Annual Gender Sensitization Action Plan

2020-21

Many of our girl students are the first aspirants to step into the higher education from their families and our Dr. NGPASC being a co-educational institution has secured a wide acclamation in the region as 'disciplined, safe and secure' place for women students. Thereupon there is an urge to empower and strengthen our girl students and women fraternity at the campus. The annual action plan has been initiated to bring an idealistic evolution in the conduct, behavior and support equity among the genders within the campus and in the local community.

Objective: The principal objectives of various centres like Center for Women and Gender Development, Center for Equal Opportunity, and Women's Forum conjointly aim to reconstruct a society based on gender equality and justice creates a milieu which is forsaken of sexual abuse, gender discrimination, inequality, and suppression.

The following are activities planned by the various Centres and Forum with regards to Gender sensitization:
