EVENT - 2
OBE ATTAINMENT
05.12.2020

I. Introduction

The Outcome based education provides an awareness to map the cordilaterals of the course outcomes and programme outcomes according the norms of blooms taxonomy. The blooms taxonomy has become a major yardstick to assess the assessment that provides quality education to students; this is a topic that requires a great deal of understanding to produce an effective outcome. And likewise this programme carters to this need.

II. Event Description

The programme was presided by the chief guest Dr. N. Muthumani giving a splendid overview on the Outcome based education model. This programme was for the entire in house faculty; therefore nearly three hundred faculty members attended the programme and were benefitted out of it.

Dr. N.G.P. Arts and Science College, Coimbatore organizes an online faculty development programme on Research Methodology and Pedagogy for Tertiary Education. The programme is designed to train and develop faculty members in the area of innovative teaching and research methodology. This seven days FDP will be careful blend of sessions that cover a range of topics including Teaching, Class Room Effectiveness, Student's Engagement in Pandemic Situation, Manuscript Writing, Qualitative and Quantitative Research Methods, Data Analysis using open source software JAMovi, ICT tools, Art of Managing Stress and basic computation skills required for research and academics.

Objectives
Empower the faculty members with innovative advancement pedagogy for professional development and students enhanced learning.

Incubate and enhance the abilities of the faculty members to carry out independent research.

Emphasize on broad range of techniques available in research methods and data analysis techniques for research using open-source software JAMovi.

Overcome the stress of being in digital education and to have a balanced work life.

Finally he concluded that learning basic excel can open door to higher paying job opportunities.

The Faculty Development Programme (FDP) fulfils its prime objectives to bring the faculties onto one platform to update with the advances in the effective teaching learning practices, integration of ICT in the teaching-learning process, expose to tools like open source courseware, simulation tools, and scientific approaches of planning and execution of research. Around 250 participants from different departments of colleges participated and benefited from this programme.

VI. Outcome

Faculty members have obtained a good knowledge sharing and enriched the various tools and techniques that are available for online teaching learning. During the COVID-19 staff members spend their time in updating themselves. It was good platform. We recorded feedback and comments given by the staff members.
