Wipro technologies Coimbatore, Tamil Nadu, India

Phone: 9524008868 | Email: rajmarisam@gmail.com

PROFESSIONAL SUMMARY

QA Project Lead with 11+ years of experience in IT Quality Assurance, including 4 years specializing in Avaloq testing. Expertise in manual and automation testing, test strategy, execution, defect lifecycle management, and Agile/Waterfall methodologies across banking, insurance, and wealth management. Experienced in team leadership, mentoring, and stakeholder coordination to ensure high-quality software delivery.

CORE SKILLS

- Avaloq testing: Client onboarding, portfolio management, compliance workflows, T+1 settlement, and upgrade validation (Avaloq 5.7).
- Test strategy, planning, execution, regression testing, and defect management.
- Team leadership and mentoring of 10+ QA professionals.
- Automation tools: Tosca, Selenium, Playwright, and Python scripting.
- Test management tools: Jira, HP ALM, and Spira.
- Methodologies: Agile and Waterfall.
- Integrated applications: Xplan, 360T, Fidessa, SEI, and Pershing.

PROFESSIONAL EXPERIENCE

Wipro Technologies – Project Lead | Oct 2023–Present
Client: Evelyn Partners – Wealth Management

- Lead a team of 10 QA professionals and manage test strategy, planning, and execution.
- Develop reusable Tosca automation functions and oversee defect resolution.
- Coordinate with development, operations, and business teams.
- Monitor quality, progress, and management reporting.

ARGO Groups | May 2017–Aug 2023

- Managed test planning, test case development, execution, and defect tracking.
- Coordinated with clients, business analysts, developers, and offshore teams.
- Mentored junior testers and maintained testing documentation and reports.

Cisco – Voice Regression Testing | Feb 2015–May 2017

- Performed system-level testing and configured test environments.
- Validated SIP and VoIP protocols.
- Used Python scripting to automate testing activities and improve efficiency.
