## 7.1.5. GREEN CAMPUS INITIATIVES

The following are the initiatives taken to transform the institution as Green campus:

S. No.	Items	Supporting documents
1	Restricted Entry of Automobiles	Regulations of Restricted entry
2	Battery operated vehicles	a. Facilities available
		b. Bills
3	Pedestrian Friendly Pathways	Amenities available on pedestrian friendly campus
4	Ban on use of Plastic	Initiatives Taken
5	Landscaping with Trees and Plants	a. List of Medicinal Plants
		b. List of Trees and Plants
		c. List of Birds and Animals

## 1. Green Campus Initiatives

The entry point of the campus is completely controlled by the Security staff. Outsiders not concerned with the institution will not be permitted inside the campus. Even students and staff members are allowed only if they do possess a proper identity card. All those who require entering into the college campus would be scrutinized and then directed accordingly to park their vehicles in respective locations. The institution does have separate parking facilities for two wheelers and four wheelers for students and staffs separately.

There is a separate parking lot for students and staffs for both 2-wheeler and 4-wheeler vehicles. No one is permitted to take their vehicles beyond the parking lot and are restricted to have their vehicles in specified areas. The usage of pedestrian friendly atmosphere, speed breakers and restricted entry of vehicles ensures the safety of the commuters (both students and staffs) within the campus.

Speed breakers within the campus to prevent unwanted speeding of vehicles by students. Most the students make use of the college transport to make their way from their respective locations. The college does have many buses to cater to the requirement of the students. The buses of the institution does have separate parking lot. It is only in this parking lot and all the students and staffs, who make use of the bus facilities would be off-loaded and loaded and during morning and evening times. This also ensures that both students and staffs find it easy to approach their respective buses, after the college timing is over.

	<p align="center"><b>Dr. N.G.P. ARTS AND SCIENCE COLLEGE</b>          (An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore)          Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2<sup>nd</sup> Cycle)          Dr. N.G.P. – Kalapatti Road, Coimbatore-641048, Tamil Nadu, India          Web: <a href="http://www.drngpasc.ac.in">www.drngpasc.ac.in</a>   Email: <a href="mailto:info@drngpasc.ac.in">info@drngpasc.ac.in</a>   Phone: +91-422-2369100</p>	<p align="center"><b>NAAC</b> <b>3<sup>rd</sup> Cycle</b></p>
		<p align="center"><b>Criterion VII</b> <b>Metric 7.1.5</b></p>

## 2. a. Battery Operated Vehicles

The institution campus is regularly cleaned using battery operated vehicle to keep the campus clean and tidy. There are separate battery-operated vehicles to clean the tiles/ floors and the roads within the college premises and another battery-operated vehicle to commute from one place to the another within the campus limit.

### 3. Pedestrian Friendly Pathways

The entire campus is connected with well laid roads with platforms on both the sides ensuring safety both for commuters and pedestrians. Both in the morning and in the evening when the students and staff members used to ride their two wheelers and four wheelers to the parking lot, the usage of pedestrians by the students and staff members using public traffic ensures their safety within the campus.

The pedestrians do connect all the administrative and academic buildings of the institution so that both students and staff members do not use the road to move across from one location to another.

	<p align="center"><b>Dr. N.G.P. ARTS AND SCIENCE COLLEGE</b>          (An Autonomous Institution, Affiliated to Bharathiar University, Coimbatore)          Approved by Government of Tamil Nadu and Accredited by NAAC with 'A' Grade (2<sup>nd</sup> Cycle)          Dr. N.G.P. – Kalapatti Road, Coimbatore-641048, Tamil Nadu, India          Web: <a href="http://www.drngpasc.ac.in">www.drngpasc.ac.in</a>   Email: <a href="mailto:info@drngpasc.ac.in">info@drngpasc.ac.in</a>   Phone: +91-422-2369100</p>	<p align="center"><b>NAAC</b> <b>3<sup>rd</sup> Cycle</b></p>
		<p align="center"><b>Criterion VII</b> <b>Metric 7.1.5</b></p>

## 4. Ban on use of Plastic

Complying with the expectation of University Grants Commission (UGC) the institution has banned the usage of single use plastic within the campus. To ensure this a circular was sent to sensitize all the staff members and students against the usage of single use plastic. The management has also taken the Government initiative seriously and has replaced all the paper cups and plastic cups in the canteen with reusable glasses.

The institution also sensitizes students and staff members against the usage of plastics through awareness camps as well. Pamphlets against the usage of plastics are displayed at the college coffee shop in sensitizing all against the usage of single use plastics.

### CIRCULAR

Plastics, being a Hazardous element in the society pose major threat to the livelihood of Mankind and other being in the world. So it is becoming a key responsibility of every citizen of our country to "Say No to Plastics" and also to create awareness among the community as whole. So, strongly supporting the cause, from 2<sup>nd</sup> October 2019, Dr. N.G.P. Arts and Science College, will implement the ban on use of Plastics in its campus, in particular single use plastics.

### 5. Landscaping with Trees and Plants

The campus spans around 7.43 acres with most of the space being planted with greeneries in an orderly manner. The waste water treated using the Sewage Treatment Plant (Grey water) is used in watering the greenery of the campus that sprawling around 65,000 sq. ft. approximately.

The institution ensures that the free spaces are filled with lawns, trees, herbs, shrubs and climbers and watered through automatic pipes laid within the campus.
