2. NATIONAL HANDLOOM DAY

Pamphlet distribution was held on 07.08.2018 through the Department of Costume Design and Fashion to create awareness of handloom and its current status in our country. The students from the CDF department distributed the pamphlet to various departments and explained the Handloom sector and its financial status. It results in creating awareness around the society and makes people to utilize the handloom products. They came to know about the benefits and advantages of it.

10. NATIONAL SCIENCE DAY - MICROSCOPIC OBSERVATION OF PLANT CELLS

Department of Biotechnology of Dr.N.G.P. Arts and Science College, Coimbatore under DBT star college scheme has organized a program on “Microscopic observation of plant cell” on the mark of National science day celebration at both the schools of Tiruppur and Perumanallur. The samples used were potato cell in the presence of starch and epithelial cells of onion. Both the cells were visualized by the students and asked to give feedback of observed results.

The students had question and answer session which was in the form of quiz. The students were trained to handle scalpel and cut the root tips for sample preparation. Dr.M.Poongothai, Assistant professor and Mrs.Shanmugavadivu were the staffs involved. More than 100 student’s community was benefitted. The principal of the both the schools were delighted because of their students were enriched with the practical oriented class. The student’s community was benefitted by deep knowledge on microscope parts and how to handle the microscope and to visualize the sample using the microscope.
