

About the Faculty Development Programme

Faculty Development Program in Commerce and Management aims to educate ourselves to keep updated and to enhance teaching effectiveness with the latest knowledge in Financial Applications with GST, Case teaching, Writing notes and Case publication. It involves actively seeking out and learning about new technologies, tools, and practices within a specific field for data driven decision-making and optimization. The program covers research skills and professional development. Teaching faculty stay updated with industry trends and academic best practices. Quality education with Interactive workshops and group activities foster collaboration and practical learning, ensuring participants to apply new strategies in their classrooms for improved student engagement and academic outcomes.
