

Jehangir Ratanji Dadabhoy Tata was an Indian aviator, entrepreneur, chairman of Tata Group and the shareholder of Tata sons. Born into the Tata family of India, he was the son of noted businessman Ratanji Dadabhoy Tata. He is also best known for being the founder of several industries under the Tata Group, including Tata Consultancy Services, Tata Motors, Titan Industries, Tata Salt, Voltas and Air India. He was the pioneer industrialist in India. He founded India's first commercial airline, Tata Airlines in 1932. Which became

Air India in 1946. now India's national airline. Under his chairmanship. the assets of the Tata Group grew from US\$100 million to over US\$5 billion. He started with 14 enterprises under his leadership. Under his guidance, this Trust established Asia's first cancer hospital, the Tata Memorial Centre for Cancer, Research and Treatment, in Bombay in 1941. He also founded the Tata Institute of Social Sciences (TISS), the Tata Institute of Fundamental Research (TIFR), and the National Center for Performing Arts.

JRD Tata received a number of awards. Several international awards such as the Gold Air Medal of the Federation Aeronautique International, the Edward Warner Award of the International Civil Aviation Organisation, Canada He received the Padma Vibhushan in 1955 and awarded India's highest civilian honour, the Bharat Ratna. JRD Tata was also bestowed with the United Nations Population Award for his crusading endeavours towards initiating and successfully implementing the family planning movement in India, much before it became an official government policy. JRD Tata cares greatly for his workers; he initiated a programme Employee Association with management to give them a stronger voice in the affairs of the company.

J.R.D TATA ENDOWMENT LECTURE was started the corpus fund of the Department of Commerce in Business Process Services in the year 2020 in the name of Founder of TATA Consultancy Services.
