DEPARTMENT OF COMPUTER APPLICATIONS

Extension activity report held on 16.08.2017

The Students of BCA along with faculty members have undergone for an extension activity to the Vellanaipatti village, Coimbatore-48 to provide awareness on “Cyber Crime”.

Students actively conveyed information about the cyber crime by plug cards, slogans, charts and presentation slides and created awareness for village people.

Our students went to the residence of village people individually and campaign about cyber crime through demonstration. They also give information about how to overcome the cyber crime in a secured way while using electronic gadgets and internet.

Students gave power point presentation to Periyannayaki Amman Matriculation school children also. Head Master gave positive feedback about it. Vellanaipatti people are very happy about the helping hand from the student of NGP to learn about cyber crime. They are ready to understand the requirement of digitization in a secured way. They gave feedbacks, also they are expecting such a useful program from us in future.

Motivation and support extended by our college management to make this extension activity a great success.

OUTREACH PROGRAM–AWARENESS ON THREATS IN DIGITAL TRANSACTION

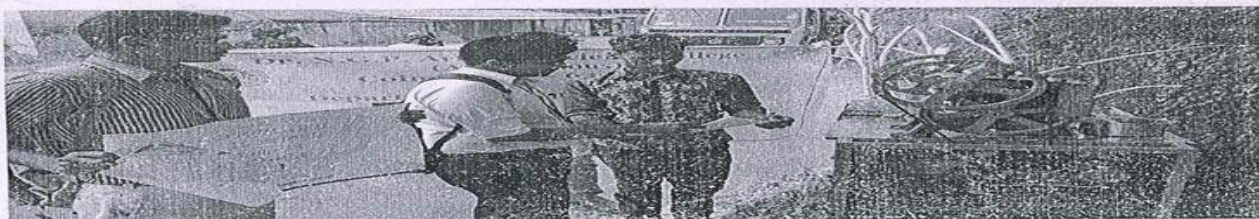

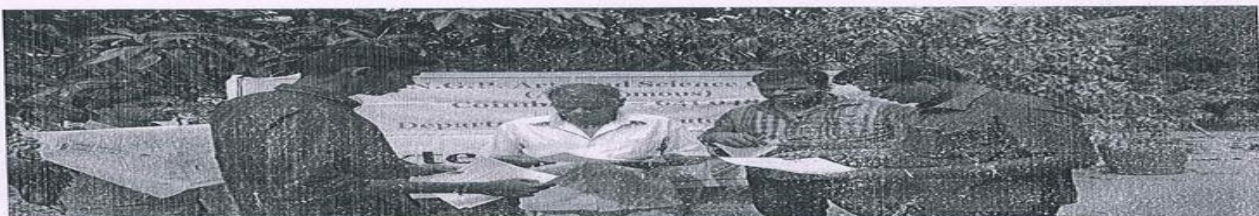

DATE: 17.01.2018

PLACE: Andakapalayam and Kalapatti Village

An extension activity on “Awareness on Threats in Digital Transaction” was conducted with the intention of creating awareness on issues related to threats in digital transaction. Customers are very vulnerable to the modern threats and people who are illiterate about the threats face lot of issues. Students from their own experience wished to create awareness on the existing problems in digital transaction. They created charts with information regarding not divulging passwords and account number to different methods of having a secured digital transaction. Students from the department had participated voluntarily as they wanted to make a change as India is progressing towards digitization. Small teams of students created awareness sessions and it was well received by people in and around Andakapalayan and kalapatti village.

People were happy to share their perceptions with volunteers and the volunteers took real interest in documenting their issues and shared their ideas with the help of the knowledge they had on the issues. The activity was a great learning experience for people as well as for the student volunteers.

 Extension Activity Report
Summary

An extension activity on “**Awareness on Threats in Digital Transaction**” was conducted with the intention of creating awareness on issues related to threats in digital transaction. Customers are very vulnerable to the modern threats and people who are illiterate about the threats face lot of issues. Students from their own experience wished to create awareness on the existing problems in digital transaction. They created charts with information regarding not divulging passwords and account number to different methods of having a secured digital transaction. Students from the department had participated voluntarily as they wanted to make a change as India is progressing towards digitization .Small teams of students created awareness sessions and it was well received by people in and around Andakapalayan and kalapatti village.

People were happy to share their perceptions with volunteers and the volunteers took real interest in documenting their issues and shared their ideas with the help of the knowledge they had on the issues. The activity was a great learning experience for people as well as for the student volunteers.

EXTENSION ACTIVITY - U

PLACE : THE UNITED ORPHANAGE FOR THE DISABLED, KURUMBAPALAYAM

TIME : 12.00 pm - 3.00 pm

TOPIC : CLEAN INDIA

INTRODUCTION :

Ageing describes the process of growing old. A mental illness is a condition that affects a person's thinking, feeling or mood. Elderly care serves the need for fulfillment and requirements that are unique to senior citizens. The most important part of caring for the elderly is to love them and keep them happy. There are many different ways to care for the elderly is, to love them by caring them in comfort of their own homes, bringing them to your home or by moving them to a senior center. We B.Sc Mathematics (CA) has achieved the above motive by moving to a orphanage and also learnt that "If you want happiness for a lifetime, help somebody". through 'UNITED ORPHANAGE' at Kurumbapalayam.

OBJECTIVE :-

Our main objective of going to the orphanage is

- *To render service to those people with mental illness and physically challenged.
- *To spend some valuable time among the elderly people.
