2. Report of the Event

Globally, mass tree plantings became a popular symbol of the world uniting against climate change and environmental destruction, with governments starting to compete on who will plant more trees. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted *A Mass Tree Saplings Plantation* event on 25.08.2019. The event has been conducted at Sulur Village. Mr. S.P. Velumani, Minister for Municipal Administration, Rural Development and Implementation of Special Programme consented to be the Chief Guest for the event. The event has been inaugurated by Prof. Dr. V. Rajendran, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. R. Reena Rani, Programme Officer of Unit – II introduced the chief guest. At first Mr. S.P. Velumani, Minister for Municipal Administration, Rural Development and Implementation of Special Programme highlighted some valuable points to the students. He mentioned that trees give off oxygen that humans need to breathe. He added saying – “Trees reduce the amount of storm water runoff, which reduces erosion and pollution in the waterways and largely reduce the effects of flooding. Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.”

150 NSS student volunteers took part in this event and understood the benefit of doing tree plantation. 50 NSS Volunteers of Unit-1 identified the right location in and around the school campus and cleaned the place. 50 NSS Volunteers of Unit-2 dig the ground and prepared the place for tree plantation. The remaining 50 NSS volunteers of Unit-3 planted around 100 saplings. Finally Mr. B.Narasimhan conveyed vote of thanks.

2. Report of the Event

Pool cleaning means not only will it keep your pool free of leaves, debris and algae, but it'll also help keep your drains clear and functioning properly. Essential steps in pool cleaning include but aren't limited to: Using a leaf skimmer to remove leaves and other debris in the water. In this connection, National Service Scheme (Unit-I, Unit-II and Unit-III) of Dr. N.G.P. Arts and Science College conducted **Pool Cleaning** event on 1.10.2019. The event has been conducted at Veeriyampalayam, Karupparayampalayam, and Kaikolampalayam. Dr. D. Geetha Ramani, Dean - Academics, Dr. N.G.P. Arts and Science College consented to be the Chief Guest for the event.

The event has been inaugurated by Prof. Dr. V. Rajendran, Principal of Dr. N.G.P. Arts and Science College. Dr. S. Namasivayam, Programme Officer of Unit –I welcomed the gathering. Ms. R. Reena Rani, Programme Officer of Unit – II introduced the chief guest. At first Dr. D. Geetha Ramani, Dean - Academics, Dr. N.G.P. Arts and Science College highlighted some valuable points to the students. She delivered a speech about how People, wildlife and plants depend on clean water. Without clean water, life itself is impossible. Pollution, overfishing, mining and dams threaten rivers and lakes—and the communities and ecosystems that depend on them and need of pool cleaning. 150 NSS student volunteers took part in this event and understood the benefit of cleaning the environment and water sources. 50 NSS Volunteers of Unit-1 identified the right location for cleaning the Pool. 50 NSS Volunteers of Unit-2 cleaned the unwanted plants around the surroundings & outside. The remaining 50 NSS volunteers of Unit-3 were collected the waste and cleaned the remaining surroundings. Finally Mr. B.Narasimhan conveyed vote of thanks.
