2. Report of the Event

Globally, mass tree plantings became a popular symbol of the world uniting against climate change and environmental destruction, with governments starting to compete on who will plant more trees. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted *A Mass Tree Saplings Plantation* event on 17.12.2016. The event has been conducted at Government Primary School, Kalapatti. Mr. Osai Kalidasan, Founder of OSAI-NGO consented to be the Chief Guest for the event. Mrs. Sindhu, Headmistress of Kalapatti Primary School facilitated the event.

The event has been inaugurated by Dr. P.R. Muthuswamy, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. S. Nithya, Programme Officer of Unit – II introduced the chief guest. At first Mr. Osai Kalidasan, Founder of OSAI-NGO highlighted some valuable points to the students. He mentioned that trees give off oxygen that humans need to breathe. He added saying – “Trees reduce the amount of storm water runoff, which reduces erosion and pollution in the waterways and largely reduce the effects of flooding. Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.”

100 NSS student volunteers took part in this event and understood the benefit of doing tree plantation. 33 NSS Volunteers of Unit-1 identified the right location in and around the school campus and cleaned the place. 33 NSS Volunteers of Unit-2 dig the ground and prepared the place for tree plantation. The remaining 34 NSS volunteers of Unit-3 planted around 100 saplings. Finally Mr. B.Narasimhan conveyed vote of thanks.

2.Report of the Event

According to the, Importance of Cleanliness in School and Disease Prevention. Dirt and grime promote the spread of germs, which can also encourage the spread of communicable diseases. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted *School and Temple Campus Cleaning – SWATCHH BHARATH* event on 6.1.2017. The event has been conducted at Kalapatti, Veeriyampalayam, Karupparayampalayam, Mr. Ragupathy 36th Ward Former Councillor, Veeriyampalayam consented to be the Chief Guest for the event.

The event has been inaugurated by Dr. P. R. Muthuswamy, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. S. Nithya, Programme Officer of Unit – II introduced the chief guest. At first Mr. Ragupathy 36th Ward Former Councillor, Veeriyampalayam highlighted some valuable points to the students. He mentioned that, a clean environment in school as well as in Temple contributes to a healthy environment for the students to learn. On the other hand, it also encourages a good workplace environment for the teachers, eventually helping the kids and Students to grow in a motivating and nurturing atmosphere.

150 NSS student volunteers took part in this event and understood the benefit of cleaning the environment. 50 NSS Volunteers of Unit-1 identified the right location in and around the school campus and the right location of temple to be cleaned. 50 NSS Volunteers of Unit-2 cleaned the school campus in and out. The remaining 50 NSS volunteers of Unit-3 were cleaned the Temple premises in and out. Finally Mr. B. Narasimhan conveyed vote of thanks.

2.Report of the Event

Educating people about the value of plastic products and materials, as well as how to use them safely and sustainably, is at the heart of everything the Plastics Industry Association (PLASTICS) does. Through several different initiatives and resources, plastics offers tools for kids, college-bound students, job seekers, educators, companies and the public at large to learn more about plastics, recycling and careers in the industry. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted ***Eradication of Plastics - SWACHH BHARAT*** event on 7.1.2017. The event has been conducted at Kalapatti, Veeriyampalayam, Karupparayampalayam. Mr. A. Kandaswamy Former Students Chairman, Veeriyampalayam consented to be the Chief Guest for the event.

The event has been inaugurated by Dr. P. R. Muthuswamy, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. S. Nithya, Programme Officer of Unit – II introduced the chief guest. At first Mr. A. Kandaswamy Former Students Chairman, Veeriyampalayam highlighted some valuable points to the students. He delivers a speech that, Stop using plastic straws, even in restaurants. Use a reusable produce bag Give up gum Buy boxes instead of bottles Purchase food Extreme versatility and ability to be tailored to meet specific technical needs.

150 NSS student volunteers took part in this event and understood the benefit of cleaning the environment. 50 NSS Volunteers of Unit-1 identified the right location for cleaning the plastics in the campus. 50 NSS Volunteers of Unit-2 cleaned the unwanted plastics around the surroundings. The remaining 50 NSS volunteers of Unit-3 collected the waste and cleaned the remaining surroundings. Finally Mr. B.Narasimhan conveyed vote of thanks.

2.Report of the Event

It is one of the most effective methods to reduce the seed bank in future. Uprooting should be done during rainy season or in wet soil. Utmost importance should be given to uproot the plants before flowering. Uprooting will not be useful, if done after flowering. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted ***Eradication of Parthenium Plants - SWACHH BHARAT*** event on 8.1.2017. The event has been conducted at Kalapatti, Veeriyampalayam, Karupparayampalayam. Mrs. J. Thamizhmozhi 34th Ward Former Councilor, Veeriyampalayam consented to be the Chief Guest for the event.

The event has been inaugurated by Dr. P. R. Muthuswamy, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. S. Nithya, Programme Officer of Unit – II introduced the chief guest. At first Mrs. J. Thamizhmozhi 34th Ward Former Councilor, Veeriyampalayam highlighted some valuable points to the students. She delivered a speech about Parthenium that it has been reported to be causing a total habitat change in native Australian grasslands, open woodlands, river banks, and flood plains. It is an aggressive colonizer of water courses, cultivated fields, and has invaded 14.25 million hectares of farm land during 2001–2007, compared to 2 million hectares in 1991–2000. 150 NSS student volunteers took part in this event and understood the benefit of cleaning the environment and water sources. 50 NSS Volunteers of Unit-1 identified the right location for cleaning the Parthenium Plants. 50 NSS Volunteers of Unit-2 cleaned the Parthenium Plants around the surroundings & outside. The remaining 50 NSS volunteers of Unit-3 were collected the waste and cleaned the remaining surroundings. Finally Mr. B.Narasimhan conveyed vote of thanks.

2. Report of the Event

It focuses on making people aware of global warming and climate change and promoting efforts towards saving energy resources. Energy conservation is an effort made to reduce the consumption of fuel and use the least energy resources to save for the future and Sustainable water management is the global grand challenges of our time. Tackling this challenges through corrective action would require participation of the general public. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted Awareness on Energy Conservation and Water Management event on 10.1.2017. The event has been conducted at Kalapatti, Veeriyampalayam, Karupparayampalayam. Mr. N.R. Vaitheeswaran, PCRA, Coimbatore consented to be the Chief Guest for the event.

The event has been inaugurated by Dr. P.R.Muthuswamy, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. S. Nithya, Programme Officer of Unit – II introduced the chief guest. Mr. N.R. Vaitheeswaran, PCRA, Coimbatore highlighted some valuable points to the students. He said Water management helps in developing efficient irrigation practices for the betterment of agriculture in the country. Proper utilization of water in our homes too can save this precious resources. He also said about Energy conservation which is incredibly important for several reasons. Along with reducing our reliance on non-renewable energy resources (like fossil fuels), it also helps save you money on energy costs, including utility bills and other energy bills.

150 NSS student volunteers took part in this event and understood the Purpose of Conserving the energy and water management. 100 NSS Volunteers of Unit-1& Unit 2 Created Awareness on Energy conservation. The remaining 50 NSS volunteers of Unit-3 created the awareness on Water Management of the community. Finally Mr.B.Narasimhan conveyed vote of thanks.
