ministry of HRD, Government of India. The five Science Departments were granted 'Star Status' by the Department of Biotechnology (DBT) and three Computer Science Departments are included under Star College Scheme.

ABOUT THE DEPARTMENT

The Department of Mathematics established in the year 1963 consists of highly qualified 26 faculty members which includes 7 Doctorates. The areas of research in the department are Algebra, Analysis, Fluid Dynamics, Topology, Differential Equations, Control Theory, Graph Theory and Neural Networks. The department has undertaken research projects and has conducted several programmes in association with DST, CSIR, IAS, INSA and NASI to enrich the scientific knowledge of the student community.

It also engages itself frequently in arranging guest lectures and workshops and conducting several National level seminars to promote the scientific attitude among the students and young teachers.

ABOUT FACULTY DEVELOPMENT PROGRAMME

The FDP aims at providing in depth training on algebra & analysis for mathematics teachers working in universities, colleges and professional institutes. This FDP is intended to provide participants an overview of various inputs of algebra and analysis. It is especially suited for mathematics educators seeking to strengthen their understanding of core algebra and analysis as well as to gain exposure to advanced topics, learn and experiment with effective pedagogical techniques. The Lectures will bring out the relationships and operations and structures in algebra that underpin other areas such as geometry, mathematical physics and computer science. Also the lectures will focus on the mathematical analysis of natural phenomena.

Application Dates:
Last date for receipt of Application: 1 October 2018
Start of participants will be held on 1st October 2018

ABOUT THE PROGRAMME
A refresher course on 'Known to Unknown Techniques in Biology' held at PG and Research Department of Botany, St. Joseph's College, Tiruchirappalli, Tamil Nadu for two weeks from 1 to 15 November 2018. The main aim of the Refresher Course is to improve on teaching methodologies and also get acquainted with basic to advanced laboratory techniques in Biology. The contents of the course have been designed with the objective of introducing biology teachers to current and experiments pertaining to 'Known to Unknown Techniques in Biology' which is essential for a student who is pursuing studies in any branch of biology with practical modules of the course will start with isolation, microscopic observation of other experiments on biochemistry. This will be followed by molecular biology where participants will gain experience in various biotechnology tools, conservation, genetic resource and biodiversity. Gene transfer in bacteria, transformation, PCR and restriction digestion can also be handled. The hands-on experiments would be accompanied by special lectures by eminent scientists in these fields.

ABOUT THE DEPARTMENT
The history of the Botany Department dates back to the year 1912, when the study of Natural Science was introduced. Many students of this department have become brilliant doctors in India and abroad. Former President of India Dr. S. Radhakrishnan, declared open the present Botany Block in 1958, when he was Vice-president. The department is DST - FIST and DBT-STAR supported, have separate research facilities for Clinical Microbiology, Molecular Biology, and Physiology. The Faculty members undertake research in Molecular Genetics, Taxonomy, and Medicinal plant research. The Faculty has received several awards and Research grants from funding agencies like UGC and DST.

THE UGC, All notified (1-31-2009) four weeks to Colleges & conducting two-week Refresher Courses are entitled to be considered for grant.

Applications are invited from teachers with experience in undergraduate courses in Life Sciences. Applications from highly motivated Researchers will also be considered. Up to 45 applications will be considered. Those who wish to participate in the refresher course may apply through groups with the following details: name, date of birth, gender, e-mail, official and residential addresses, telephone numbers, academic qualifications, courses taught, institutions held and years. It is also essential to submit a brief resume (not more than 500 words) as to why they think the Course will help to improve their current teaching of Life Science. There will be No application fee/registration fee.

Applications should be submitted ONLINE by clicking the following link:

ABOUT THE INSTITUTION

Coimbatore Institute of Technology (CIT) was founded in 1956 by V.Rangaswamy Naidu Educational Trust with the aim of disseminating knowledge in the fields of Science, Engineering and Technology. It is a government-aided Institution affiliated to Anna University. The Institute was granted Autonomous Status in 1987 and is recognized by the AICTE and NAAC.

The college is located on Avinashi road almost 10km from Coimbatore Railway station and city bus stand, and lies 3km from the airport. All the departments are well staffed and equipped to meet the needs of the latest technological trends and international standards. Currently around 3000 students are pursuing their technical education in CIT. There is a separate library block, state of the art auditorium, a guest house, a canteen, hostel blocks, gymnasium, sports, recreational facilities and a bank in the campus.

ABOUT THE DEPARTMENT

The Department of Chemistry was started in the year 1956 with a goal to be the center of excellence for development and learning in various fields like nanomaterial synthesis, bionanomaterial, gas sensor, corrosion prevention, and their applications for the society. Our faculty has been regularly presenting papers in conferences and in journals.

This department offers M.Phil. and Ph.D. courses.

ELIGIBILITY AND REGISTRATION

Faculty and Research scholars of Engineering Departments from AICTE/TEQIP approved colleges and Institutions are eligible to attend this course. The maximum number of participants to this course will be thirty. The participants will be selected on first come first serve basis. The selected candidates will be intimated only by e-mail. The outstation participants are eligible for 3-Tier AC train fare by the shortest route.

ABOUT THE COURSE

Science and technology is a very significant aspect in contemporary society. This programme provides insight into how different processes of knowledge are initiated and progressed in interdisciplinary/ multidisciplinary fields. It also aims to provide the faculty access to various techniques on how innovative technological processes are developed, employed and increased in importance.

OBJECTIVE

- The programme aims to enrich knowledge in the emerging trends in science and technology.
- It also aims to bring together an interdisciplinary/multidisciplinary forum for researchers, academicians and industrialists to discuss current innovations, practical challenges and viable solutions in science and technology.
- It also provides a platform for faculty and researchers to explore the emerging advancements in science and technology.

COURSE CONTENT

- Medicinal and Health Science
- Biosensors
- Environmental biotechnology
- Engineering and Technology
- Material Science
- Corrosion technology
- Natural Science
- Biomedical Science
- Polymer Science
- Pollution Control
- Electrochemistry
- Other related topics.

RESOURCE PERSONS

Eminent persons from IITs, NITs, Central Research Institutes, Anna University, Government, Government Aided Institutions and Experts from reputed Industries. (CIT, IISc, IIT, NIT, CECRI, SRM Madras University, Bharathiar University, Bharathidasan University and other reputed institutions / organizations)

REGISTRATION GUIDELINES

There is no registration fee. Refreshment and lunch will be provided at CIT Hostel. Lodging will be provided in the campus for outstation participants. Those willing to participate must complete and send the registration, declaration and sponsorship documents by post/courier/e-mail to the organizer on or before 25-11-2018.

IMPORTANT DATES

- Receipt of Application: 25.11.2018
- Intimation of Selection: 30.11.2018

FINANCIAL ASSISTANCE

Participants from educational Institutions recognised by AICTE/TEQIP will be provided TA as per TEQIP norms. They will be provided free boarding and lodging in hostels during the course period.

Completed Registration forms may be sent to:

About the University

The Government of Tamil Nadu established Bharathiar University at Coimbatore in February 1982 and received the recognition from University Grants Commission (UGC), New Delhi in May 1985. The University named after the "Great National Poet Subramania Bharathar" is inspired with the motto "Educate to Elevate". The aim of the University is to provide quality higher education to all people. We develop the citizens with knowledge, skills, innovations in research, creativeness which reach out internationally and nationally by offering selfless services.

About the Department

The Department of Computer Science is providing all facilities, motivating seminar and project presentation with teaching. The Department offers the PG courses in M.Sc Computer Science, M.Phil and Ph.D programmes to enrich the Research activities for the young graduates. The thrust areas of Research in the Department of Computer Science are Speech Recognition, Wireless Sensor Networks, Machine Learning/ Deep Learning, Image Processing, Big Data Analytics and Protein / Gene Analysis.

About the Location

The University is situated near Maruthamalai on the National highway (NH 47) around 20 kms from Coimbatore. It is well connected by air, rail & road.

About Machine Learning

Machine learning algorithms are in continuous development and will definitely become more widespread in the years to come. Machine learning has been applied in all top research areas and useful in many different applications such as designing voice controlled devices, predicting business market trends and Emotion classification using data mining and big data analytics, Building Expert Clinical Decision Support Systems, Natural language processing in Search engines, Hardware accelerators for new AI architecture, Simulation environments for evaluation and testing like Simulation cars and virtual reality.

Objective of FDP – ML 19

To expose the Faculty/Research Scholars in emerging technologies in the areas of Data mining, Medical Image Analysis, Digital Image Processing and Healthcare Data Analytics. This Faculty Development Programme provides practical foundation level training that enables immediate and effective participation in the areas which uses the machine learning algorithms. Participants will get knowledge in Principles of Machine Learning and derive practical solutions using predictive analytics.

Resource Persons

Dr. P. Srinivasakavitha Pichai, serves as Professor of Computer Science and Applications in Government Rural Institute (Government of Tamil Nadu), Dindigul, Tamil Nadu. She has 28 years of experience in Teaching and 18 years in Research. Her areas of research include Medical Image Analysis, Digital Image Processing, Parallel Computing, Healthcare Data Analytics and Software Engineering. Dr.Pichai has authored about 100+ research publications. She has delivered 145 lectures in Conferences/Seminars. She is a recipient of India-US 21st Century Knowledge Initiative Award 2015. She has received research funds from TNSCST, DDC, DST and ICAR, with an outlay of 150.69 Lakh. She visited China, Malaysia and USA on international academic assignment.

Dr. M. Mary Mandy Rani, working as a Assistant Professor in Government Rural Institute (GRI), Dindigul, Tamil Nadu. She has 11 years of experience in Teaching and 10 years in Research. Her areas of research include Image Classification, Information Security, and Clouding. She has published 17 research articles in National / International Journals, 19 papers edited in volumes / proceedings. She has 1 funded research project. She is the Lead Coordinator of Government Research Institute on Health care and Agriculture Applications (GRINAA) Research group of Leading India AI project, a network initiative for promoting Skill and Research in AI and Deep Learning.

Mr. Anil Gowarikar, working as Applied Engineer at DesignTech Systems Pvt. L (Multivendor/MATLAB) in Pune, Maharashtra India. He has 3 years of experience in IT field. He has the key skills in D.:a study Machine Learning and Deep Learning also 3 has a sound knowledge on various tools like Neuroolution 3.7, MATLAB, Thing Speak and he has published 3 research papers in International Journals on completed 7 Projects. He delivered many training and seminars in various institutions and companies.

Registration Details

The number of participants of this workshop is limited to 50. Registration is on first come first serve basis. Due to limited seats, early registration by 1st January 2019 is recommended to ensure your participation. The registration fee for,

Research Scholars / Faculty Members : Rs 1,000/-
The registration fee includes kit, lunch and high tea.

Description: cid:image001.jpg@01D1AC7E.6D190CB0

Dear Professor/Principal,

Greetings from TCS Campus team,

It was a pleasure discussing with you this afternoon.

As we briefed, the TCS BPS AIP initiative has made remarkable strides in the past 5 years in its objective to be recognized as frontrunner in shaping the talent capability aligned to business requirements and to accrue seamless mutual benefits for the world of academics as well as for industry.

Our objective to contribute to overall development of the student community in order to enhance quality and consistency of talent supply by channelizing practical industry knowledge to the classroom has gained a great, admiration and reverence from academia, students and various stake holders across locations in the country.

Taking this objective forward,

TCS BPS AIP has evolved a wonderful concept in taking the "Campus to Corporate" module, that can move up the livelihood of young people to 40,000 students across locations in India.

This c2c course is a 70 hours program that comprises of English communication, corporate etiquettes and grooming, interview preparation and handling etc. that enables students in college to get well prepared for their transition to corporate life. This is a hugely beneficial course for a noble cause.

How does this work:

The AIP has envisaged a unique model the "cascading effect model" and works in 3 stages to take the concept to the targeted population.

Handwritten signature and date: D. Dinakaran 28/7/18

NAAC
3rd Cycle

Criterion VI
Metric 6.3.1

Stage 1: Institution to enroll students from the 3rd year to this course. Institution will also identify faculty (2 to 3) who can conduct this training. These faculties will then undergo an FDP for 5 days, conducted by TCS trainers

Stage 2: TCS to certify your faculties who will then train your students. TCS will oversee , support the delivery of the course till the end of the course and certification of students.

Stage 3: The students who have undergone training will be considered on priority for TCS Campus recruitment process

Support required from Institution/College:

1. Institution to nominate faculties for the project. TCS will do a preliminary screening of the nominations and may come up with suggestion on the nomination.
3. The faculty will have to be good in English, communication, and a flair for being a FACILITATOR.
4. Institution to offer this course at their college premises to their final year students only.
5. Institution to provide certification to students from their end with an approval from TCS, certificate model will be issued by TCS.
5. Venue for the FDP session to be provided at anyone of the college premises participating in the session.

Support from TCS:

- TCS will offer the curriculum (copy protected) to your institution. Institution to provide this to students for attending the course (photocopies)
- TCS will offer orientation , FDP, hand holding and support to the entire project
- No fee of any kind to be levied to the students.

FDP & training timelines:

1. FDP to be Conducted - July 30th to 3rd Aug (5 days)
2. Venue - KG College of Arts & science , Coimbatore
3. Course to students - Aug'16 to Nov'16 (70 hours spread across 3 - 4 months)

Kindly share details in below format ,kindly neglect if already shared

| S.No | Name of the faculty | Contact Number | College Name |
|------|---------------------|----------------|--------------|
|------|---------------------|----------------|--------------|

I am sure you would offer your support in taking this noble initiative forward.

We should look forward to strengthening this partnership further in the times to come. .

You may always feel free to connect with anyone of us for any support in this front.

Regards

Merlin Smith

PSGR KRISHNAMMAL COLLEGE FOR WOMEN

PSGR Krishnammal College for Women, Coimbatore, established in the year 1963 is an institution with sound work ethics, dedication and a reputation for value based quality education to women. Within a short span of 50 years, it has grown into a full-fledged post graduate research institution. The college offers 12 UG and 4 PG courses under the aided stream, 19 UG, 9 PG, 3 PG Diploma and 3 Certificate courses under the unaided stream and M.Phil and Ph.D programs in 11 disciplines. New courses, diploma programmes and UGC sponsored Career Oriented Add-on Courses are regularly added to meet the changing requirements of the job market. The College stands to gain the all-round appreciation of all its stakeholders. Autonomy in 2004, Reaccreditation with 'A' grade by NAAC in 2014 and ISO 9001:2015 certification in 2018 have been the modest but reaffirming assurances in the vertical climb of the

institution towards the pinnacle of excellence. The institution was awarded with "College of Excellence" status by UGC in 2016 and secured 16th Rank among all the colleges in country by NIRF 2018, Ministry of HRD, Government of India. The five Science Departments were granted 'Star Status' by the Department of Biotechnology (DBT) and three Computer Science Departments are included under Star College Scheme.

ABOUT THE DEPARTMENT

The Department of Mathematics established in the year 1963 consists of highly qualified 26 faculty members which includes 7 Doctorates. The areas of research in the department are Algebra, Analysis, Fluid Dynamics, Topology, Differential Equations, Control Theory, Graph Theory and Neural Networks. The department has undertaken research projects and has conducted several programmes in association with DST, CSIR, IAS, INSA and NASI to enrich the scientific knowledge of the student community.

It also engages itself frequently in arranging guest lectures and workshops and conducting several National level seminars to promote the scientific attitude among the students and young teachers.

ABOUT FACULTY DEVELOPMENT PROGRAMME

The FDP aims at providing in depth training on algebra & analysis for mathematics teachers working in universities, colleges and professional institutes. This FDP is intended to provide participants an overview of various inputs of algebra and analysis. It is especially suited for mathematics educators seeking to strengthen their understanding of core algebra and analysis as well as to gain exposure to advanced topics, learn and experiment with effective pedagogical techniques. The Lectures will bring out the relationships and operations and structures in algebra that underpin other areas such as geometry, mathematical physics and computer science. Also the lectures will focus on the mathematical analysis of natural phenomena.

Circular

ICT Academy

ICT Academy is organizing 2 days Faculty Development Programme on "Leadership Skills Level 2" from 27th to 28th September 2018 at Akshaya College of Engineering and Technology, Coimbatore. Interested staff members can register through online.

Course Overview

Gone are the days of "Industrial Age", today it's the technological competencies and people management skills which have importance. Today's organizations are facing chronic problems associated with poor leadership skills and a dearth of talent. If they are to transcend these potentially crippling issues, today's leaders must heed the call for a new type of leadership, one that treats individuals holistically - body, heart, mind, and soul. This Program for Leadership Development presents an integrated view of the fundamentals of Leadership. By gaining a deeper understanding of the core skills, you will improve your decision-making skills and expand your leadership capacity.

THE NATIONAL ACADEMY OF SCIENCES, INDIA, ALIABAD

ABOUT THE PROGRAMME
A refresher course on 'Known to Unknown Techniques in Biology' held at PG and Research Department of Botany, St. Joseph's College, Tiruchirappalli, Tamil Nadu for two weeks from 1 to 15 November 2018. The main aim of this Refresher Course is to improve on teaching methodologies and also get acquainted with basic to advanced laboratory techniques in Biology. The contents of this course have been designed with the objective of introducing biology teachers to current experiments pertaining to 'Known to Unknown Techniques in Biology' which is essential for a student who is pursuing studies in any branch of biology and practical modules of the course will start with isolation, microscopic observation, other experimentation on Myxozoa. This will be followed by molecular biology where participants will gain experience in various biotechnology like conservation, genetic resource and biodiversity. Gene transfer in bacteria, transformation, PCR and restriction digestion can also be handled. The laboratory experiments would be accompanied by special lectures by eminent scientists in these fields.

The UGC has notified (1-33-2009) that teachers in Universities & Colleges attending two-week Refresher Courses are entitled to be considered for promotion.

Applications are invited from teachers with experience in undergraduate courses in Life Sciences. Applications from highly motivated Research Scholars will also be considered. Up to 45 applications will be considered. Those who wish to participate in the refresher course may apply through proper channels with the following details: name, date of birth, grade, e-mail, official and residential addresses, telephone numbers, academic qualifications, courses taught, positions held and tenure. It is also essential to submit a brief resume (between 200 and 500 words) as to why they think the Course will help to improve their current teaching of Life Science. There will be No application fee/registration fee.

Applications should be submitted ONLINE by clicking the following link: <http://web-jppa.dsc.ac.in/80803/refreshercourse/BSP.jsp>

Important Dates:
Last date for receipt of Applications: 4 October 2018
Final participants will be selected on: 10 October 2018

Respected Sir/Madam,

Greetings from ICT Academy !!

We thank for your nomination to attend Faculty Development Program on "Introduction to Python Programming" from 17th & 18th December 2018 at Sri Ramakrishna College of Arts & Science for Women, Coimbatore.

Program Date & Time : 17th & 18th December 2018 / 9.00 AM to 4.30 PM.

Venue: Lab 5, First Floor

Lunch and Refreshment: Rs.100 per day.

Contact Person: ICT Academy - Lakshmikanth - 7338823235 / Sri Ramakrishna Womens Dr.Thajunisha - 9994663983.

Bus Details: Attached for your kind Utilization .

Note:

With our Go Green Vision, Certificates for FDPs will be E-Certificate .

1. The Feedback option will be enabled on the last day of the training program for the faculty members to update.
2. The certificates will be generated automatically after updating the feedback based on the criteria set by us earlier (Faculty should be present for all the training days).

Thanks & Regards,
Lakshmikanth A

ABOUT THE INSTITUTION

Coimbatore Institute of Technology (CIT) was founded in 1956 by V.Rangaswamy Naidu Educational Trust with the aim of disseminating knowledge in the fields of Science, Engineering and Technology. It is a government-aided institution affiliated to Anna University. The Institute was granted Autonomous Status in 1987 and is recognized by the AICTE and NAAC.

The college is located on Avinashi road almost 10km from Coimbatore Railway station and city bus stand, and lies 3km from the airport. All the departments are well staffed and equipped to meet the needs of the latest technological trends and international standards. Currently around 3000 students are pursuing their technical education in CIT. There is a separate library block, state of the art auditorium, a guest house, a canteen, hostel blocks, gymnasium, sports, recreational facilities and a bank in the campus.

ABOUT THE DEPARTMENT

The Department of Chemistry was started in the year 1956 with a goal to be the center of excellence for development and learning in various fields like nanomaterial synthesis, bionanomaterial, gas sensor, corrosion prevention, and their applications for the society. Our faculty has been regularly presenting papers in conferences and in journals.

This department offers M.Phil. and Ph.D. courses.

ELIGIBILITY AND REGISTRATION

Faculty and Research scholars of Engineering Departments from AICTE/TEQIP approved colleges and Institutions are eligible to attend this course. The maximum number of participants to this course will be thirty. The participants will be selected on first come first serve basis. The selected candidates will be intimated only by e-mail. The outstation participants are eligible for 3-Tier AC train fare by the shortest route.

ABOUT THE COURSE

Science and technology is a very significant aspect in contemporary society. This programme provides insight into how different processes of knowledge are initiated and progressed in interdisciplinary/ multidisciplinary fields. It also aims to provide the faculty access to various techniques on how innovative technological processes are developed, employed and increased in importance.

OBJECTIVE

- The programme aims to enrich knowledge in the emerging trends in science and technology.
- It also aims to bring together an interdisciplinary/multidisciplinary forum for researchers, academicians and industrialists to discuss current innovations, practical challenges and viable solutions in science and technology.
- It also provides a platform for faculty and researchers to explore the emerging advancements in science and technology.

COURSE CONTENT

- Medicinal and Health Science
- Biosensors
- Environmental biotechnology
- Engineering and Technology
- Material Science
- Corrosion technology
- Natural Science
- Biomedical Science
- Polymer Science
- Pollution Control
- Electrochemistry
- Other related topics.

RESOURCE PERSONS

Eminent persons from IITs, NITs, Central Research Institutes, Anna University, Government, Government Aided Institutions and Experts from reputed Industries. (CIT, IISc, IIT, NIT, CECRI, SRM Madras University, Bharathiar University, Bharathidasan University and other reputed institutions / organizations)

REGISTRATION GUIDELINES

There is no registration fee. Refreshment and lunch will be provided at CIT Hostel. Lodging will be provided in the campus for outstation participants. Those willing to participate must complete and send the registration, declaration and sponsorship documents by post/courier/e-mail to the organizer on or before 25-11-2018.

IMPORTANT DATES

- Receipt of Application: 25.11.2018
- Intimation of Selection: 30.11.2018

FINANCIAL ASSISTANCE

Participants from educational Institutions recognised by AICTE/TEQIP will be provided TA as per TEQIP norms. They will be provided free boarding and lodging in hostels during the course period.

Completed Registration forms may be sent to:

About the University

The Government of Tamil Nadu established Bharathiar University at Coimbatore in February 1982 and received the recognition from University Grants Commission (UGC), New Delhi in May 1985. The University named after the "Great National Poet Subramania Bharathar" is entrusted with the motto "Educate to Elevate". The aim of the University is to provide quality higher education to all people. We develop the citizens with knowledge, skills, innovations in research, creativeness which reach out internationally and nationally by offering selfless services.

About the Department

The Department of Computer Science is providing all facilities, motivating seminar and project presentation with teaching. The Department offers the PG courses in M.Sc Computer Science, M.Phil and Ph.D programmes to enrich the Research activities for the young graduates. The thrust areas of Research in the Department of Computer Science are Speech Recognition, Wireless Sensor Networks, Machine Learning/ Deep Learning, Image Processing, Big Data Analytics and Protein / Gene Analysis.

About the Location

The University is situated near Marudhamalai on the National highway (NH 47) around 20 kms from Coimbatore. It is well connected by air, rail & road.

About Machine Learning

Machine learning algorithms are in continuous development and will definitely become more widespread in the years to come. Machine learning has been applied in all top research areas and useful in many different applications such as designing voice controlled devices, predicting business market trends and Emotion classification using data mining and big data analytics, Building Expert Clinical Decision Support System, Natural language processing in Search engines, Hardware accelerators for new AI architecture, Simulation environments for evaluation and testing like self-driving cars and virtual reality.

Objective of FDP – ML 19

To expose the Faculty/Research Scholars in emerging technologies in the areas of Data mining, Medical Image Analysis, Digital Image Processing and Healthcare Data Analytics. This Faculty Development Programme provides practical foundation level training that enables immediate and effective participation in the areas which uses the machine learning algorithms. Participants will get knowledge in Principles of Machine learning and derive practical solutions using predictive analytics.

Resource Persons

Dr. P. Sumanasudha Pichel, serves as Professor of Computer Science and Applications in Coimbatore Bharathiar Institute (Deemed to be University), Dindigul, Tamil Nadu. She has 28 years of experience in Teaching and 18 years in Research. Her areas of research include: Medical Image Analysis, Digital Image Processing, Parallel Computing, Mathematics, Data Analytics and Software Engineering. Dr. Pichel has authored about 100+ research publications. She has delivered 145 lectures in Conferences/Seminars. She is a recipient of Indo-US 21st Century Knowledge Initiative Award 2015. She has received research funds from TNSCST, DDC, DST and ICAR, with an order of INR.60 Lakh. She visited China, Malaysia and USA on international academic assignment.

Dr. M. Mary Shanthi Kiria, working as a Assistant Professor in Coimbatore Bharathiar Institute (Deemed to be University), Dindigul, Tamil Nadu. She has 11 years of experience in Teaching and 10 years in Research. Her area of research includes: Image Compression, Information Security, and Cryptology. She has published 17 research articles in National / International Journals, 19 papers edited in various proceedings. She has 1 funded research project. She is the Lead Coordinator of Coimbatore Research Institute on Health care and Agriculture Applications (GRINHA) Research group of Leading Info, AI project, a national-level initiative for promoting Skillup and Research in AI and Deep Learning.

Mr. Sanj Gokulraj, working as Associate Engineer at DasgenTech Systems Pvt. L (Electronics-MATLAB) in Pune, Maharashtra India. He has 3 years of experience in AI field. He has the top skills in D: in using Machine Learning and Deep learning also. He has a sound knowledge in various tools like NeuroNetworks, S.T, MATLAB, Thing Speech and he has published 3 research papers in International Journals in completed 7 Projects. He delivered many training and seminars at various institutions and companies.

Registration Details

The number of participants of this workshop is limited to 50. Registration is on first come first serve basis. Due to limited seats, early registration by 1st January 2019 is recommended to ensure your participation. The registration fee for:

Research Scholars / Faculty Members : Rs.1,000/-
The registration fee includes kit, lunch and high tea.

Payment

NEFT/RTGS/IMPS Transfer:

Account Name : The Organizing Secretary, FDP-ML 19
Account Number : 822610110014273
Account Type : Savings Account
Bank : Bank of India (BOI)
Branch : Bharathiar University
IFSC Code : BKID0008226

Accommodation

Accommodation will be arranged in the University Guest House / International Hostel on payment basis.

About the University

The Government of Tamil Nadu established Bharathiar University at Coimbatore in February 1982 and received the recognition from University Grants Commission (UGC), New Delhi in May 1985. The University named after the "Great National Poet Subramania Bharathiar" is inspired with the motto "Educate to Elevate". The aim of the University is to provide quality higher education to all people. We develop the citizens with knowledge, skills, innovations in research, creativeness which reach out internationally and nationally by offering selfless services.

About the Department

The Department of Computer Science is providing all facilities, motivating seminar and project presentation with teaching. The Department offers the PG courses in M.Sc Computer Science, M.Phil and Ph.D programmes to enrich the Research activities for the young graduates. The thrust areas of Research in the Department of Computer Science are Speech Recognition, Wireless Sensor Networks, Machine Learning/ Deep Learning, Image Processing, Big Data Analytics and Protein / Gene Analysis.

About the Location

The University is situated near Maruthamalai on the National highway (NH 47) around 20 kms from Coimbatore. It is well connected by air, rail & road.

About Machine Learning

Machine learning algorithms are in continuous development and will definitely become more widespread in the years to come. Machine learning has been applied in all top research areas and useful in many different applications such as designing voice controlled devices, predicting business market trends and Emotion classification using data mining and big data analytics, Building Expert Clinical Decision Support Systems, Natural language processing in Search engines, Hardware accelerators for new AI architecture, Simulation environments for evaluation and testing like Simulation cars and virtual reality.

Objective of FDP – ML 19

To expose the Faculty/Research Scholars in emerging technologies in the areas of Data mining, Medical Image Analysis, Digital Image Processing and Healthcare Data Analytics. This Faculty Development Programme provides practical foundation level training that enables immediate and effective participation in the areas which uses the machine learning algorithms. Participants will get knowledge in Principles of Machine Learning and derive practical solutions using predictive analytics.

Resource Persons

Dr. P. Srinivasakavitha Pichai, serves as Professor of Computer Science and Applications in Government Rural Institute (Government of Tamil Nadu), Dindigul, Tamil Nadu. She has 28 years of experience in Teaching and 18 years in Research. Her areas of research include Medical Image Analysis, Digital Image Processing, Parallel Computing, Healthcare Data Analytics and Software Engineering. Dr.Pichai has authored about 100+ research publications. She has delivered 145 lectures in Conferences/Seminars. She is a recipient of India-US 21st Century Knowledge Initiative Award 2015. She has received research funds from TNSCST, DDC, DST and ICAR, with an outlay of 150.69 Lakh. She visited China, Malaysia and USA on international academic assignment.

Dr. M. Mary Mandy Rani, working as a Assistant Professor in Government Rural Institute (GRI), Dindigul, Tamil Nadu. She has 11 years of experience in Teaching and 10 years in Research. Her areas of research includes Image Classification, Information Security, and Clouding. She has published 17 research articles in National / International Journals, 19 papers edited in volumes / proceedings. She has 1 funded research project. She is the Lead Coordinator of Government Research Institute on Health care and Agriculture Applications (GRINAA) Research group of Leading India AI project, a network initiative for promoting Skill and Research in AI and Deep Learning.

Mr. Anil Gowarikar, working as Applied Engineer at DesignTech Systems Pvt. L (Multivendor/MATLAB) in Pune, Maharashtra India. He has 3 years of experience in IT field. He has the key skills in D.:a study Machine Learning and Deep Learning also 3 has a sound knowledge on various tools like NeuroEvolution 3.7, MATLAB, ThingSpeak and he has published 3 research papers in International Journals and completed 7 Projects. He delivered many training and seminars in various institutions and companies.

Registration Details

The number of participants of this workshop is limited to 50. Registration is on first come first serve basis. Due to limited seats, early registration by 1st January 2019 is recommended to ensure your participation. The registration fee for:

Research Scholars / Faculty Members : Rs 1,000/-
The registration fee includes kit, lunch and high tea.

Payment

NEFT/RTGS/IMPS Transfer:

Account Name : The Organizing Secretary, FDP-ML 19
Account Number : 822610110014273
Account Type : Savings Account
Bank : Bank of India (BOI)
Branch : Bharathiar University
IFSC Code : BKID0008226

Accommodation

Accommodation will be arranged in the University Guest House / International Hostel on payment basis.

Last date for Registration : 11. 01. 2019

Mr P Chidambaram
Head, Department of Biotechnology
Dr. N.G.P. Arts And Science College
Dr. N.G.P.- Kalapatti Road
Coimbatore 641048 [Tamil Nadu]

Dear Mr Chidambaramraj,

This has reference to your application LFT6 for an IASO-INSA-NAAS Summer Research Fellowship in 2019. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheet. You will be working with Dr Neha Garg, Indian Institute of Technology, Mandi (e-mail: nehag@imandi.ac.in).

We have tried as far as practicable to assign you to a guide who works in your area of interest. Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.

This Fellowship is subject to the following norms:

- The duration of the Fellowship is eight weeks (56 days – including Saturdays and General Holidays), and is not to be reduced. If you do not complete this requirement, you will not be paid the fellowship amount and the certificate that is usually issued on completion.
- You will be provided a **Jointer Acceptance form** from Coimbatore or Salem to IIT, Mandi and back.
- You will be paid a Fellowship of **Rs. 18,750*** per month towards your **boarding, lodging, local transport expenses***.
- As regards accommodation, please contact Dr Garg as the Academy is not able to help you in this regard.

Please also go through carefully & comply with all the instructions given in the attached sheet.

You are advised to get in touch with Dr Garg immediately to work out the exact period of your visit. In the meantime please communicate with Mr C.S. Ravi Kumar, Coordinator, Science Education Programme, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.

We urge you to convey your acceptance of this fellowship within 7 days by both online (the user id and password given at the bottom of the email) as well as by returning the **Form of Acceptance** pasted to you. Even if you are not able to accept the fellowship, this should be communicated to the Academy immediately (both by email and in the Form of Acceptance email: jointer@ias.ac.in) so that the fellowship can be offered to another candidate in the waiting list.

With best wishes,

Yours sincerely,

Professor M.R.N. Merty
Chairman, Joint Science Education Panel, IASc

* It is recommended that each Summer Research Fellow (SRF) be covered by a personal health/accident insurance policy during the period of research training. The Academies will not provide any insurance cover. Therefore, the responsibility for purchase of insurance rests with the SRF.

*Chairman, Joint Science Education Panel
Indian Academy of Sciences*

Date: 27 April 2018

Ms K Girja
11/14, Maran Marutha Kitty Street
K. K. Padar, Sainaba Colony
Coimbatore 641038 (Tamil Nadu)

Dear Ms Girja,

This has reference to your application **PHYT27** for an IASE-INSA-NASI Summer Research Fellowship in 2018. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheets. You will be working with Professor D. Arivuoli, Anna University, Chennai (e-mail: arivuoli@gmail.com, arivuoli@annauniv.edu).

We have tried as far as practicable to assign you to a guide who works in your area of interest. Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.

This Fellowship is subject to the following terms:

- The duration of the Fellowship is eight weeks (56 days – including Sundays and General Holidays), and is not to be reduced. If you do not complete this requirement, you will not be paid the fellowship and the certificate that is usually issued on completion.
- You will be provided a III-tier A/c train fare from Coimbatore to Anna Univ., Chennai and back.
- You will be paid a Fellowship of Rs 15000/- per month towards your boarding, lodging and local transport expenses.
- As regards accommodation, please contact Professor Arivuoli as the Academy is not able to help you in this regard.

Please also go through carefully & comply with all the instructions given in the attached sheet.

You are advised to get in touch with Professor Arivuoli immediately to work out the exact period of your visit. In the meantime please communicate with Mr C S Ravi Kumar, Coordinator, Science Education Programme, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.

We urge you to convey your acceptance of this fellowship within 7 days by both online (the user id and password given at the bottom of the email) as well as by returning the Form of Acceptance posted to you. Even if you are not able to accept the fellowship, this should be communicated to the Academy immediately (both by email and in the Form of Acceptance email: sumfcb@ias.ac.in) so that the fellowship can be offered to another candidate in the waiting list.

With best wishes,

Yours sincerely,

M.R.N Murthy

Mr P Chidambaraman
Head, Department of Biotechnology
Dr. N.G.P. Arts And Science College
Dr. N.G.P.- Kalapatti Road
Coimbatore 641048 [Tamil Nadu]

Dear Mr Chidambaraman,

This has reference to your application LFT6 for an IASc-INSA-NAAS Summer Research Fellowship in 2019. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheet. You will be working with Dr Neha Garg, Indian Institute of Technology, Mandi (e-mail: nehag@imandi.ac.in).

We have tried as far as practicable to assign you to a guide who works in your area of interest. Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.

This Fellowship is subject to the following norms:

- The duration of the Fellowship is eight weeks (56 days – including Saturdays and General Holidays), and is not to be reduced. If you do not complete this requirement, you will not be paid the fellowship amount and the certificate that is usually issued on completion.
- You will be provided a **III- tier Air ticket** from Coimbatore or Salem to IIT, Mandi and back.
- You will be paid a Fellowship of **Rs. 18,750*** per month towards your **boarding, lodging, local transport expenses***.
- As regards accommodation, please contact Dr Garg as the Academy is not able to help you in this regard.

Please also go through carefully & comply with all the instructions given in the attached sheet.

You are advised to get in touch with Dr Garg immediately to work out the exact period of your visit. In the meantime please communicate with Mr C.S. Ravi Kumar, Coordinator, Science Education Programs, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.

We urge you to convey your acceptance of this fellowship within 7 days by both online (the url and password given at the bottom of the email) as well as by returning the **Form of Acceptance** pasted to you. Even if you are not able to accept the fellowship, this should be communicated to the Academy immediately (both by email and in the Form of Acceptance email: jointinf@ias.ac.in) so that the fellowship can be offered to another candidate in the waiting list.

With best wishes,

Yours sincerely,

Professor M.R.N. Murthy
Chairman, Joint Science Education Panel, IASc

* It is recommended that each Summer Research Fellow (SRF) be covered by a personal health/accident insurance policy during the period of research training. The Academies will not provide any insurance cover. Therefore, the responsibility for purchase of insurance rests with the SRF.
