This is to bring to your kind attention, that we are continuing our Placement Training using various online resources.

In the communication Training, we completed the Assessment part for the Placement registered students in the month of February and beginning of March which was based on Selection and Categorization of students.

The shortlisted 600 students are further divided into various groups named as A, B, B1 and C each group has a no. of upto 150 students, the trainers are providing all students with the necessary material required for professional training and interview rounds.

As a follow-up to monitor and ensure that the Online Classes are being conducted smoothly the Placement Officer is actively present in all the Forums regular interaction with the students and ensuring that they understand the need for being prepared for interviews.

The Aptitude Training is also simultaneously being conducted; students are placed into 4 groups, each group consisting of an Aptitude Trainer and 17 students volunteers, everyday questions are being posted and at the end of every unit a test is being conducted using Google Classroom. Lastly, those students who did not get shortlisted will be assessed once the college reopens.
